the imitation of christ kempis: *The Imitation of Christ* Thomas a Kempis, Aeterna Press, The treatise "Of the Imitation of Christ" appears to have been originally written in Latin early in the fifteenth century. Its exact date and its authorship are still a matter of debate. Manuscripts of the Latin version survive in considerable numbers all over Western Europe, and they, with the vast list of translations and of printed editions, testify to its almost unparalleled popularity. One scribe attributes it to St. Bernard of Clairvaux; but the fact that it contains a quotation from St. Francis of Assisi, who was born thirty years after the death of St. Bernard, disposes of this theory. In England there exist many manuscripts of the first three books, called "Musica Ecclesiastica," frequently ascribed to the English mystic Walter Hilton. Aeterna Press
