Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

After a startling betrayal ends with both Sera and the dangerously seductive ruler of the Shadowlands she has fallen madly in love with being held captive by the false King of the Gods, there is only one thing that can free Nyktos and prevent the forces of the Shadowlands from invading Dalos and igniting a War of Primals. Convincing Kolis won't be easy, though - not even with a lifetime of training. While his most favored Revenant is insistent that she is nothing more than a lie, Kolis's erratic nature and twisted sense of honor leave her shaken to the core, and nothing could've prepared her for the cruelty of his Court or the shocking truths revealed. The revelations not only upend what she has understood about her duty and the very creation of the realms but also draw into question exactly what the true threat is. However, surviving Kolis is only one part of the battle. The Ascension is upon her, and Sera is out of time. But Nyktos will do anything to keep Sera alive and give her the life she deserves. He'll even risk the utter destruction of the realms, and that's exactly what will happen if he doesn't Ascend as the Primal of Life. Yet despite his desperate determination, their destinies may be out of their hands. But there is that foreseen unexpected thread—the unpredictable, unknown, and unwritten. The only thing more powerful than the Fates...

from blood and ash series: *A Light in the Flame: A Flesh and Fire Novel* Jennifer L. Armentrout, 2022-11-15 From #1 New York Times bestselling author Jennifer L. Armentrout comes book two in her Flesh and Fire series... The only one who can save Sera now is the one she spent her life planning to kill. The truth about Sera's plan is out, shattering the fragile trust forged between her and Nyktos. Surrounded by those distrustful of her, all Sera has is her duty. She will do anything to end Kolis, the false King of Gods, and his tyrannical rule of Iliseum, thus stopping the threat he poses to the mortal realm. Nyktos has a plan, though, and as they work together, the last thing they need is the undeniable, scorching passion that continues to ignite between them. Sera cannot afford to fall for the tortured Primal, not when a life no longer bound to a destiny she never wanted is more attainable than ever. But memories of their shared pleasure and unrivaled desire are a siren's call impossible to resist. And as Sera begins to realize that she wants to be more than a Consort in name only, the danger surrounding them intensifies. The attacks on the Shadowlands are increasing, and when Kolis summons them to Court, a whole new risk becomes apparent. The Primal power of Life is growing inside her, pushing her closer to the end of her Culling. And without Nyktos's love—an emotion he's incapable of feeling—she won't survive her Ascension. That is if she even makes it to her Ascension and Kolis doesn't get to her first. Because time is running out. For both her and the realms.
