manly p hall the secret teachings of all ages: The Secret History of the World and How to

Get Out Alive Laura Knight-Jadczyk, 2005 Previously published as *Ancient Science, Secret History* contains 150 pages of new material. The *Secret History of The World and How To Get Out Alive* is the definitive book of the real answers where Truth is more fantastic than fiction. Laura Knight-Jadczyk, wife of internationally known theoretical physicist, Arkadiusz Jadczyk, an expert in hyperdimensional physics, draws on science and mysticism to pierce the veil of reality. With sparkling humour and wisdom, she picks up where Fulcanelli left off, sharing over thirty years of research to reveal, for the first time, The Great Work and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike. Conspiracies have existed since the time of Cain and Abel. Facts of history have been altered to support the illusion. The question today is whether a sufficient number of people will see through the deceptions, thus creating a counter-force for positive change - the gold of humanity - during the upcoming times of Macro-Cosmic Quantum Shift. Laura argues convincingly, based on the revelations of the deepest of esoteric secrets, that the present is a time of potential transition, an extraordinary opportunity for individual and collective renewal: a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science, art and spirituality. The *Secret History of the World* allows us to redefine our interpretation of the universe, history, and culture and to thereby navigate a path through this darkness. In this way, Laura Knight-Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms. With over 800 pages of fascinating reading, *The Secret History of The World and How to Get Out Alive* is rapidly being acknowledged as a classic with profound implications for the destiny of the human race. With painstakingly researched facts and figures, the author overturns long-held conventional ideas on religion, philosophy, Grail legends, science, and alchemy, presenting a cohesive narrative pointing to the existence of an ancient techno-spirituality of the Golden Age which included a mastery of space and time: the Holy Grail, the Philosopher's Stone, the True Process of Ascension. Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations - a culture so advanced that none of the trappings of civilization as we know it were needed, explaining why there is no 'evidence' of civilization as we know it left to testify to its existence. The author's consummate synthesis reveals the Message in a Bottle reserved for humanity, including the Cosmology and Mysticism of mankind Before the Fall when, as the ancient texts tell us, man walked and talked with the gods. Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind - or at least a portion of mankind - has the opportunity to regain his standing as The Child of the King in the Golden Age. If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world, then surely *The Secret History of the World and How to Get Out Alive* is it.

manly p hall the secret teachings of all ages: *The Alchemist's Handbook* John Randolph Price, 2000-09-01 From an ancient formula—the secret of the ages—we find the precepts to create an Ideal Life, where all you have ever wanted is brought into material form and physical experience. In this exciting book, John Randolph Price brings us the ancient science of Dynamic Alchemy to rapidly accelerate the realization of peace and plenty, and dissolve the false belief that conflict and scarcity could possibly exist in a universe of love and infinite givingness. Rather than changing lead into gold, the step-by-step alchemical process that Price gives us focuses on creating a new world by bringing into visibility the forms and experiences we choose for greater joy and fulfillment in life. Dynamic alchemy calls for us to fully understand cause and effect, mind and manifestation, and energy and matter, and to move from what may be considered passive spirituality to positive assertiveness in our rediscovery of the ideal life. By recognizing the power of the mind and the unity of spirit and matter, dynamic alchemy progresses from spiritual mysticism to Divine Materialism—Creative Principle at work materializing in the world of form, which, Price points out, is “wholly sanctioned by the Great Power ordering all things, and the Great Thought producing all things.” It is a spiritual process for those who are ready to assume responsibility for their lives as active co-creators.
