Casteel Da'Neer knows all too well that very few are as cunning or vicious as the Blood Queen, but no one, not even him, could've prepared for the staggering revelations. The magnitude of what the Blood Queen has done is almost unthinkable. And born of mortal flesh... Nothing will stop Poppy from freeing her King and destroying everything the Blood Crown stands for. With the strength of the Primal of Life's guards behind her, and the support of the wolveren, Poppy must convince the Atlantian generals to make war her way—because there can be no retreat this time. Not if she has any hope of building a future where both kingdoms can reside in peace. A great primal power rises... Together, Poppy and Casteel must embrace traditions old and new to safeguard those they hold dear—to protect those who cannot defend themselves. But war is only the beginning. Ancient primal powers have already stirred, revealing the horror of what began eons ago. To end what the Blood Queen has begun, Poppy might have to become what she has been prophesied to be—what she fears the most. As the Harbinger of Death and Destruction.

blood and ash series: A Shadow in the Ember Jennifer L. Armentrout, 2021-10-19 #1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling Flesh and Fire series—set in the beloved Blood and Ash world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.
