Background and Publication History

Initial Release

Harry Potter and the Half-Blood Prince was first published in the United Kingdom by Bloomsbury on July 16, 2005. The first edition hardcover was released simultaneously with the paperback, making it a highly anticipated addition to the Harry Potter collection. The UK edition features a distinctive cover illustration by British artist Jason Cockcroft, which depicts a mysterious, dark scene associated with the story's themes.

First Edition Characteristics

The first edition hardback is notable for several specific features:

- Publisher: Bloomsbury
- Publication Date: July 16, 2005
- Format: Hardback
- Edition: First edition
- Number of Copies: Limited initial print run; precise figures are not publicly confirmed but generally considered limited.
- Price at Release: Approximately £16.99 in the UK; initial retail price

The first edition's rarity is compounded by the limited number of copies printed, many of which have been damaged, lost, or destroyed over time.

Identifying a First Edition Hardback

Understanding how to identify a genuine first edition hardback is crucial for collectors aiming to determine value. The key identifiers include:

Cover and Dust Jacket

- The dust jacket features the iconic cover art by Jason Cockcroft.
- The jacket has specific design features, such as the "First Edition" statement, though this is rarely printed explicitly on UK editions.
- The spine of the dust jacket should include the title, author, and publisher details consistent with the first print.

Book Details

- The copyright page should include the statement: "First published in the United Kingdom by Bloomsbury".
- The number line on the copyright page usually indicates the first printing with a sequence like "1 3 5 7 9 10" or similar, often with the number 1 present indicating the first print run.
- The ISBN for the first edition UK hardback is 0-7475-8100-4.

Additional Features

- The first edition hardcover typically has a specific binding and paper quality.
- The original dust jacket is crucial; any replacements or reproductions significantly decrease value.

Factors Affecting the Value of the First Edition Hardback

Several factors influence how much a first edition hardback of Harry Potter and the Half-Blood Prince is worth. These include rarity, condition, signed copies, and market demand.

Condition

The condition of the book heavily impacts its value. It is assessed based on:

- Binding and Cover: No tears, bends, or stains. The cover should show minimal wear.
- Pages: No foxing, stains, tears, or markings.
- Spine and Corners: No significant creases or damage.

Books are graded on a scale from "Poor" to "Fine" or "As New".

Signatures and Special Features

- Copies signed by J.K. Rowling significantly increase value.
- Limited editions or variant covers also command higher prices.

Market Trends and Rarity

- The rarity of the first edition hardback increases with the passage of time and decreasing number of pristine copies.
- The collector's market fluctuates based on demand, anniversaries, and media releases related to Harry Potter.

harry potter and the half blood prince first edition hardback value: Harry Potter British, 2016-01-18 Harry Potter and the Deathly Hallows is the seventh and final novel of the Harry Potter series, written by British author J. K. Rowling. The book was released on 21 July 2007 by Bloomsbury Publishing in the United Kingdom, in the United States by Scholastic, and in Canada by Raincoast Books, ending the series that began in 1997 with the publication of Harry Potter and the Philosopher's Stone. The novel chronicles the events directly following Harry Potter and the Half-Blood Prince (2005), and the final confrontation between the wizards Harry Potter and Lord Voldemort. Rowling finished writing Harry Potter and the Deathly Hallows in January 2007. Before its release, Bloomsbury reportedly spent 10 million to keep the book's contents safe before its release date. American publisher Arthur Levine refused any copies of the novel to be released in advance for press review, although two reviews were submitted early. Shortly before release, photos of all 759 pages of the U.S. edition were leaked and transcribed, leading Scholastic to look for the source that had leaked it. Released globally in 93 countries, Deathly Hallows broke sales records as the fastest-selling book ever, a record it still held in 2012.[3] It sold 15 million copies in the first 24 hours following its release, including more than 11 million in the U.S. and UK alone. The previous record, 9 million in its first day, had been held by Harry Potter and the Half-Blood Prince. The novel has also been translated into over 120 languages.
