

used books near me

used books near me: A Comprehensive Guide to Finding and Enjoying Secondhand Books in Your Local Area

In today's digital age, the allure of discovering a hidden gem in a local used bookstore remains timeless. Whether you're an avid reader hunting for rare editions, a budget-conscious student seeking affordable textbooks, or a casual reader wanting to explore a variety of genres, finding used books near your location can be both an enriching and economical experience. This article provides an in-depth exploration of how to locate used books near you, the benefits of shopping secondhand, tips for making the most of your searches, and how to cultivate your own collection from local sources.

Understanding the Appeal of Used Books

Why Choose Used Books?

- **Cost-Effective:** Used books are generally priced lower than new editions, allowing readers to build their collection without breaking the bank.
- **Unique Finds:** Secondhand stores often carry out-of-print titles, signed editions, or vintage covers that are no longer available in mainstream outlets.
- **Environmental Impact:** Purchasing used books promotes sustainability by recycling and reducing waste.
- **Supporting Local Businesses:** Shopping at local used bookstores helps sustain small businesses and fosters community engagement.

The Charm of Secondhand Bookstores

- **Personalized Service:** Staff at used bookstores often have extensive knowledge and can recommend hidden gems.
- **Community Spaces:** Many used bookstores serve as cultural hubs, hosting events, book clubs, and readings.
- **Eclectic Selection:** The inventory tends to be diverse, with surprises around every corner, unlike the standardized selection in large chain stores.

How to Find Used Books Near You

Online Resources and Search Strategies

- Search Engines: Use specific queries like "used books near me," "secondhand bookstores in [your city]," or "used bookstores in [your area]."
- Map Services: Platforms like Google Maps or Apple Maps can help locate nearby used bookstores with user reviews and ratings.
- Book Finder Websites:

- BookFinder.com
- AbeBooks.com
- Alibris.com

These sites aggregate listings from multiple sources, making it easier to compare prices and availability.

Utilizing Local Directories and Community Boards

- Community Centers and Libraries: Often host bulletin boards with notices about used book sales or local shops.
- Social Media: Facebook Marketplace, local Facebook groups, or Reddit communities can be valuable for discovering nearby used booksellers.
- Yelp and TripAdvisor: User reviews can guide you to reputable secondhand bookstores.

Visiting Physical Locations

- Walking or Driving Tours: Explore neighborhoods known for their boutique shops or antique districts.
- Attending Book Fairs and Markets: Many cities host regular used book fairs, flea markets, and charity sales.
- Word of Mouth: Ask friends, family, or colleagues if they know of good used bookstores nearby.

Types of Used Bookstores and How to Choose the Right One

Independent Used Bookstores

- Usually small, locally owned, with curated selections.
- Offer personalized service and often specialize in certain genres or rare books.
- Great for discovering unique and vintage titles.

Chain and Franchise Secondhand Stores

- Larger establishments with a broader inventory.
- Often have standardized pricing and may offer trade-in programs.
- Examples include stores like Half Price Books.

Online-Only Used Book Retailers

- Platforms like ThriftBooks or Biblio allow browsing and purchasing used books online, with options for local pickup or shipping.

Choosing the Right Store

- Consider your specific needs: Are you looking for rare editions, textbooks, or casual reading material?
- Check store hours and policies regarding returns or exchanges.
- Read reviews or ask for recommendations to gauge store reputation.

Tips for Shopping Used Books Effectively

Inspect the Condition

- Look for signs of excessive wear, missing pages, or water damage.
- Check for markings, notes, or highlighting if you prefer pristine copies.
- Assess the binding, cover integrity, and spine condition.

Compare Prices

- Use online aggregators or price comparison tools.
- Remember that rare or collectible editions may command higher prices.

Negotiate and Bundle

- Don't hesitate to ask for discounts, especially if purchasing multiple items.
- Some stores offer discounts for students, seniors, or members.

Ask Staff for Recommendations

- Experienced booksellers can suggest titles in your interest areas or inform you about upcoming sales.

Join Loyalty or Membership Programs

- Many stores offer rewards that can save you money on future purchases.

Building Your Collection from Used Books

Strategies for Curating a Personal Library

- Focus on genres or authors you love to create a cohesive collection.
- Keep an eye out for first editions, signed copies, or vintage editions for added value.
- Use checklists or catalogs to track what you own and want.

Maintaining and Preserving Used Books

- Store books upright in a dry, cool place.
- Use book covers or sleeves to prevent further wear.
- Handle books carefully to avoid damage.

Participating in Book Swaps and Community Events

- Engage with local book clubs or swap meets to diversify your collection.
- These events foster community and provide opportunities to discover new titles.

Advantages of Supporting Local Used Bookstores

Economic Benefits

- Keeps money within the community.
- Supports employment and local entrepreneurship.

Cultural Enrichment

- Promotes literacy and a love of reading.
- Preserves local history through vintage and rare collections.

Environmental Sustainability

- Reduces waste by recycling books.
- Decreases demand for new resource-intensive printing.

Personal Connection and Experience

- Building relationships with store owners and staff.
- Enjoying the tactile experience of browsing physical books.

Conclusion

Finding used books near you is more than just an act of saving money—it's an opportunity to connect with your community, discover rare treasures, and foster a love for reading in an environmentally friendly way. With the right strategies, whether through online searches, visiting local stores, or participating in community events, you can cultivate a diverse and meaningful personal library. Embrace the adventure of secondhand book shopping, and let each discovery deepen your appreciation for literature and local culture. Remember, the perfect used book might just be around the corner waiting for you to find it.

Frequently Asked Questions

How can I find used books near me quickly?

You can use online search engines like Google or map services such as Google Maps or Apple Maps to search for 'used books near me' to find local bookstores and sellers.

Are there any popular apps to buy used books locally?

Yes, apps like OfferUp, Letgo, Facebook Marketplace, and BookSwap are popular for finding used books near your location.

What should I check before buying used books in person?

Inspect the book for damage, missing pages, or markings. Check the seller's reviews if purchasing online, and verify the condition and edition details.

Are used books cheaper than new ones?

Typically, yes. Used books are usually significantly cheaper than new copies, especially if they are older editions or lightly worn.

Can I find rare or collectible used books near me?

Yes, some local used bookstores or specialty shops focus on rare and collectible books. Online marketplaces also offer access to rare finds from nearby sellers.

What are the best days to find used books near me?

Weekends or local book markets and sales events are often the best days to find a wide selection of used books.

How do I ensure the quality of used books before purchasing?

Read the seller's description carefully, ask for photos if online, and check for any damage, markings, or missing pages to ensure quality.

Are there any eco-friendly benefits to buying used books?

Yes, buying used books reduces demand for new printing, saving resources and reducing waste, making it an environmentally friendly choice.

Can I trade my used books near me?

Many local bookstores and online platforms offer trade-in options where you can exchange your used books for store credit or other books.

Additional Resources

Used books near me have become an increasingly popular search term as readers seek affordable, unique, and sustainable options for expanding their personal libraries. The appeal of used books lies not only in their lower prices but also in their historical value, rarity, and the charm of discovering a hidden gem among shelves. As the book market evolves, understanding the landscape of used bookstores, the benefits they offer, and how to find the best options nearby is essential for avid readers and casual browsers alike. This article provides an in-depth exploration of the used books industry, practical tips on locating the best used bookstores near you, and an analysis of the benefits and challenges associated with purchasing pre-owned books.

Understanding the Market for Used Books

The Rise of Used and Vintage Bookstores

Over the past few decades, the used book industry has experienced a renaissance. While traditional bookstores have faced the challenges of online retail giants, independent and used bookstores have

thrived by cultivating niche markets and communities of dedicated readers. Vintage and secondhand books are treasured for their character, unique editions, and the stories they carry beyond their pages.

The growth can be attributed to several factors:

- Economic Appeal: Used books are generally more affordable than new copies, making literature accessible to a broader audience.
- Environmental Consciousness: Buying used supports sustainability by extending the life cycle of books and reducing waste.
- Cultural and Rarity Value: Certain editions, out-of-print titles, or signed copies often find a home in used bookstores.
- Community Engagement: Many used bookstores serve as cultural hubs, hosting events, book clubs, and literary discussions.

Online vs. Physical Used Bookstores

While online marketplaces like AbeBooks, ThriftBooks, and eBay offer vast selections, physical used bookstores provide a tactile experience, immediate access, and a personal touch that digital platforms cannot replicate. Visiting a local bookstore allows for serendipitous discoveries, interaction with knowledgeable staff, and the chance to see books firsthand before purchase.

However, the digital landscape also complements brick-and-mortar shops. Many independent stores now maintain online inventories or social media pages, making it easier for customers to find used books near them and check availability before visiting.

How to Find Used Books Near You

Finding used books close to your location involves a combination of online research, community involvement, and physical exploration. Here are practical strategies:

Utilize Search Engines and Map Services

- Google Search: Use keywords like “used books near me,” “secondhand bookstores in [your city],” or “vintage bookshops near me.”
- Google Maps: Often displays local bookstores with reviews, hours, and contact info, helping you assess their reputation and proximity.
- Yelp and TripAdvisor: These platforms offer user reviews, ratings, and detailed descriptions of local used bookstores.

Leverage Social Media and Community Platforms

- Facebook Marketplace and Groups: Local buy-sell-trade groups often feature used books, and local bookstores may have their own pages.
- Reddit Communities: Subreddits like r/books or city-specific forums can provide recommendations.
- Nextdoor: Neighborhood-based platform where residents might suggest or advertise used bookstores.

Visit Local Markets and Thrift Stores

Many thrift stores, charity shops, and flea markets carry used books. Notable options include:

- Salvation Army and Goodwill stores
- Independent flea markets
- Community yard sales
- Book fairs and charity events

Explore Specialty and Niche Bookstores

Some stores focus on specific genres such as rare books, comics, textbooks, or antique editions. These can often be found through local directories, specialty publications, or online searches.

Evaluating Used Bookstores: What to Look For

Once you identify potential stores, knowing what makes a good used bookstore enhances the shopping experience. Consider the following criteria:

Selection and Inventory

- Wide range of genres, editions, and authors
- Availability of rare, out-of-print, or collectible titles
- Well-organized shelves for easy browsing

Store Environment and Staff

- Friendly, knowledgeable staff who can recommend titles
- Cleanliness and good lighting
- Comfortable browsing areas

Pricing and Policies

- Reasonable pricing, especially compared to new books
- Clear return policies
- Discounts for bulk purchases or memberships

Additional Services

- Events like author readings, book clubs, or signings
- Online ordering or reservation options
- Trade-in or buy-back programs

The Benefits of Buying Used Books

Purchasing used books offers numerous advantages that appeal to a diverse range of consumers:

- **Cost Savings:** Used books can cost anywhere from 25% to 75% less than new editions.
- **Unique Editions:** Vintage, signed, or special editions often aren't available new.
- **Sustainability:** Reusing books reduces environmental impact by minimizing waste and resource consumption.
- **Supporting Local Businesses:** Buying from independent stores strengthens local economies and communities.
- **Discovering Hidden Gems:** The serendipity of browsing often leads to unexpected literary treasures.

Challenges and Considerations When Buying Used Books

Despite the many benefits, there are challenges associated with purchasing used books:

Condition and Quality

- Variability in book condition: some may have markings, torn pages, or signs of wear.

- Important to inspect or ask about the condition before purchase.

Availability and Selection Limitations

- Specific titles or editions may not always be in stock.
- Stock changes frequently, requiring patience and persistence.

Potential for Misinformation or Misrepresentation

- Rare or collectible books may be misrepresented or overpriced.
- Rely on reputable stores or verify details independently.

Limited Return Policies

- Many used bookstores have strict or no return policies.
- Buyers should confirm policies before purchasing.

Maximizing Your Used Book Buying Experience

To make the most out of your search for used books near you, consider these tips:

1. Set a Budget: Know how much you're willing to spend and stick to it.
2. Make a List: Have a list of specific titles or genres you're interested in, but remain open to surprises.
3. Visit Multiple Stores: Different shops have different inventories; exploring various options increases your chances of finding what you want.
4. Ask for Recommendations: Store staff can suggest similar titles or new arrivals.
5. Check for Events: Participate in book clubs, author signings, or swap events to deepen your engagement.
6. Maintain Flexibility: Be open to editions, formats, or even books outside your usual interests.

The Future of Used Books and Sustainable Reading

As environmental concerns grow and digital media continues to dominate, the used book industry offers a sustainable and culturally enriching alternative to new books. The resurgence of independent bookstores, combined with the digital tools that help locate them, suggests that used books will remain a vital part of the literary landscape.

Innovations such as online catalogs, mobile apps, and social media marketing have made it easier than ever to find used books nearby. Additionally, community-driven initiatives like book swaps and charity sales foster a culture of sharing and reuse.

Looking ahead, the integration of technology with traditional brick-and-mortar stores promises to enhance the used book-buying experience, making it more accessible and engaging for new generations of readers.

Conclusion

The search for used books near me is more than a simple transaction; it's an exploration of culture, history, and community. Whether you're hunting for a rare vintage edition, seeking affordable literature, or supporting sustainable practices, used bookstores offer a treasure trove of opportunities. By understanding the market, utilizing effective strategies to locate local shops, and appreciating the unique benefits they provide, readers can enrich their literary lives while contributing to a sustainable and vibrant book culture.

So, the next time you find yourself pondering where to find used books nearby, remember that the journey itself is part of the pleasure—discovery, nostalgia, and the joy of giving a second life to a beloved story await just around the corner.

used books near me: Booking in Iowa Joseph A. Michaud, 2009-09-28 A memoir of the used book business in Iowa City, Iowa, UNESCO's City of Literature.

used books near me: 92 Winslow Gardens Ken Christensen, 2020-02-12 92 Winslow Gardens relates the author's remarkable nine months in London as a struggling artist. Without funds, work papers, or resources, he struck upon the idea of selling his sketches in the streets of London. But the most remarkable part of his adventurous life was his relationship with an older woman of overwhelming character and beauty. Together they forged a powerful bond that like all great loves existed in a world of their own. Every day was an adventure and together they were ready for anything.

used books near me: Inheritance Judith Michael, 2013-03-26 From New York Times bestseller Judith Michael comes a dramatic novel of love, loss, and deep-buried family secrets. Laura Fairchild enters a charmed world when eccentric patriarch Owen Salinger takes her in as his protegee and confidante. In the patrician circles of Boston's Beacon Hill, she acquires grace, culture, and a passionate lover in Owen's nephew, Paul. But Owen's death shatters her dreams. Favored in his will, she now faces the wrath of his family, who close ranks against her. Disinherited, Laura vows to recapture all that has been ruthlessly taken away. With brilliance and flair she builds a hotel empire. Yet beneath her successful facade lives the outcast girl, longing for the home and family she has lost. As long-buried secrets rise like threatening clouds, Laura has to fight to regain her love, her family, and to claim her true inheritance!

used books near me: One for the Books Joe Queenan, 2012-10-25 One of America's leading humorists and author of the bestseller *Closing Time* examines his own obsession with books Joe

Queenan became a voracious reader as a means of escape from a joyless childhood in a Philadelphia housing project. In the years since then he has dedicated himself to an assortment of idiosyncratic reading challenges: spending a year reading only short books, spending a year reading books he always suspected he would hate, spending a year reading books he picked with his eyes closed. In *One for the Books*, Queenan tries to come to terms with his own eccentric reading style—how many more books will he have time to read in his lifetime? Why does he refuse to read books hailed by reviewers as “astonishing”? Why does he refuse to lend out books? Will he ever buy an e-book? Why does he habitually read thirty to forty books simultaneously? Why are there so many people to whom the above questions do not even matter—and what do they read? Acerbically funny yet passionate and oddly affectionate, *One for the Books* is a reading experience that true book lovers will find unforgettable.

This book teaches you how, every step of the way.--Amazon.com.

used books near me: Families With Power Mary Cowhey, 2022 What if the families of students most impacted by the opportunity gap somehow had the power to organize whatever activities they felt would best help their children succeed? That's the question that began *Families with Power/Familias con Poder (FWP)*, a grassroots organization of low-income students and caregivers in Northampton, MA. Through vignettes and interviews, this premiere book in Sonia Nieto's *Visions of Practice* Series shares the stories and lessons FWP learned along the way. Inspired by Paulo Freire's educational philosophy and the radical tradition of the Highlander Folk School, a group of real families with few material resources and educators connected with each other, found common ground, and built their own programs to address the needs of their children. Readers will get an inside look at the benefits, successes, and challenges of more than a dozen years of student and family engagement in the community and school as FWP tackled issues ranging from academics, race, and class to immigration and public health. Book Features: The story of how the author cofounded Families with Power in cooperation with immigrant and low-income caregivers and fellow educators. Insight into multiple racial and ethnic perspectives as seen through a myriad of family engagement programs. A relatable collection of narratives that bring to life Freire's methods of problem posing, culture circles, and popular education, as well as Highlander Folk School's methods of grassroots organizing. Guidance to help today's teachers and school leaders connect with students' families and community in meaningful ways. The author's experience as a white teacher learning to bridge cultural, racial, linguistic, and class differences and build authentic relationships to better serve diverse communities.

used books near me: *Everyday Ideas* Ronald J. Zboray, Mary Saracino Zboray, 2006 *Everyday Ideas: Socioliterary Experience among Antebellum New Englanders* takes an unprecedented look at the use of literature in everyday life in one of history's most literate societies-the home ground of the American Renaissance. Using information pulled from four thousand manuscript letters and diaries, *Everyday Ideas* provides a comprehensive picture of how the social and literary dimensions of human existence related in antebellum New England. Penned by ordinary people-factory workers, farmers, clerks, storekeepers, domestics, and teachers and other professionals-the writings examined here brim with thoughtful references to published texts, lectures, and speeches by the period's canonized authors and lesser lights. These personal accounts also give an insider's perspective on issues ranging from economic problems, to social status conflicts, to being separated from loved ones by region, state, or nation. *Everyday Ideas* examines such references and accounts and interprets the multiple ways literature figured into the lives of these New Englanders. An important aid in understanding historical readers and social authorship practices, *Everyday Ideas* is a unique resource on New England and provides a framework for understanding the profound role of ideas in the everyday world of the antebellum period.

used books near me: *Shakespeare's Early Readers* Jean-Christophe Mayer, 2018-09-06 This is the first dedicated account of the ways in which Shakespeare's texts were read in the two centuries after they were produced. A close examination of rare, often unpublished material offers a reconsideration of the role of readers in the history of Shakespeare's rise to fame.

used books near me: *Wisdom of the Heart, Book 1* Harold Klemp, 2025-03-04 Do you have spiritual hunger? The only food that satisfies spiritual hunger is the Sound and Light of God, says Sri Harold Klemp, the spiritual leader of Eckankar. The Sound and Light bring healing, wisdom, inspiration, strength. They can open your Spiritual Eye to the love of God raining down every moment of your daily life. And every moment of your dream worlds while you sleep. This book shows you how! The gifts of heart wisdom can be yours. You will discover keys to: • How love enters the heart • Why Soul is in the lower worlds • Spiritual exercises for higher consciousness • A true understanding of worship • Using light for healing and ever so much more! This first volume of *Wisdom Notes from the Mahanta*, the Living ECK Master to his spiritual students is a timeless treasure. used books near me: *Online Bookselling* Michael E. Mould, 2006 A comprehensive guide for the potential online bookseller and a great reference for the experienced online bookseller. Covers: how to buy used books, where to buy books, how much to pay for books, where to sell books online, how to grade books, online postage services, wireless lookup services, how to store and manage your inventory, what books to avoid, packing and shipping (with pictures to avoid lost in the mail books), packaging material suppliers, websites and advertising, legal structure and business planning, tips and terms, and much more. Also includes an exhaustive list of wholesale and remainder book distributors

used books near me: *A Passing West* Dagoberto Gilb, 2024-10-01 Winner of the Pen/Diamondstein-Spielvogel Award for the Art of the Essay. Essays on the west and the Chicano movement, by one of its literary vanguards. Winner of the 2025 PEN/Diamondstein-Spielvogel Award for the Art of the Essay A unique voice in American fiction, Dagoberto Gilb is also a singular writer of personal and journalistic essays. In *A Passing West* he casts a penetrating gaze upon the culture and history of the Southwest, Mexican American identity, and his own family. Gilb has a forceful message for readers: there is a Mexican America, and its culture is the lifeblood of the Southwest United States, which was Mexican land until the Treaty of Guadalupe Hidalgo. The rest of the country, Gilb declares, does not want to know or respect the long history of Mexican America. His mission is to defend and proclaim its beauty and importance. Ranging from accounts of research in Spain's Archivo General de Indias and the culture of farming corn in Iowa to meditations on Mexican and Mexican American writers, deconstructions of Mexican American food, and the experience of teaching students confused about their own culture and identity, these sharply observed portraits

are both thought provoking and entertaining. His parents, his youth and manhood, his new disabled life, and snapshots of Mexico City and Guatemala, California, and Texas—all are unforgettable thanks to Gilb's brilliant vision and style.

used books near me: *MADMANKNITTING or Slip, Slip, Knit* Gregory Patrick, 2015-03-11 More than just a collection of blog posts, Slip, Slip, Knit is a series of meditations and essays by a homeless man attempting to survive by knitting. Beginning in 2011 and ending in 2014 these blog entries explore a sense of spirit and survival through knitting. From living in the woods twenty miles from the nearest town, to success as a crafter, Slip, Slip, Knit delves into the hope and ambition of any artist who attempts with whole heart to survive on their talents, hope....and a sense of purpose.

This is your chance to create wealth, starting today!

used books near me: *Madness Is Catching* Edward Radclyffe, 2011-07-18 Stateville is one of the strangest towns in the South. Home to State University, which makes the dubious claim to be the finest public university in the Deep South, it is an island of slightly liberal values in the Southern sea of blue-collar and military tradition. And caught between middle-class America and the sharecropper-cum-Klansman past are the educated unemployables who pass as Southern bohemia:

artists who can create only when the moonlight is in the magnolias and the utilities have been cut off, writers who struggle to pen modern novels but keep coming back to the War (the only war, it would seem down South), revolutionaries who pose as Marxes and Lenins of reaction but simply cannot persuade the South to rise again, poets who spread chaos and disorder, and angry dishwashers who curse the gods for denying them the right to become movie stars. Their rudderless lives, and how they are changed forever (not necessarily for the better), are the subject of *Madness is Catching*, a picaresque comedy of idleness that presents classic Southern vices in a new and universal light. Tom Spaulding is one of State University's most illustrious dropouts, having earned nearly two hundred credit hours almost entirely in electives and been expelled for refusing to declare a major in anything other than distressed Southern gentleman. At thirty years old, he has never held a full-time job, and it is with the greatest reluctance that he holds a part-time sinecure. He prefers to be known as an artist, although the last time he produced any art was during the Starving Time, when a parental check failed to arrive. After all, to quote Spaulding when on a full stomach, Doing is not as significant as being. Tom Jenkins graduated from State University again and again, but so far it hasn't done him much financial good. He spends his days writing free-verse epics completely unrelated to his near-Ph.D. in polar history (he would have been the first student at a Southern university to write a dissertation on early efforts to cross Antarctica via snowmobile), as well as propaganda tracts encouraging Southerners to rise up and peacefully and democratically overthrow the Yankee oppressors. To supplement his predictably meager income from poetry and propaganda, Jenkins runs a flea-market stall where he sells books recovered from a library dumpster. With the fine clothing, furniture, and surprising luxuries he also finds in dumpsters and thrift shops, Jenkins is able to ape his supposed planter ancestors, a uniquely Southern way of life. Tom Rothman spends his days waiting tables at a truck stop, a great fall from his upper-middle-class youth, when he came to Stateville planning to enroll at the university. Now he provides service with a sneer, grumbling at his customers under his breath, and grumbling loudly and profanely to his friends about the endless ways in which life has ill-used him. But there remains a kernel of seemingly hopeless ambition that Rothman cannot forever ignore. Reginald O'Bryan, a former carnival barker now on work-related disability, is distinguished among his associates for his unparalleled and cynical indolence. There's much to be said against work, he tells a receptive Spaulding. It's certainly a destroyer of initiative. O'Bryan becomes an elder statesman of sloth and a beacon of depravity to his younger friends. A one-man Devils workshop, the only question is whether O'Bryan will be punished or rewarded by the Southern powers and Power that be. Through one adventure, free meal, disaster, and embarrassment after another, this growing band of Southerners fails to learn any lessons at all, unless it is that persistence can be a great waste of time. From the hallowed mock-Tudor-mock-Gothic halls of State University to the inside of a clean and well-lit dumpster, to the offensively uncharitable Megathrift charity store, the lost Sou

used books near me: *The Newman's Own Organics Guide to a Good Life* Nell Newman, Joseph D'Agnes, 2003-03-11 It's fairly obvious that one can't be a 'perfect' environmentalist. But that's okay. Perfection isn't the goal. A good life is. And a good life has as much to do with your intent as with the end result." —from the Introduction *The Newman's Own Organics Guide to a Good Life* is the essential book for those of us who can't live in an organic hemp tepee but do care about our quality of life, global warming, clean water, and disappearing resources. Nell Newman shows you how to do what is within easy reach. Along with realistic, practical advice, she shows how and why living a more environmentally conscious life benefits you and your immediate surroundings. In addition to recycling and reusing, the book covers consumer-related steps such as • how buying and eating organic food supports small farms (and tastes better, too) • how you can buy clean power through your regular power company • which long-distance telephone companies offer competitive pricing and service while returning a portion of their profits to environmental and educational organizations • where to buy everything—from pots and pans to pet food—so that you can "vote with your dollar" and feel good about your purchases Packed with profiles of fascinating—and sometimes zany—people and a heavy dose of sanity, this book is organized according to the way you really live,

making it easy to identify what areas of change are viable for you. A resource directory of publications, retailers, groups, and associations is included in the back of the book.

used books near me: The Poetic Edda: Expanded Second Edition , 2025-09-15 This Expanded Second Edition of Jackson Crawford's 2015 translation of the Poetic Edda offers a wider range of poems (now including the Eddic Old Norse poem "Svipdagssmal" and four related non-Eddic Old Norse poems, "Eiriksmaal," "Hakonarmal," "Krakumal," and "Lokrur") as well as a revised translation and enhanced editorial apparatus. Set in a new page design, it also features samples from the Old Norse texts written in the Old Norse runic alphabet known as the Younger Futhark (in Jackson Crawford's hand) along with original Old Norse-inspired Latin alphabet typographical ideograms (by E. L. Wilson).

used books near me: Adventureman Vol. 1 Matt Fraction, 2024-12-18 Blending high-octane pulp action, low-flying dirigibles, and more art-deco rayguns than you could shake a walking stick at, ADVENTUREMAN is a high-flying, senses-obliterating, imagination-quaking adventure for the whole family! WHERE HIS STORY ENDED...HER STORY BEGINS! Everyone knows the story of how ADVENTUREMAN, the greatest pulp hero of all time, ended in a heartbreaking CLIFFHANGER with our hero facing his very execution... Now, learn the startling truth about how, 80 years after his seeming demise, single mother Claire and her Adventurefan son Tommy light the spark of RESURRECTION! Can these inheritors of the Adventureman legacy rise up to face down the evil that bested the original? Collects ADVENTUREMAN #1-5

used books near me: Elegy Beach Steven R. Boyett, 2010-10-26 Twenty-seven years ago, technology died. The fundamental laws of the universe had inexplicably changed. Now, Fred Garey's best friend Yan believes he's found a way to reverse the Change. But Fred fears the repercussions of such drastic, irreversible steps.

used books near me: Antique Trader Book Collector's Price Guide Richard Russell, 2006-07-05 This new edition of Antique Trader Book Collector's Price Guide provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen's Emma and J.K. Rowling's Harry Potter and the Philosophers Stone recently sold at auction for 254,610 dollars and 40,355 dollars respectively. Organized in 13 categories, including Americana, banned, paranormal and mystery, this guide discusses identifying and grading books, and provides collectors with details for identifying and assessing books in 8,000 listings.

used books near me: Exodus, Revisited Deborah Feldman, 2021-08-31 The definitive follow-up to Unorthodox (the basis for the award-winning Netflix series)—now updated with more than 50 percent new material—the unforgettable story of what happened in the years after Deborah Feldman left a religious sect in Williamsburg in order to forge her own path in the world. In 2009, at the age of twenty-three, Deborah Feldman packed up her young son and their few possessions and walked away from her insular Hasidic roots. She was determined to find a better life for herself, away from the oppression and isolation of her Satmar upbringing in Williamsburg, Brooklyn. And in Exodus, Revisited she delves into what happened next—taking the reader on a journey that starts with her beginning life anew as a single mother, a religious refugee, and an independent woman in search of a place and a community where she can belong. Originally published in 2014, Deborah has now revisited and significantly expanded her story, and the result is greater insight into her quest to discover herself and the true meaning of home. Travels that start with making her way in New York expand into an exploration of America and eventually lead to trips across Europe to retrace her grandmother's life during the Holocaust, before she finds a landing place in the unlikelyst of cities. Exodus, Revisited is a deeply moving examination of the nature of memory and generational trauma, and of reconciliation with both yourself and the world.
