

jokes about arsenal football club

Jokes About Arsenal Football Club

Jokes about Arsenal Football Club have been a staple of football banter for decades. As one of the most storied and popular clubs in England, Arsenal's successes and failures alike have inspired a treasure trove of humorous remarks and satirical jabs. Whether it's their perceived tendency to bottle leads, their trophy droughts, or their iconic history, fans and critics alike have used humor to express their opinions, tease rivals, and sometimes even rally support. In this article, we delve into the world of Arsenal-related jokes, exploring their origins, popular themes, and some of the most memorable quips that have become part of football folklore.

Origins of Arsenal Football Club Jokes

Historical Context and Fan Culture

Arsenal, founded in 1886, has a rich history filled with glorious triumphs and challenging periods. Their traditional status as a top-tier club with a passionate fan base has naturally led to a vibrant culture of banter. Jokes about Arsenal often stem from their periods of drought in winning major trophies, especially since their last Premier League title in 2004, and their reputation for sometimes faltering under pressure.

Rivalry and Competitive Nature

A significant driver of humor surrounding Arsenal is their rivalry with other London clubs, particularly Tottenham Hotspur, Chelsea, and Manchester United. These rivalries have produced countless humorous exchanges, ranging from playful insults to more elaborate comedic sketches shared among fans.

Common Themes in Arsenal Jokes

The 'Invincibles' and Trophy Droughts

One of the most celebrated achievements in Arsenal's history is their unbeaten Premier League season in 2003-2004, often referred to as the "Invincibles." Jokes about this team often contrast their unbeaten run with their subsequent trophy drought, highlighting the irony of such a historic feat amidst a lack of silverware in the years that followed.

- "Arsenal went unbeaten for a season; since then, they've been unbeaten in losing finals."

- "The Invincibles are the only unbeaten team to still be waiting for their next trophy."

The 'Bottle Job' Stereotype

Arsenal has often been stereotyped as a club that struggles to close out matches or win crucial games, especially under pressure. This has led to jokes about their "bottling" situations, especially in comparison to rivals who have won more trophies.

1. "Arsenal: masters of the art of bottling a lead."
2. "They're like a bottle of champagne—bubbly at first, but then flat when it matters."

The Transfer and Financial Jokes

Arsenal has a reputation for cautious spending and sometimes missing out on high-profile transfers, which has become fodder for humor.

- "Arsenal transfers: the art of waiting until the player's value drops."
- "They're so frugal, they make Scrooge look like a spendthrift."

Managerial and Tactical Jokes

The tenure of certain managers, especially Arsène Wenger, has inspired jokes about tactical inflexibility or the club's style of play.

1. "Arsenal's game plan: pass, pass, pass, then hope for a miracle."
2. "Wenger's Wengerball: beautiful to watch, frustrating to win with."

Popular Arsenal Jokes and Memes

Classic One-Liners

Some jokes have become legendary among football fans, often shared in social media posts, memes, or pub banter.

- "How many Arsenal fans does it take to change a lightbulb? None—they're too busy celebrating their last trophy."
- "Arsenal's trophy cabinet is so empty, it's a perfect storage for their empty promises."
- "The only thing Arsenal wins regularly is the 'Best Fans in the World' award."

Memes and Visual Jokes

Visual humor, such as memes, often exaggerate Arsenal's trophy drought or highlight their moments of misfortune.

1. Image of a barren trophy cabinet with the caption, "Arsenal's collection since 2005."
2. A picture of a calendar, with the date stuck on 2004, referencing their last league title.
3. A GIF of a rollercoaster with the caption, "Arsenal's season—up and down since 2004."

Notable Arsenal Jokes in Football Culture

Rival Fans' Jokes

Fans of rival clubs have often led the charge with witty jabs about Arsenal's perceived shortcomings.

- "Arsenal: the only team that can go unbeaten in a season and still finish outside the top four."
- "Why do Arsenal fans always carry a ladder? To reach for their next trophy."

Arsenal Fans' Response Jokes

Arsenal supporters also have their own humorous retorts and self-deprecating jokes, often poking fun at their club's trophy drought or recent performances.

1. "We may not have many trophies, but we have a rich history of trying our best."
2. "Arsenal fans are like wine—they get better with age, especially after a few decades without a trophy."

Impact of Jokes on Arsenal's Public Image

Humor as a Double-Edged Sword

While jokes often serve to bond fans and provide entertainment, they can also perpetuate negative stereotypes that impact the club's image. Arsenal's reputation for trophy droughts and inconsistent performances has made them a frequent subject of humor, which can sometimes overshadow their achievements.

Unity and Fan Identity

Despite the teasing, many Arsenal supporters embrace these jokes as part of their identity, turning humor into a rallying point that fosters camaraderie and resilience.

Conclusion

Jokes about Arsenal Football Club are deeply embedded in football culture, reflecting both admiration for their history and playful critique of their recent struggles. From clever one-liners to viral memes, these jokes serve as a testament to the passionate, humorous nature of football fandom. Whether they are light-hearted teasing or sharp satire, they contribute to the colorful tapestry of football banter that makes the sport so engaging. Ultimately, Arsenal jokes remind us that football is not just about trophies and stats, but also about community, humor, and shared stories that transcend the pitch.

Frequently Asked Questions

Why did the Arsenal fan bring a ladder to the game?

Because they heard the team was climbing the table!

What's Arsenal's favorite type of tea?

Lemonade—because they always seem to be in a sour mood after a tough match!

Why do Arsenal fans make great bakers?

Because they're always trying to turn things around in the oven!

How do Arsenal supporters like their coffee?

Strong, bitter, and with a little bit of hope!

Why did Arsenal's goalkeeper go to art school?

He wanted to learn how to draw a clean sheet!

What do you call an Arsenal fan who's lost at the supermarket?

A lost cause—because they're still searching for that elusive Premier League title!

Why did the Arsenal player bring a pencil to the game?

Because he wanted to draw some inspiration!

What's Arsenal's favorite musical instrument?

The drum—because they're always trying to drum up some excitement!

Additional Resources

Jokes about Arsenal Football Club have long been a staple in the world of football banter, serving as both a form of camaraderie among fans and a playful way to poke fun at one of England's most storied clubs. From humorous quips about their famous "Invincibles" season to jabs at recent struggles, Arsenal jokes encompass a broad spectrum of humor that reflects the club's rich history, passionate fanbase, and the often unpredictable nature of football. Whether you're an Arsenal supporter or a rival fan looking for some light-hearted entertainment, exploring these jokes reveals much more than just punchlines—they offer insights into the club's legacy, cultural significance, and the unique humor that fans have cultivated over decades.

The Origins and Evolution of Arsenal Jokes

Historical Context of Arsenal Humor

Jokes about Arsenal have been around almost as long as the club's existence, dating back to the early days of football rivalries in England. Historically, humor emerged as a way for rival fans to assert dominance or mock Arsenal's perceived weaknesses, especially during periods of underperformance or managerial changes. For example, during the 1980s and 1990s, when the club faced challenges in securing league titles, jokes about Arsenal's trophy cabinet or their reputation as "bottlers" became commonplace.

Over time, Arsenal jokes evolved with the club's fortunes. The Invincibles season of 2003-04, where Arsenal went an entire league season unbeaten, became a goldmine for humor—both in celebrating their achievement and teasing the inevitable fallibility of even the greatest teams. As the club transitioned through periods of success and hardship, fans and rivals alike crafted jokes that reflected

those times.

The Role of Social Media and Modern Meme Culture

In recent years, social media platforms like Twitter, Reddit, and TikTok have amplified Arsenal jokes, transforming simple puns into viral memes. The digital age has allowed fans worldwide to share and create humorous content instantaneously, often referencing recent matches, managerial decisions, or transfer rumors. This democratization of humor has led to a vibrant, constantly evolving Arsenal joke culture that resonates across generations.

Popular Themes in Arsenal Jokes

1. The "Invincibles" and Their Legacy

One of the most celebrated chapters in Arsenal's history, the 2003-04 season, is a treasure trove for jokes—both admiration and teasing. Fans often highlight their unbeaten run with pride, but rivals sometimes use it to mock Arsenal's inability to replicate that success in subsequent seasons.

Common jokes include:

- "Arsenal went unbeaten in the league, but lost in the Champions League!"
- "Invincibles? More like Invisible after a few seasons!"
- "They're invincible—until they meet a decent team."

Pros of this theme:

- Celebrates a unique achievement.
- Recognizes Arsenal's historic significance.

Cons:

- Can become repetitive or overused.
- Sometimes used to mask subsequent shortcomings.

2. Trophy Hauls and "Bottle Jobs"

A recurring joke revolves around Arsenal's trophy cabinet, which has been criticized for being relatively sparse compared to rivals like Manchester United, Liverpool, and Chelsea.

Typical jokes:

- "Arsenal's trophy cabinet is so empty, it's considered a minimalist art installation."
- "They're not just bottle jobs—they're the whole beverage aisle!"
- "Arsenal's idea of a trophy is a participation medal."

Pros:

- Highlights the club's moments of disappointment.
- Connects with fans' frustrations in a humorous way.

Cons:

- Can be seen as harsh or unfair, especially during successful periods.
- Might overshadow genuine achievements.

3. Manager Jokes and Transfer Rumors

Arsenal's managerial history and transfer policies are frequent topics for humor, often emphasizing perceived indecisiveness or lack of ambition.

Common jokes:

- "Arsenal's transfer policy is like a game of Monopoly—buying cheap and selling high!"
- "They change managers faster than they change their kit!"
- "Waiting for Arsenal to sign a top player is like waiting for a solar eclipse—rare and spectacular."

Pros:

- Reflects real frustrations in a playful manner.
- Engages fans in ongoing debates.

Cons:

- Sometimes perpetuates negative stereotypes.
- Can be overly critical without context.

Types of Arsenal Jokes and Their Cultural Significance

Self-Deprecating Jokes by Arsenal Fans

Many Arsenal supporters use humor to cope with their club's ups and downs, often making fun of their own shortcomings.

Examples:

- "We're the Arsenal—champions of the 'almost' league!"
- "Our trophy room is so small, it fits in a shoebox."
- "We've got more patience than a saint—waiting for Arsenal to win the league again."

Features:

- Builds camaraderie among fans.
- Shows resilience and good humor.

Rivalry-Driven Jokes

Rival fans often target Arsenal with jokes highlighting their perceived weaknesses or failures, especially in matches against top teams.

Examples:

- "Arsenal vs. Manchester United: the battle of who can bottle it better."
- "Arsenal's defense is so leaky, even the rain avoids them!"
- "They say the Emirates is grand, but it's just a fancy stadium with no trophies."

Features:

- Fuels intense rivalry banter.
- Keeps the football rivalry lively and entertaining.

Notable Arsenal Jokes and Memes in Popular Culture

Memes That Went Viral

Several memes have become iconic within football culture, often referencing specific matches or moments.

- The "Arsenal Cannot Defend" meme, which humorously highlights their defensive fragility.
- The "Arsenal Invincible" meme, sometimes used sarcastically to mock their inability to replicate their historic season.
- The "Arsenal Transfer Window" meme, depicting endless speculation with little action.

Impact on Fan Identity and Community

Jokes about Arsenal serve more than just humor—they're part of the club's culture and identity. They foster a sense of belonging among fans, who share inside jokes and memes that reaffirm their loyalty, even during tough times.

Pros:

- Builds community and shared identity.
- Keeps the fanbase engaged and entertained.

Cons:

- Can sometimes deepen rivalries or lead to toxic banter.
- Might discourage new fans who feel overwhelmed by constant teasing.

Conclusion: The Role of Humor in Arsenal's Football Culture

Jokes about Arsenal Football Club are woven into the fabric of football culture, serving as a mirror of the club's triumphs, struggles, and evolving narrative. They provide a playful outlet for fans to express their love, frustrations, and hopes, often using humor to diffuse tension and foster camaraderie. While some jokes may be sharp or biting—especially from rival supporters—they

ultimately reflect the passion that Arsenal fans feel for their team.

In the end, whether celebrating the Invincibles or joking about trophy droughts, Arsenal jokes are more than mere punchlines; they are an integral part of the club's rich, colorful history. As football continues to evolve, so too will the humor surrounding Arsenal, ensuring that fans will always have a playful way to connect, celebrate, and tease each other through the beautiful game.

Note: Remember that humor can be subjective, and while jokes can be funny and entertaining, it's essential to maintain respect for all fans and clubs involved.

jokes about arsenal football club: Humor Auf Englisch Eckehard Korthals, 2012

jokes about arsenal football club: The World's Funniest Football Jokes Jim Chumley, 2017-10-12 Football is obviously very serious business – like when that disallowed goal was 'never off-side', and that was 'totally a dive' – but it's a funny old game really. This compendium of hilarious jokes will help you see the lighter side when your team is showing you up, and give your mates a good chuckle at the celebrations when they win.

jokes about arsenal football club: *The Routledge Handbook of Language and Humor*

Salvatore Attardo, 2017-02-17 The Routledge Handbook of Language and Humor presents the first ever comprehensive, in-depth treatment of all the sub-fields of the linguistics of humor, broadly conceived as the intersection of the study of language and humor. The reader will find a thorough historical, terminological, and theoretical introduction to the field, as well as detailed treatments of the various approaches to language and humor. Deliberately comprehensive and wide-ranging, the handbook includes chapter-long treatments on the traditional topics covered by language and humor (e.g., teasing, laughter, irony, psycholinguistics, discourse analysis, the major linguistic theories of humor, translation) but also cutting-edge treatments of internet humor, cognitive linguistics, relevance theoretic, and corpus-assisted models of language and humor. Some chapters, such as the variationist sociolinguistics, stylistics, and politeness are the first-ever syntheses of that particular subfield. Clusters of related chapters, such as conversation analysis, discourse analysis and corpus-assisted analysis allow multiple perspectives on complex trans-disciplinary phenomena. This handbook is an indispensable reference work for all researchers interested in the interplay of language and humor, within linguistics, broadly conceived, but also in neighboring disciplines such as literary studies, psychology, sociology, anthropology, etc. The authors are among the most distinguished scholars in their fields.

jokes about arsenal football club: *A Year with the Queen* Robert Hardman, 2007-12-04

Reveals the extraordinary world of the Monarch and her family, from sacred constitutional talks with the Prime Minister to a weekend in Iraq with Prince Philip, in a book with photographs, insights, and anecdotes.

jokes about arsenal football club: *Great Sporting Rivals* Joseph Romanos, 2010-08-04 They excite and inspire us, frustrate and disappoint us - when great sporting rivals meet, we live each moment with them as their fortunes fluctuate. During the past few decades, we have witnessed many superbly matched opponents in a wide range of sports. Who can forget the marathon matches played by John McEnroe and Bjorn Borg, the nail-biting ...

jokes about arsenal football club: *The Premiership 2008-2009* ,

jokes about arsenal football club: *The AI Delusion* Gary Smith, 2018-08-23 We live in an incredible period in history. The Computer Revolution may be even more life-changing than the Industrial Revolution. We can do things with computers that could never be done before, and computers can do things for us that could never be done before. But our love of computers should not cloud our thinking about their limitations. We are told that computers are smarter than humans and that data mining can identify previously unknown truths, or make discoveries that will revolutionize our lives. Our lives may well be changed, but not necessarily for the better. Computers are very good at discovering patterns, but are useless in judging whether the unearthed patterns are sensible because computers do not think the way humans think. We fear that super-intelligent machines will decide to protect themselves by enslaving or eliminating humans. But the real danger is not that computers are smarter than us, but that we think computers are smarter than us and, so, trust computers to make important decisions for us. The AI Delusion explains why we should not be intimidated into thinking that computers are infallible, that data-mining is knowledge discovery, and that black boxes should be trusted.

jokes about arsenal football club: *Forward, Arsenal!* Bernard Joy, 2009

jokes about arsenal football club: *Punch* Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1987

jokes about arsenal football club: *Rebels for the Cause* Jon Spurling, 2012-11-02 Arsenal's on-field success has been well documented. But what has never been written before is the equally remarkable history of Arsenal's rebels, both on and off the pitch. Spanning almost 120 years, and set against a backdrop of turbulent social and political change, *Rebels for the Cause* assesses the legacy and impact of Arsenal's most controversial players, officials and matches. From hard men like '30s player Wilf Copping to the reformed wild ones of recent years such as Tony Adams, Jon Spurling highlights the infamous figures whose refusal to conform has made them terrace legends. Mavericks such as '80s star Charlie Nicholas and the 'King of Highbury' Charlie George are here, as are '70s lads Alan Hudson and Malcolm Macdonald. The book also focuses on the club's revolutionary founding fathers, David Danskin and Jack Humble, the terrifying '20s 'soccer Tsar' Sir Henry Norris and David Dein's controversial introduction of free-market economics to Highbury in the regressive '80s. Also investigated are the stories behind Arsenal's most infamous tabloid exposés. Featuring extensive interviews with 15 former players, *Rebels for the Cause* is an indispensable guide to the alternative history of Arsenal Football Club, shedding new light on the origins of the rivalry with Tottenham, on many of Highbury's cult heroes and on the struggle of several players to adapt to life outside the game.

jokes about arsenal football club: *Those Feet* David Winner, 2013-07-30 This follow-up to *Brilliant Orange: The Neurotic Genius of Dutch Soccer* is "an enchanting love letter to English football" (The Daily Telegraph). In this playful, witty, and highly original look at English soccer, David Winner, author of the acclaimed *Brilliant Orange*, journeys to the heart of an essential English pastime and sheds new light on the true nature of a rapidly changing game that was never really meant to be beautiful. With the same insightful eye he brought to his bestselling study of Dutch soccer, Winner shows how Victorian sexual anxiety underlies England's many World Cup failures. He reveals the connection between Roy Keane and a soldier who never lived but died in the "Charge of

the Light Brigade.” And he demonstrates how thick mud and wet leather shaped the contours of the English soul. “It’s neither a history of the game nor a memoir, instead exploring the interplay between sport, history, and national character . . . For thinking fans of the game, this is exquisitely pleasurable reading . . . As [Winner] finds acceptance, and even fondness, for the English game, his insight, humor, warmth, and enthusiasm place him in the top echelon of soccer writers.” —Booklist (starred review) “Thank God for David Winner . . . With an easy wit, Winner traces the game back to its roots and the results are as intriguing as they are amusing . . . A marvelous book.” —Duncan White, FourFourTwo

jokes about arsenal football club: *Chelsea's Cult Heroes* Leo Moynihan, 2012-11-06 *Chelsea Cult Heroes* recounts the careers of 20 of the club's greatest icons, men who entertained, week in, week out and regularly set fans' pulses racing. Each individual biography analyses each player's career, and examines exactly each player was idolised and how they achieved cult status. Featuring Willy Foulke, George Hilsdon, Hughie Gallacher, Roy Bentley, Eric Parsons, Jimmy Greaves, Bobby Tambling, Ron Harris, Peter Osgood, Charlie Cooke, Alan Hudson, Ray Wilkins, Micky Droy, Joey Jones, Pat Nevin, Kerry Dixon, Dennis Wise, Ruud Gullit, Gianfranco Zola and John Terry. Key features- Part of the popular and successful *Cult Heroes* series which features a number of football clubs- Features 20 of Chelsea Football Club's most iconic players of all time- Details their careers, their impact on the club and the reasons why they were such cult figures- Includes contemporary and historic images of those legendary figures featured- Written by respected football author Leo Moynihan

jokes about arsenal football club: *The Best Arsenal Football Jokes Ever* J. Gunn, 2012-12-08 *The Best Arsenal Football Jokes Ever* - includes some of the funniest jokes about our rivals including Spurs, Man Utd, Liverpool and Chelsea among others. Give you mates who don't support Arsenal some stick. We love Arsenal

jokes about arsenal football club: *The End of Television?* Elihu Katz, Paddy Scannell, 2009-09-17 Is television dead? The classic television era of the 1950s and 1960s, characterized by limited choices of programs broadcast on over the air channels to families as if they were seated around a hearth - and to a nation as if gathered around a campfire - has indeed ended. That early stage of sharedness and scarcity gave way to the television of plenty, when satellite and cable and competition reigned, choice was suddenly expanded, and every room in the home had its own television set. And now television offers infinite choices where we can view what we like; when we like; where we like; on a variety of screens, telephones, and Web sites. Some researchers assert that television is not dead but has merely moved from a collectivist to an individualist phase. Throughout the drastic evolution of this media, thousands of studies have examined the short-term effects of television, such as the evaluation of persuasion campaigns. Yet there is scant research on the overreaching sociological impacts of television and its centrality to Western culture over the past 60 years. This compelling volume of *The ANNALS* is the first collection of rigorous articles devoted to studying ways in which television has impacted our values, ideologies, institutions, social structure, and culture. Focusing on classic television, these leading experts in media studies delve into the effects on social institutions (namely family and politics) and its effects on values and everyday behavior. These seminal articles lay the groundwork for innovative studies of the numerous ways that television has impacted democracy; social integration (nation and family); trust and suspiciousness; materialism; and identity (social and physical). Students and researchers will find a wealth of inspiration for new research projects. It is a must-have resource for social scientists interested in media studies.

jokes about arsenal football club: *Wikipedia* ,

jokes about arsenal football club: *Invincible* Amy Lawrence, 2014-10-23 *Invincible* by Amy Lawrence: A gripping insider's account of how Bergkamp, Henry, Vieira and Pires became the first team in 100 years to go the entire season undefeated 2014 Writer of the Year, Football Supporters' Federation 'This book is so full of exclusive interviews you'll soon feel like part of the squad. A worthy tribute to one of English football's best ever teams, it makes you long for one more game at

Highbury' Shortlist 'Unbeatable insight' Henry Winter, Daily Telegraph In 2003-04, a team that played with lightning speed and lustrous skill fulfilled Wenger's lifelong dream - to go a whole season unbeaten. They pushed and inspired each other, bringing the best out of strong characters like Jens Lehmann, a self-styled 'Mad German', Sol Campbell, an intense competitor, Robert Pirès, an instant friend if you give him a football, Patrick Vieira, a soft-spoken, battle-hardened captain, Gilberto, a thoughtful Brazilian, Thierry Henry, a supremely gifted and obsessed scorer and creator, and Dennis Bergkamp, the perfectionist conductor. Based on exclusive player interviews, and with a foreword and afterword by Arsene Wenger, this definitive book allows the Invincibles to tell their own story. Football writer Amy Lawrence weaves together the team's recollections, and the testimonies of other key players and protagonists around the club, to relive the pivotal games and moments. From the battle of Old Trafford to jubilation at White Hart Lane, from training ground sparks to dressing room revelations, readers will go behind closed doors, onto the pitch, and into the players' minds to understand the teamwork and the psychology to go unbeaten. Published in time for the 10-year anniversary, this is a must-have read for any Arsenal fan. It will be enjoyed by readers of memoirs by Dennis Bergkamp and Tony Adams, and will also appeal to football fans everywhere who enjoy classic sports books such as *The Damned United*. Amy Lawrence has watched football avidly since her first trip to Highbury at the age of six, and has written about it, mostly for the Guardian and the Observer, for twenty years. She lives in London.

jokes about arsenal football club: *Unconventional Anthroponyms* Oliviu Felecan, 2014-10-02
Unconventional Anthroponyms: Formation Patterns and Discursive Function continues a series of collective volumes comprising studies on onomastics, edited by Oliviu Felecan with Cambridge Scholars Publishing. Previous titles in this series include *Name and Naming: Synchronic and Diachronic Perspectives* (2012) and *Onomastics in Contemporary Public Space* (2013, co-edited with Alina Bugheșiu). In contemporary naming practice, one can distinguish two verbal (linguistic) means of nominal referential identification: a “natural” one, which occurs in the process of conventional, official, canonical, standard naming and results in conventional/official/canonical/standard anthroponyms; a “motivated” one, which occurs in the process of unconventional, unofficial, uncanonical, non-standard naming and results in unconventional/unofficial/uncanonical/non-standard anthroponyms. The significance of an official name is arbitrary, conventional, unmotivated, occasional and circumstantial, as names are not likely to carry any intrinsic meaning; names are given by third parties (parents, godparents, other relatives and so on) with the intention to individualise (to differentiate from other individuals). Any meaning with which a name might be endowed should be credited to the name giver: s/he assigns several potential interpretations to the phonetic form of choice, based on his/her aesthetic and cultural options and other kinds of tastes, which are manifested at a certain time. Unconventional anthroponyms (nicknames, bynames, user names, pseudonyms, hypocoristics, individual and group appellatives that undergo anthroponymisation) are nominal “derivatives” that result from a name giver’s wish to attach a specifying/defining verbal (linguistic) tag to a certain individual. An unconventional anthroponym is a person’s singular signum, which may convey a practical necessity (to avoid anthroponymic homonymy: the existence of several bearers for a particular name) or the intention to qualify a certain human type (to underline specific difference – in this case, the unconventional anthroponym has an over-individualising role – or, on the contrary, to mark an individual’s belonging to a class, his/her association with other individuals with whom s/he is typologically related – see the case of generic unconventional anthroponyms).
