Abby Williams is a reporter who happens to be at the wrong place at the right time. One of Falcon's agents is being held in the notorious Lubyanka Prison where experimental drugs were used to make him break under integration. The agent is a man Abby has a painful history with. A man who stole her heart and left her. Can Tony and Abby race against time to save the CIA operative? Will Tony regain his memory only to learn that she is the only woman he'd ever loved and the only person he ever feared? Does love win this battle? Or do these two souls who are meant to be together take the safe road and part with just a handful of memories?
