the tale of timmy tiptoes: *The Tale of Timmy Tiptoes (Annotated)* Beatrix Potter, 1911 Beatrix Potter authored the children's book The Tale of Timmy Tiptoes that had been initially published in 1911. She authored many stories of anthropomorphic animals in a pastoral environment - one is here. Timmy Tiptoes is the squirrel that directs the tale and gathers and stores nuts for the winter. The plot examines friendship, community and also the risks of miscommunication and false accusations in the story. Red squirrel Timmy Tiptoes sets out with his wife Goody to collect nuts for the winter. They bury their collection in a hollow tree. A squirrel nearby starts to believe Timmy is taking his own nuts. Timmy enters his storage hollow and can not be released. Chippy Hackee, a chipmunk, has chose to hibernate in that area and is joined by him. Goody ultimately finds Timmy and clears his name. Chippy Hackee chooses to hibernate for another winter while Goody and Timmy resume their regular lives.

the tale of timmy tiptoes: The Tale of Timmy Tiptoes(classic Illustrated) Beatrix Potter, 2021-08-07 Timmy Tiptoes is unique amongst Potter's children's books: it is the only one depicting American mammals. The title character is an eastern grey squirrel, a species exported from America to Britain, and flourishing there around 1900. It was unlikely Potter saw the animals in the woods around Hill Top as they had yet to become established in the Lake District. She probably relied for models on specimens in the Small Mammal House of a zoo and consulted reference works in the library of the Natural History Museum to aid her work. Potter either had no live models for the eastern chipmunk characters or borrowed a pet chipmunk from a cousin. Initially, she may have been unsure of how to draw the chipmunks and chose to clothe them, then was forced to follow suit and clothe the two main players as well, while leaving the other squirrels in their natural state. Or, she may have clothed Timmy and Goody because they collect their nuts in sacks (an unnatural way for squirrels to behave) in imitation of a ruse she employed in Peter Rabbit when Peter only walks on his hind legs while wearing his blue jacket. When he loses his jacket, he reverts to being an animal and moves about on all fours. Because Timmy and Chippy were not drawn from nature, the two suggest stuffed animals in their lack of engaging facial expressions.
