alvin and chipmunks books: Alvin and the Chipmunks , 2007 Families come in many different shapes and sizes, but few humans consider rodents members of the family. Dave Seville (Jason Lee) is no exception, so when this flailing musician finds three young talking chipmunks gorging themselves in his kitchen cupboards, Dave is quick to question his sanity and then toss the offending chipmunks outside into the rain and restore order. When Dave hears the chipmunks singing outside his window, he realizes that that unusual trio might just be the world's next vocal sensation and he strikes a bargain with them--the chipmunks can stay with him if they sing his songs. While chipmunks Alvin (Justin Long), Theodore (Jesse McCartney), and Simon (Matthew Gray Gubler) quickly begin to see Dave as a father figure, it's strictly a business arrangement for Dave and he maintains an appropriate emotional distance. Dave's frustration with the chipmunks mounts as they unwittingly wreak havoc on his personal life, but when Dave's old friend and record label mogul Ian (David Cross) begins to exploit the chipmunks for personal gain, Dave suddenly realizes what an important part of his life, and indeed his family, the three chipmunks have become. Hilarity reins in this live action/CGI comedy with many memorable scenes--think chipmunks showering in the dishwasher, riding in remote control planes, and bouncing off the walls under the influence of a serious caffeine buzz. Catchy Chipmunks' songs both new and old promise to lodge themselves in the minds of viewers long after the credits roll and even those none-too-enchanted with the premise of singing chipmunks can't help but be entertained by this comical film.
