Politics on the Edge: The Instant — Analyzing the Rapid Dynamics of Modern Political Landscapes

politics on the edge: the instant captures the essence of contemporary political movements where decisions, reactions, and shifts happen in real-time. In an era driven by social media, instant communication, and global interconnectedness, political events no longer unfold gradually; they occur in the blink of an eye, often with profound consequences. This article explores the concept of "the instant" in politics, its causes, effects, and how it shapes the future of governance and political engagement.

Understanding the Concept of "The Instant" in Politics

Defining "The Instant" in Political Contexts

The phrase "the instant" refers to the immediate, often unpredictable, reactions and events that shape the political landscape. It highlights the speed at which information spreads and decisions are made, influencing public opinion and policy outcomes instantly.

Key features include:

- Real-time information dissemination: Social media platforms allow news and opinions to be shared instantly.
- Rapid response mechanisms: Politicians and institutions are compelled to react swiftly to emerging crises or opportunities.
- Unpredictability and volatility: The rapid pace introduces volatility, making political stability more fragile.

The Evolution of Political Instantaneity

Historically, political change was a slow process, involving lengthy debates, negotiations, and gradual shifts. Today, technological advancements have compressed these timelines dramatically.

Major milestones:

- Introduction of instant communication via radio and television.
- The rise of social media platforms like Twitter and Facebook.
- The proliferation of smartphones enabling on-the-spot reporting and engagement.

The Drivers of Instantaneous Politics

Technological Innovations

Technology is the backbone of instant politics, enabling rapid dissemination and reaction.

- Social Media: Platforms like Twitter, Facebook, and Instagram facilitate immediate sharing of news and opinions.
- Mobile Devices: Smartphones allow users to record, share, and respond instantly.
- Data Analytics: Real-time data analysis helps politicians understand public sentiment instantly.

Globalization and Interconnectivity

The interconnected world means that local political events can quickly resonate globally.

- International reactions can influence domestic policies.
- Global crises, like climate change or pandemics, demand immediate responses.

Media Sensationalism and the 24/7 News Cycle

Media outlets compete for viewers' attention, often prioritizing sensational headlines that escalate the speed and intensity of political events.

- Continuous news coverage accelerates the perception of urgency.
- Politicians and media strategists craft instant responses to maintain relevance.

The Impact of the Instant on Political Processes

Rapid Decision-Making and Policy Shifts

Politicians are under pressure to respond swiftly, sometimes at the expense of thorough deliberation.

- Emergency legislation enacted within hours.
- Sudden policy reversals based on public outcry or viral campaigns.

Amplification of Political Polarization

Instant reactions often deepen divisions, as groups mobilize quickly around issues.

- Echo chambers intensify ideological divides.
- Viral misinformation spreads rapidly, fueling polarization.

Rise of Populism and Charismatic Leadership

Leaders who can respond instantly to crises or sentiments often gain an advantage.

- Use of social media to directly engage with followers.
- Emotional and quick messaging to sway public opinion.

Challenges to Democratic Norms and Institutions

The velocity of political events can undermine established checks and balances.

- Erosion of deliberative processes.
- Politicians bypass traditional institutions for swift actions.

Case Studies Highlighting the Power of "The Instant"

The Arab Spring

The Arab Spring exemplifies how social media can catalyze rapid political upheaval.

- Coordinated protests organized via Twitter and Facebook.
- Governments faced immediate pressure, often leading to swift regime changes.

American Political Campaigns and Viral Moments

In recent elections, viral videos and instant responses have influenced voter perceptions.

- Meme culture impacting candidate images.
- Real-time fact-checking and rebuttals during debates.

Global Response to COVID-19 Pandemic

The pandemic demonstrated the need for rapid policy adaptation.

- Instant dissemination of health guidelines.
- Quick implementation of lockdowns and economic measures.

The Pros and Cons of Politics on the Edge: The Instant

Advantages

- Enhanced Engagement: Citizens can participate actively and immediately.
- Transparency and Accountability: Real-time scrutiny holds leaders accountable.
- Faster Crisis Response: Governments can mobilize quickly during emergencies.
- Innovation in Policy Making: Data-driven and responsive policies emerge.

Disadvantages

- Misinformation and Fake News: Rapid spread of false information can mislead the public.
- Lack of Deliberation: Quick decisions may overlook complexities.
- Political Instability: Volatility can lead to frequent upheavals.
- Manipulation and Propaganda: Instant platforms can be exploited for malicious purposes.

Strategies for Navigating Politics on the Edge

For Politicians and Leaders

- Develop digital literacy and crisis communication skills.
- Prioritize transparency and fact-based responses.
- Balance speed with thoroughness to avoid rash decisions.

For Citizens and Activists

- Verify information before sharing.
- Engage critically with trending topics.
- Use digital platforms responsibly to foster constructive dialogue.

For Media Outlets

- Uphold journalistic integrity amid the rush for breaking news.
- Provide contextual analysis rather than sensational headlines.
- Promote media literacy among audiences.

The Future of Instant Politics

Emerging Technologies and Their Impact

- Artificial Intelligence: Can tailor political messaging and predict trends.
- Blockchain: Potential for transparent voting and decision-making processes.
- Virtual and Augmented Reality: New ways for political engagement and campaigning.

Potential Trends

- Increased personalization of political content.
- Real-time citizen involvement in policy decisions.
- Greater emphasis on digital democracy.

Challenges Ahead

- Managing information overload.
- Ensuring equitable access to digital tools.
- Guarding against manipulation and cyber threats.

Conclusion: Navigating the Edge of Political Instantaneity

The phenomenon of politics on the edge: the instant reflects a fundamental shift in how political power is exercised, contested, and perceived. While it offers unparalleled opportunities for engagement, transparency, and rapid response, it also presents significant challenges related to misinformation, instability, and the erosion of traditional democratic processes. As the world continues to embrace digital transformation, understanding and adapting to the dynamics of instant politics will be crucial for leaders, citizens, and institutions aiming to foster a resilient and inclusive political environment. Embracing the benefits while mitigating the risks will define the next chapter in the evolution of political discourse and action.

Frequently Asked Questions

What is the main focus of the documentary 'Politics on the Edge: The Instant'?

The documentary examines the rapid and often unpredictable nature of political decision-making in the digital age, highlighting how instant communication influences political events and public perception.

How does 'Politics on the Edge: The Instant' explore the impact of social media on politics?

It analyzes the role of social media platforms in accelerating political discourse, enabling real-time reactions, and sometimes fueling misinformation and polarization during critical moments.

What are some key examples discussed in the

documentary where instant reactions shaped political outcomes?

The film references events like viral political scandals, rapid responses to international crises, and the influence of instant messaging during elections to demonstrate how immediacy can sway public opinion and policy decisions.

Does the documentary address the ethical implications of instant political communication?

Yes, it explores concerns about the spread of misinformation, the erosion of thoughtful debate, and the potential for manipulation through rapid dissemination of unverified information.

Who would benefit most from watching 'Politics on the Edge: The Instant'?

Students, researchers, and anyone interested in understanding the dynamics of modern politics, digital communication, and how immediacy is transforming political landscapes globally.

Additional Resources

Politics on the Edge: The Instant

In an era marked by rapid information exchange, instant communication, and an ever-evolving political landscape, the phrase "Politics on the Edge: The Instant" encapsulates the dynamic tension between immediacy and stability in contemporary governance and public discourse. This review delves into the multifaceted dimensions of this phenomenon, exploring its origins, implications, and future trajectory.

Understanding "Politics on the Edge: The Instant"

"Politics on the Edge" refers to the precarious position in which political systems, institutions, and actors find themselves—constantly balancing on the brink of change, crisis, or upheaval. The phrase underscores the volatility that characterizes modern politics, driven by technology, social movements, and global interconnectedness.

"The Instant" highlights the speed at which political events unfold, decisions are made, and information is disseminated. It signifies the shift from deliberative, slow-paced politics to a rapid, often reactive environment where immediate responses can define outcomes.

Together, the phrase captures a political ecosystem characterized by:

- Volatility and Uncertainty
- Rapid Information Flow
- Reactive Decision-Making
- Potential for Instability or Transformation

The Evolution of Political Instantaneity

Historical Context

While instant communication is a hallmark of the digital age, the roots of speed-driven politics trace back through history:

- Telegraph and Radio Era: Enabled near-instantaneous dissemination of news and political messaging in the late 19th and early 20th centuries.
- Television and Mass Media: Transformed politics into a spectacle, with politicians needing to craft immediate responses to crises.
- Internet Age: The advent of the internet, social media, and smartphones revolutionized political engagement, making it more immediate and interactive.

The Digital Revolution and Its Impact

The digital revolution has accelerated the pace of politics in several ways:

- Real-Time News: Platforms like Twitter, Facebook, and YouTube allow for instant sharing of political developments.
- Immediate Feedback Loops: Politicians and institutions receive rapid reactions from constituents and global audiences.
- Crisis Management: Governments and leaders must respond promptly to crises, misinformation, or protests to maintain legitimacy.

Characteristics of Politics on the Edge

Volatility and Unpredictability

The immediacy fosters an environment where:

- Events escalate quickly: A small incident can snowball into a major crisis.

- Public opinion shifts rapidly: Social media amplifies sentiments, often without thorough reflection.
- Political stability is fragile: Leaders may be forced to make quick decisions under pressure.

Information Overload and Misinformation

The speed of information dissemination leads to challenges such as:

- Misinformation and Disinformation: False or misleading content spreads rapidly, influencing public perception.
- Echo chambers: Algorithms reinforce existing beliefs, increasing polarization.
- Difficulty in verification: The sheer volume of data makes fact-checking more difficult.

Reactive vs. Proactive Politics

Modern politicians often prioritize immediate responses over long-term strategic planning, leading to:

- Reactive policymaking: Addressing issues only after they escalate.
- Short-term gains: Favoring quick wins over sustainable solutions.
- Electoral pressures: Campaign cycles incentivize instant gratification.

Implications of Politics on the Edge

Democratic Engagement and Challenges

The instant nature of modern politics influences democratic processes in multiple ways:

- Enhanced Participation: Social media enables direct engagement between citizens and leaders.
- Populism and Simplification: Complex issues are reduced to catchy slogans for quick consumption.
- Erosion of Deliberation: The focus on speed can undermine thoughtful debate and consensus-building.

Governance and Policy-Making

The need for rapid decision-making impacts governance:

- Policy volatility: Frequent shifts in policies due to changing public moods.
- Crisis responsiveness: Governments must develop agile responses, sometimes at the expense of thorough analysis.
- Institutional strain: Traditional institutions may struggle to adapt to the rapid pace, risking legitimacy.

Global Politics and Interconnectivity

Global interconnectedness amplifies the edge of politics:

- Cross-border crises: Pandemics, climate change, and conflicts require swift international coordination.
- Information warfare: State and non-state actors engage in rapid propaganda campaigns and cyber operations.
- Diplomatic agility: Diplomacy often involves real-time negotiations and digital diplomacy.

Case Studies Highlighting Politics on the Edge

2016 U.S. Presidential Election

- The proliferation of social media played a pivotal role in shaping narratives.
- Misinformation campaigns and rapid responses to scandals exemplify instant politics.
- The election highlighted vulnerabilities in information integrity and institutional resilience.

Arab Spring (2010-2012)

- Social media facilitated rapid organization and mobilization.
- Governments faced immediate protests, forcing swift responses often with unpredictable outcomes.
- The era demonstrated how "the instant" can both empower citizens and destabilize regimes.

COVID-19 Pandemic Response

- Governments worldwide had to react instantly to evolving health crises.
- Misinformation about the virus spread rapidly, complicating response efforts.
- Policy decisions—lockdowns, vaccine rollouts—were made under immense pressure and scrutiny.

Challenges and Risks of Politics on the Edge

- Erosion of Democratic Norms: The emphasis on instant reactions can undermine deliberative processes.
- Polarization: Speed amplifies divisive rhetoric, reducing opportunities for consensus.
- Political Instability: Rapid shifts can lead to crises of legitimacy or authoritarian tendencies.
- Misinformation and Disinformation: Fake news can influence elections, policy, and public trust.
- Cybersecurity Threats: Increased digital activity exposes political systems to hacking and manipulation.

Future Trajectories and Considerations

Technological Innovations

Emerging technologies will continue to influence politics:

- Artificial Intelligence: For data analysis, policy simulation, and even political messaging.
- Blockchain: Potentially enabling transparent voting and governance processes.
- Augmented Reality and Virtual Platforms: Changing how citizens engage with politics.

Institutional Adaptation

To navigate politics on the edge effectively, institutions must:

- Develop rapid response frameworks without sacrificing deliberation.
- Strengthen fact-checking and information verification mechanisms.
- Foster digital literacy among the populace.

Balancing Speed and Stability

The challenge lies in harnessing the benefits of immediacy while maintaining democratic stability:

- Promoting informed, reflective discourse alongside swift action.
- Encouraging transparency and accountability in rapid decision-making.

- Cultivating resilience against misinformation and cyber threats.

Conclusion

"Politics on the Edge: The Instant" captures a fundamental transformation in how societies govern, communicate, and engage with political processes. While the speed of modern politics offers opportunities for increased participation, transparency, and responsiveness, it also presents significant risks—volatility, misinformation, and erosion of norms. Navigating this edge requires a nuanced understanding of technological, social, and institutional dynamics, emphasizing the importance of balancing immediacy with deliberation. As we look to the future, fostering resilient political systems capable of responding swiftly yet thoughtfully will be crucial in ensuring stability and democratic integrity in an increasingly instant world.

Politics On The Edge The Instant

politics on the edge the instant: Politics on the Edge Rory Stewart, 2025-07-15 The #1 Sunday Times bestseller • Named a best book of the year by Foreign Affairs, Financial Times, and Kirkus Reviews "One of the best books on politics our era will see . . . A book of astonishing literary quality." —Matthew Parris, The TLS "[Rory Stewart] walked across Asia, served in British Parliament, and ran against Boris Johnson. Now he gives us his view of what's wrong with politics, and how we can make it right." —Adam Grant, "The 12 New Fall Books to Enrich Your Thinking" From a great writer—legendary for his expeditions into some of the world's most forbidding places—a wise, honest, and sometimes absurdist memoir of a most remarkable journey through British politics at the breaking point Rory Stewart was an unlikely politician. He was best known for his two-year walk across Asia—in which he crossed Afghanistan, essentially solo, in the months after 9/11—and for his service, as a diplomat in Iraq, and Afghanistan. But in 2009, he abandoned his chair at Harvard University to stand for a seat in Parliament, representing the communities and farms of the Lake District and the Scottish border—one of the most isolated and beautiful districts in England. He ran as a Conservative, though he had no prior connection to the politics and there was much about the party that he disagreed with. Politics on the Edge is a candid and penetrating examination of life on the ground as a politician in an age of shallow populism, when every hard problem has a solution that's simple, appealing, and wrong. While undauntedly optimistic about what a public servant can accomplish in the lives of his constituents, the book is also a pitiless insider's exposé of the game of politics at the highest level, often shocking in its displays of rampant cynicism, ignorance, glibness, and sheer incompetence. Stewart witnesses Britain's vote to leave the European Union and its descent into political civil war, compounded by the bad faith of his party's leaders—David Cameron, Boris Johnson, and Liz Truss. Finally, after nine years of service and six ministerial roles, and shocked by his party's lurch to the populist right, Stewart ran for prime minister. Stewart's campaign took him into the lead in the opinion polls, head-to-head against Boris Johnson. Politics on the Edge is his effort to make sense of it all, including what has happened to politics in Britain and the world and how we can fix it. The view into democracy's dark heart is troubling, but at every turn Stewart also finds allies and ways to make a difference. A bracing, invigorating mix of irony and love infuses Politics on the Edge. This is one of the most revealing

memoirs written by a politician in living memory.

politics on the edge the instant: *Politics on the Edge* Rory Stewart, 2023-10-26 BRITISH BOOK AWARDS NON-FICTION BOOK OF THE YEAR 2024 A searing insider's account of ten extraordinary years in Parliament, by the former Cabinet minister and co-presenter of hit podcast The Rest Is Politics 'The most exceptional political memoir I've ever read' ALAN JOHNSON 'An instant classic' MARINA HYDE 'At last a politician who can write' SEBASTIAN FAULKS Over the course of a decade from 2010, Rory Stewart went from being a political outsider to standing for prime minister - before being sacked from a Conservative Party that he had come to barely recognise. Tackling ministerial briefs on flood response and prison violence, engaging with conflict and poverty abroad as a foreign minister, and Brexit as a Cabinet minister, Stewart learned first-hand how profoundly hollow our democracy and government had become. Cronyism, ignorance and sheer incompetence ran rampant. Around him, individual politicians laid the foundations for the political and economic chaos of today. Stewart emerged battered but with a profound affection for his constituency of Penrith and the Border, and a deep direct insight into the era of populism and global conflict. Uncompromising, candid and darkly humorous, *Politics On the Edge* is his story of the challenges, absurdities and realities of political life and a remarkable portrait of our age. **A FINANCIAL TIMES, GUARDIAN, SUNDAY TIMES, DAILY TELEGRAPH, TIMES, OBSERVER, i NEWSPAPER, NEW STATESMAN, PROSPECT, CHURCH TIMES AND SCOTSMAN BOOK OF THE YEAR 2023** *Politics on the Edge* was a #1 Sunday Times bestseller from 09.09.23-16.09.23, and 09.12.23-16.12.23, and 30.12.23-06.01.24

politics on the edge the instant: Thinking Strategically: The Competitive Edge in Business, Politics, and Everyday Life Avinash K. Dixit, Barry J. Nalebuff, 1993-04-17 The international bestseller—don't compete without it! A major bestseller in Japan, Financial Times Top Ten book of the year, Book-of-the-Month Club bestseller, and required reading at the best business schools, *Thinking Strategically* is a crash course in outmaneuvering any rival. This entertaining guide builds on scores of case studies taken from business, sports, the movies, politics, and gambling. It outlines the basics of good strategy making and then shows how you can apply them in any area of your life.

politics on the edge the instant: Gender, Politics, News Karen Ross, 2017-01-30 *Gender, Politics, News: A Game of Three Sides* explores the role of gender in the broader processes of political communication The only contemporary book focusing on the relationships between gender, politics, and news media which takes a global perspective An analysis of political journalism as a practice and the development of the field in terms of gendered workplace cultures Offers a solid framework for understanding women's political representation, including real world case studies of women's campaigns for the top political job across a range of different geographies and contexts Coverage of hot-button issues, such as political scandal and the role of new and social media in politics and elections, makes this a highly relevant and current work with resonances for a wide

audience

politics on the edge the instant: The Outside Edge Robert Kelsey, 2015-03-05 The brand new book from the international bestselling self-help author Robert Kelsey's internationally bestselling self-help books have helped tens of thousands of people overcome fear of failure and under confidence. Now Robert is back and is here to debunk the ever pervasive myths around the trail-blazing rebel outsider.... Our culture celebrates outsiders while – in reality – slamming the door in their face. The modern world craves innovation while alienating original thinkers. It encourages creativity while shutting-out all but a privileged few from individualistic expression. What a waste! Yet achieving great things as a genuine outsider is possible. Outsiders can find their own way – succeeding without compromising their individuality. They just need to forge an edge. The Outside Edge is all about learning to harness the unique vantage point you possess in order to give yourself the edge required to succeed. It will show you when to embrace your outsider status and go against convention, and when to play the game, do as the insiders do and make sure you can get progress. Think of The Outside Edge as a manual for positively directing your insecurity, awkwardness and role-confusion – towards a meaningful future, shaped and pursued on your own terms. By getting The Outside Edge you can: Identity and understand the causes of feeling like an outsider Accept yourself while focusing on finding meaning for your life Motivate yourself using strong goals, often harnessing creativity Acquire the skills needed to succeed on your own terms Avoid pitfalls such as poor judgement, negativity and extremism.

politics on the edge the instant: Political Communication in Contemporary India Yatindra Singh Sisodia, Pratip Chattopadhyay, 2022-11-23 This book explores the forms, patterns, and trends in political communication in India in the twenty-first century. It underlies the influence of context in political messaging laying bare its complex, overlapping, and multidimensional structures. The volume: Examines how political decision-making is shaped by media — through political speeches, community opinion leaders, and formal and informal public conversations. Explores a range of political communication channels— from community radio to social media. Presents an overview of the problems associated with message designing and message dissemination through communication channels in a political setting. Highlights how political communication impacts critical aspects of democracy and governance and goes beyond mere rhetoric. A comprehensive work on the production, diffusion, transmission, and impact of information in a political environment, this book will be of great interest to scholars and researchers of politics, governance, democracy, media and communication studies, journalism, cultural studies, and South Asian studies.

politics on the edge the instant: Democracy's Edge Frances Moore Lappe, 2005-10-28 Three out of five Americans, both Republicans and Democrats, feel our country is headed in the wrong direction. America is at the edge, a critical place at which we can either renew and revitalize or give in and lose that most precious American ideal--democracy--and along with it the freedom, fairness, and opportunities it assures. Democracy's Edge is a rousing battle cry that we can--and must--act now. From Jefferson to Eisenhower, presidents from both parties have warned us of the danger of letting a closed, narrow group of business and government officials concentrate power over our lives. Yet today, a small and unrepresentative group of people is making vital decisions for all of us. But this crisis is only a symptom, Lappé argues. It's a symptom of thin democracy, something done to us or for us, not by or with us. Such democracy is always at risk of being stolen by private interests or extremist groups, left and right. But there is a solution. The answer, says Lappé, is Living Democracy, a powerful yet often invisible citizens' revolution surging in communities across America. It's not random, disjointed activism but the emergence of a new historical stage of democracy in which Americans realize that democracy isn't something we have but something we do. Either we live it or lose it, says Lappé.

politics on the edge the instant: Campaigns on the Cutting Edge Richard J. Semiatin, 2020-04-10 Campaigns on the Cutting Edge evaluates the current trends of today's campaigns and assesses the innovative changes these well-tuned organizations are making on the presidential,

congressional, and gubernatorial levels. As technology now allows candidates to announce their candidacies online, raise money through web fundraising, and mobilize supporters via smartphones, these increasingly mobile and integrated campaigns face the growing influence of outside interests. The thoroughly updated Fourth Edition looks at the 2018 midterm election and focuses on the rise of fake news, women's activism in the #MeToo movement, voter ballot access measures, and the ways in which technology increases the volume of information that campaigns use.

politics on the edge the instant: Quick Hits for Educating Citizens James L. Perry, Steven Jones, 2006-06-06 [This volume] makes the statement that democracy matters, that engagement in the community is essential to maintain our democratic values, and that civic engagement plays a significant role in educating our citizens. -- Sharon Hamilton and Robert Orr, Directors, Indiana University Faculty Colloquium on Excellence in Teaching (FACET) Quick Hits for Educating Citizens presents university faculty and administrators with ideas and strategies for integrating civic education into university curricula. Fifty-eight succinct essays from across the disciplines offer successful models of curriculum-based civic education activities and strategies for engaging students outside the classroom. Reflecting best practices as well as individual approaches to educating students for citizenship, this is an outstanding resource for university faculty in every discipline, as well as administrators and students in schools of education.

politics on the edge the instant: At the Water's Edge John Lister-Kaye, 2020-01-16 This wonderful collection of wildlife encounters will make anyone want to pull on their boots and re-discover the world on our doorsteps.—Kate Humble, TV host & author For the last thirty years, naturalist John Lister-Kaye has taken the same circular walk from his home deep in a Scottish glen up to a small hill loch. Each day brings a new observation or an unexpected encounter—a fragile spider's web, an osprey struggling to lift a trout from the water or a woodcock exquisitely camouflaged on her nest—and every day, on his return home, he records his thoughts in a journal. Drawing on this lifetime of close observation, *At The Water's Edge* encourages us to look again at the nature around us, to discover its wildness for ourselves and to respect and protect it. A delight.—Country Life This is a quiet but rousing call to action for anyone who loves the natural world and wants to help preserve it.—Sunday Telegraph I'd put it in the hands of anyone who ever enjoyed a day out in the fresh air, even those who don't think they like the countryside: they've got to be seduced by this prose.—BBC Radio Scotland Beautifully observed and rich in description, the book sounds too with an urgent voice, warning of what will be lost to us should we continue to take too little action to protect the natural world.—Esther Woolfson, author of *Field Notes from a Hidden City* A thoughtful analyst of the evolutionary interplay between human being and animal.—The Times

politics on the edge the instant: Off the edge : experiments in cultural analysis Orvar Löfgren, Richard Wilk, 2006 *Ethnologia Europaea* has set itself the task of breaking down not only the barriers which divided research into Europe from general ethnology, but also the barriers between the various national schools within the continent. With this manifesto *Ethnologia Europaea* was started in 1969. Since then, it has acquired a central position in the international co-operation between ethnologists in the various European countries, in the East as well as the West. It is, however, a journal of topical interest, not only for ethnologists, but also for anthropologists, social historians and others studying the social and cultural forms of everyday life in recent and historical European societies.

politics on the edge the instant: Kiss Me Quick Before I Shoot Guy Magar, 2011-04-15 *Kiss Me Quick Before I Shoot* shares the wild behind-the-scenes tales of a filmmaking career. With 100 production credits from docs to TV shows to feature films, Guy Magar's Hollywood stories include his first producer turning out to be a Mafia assassin, shooting in Egypt for the original *BATTLESTAR GALACTICA*, directing a grunting Mr. T on *THE A-TEAM*, almost decapitating a young Drew Barrymore, and coming close to derailing James Cameron's career (or slowing it down as he proved too talented for anyone to change his destiny). This is about living the great Hollywood dream and falling in love.

politics on the edge the instant: Obama Power Jeffrey C. Alexander, Bernadette N.

Jaworsky, 2014-08-12 What is the source of Obama's power? How is it that, after suffering a humiliating defeat in the 2010 mid-term elections, Obama was able to turn the situation around, deftly outmaneuvering his opponent and achieving a decisive victory in the November 2012 presidential election? In this short and brilliant book, Jeffrey Alexander and Bernadette Jaworsky argue that neither money nor demography can explain this dramatic turnaround. What made it possible, they show, was cultural reconstruction. Realizing he had failed to provide a compelling narrative of his power, the President began forging a new salvation story. It portrayed the Republican austerity budget as a sop to the wealthy, and Obama as a courageous hero fighting for plain folks against the rich. The reinvigorated cultural performance pushed the Tea Party off the political stage in 2011, and Mitt Romney became fodder for the script in 2012. Democrats painted their Republican opponent as a backward-looking elitist, a "Bain-capitalist" whose election would threaten the civil solidarity upon which democracy depends. Real world events can spoil even the most effective script. Obama faced monthly unemployment numbers, the daunting Bin Laden raid, three live debates, and Hurricane Sandy. The clumsiness of his opponent and his own good fortune helped the President, but it was the poise and felicity of his improvisations that allowed him to succeed a second time. Converting events into plot points, the President demonstrated the flair for the dramatic that has made him one of the most effective politicians of modern times. While persuasively explaining Obama's success, this book also demonstrates a fundamental but rarely appreciated truth about political power in modern democratic societies namely, that winning power and holding on to it have as much to do with the ability to use symbols effectively and tell good stories as anything else.

politics on the edge the instant: England on Edge David Cressy, 2006-01-12 England on Edge traces the collapse of the government of Charles I, the disintegration of the established church, and the accompanying cultural panic that led to civil war. Focused on the years 1640 to 1642, it examines social and religious turmoil and the emergence of an unrestrained popular press. Hundreds of people not normally seen in historical surveys make appearances here, in a drama much larger than the struggle of king and parliament.

politics on the edge the instant: On the Edge Dennis Tourish, Tim Wohlforth, 2015-05-22 This is the first book to document the extent of political cults on both the right and left and explain their significance for mainstream political organizations. The authors outline the defining characteristics of cults in general, and analyze the degree to which a variety of well-known movements fall within the spectrum of cultic organizations. The book covers such individuals and groups as Lyndon LaRouche, Fred Newman, Ted Grant, Marlene Dixon, the Christian Identity movement, Posse Comitatus, Aryan Nation, militias, and the Freemen. It explores the ideological underpinnings that predispose cult followers to cultic practices, along with the measures cults use to suppress dissent, achieve intense conformity, and extract extraordinary levels of commitment.

politics on the edge the instant: Ecofeminism on the Edge Goran Đurđević, Suzana Marjanić, 2024-02-02 With a special focus on education and underrepresented geographical locations, this book is an inclusive collection of theories, discourses, art, identities, and practices related to this discipline.

politics on the edge the instant: On the Edge of the World Richard W. Longstreth, 1998-05-18 Richard Longstreth provides a detailed picture of the early careers of four architects—Bernard Maybeck, Willis Polk, Ernest Coxhead, and A.C. Schweinfurth—who had a decisive impact on the course of design in the San Francisco Bay Area and who stand as significant contributors to American architecture.

politics on the edge the instant: The Living from the Dead Stuart J. Murray, 2022-09-20 In a society that aims above all to safeguard life, how might we reckon with ethical responsibility when we are complicit in sacrificial economies that produce and tolerate death as a necessity of life? Arguing that biopower can be fully exposed only through an analysis of those whom society has "let die," Stuart J. Murray employs a series of transdisciplinary case studies to uncover the structural and rhetorical conditions through which biopower works. These case studies include the concept of

“sacrifice” in the “war” against COVID-19, where emergent cultures of pandemic “resistance” are explored alongside suicide bombings and military suicides; the California mass hunger strikes of 2013; legal cases involving “preventable” and “untimely” childhood deaths, exposing the irreconcilable claims of anti-vaxxers and Indigenous peoples; and the videorecording of the death of a disabled Black man. Murray demonstrates that active resistance to biopower inevitably reproduces tropes of “making live” and “letting die.” His counter to this fact is a critical stance of disaffirmation, one in which death disrupts the politics of life itself. A philosophically nuanced critique of biopower, *The Living from the Dead* is a meditation on life, death, power, language, and control in the twenty-first century. It will appeal to students and scholars of rhetoric, philosophy, and critical theory.

politics on the edge the instant: "Non-partisanship;" Or, "Do Not Take Temperance Into Politics." Friend of temperance, 1888
