

jokes about leeds united

jokes about leeds united have become a popular topic among football fans and rivals alike, often serving as light-hearted banter or playful ribbing rooted in the club's long and storied history. Whether you're a devoted Leeds supporter or a rival supporter looking for a humorous jab, jokes about Leeds United are woven into football culture, especially in the English football scene. These jokes often poke fun at the club's struggles, legendary moments, or iconic players, creating a shared language of humor that unites fans in good spirits or ignites friendly rivalry.

In this article, we will explore the most popular jokes about Leeds United, their origins, and why they continue to be relevant in football banter today. From humorous quips about their league performances to playful jabs at their fans, we'll cover it all, providing a comprehensive look at the lighter side of Leeds United's football story.

Historical Context of Leeds United Jokes

Understanding the jokes about Leeds United requires a bit of background on the club's history. Founded in 1919, Leeds United has experienced periods of success and hardship. The club's most glorious era was in the late 1960s and early 1970s under the management of Don Revie, when they won their first major trophies and became a formidable force in English football. However, the club has also faced relegations, financial struggles, and a rollercoaster of fortunes that have given fans and rivals plenty of material for humor.

The most common themes in Leeds United jokes tend to revolve around:

- Their former glory days
- Relegations and yo-yoing between divisions
- Notorious moments in matches
- Controversial management decisions
- Fan stereotypes

This rich history provides fertile ground for humorous commentary and playful teasing, especially from rival clubs like Manchester United, Liverpool, or Sheffield Wednesday.

Popular Jokes About Leeds United

Here are some of the most well-known jokes and humorous quips that circulate among football fans regarding Leeds United.

Jokes About Their League Performance

Leeds United has a reputation for bouncing between divisions, which has inspired many jokes about their league performance.

- “Leeds United: the only club where relegation is considered a tradition.”
- “Leeds United fans have a special way of celebrating every season—by hoping it’s the one they stay up!”
- “How do you make a Leeds United fan’s day? Relegate their team.”
- “Leeds United: the masters of the Premier League yo-yo.”

These jokes highlight the club’s struggles with consistency and their history of bouncing between the top flight and lower divisions.

Jokes About Their Fans

Fan stereotypes are often a subject of humor in football banter.

- “Leeds United fans are like fine wine—they get better with age, but sometimes they smell a bit funny.”
- “Why did the Leeds United fan bring a ladder to the game? Because they heard the team was climbing back up the leagues!”
- “Leeds supporters’ favorite chant? ‘We’re staying up—just about!’”

While playful, these jokes reflect the passionate and sometimes anxious nature of Leeds fans.

Jokes About Famous Moments

Leeds has had some memorable moments that have become fodder for humor.

- “Remember when Leeds United signed a goalkeeper who couldn’t catch? That’s called a ‘Leeds special’.”
- “Leeds United’s most famous defensive tactic? Letting the other team score first, then scrambling to catch up.”
- “The only thing faster than Leeds’ relegation was their fans’ hope to get back to glory.”

These jokes often play on infamous defensive lapses or missed opportunities in key matches.

Humor as Football Culture: Why Jokes About Leeds United Matter

Jokes about Leeds United are more than just cheap laughs; they are an integral part of football culture. They foster camaraderie among fans, create a sense of identity, and keep rivalries alive in a playful manner. For Leeds supporters, these jokes can be a badge of honor, symbolizing resilience and humor amidst adversity. For rivals, they serve as a way to poke fun and establish dominance in the ongoing banter.

Moreover, humor can act as a coping mechanism for fans during tough times, turning disappointment into shared laughter. It also helps keep the passion alive, reminding everyone that football is ultimately a game meant to entertain and unite.

Top Tips for Engaging in Leeds United Football Banter

If you're planning to join the fun and make or share jokes about Leeds United, keep these tips in mind:

1. **Know your audience:** Be aware of who you're joking with, as humor can sometimes be sensitive.
2. **Stay light-hearted:** The best banter is playful, not malicious.
3. **Respect history:** Recognize the club's achievements and struggles—jokes should celebrate humor, not mock suffering.

4. **Use wit over insults:** Clever wordplay or historical references are more effective than personal insults.
5. **Share your own stories:** Personal anecdotes or favorite moments can make jokes more relatable and fun.

By following these tips, football fans can enjoy banter that brings smiles rather than disputes.

Conclusion: The Enduring Charm of Leeds United Jokes

Jokes about Leeds United are a testament to the passionate and humorous culture that surrounds football in England. They reflect the club's highs and lows, legendary moments, and the unwavering dedication of its supporters. Whether poking fun at relegation struggles or celebrating historic victories, these jokes serve to keep the spirit of football alive—fun, competitive, and full of character.

As Leeds United continues its journey through the leagues, the jokes will undoubtedly evolve, capturing new moments of triumph and tribulation. In the end, humor remains a vital part of football's fabric, uniting fans and rival supporters alike in shared laughter and good-natured rivalry. So next time you hear a joke about Leeds United, remember—it's all part of the beautiful game's rich tapestry of humor and history.

Additional Resources

Jokes about Leeds United have long been a staple in the world of football banter, serving both as a source of humor and a reflection of the passionate rivalry that surrounds this historic club. Whether you're a devoted Leeds supporter or a rival fan looking to rib the Whites, jokes about Leeds United often encapsulate the club's tumultuous history, passionate fanbase, and moments of glory and despair. These jokes are not only a form of entertainment but also a way for fans to cope with the highs and lows of supporting a club that has experienced significant ups and downs over the decades.

In this article, we will explore the rich landscape of Leeds United jokes, examining their origins, themes, and cultural significance. We will analyze popular jokes, their humor styles, and the underlying narratives they reveal about the club and its supporters. Additionally, we will consider the pros and cons of football humor about Leeds United and what these jokes say about football culture in general.

The Origins of Leeds United Jokes

Historical Context and Rivalries

Leeds United, founded in 1919, has a storied history that includes periods of success, relegations, financial struggles, and fan fervor. This rollercoaster journey has provided ample material for humor. Rivalries with clubs like Manchester United, Sheffield Wednesday, and others have fueled jokes that poke fun at Leeds's perceived failures or boast about their triumphs.

Key points about the origins:

- The club's history of relegation and promotion cycles.
- High-profile matches, such as the 1992 FA Cup semi-final or the 1970 European Cup semi-final, which are often referenced humorously.
- Cultural stereotypes about Yorkshire and Leeds supporters.

Popular themes in jokes:

- Underachievement or "always being the bridesmaid, never the bride."
- The club's fluctuating league status.
- The passionate but sometimes volatile fanbase.

Evolution of Football Humor

Football humor has evolved from simple one-liners to sophisticated memes, social media banter, and parody accounts. Leeds United jokes have adapted over time, especially with the rise of internet culture, allowing fans and rivals to share content instantly. This evolution has made jokes more accessible, widespread, and sometimes more biting.

Common Themes in Leeds United Jokes

Relegation and Promotion Jokes

Few topics are as fertile for humor as Leeds's relegation history. The club has faced relegation

multiple times, and fans of rival teams often use this to tease Leeds supporters.

Examples include:

- "Leeds United: the only team with a dedicated 'relegation support group.'"
- "Leeds United's idea of a comeback: getting promoted... and then relegated again."

Pros:

- Relatable for fans who have experienced relegation.
- Highlights the resilience of Leeds supporters.

Cons:

- Can be seen as insensitive or overly harsh.
- Relegation jokes may become repetitive.

The "Leeds Utd as a Sleeping Giant" Trope

Many jokes revolve around the idea that Leeds has the potential to be great again but somehow always falls short.

Examples include:

- "Leeds United: the sleeping giant that's always napping."
- "Waiting for Leeds to win something big? Still waiting since 1992."

Features:

- Reflects hope mixed with disappointment.

- Often used by rival fans to mock Leeds's ambitions.

Player and Manager Jokes

Humor about specific players or managers is common, especially when players underperform or managers are sacked frequently.

Sample jokes:

- "Leeds signing a new player? Hope he's better than the last one!"
- "Leeds United managers: the shortest-lived job in football."

Advantages:

- Personalizes jokes, making them more relatable.
- Highlights the club's managerial instability.

Disadvantages:

- Can be too targeted or disrespectful.
- May oversimplify complex football issues.

The Role of Social Media and Memes

The internet has amplified the reach of Leeds United jokes through memes, parody accounts, and viral videos. Platforms like Twitter, Reddit, and Facebook host a vibrant community sharing humorous content, often in real-time during matches.

Popular Meme Formats

- "Leeds Relegation Tree": a visual joke illustrating Leeds's repeated relegations.
- "Leeds's European Dreams": memes mocking their lack of recent European success.
- "The Leeds Fan Expectations vs. Reality": humorous comparisons showing the gap between hopes and actual results.

Pros and Cons of Online Football Humor

Pros:

- Creates a sense of community among fans and rivals.
- Keeps conversations lively and engaging.
- Allows for quick, creative expression.

Cons:

- Can lead to offensive or toxic interactions.
- Sometimes perpetuates stereotypes or misinformation.
- May escalate rivalries into hostility.

Leeds United Jokes and Fan Identity

Humor about Leeds United often encapsulates the identity of its fans—passionate, resilient, and sometimes self-deprecating. Many jokes serve as a bonding tool, fostering camaraderie among supporters while teasing rivals.

Examples of self-deprecating humor:

- "Leeds United: the only club where losing is an art form."
- "We're not just fans; we're eternal optimists with a sense of humor."

Impact on Fan Culture:

- Reinforces a sense of belonging and shared history.
- Acts as a coping mechanism during tough times.
- Helps maintain morale despite setbacks.

Criticism and Ethical Considerations

While jokes about Leeds United are generally made in good fun, some can cross the line into disrespect or offensive territory.

Potential issues include:

- Personal insults towards players or fans.
- Reinforcing negative stereotypes.
- Creating a hostile environment in online spaces.

Balancing humor and respect:

- Respect the club and its supporters.
- Avoid targeting individuals unfairly.
- Recognize the difference between banter and bullying.

Conclusion: The Significance of Jokes about Leeds United

Jokes about Leeds United serve as more than mere entertainment—they are a mirror of the club's tumultuous history, enduring spirit, and the vibrant community of supporters. They encapsulate the highs of promotion and European campaigns, the lows of relegations, and the unwavering hope for future glory. Whether used to poke fun at the club's misadventures or to rally support during tough times, humor remains an integral part of Leeds United's cultural fabric.

The evolution of these jokes, especially through social media, continues to shape how fans and rivals interact, making football humor a dynamic and compelling aspect of sports culture. As with all humor, it's essential to approach such jokes with respect and understanding, appreciating their role in celebrating the passion and resilience that define Leeds United.

In summary:

- Leeds United jokes are rooted in rich history and intense rivalries.
- They cover themes like relegation, ambition, players, and managers.
- Online memes have expanded their reach and cultural impact.
- They foster community but require mindful use to avoid offense.
- Ultimately, these jokes reflect the enduring spirit of Leeds supporters and their love for the game.

Whether you're enjoying a light-hearted jest or crafting a clever meme, jokes about Leeds United remain a vibrant part of football culture—an amusing, sometimes biting, but always passionate tribute to one of England's most storied clubs.

jokes about leeds united: The Best Leeds United Football Jokes Ever Darren Kingston, 2013-01-21

jokes about leeds united: The Best Ever Book of Leeds United Jokes Mark Geoffrey Young, 2013-07 If you've ever heard a Jewish, Italian, Irish, Libyan, Catholic, Mexican, Polish, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Leeds United Jokes is for you. In this not-so-original book, *The Best Ever Book of Leeds United Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who*, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. *The Best Ever Book of Leeds United Jokes* is so unoriginal, it's original. And, if you don't burst out laughing from at least one Leeds United Fan joke in this book, there's something wrong with you. This book has so many Leeds United Jokes, you won't know where to start. For example: Why do Leeds United Fans wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** An evil genie captured a Leeds United Fan and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Leeds United Fan brought a car door, because if it got too hot she could just roll down the window! *** Did you hear about the Leeds United Fan who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." *** Why do Leeds United Fans laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.

jokes about leeds united: Cracking Jokes Alan Dundes, 2017-01-19

jokes about leeds united: *In On the Joke* Shawn Levy, 2022-04-05 "A sensitive and vivid study of early female stand-ups... [Levy is a] painstaking, knowledgeable guide." —New York Times Book Review A hilarious and moving account of the trailblazing women of stand-up comedy who broke down walls so they could stand before the mic—perfect for fans of *The Marvelous Mrs. Maisel* and *Hacks* Today, women are ascendant in stand-up comedy, even preeminent. They make headlines, fill arenas, spawn blockbuster movies. But before Amy Schumer slayed, Tiffany Haddish killed, and Ali Wong drew roars, the very idea of a female comedian seemed, to most of America, like a punch line. And it took a special sort of woman—indeed, a parade of them—to break and remake the mold. *In on the Joke* is the story of a group of unforgettable women who knocked down the doors of stand-up comedy so other women could get a shot. It spans decades, from Moms Mabley's rise in Black vaudeville between the world wars, to the roadhouse ribaldry of Belle Barth and Rusty Warren in the 1950s and '60s, to Elaine May's co-invention of improv comedy, to Joan Rivers's and Phyllis Diller's ferocious ascent to mainstream stardom. These women refused to be defined by type and tradition, facing down indifference, puzzlement, nay-saying, and unvarnished hostility. They were discouraged by agents, managers, audiences, critics, fellow performers—even their families. And yet they persevered against the tired notion that women couldn't be funny, making space not only for themselves, but for the women who followed them. Meticulously researched and irresistibly drawn, Shawn Levy's group portrait forms a new pantheon of comedy excellence. *In on the Joke* shows how women broke into the boys' club, offered new ideas of womanhood, and had some laughs along the way.

jokes about leeds united: *The Damned Utd* David Peace, 2014-04-01 "Probably the best novel ever written about sport." —The Times (UK) He was a real-life, working-class hero known as the "British Muhammad Ali"—because he had a big mouth and wasn't afraid to use it. But Brian Clough wasn't a boxer, he was a soccer coach, known for taking backwater teams and making them into champions. In towns where people had little else, the hard-drinking and scrappy Clough was a hero. He was especially beloved for telling it like it was on behalf of small-town teams everywhere—calling out the stars who played dirty, rival coaches he suspected of bribing referees, and the league that let them get away with it. And then one day Clough was offered a job coaching the big-city team he'd called the dirtiest—the perennial powerhouse Leeds United. *The Damned Utd* tells the story of the legendary Clough's tumultuous forty-four days trying to turn around a corrupt institution without being corrupted himself—the players who wouldn't play, the management that

looked the other way, the wife and friends who stood by him as he fought to do the right thing. The inspiring story behind the movie of the same name, *The Damned Utd* has been called by *The Times* of London, "The best novel ever written about sport."

jokes about leeds united: A Museum Studies Approach to Heritage Sheila Watson, Amy Jane Barnes, Katy Bunning, 2018-10-08 Heritage's revival as a respected academic subject has, in part, resulted from an increased awareness and understanding of indigenous rights and non-Western philosophies and practices, and a growing respect for the intangible. Heritage has, thus far, focused on management, tourism and the traditionally 'heritage-minded' disciplines, such as archaeology, geography, and social and cultural theory. Widening the scope of international heritage studies, *A Museum Studies Approach to Heritage* explores heritage through new areas of knowledge, including emotion and affect, the politics of dissent, migration, and intercultural and participatory dimensions of heritage. Drawing on a range of disciplines and the best from established sources, the book includes writing not typically recognised as 'heritage', but which, nevertheless, makes a valuable contribution to the debate about what heritage is, what it can do, and how it works and for whom. Including heritage perspectives from beyond the professional sphere, the book serves as a reminder that heritage is not just an academic concern, but a deeply felt and keenly valued public and private practice. This blending of traditional topics and emerging trends, established theory and concepts from other disciplines offers readers international views of the past and future of this growing field. *A Museum Studies Approach to Heritage* offers a wider, more current and more inclusive overview of issues and practices in heritage and its intersection with museums. As such, the book will be essential reading for postgraduate students of heritage and museum studies. It will also be of great interest to academics, practitioners and anyone else who is interested in how we conceptualise and use the past.

jokes about leeds united: Laughter Lines and a Story Joke David Mbowa Rubadiri, 2013 The book is a Joke book comprising short snappy jokes and a story joke that I have created. All jokes are original.

jokes about leeds united: The Singing Winger Colin Grainger, 2019-10-17 Known as The Singing Winger for his ability both out wide on a football field and centre stage at a concert hall, Colin Grainger had the privilege of sharing a changing room with Duncan Edwards and Stanley Matthews and a bill with The Beatles. Starting out in 1950, Grainger's professional football career spanned sixteen years, taking in all four divisions, and after Nat Lofthouse persuaded him to perform while on England duty, a successful singing career was born alongside. Grainger continued to marry his passions in the years to come, and this tale tells the story of life on the road as a professional in two industries and the joy of forging friendships with icons of a bygone era.

jokes about leeds united: The Sociology of Healthcare Sarah Earle, Gayle Letherby, 2008-03-28 A comprehensive collection of classic and contemporary readings in the sociology of health. *The Sociology of Healthcare* will stimulate debate, reflexive practice and critical thinking in applied sociology and is aimed at the teaching and learning needs of both lecturers and students.

jokes about leeds united: Laughing Matters Giorgio Baruchello, Ársæll Már Arnarsson, 2023-11-06 Part 2 of Volume 3 addresses in detail the conflicts between humor and cruelty, i.e., how cruelty can be unleashed against humor and, conversely, humor can be utilized against cruelty. Potent enmities to mirth and jollity are retrieved from a variety of socio-historical contexts, ranging from Europe's medieval monasteries to the 2015 Charlie Hebdo massacre. Special attention is paid to the cruel humor and humorous cruelty arising thereof, insofar as such phenomena can reveal critical aspects of today's neoliberal socio-economic order. In parallel, settings where humor has been used as an instrument to cope with suffered cruelty, whether natural or human in origin, are also retrieved and discussed. These also vary greatly and encompass domains such as hospital wards, 20th-century Jewish ghettos, and contemporary funeral homes. A set of concluding reflections is then offered on the psychological, theological, ethical, and metaphysical roots of humor—and its cruel rejection. Like Aristotle and Dewey, Arnarsson and Baruchello do not define their terms at the outset, but instead they relentlessly pursue the meanings of two ordinary words

that everyone vaguely understads to arrive at a critical insight into the concepts these words represent, which are both disparate and interrelated. - Richard Marc Rubin, President, George Santayana Society

jokes about leeds united: *Funny Cuts* Gordon Phillip Hood, 1890

jokes about leeds united: Representing the Holocaust Sue Vice, 2003 Focusing upon central issues in Holocaust studies this collection of essays by British scholars charts British concerns surrounding the Holocaust. It also honours the academic Bryan Burns and the work he carried out on the Holocaust.

jokes about leeds united: *Humour in Society* George E Paton, Chris Powell, 1988-04-18

jokes about leeds united: *We'll Get 'Em in Sequins* Max Davidson, 2012-03-01 A truly unique and fascinating look at the changing nature of masculinity and manliness, told through the lens of a series of Yorkshire County Cricket Club player portraits through the ages. George Hirst was a man of his time. His apocryphal quotation We'll get 'em in singlesepitomises his no-fuss approach to all matters, and his distate for excess or ostentation. His stiff upper lip was a requisite part of his Edwardian manliness. Fast forward a century or so to Darren Gough's besequinned victory on Strictly Come Dancing or to Michael Vaughan's final teary press conference, and the different versions of what it means to be masculine are worlds apart. It is one of the oldest cliches in sports writing to say that sport mirrors life. And yet, in this instance, the world of Yorkshire cricket has so faithfully mirrored the outside world that the cliché is unavoidable. Yorkshire, sobrest of counties, has given us some remarkable characters over the years - Len Hutton, Geoffrey Boycott, and Fred Trueman to name just a few. Through portraits of these and other Yorkshire players, and the values that they shared with their contemporaries, this wonderfully original book maps the contours of a sexual revolution whose tremors are still being felt today.

jokes about leeds united: *The Crack- A- Joke Book* , 1978

jokes about leeds united: *Rangers FC - We Don't Do Walking Away* Lisa Gray, Robert Jeffrey, 2013-06-12 When the Scottish Football League chairmen voted on the future of Rangers Newco in July 2012, most fans didn't really expect that they would be dumped into Division Three. Many thought that hard-headed commercial realities would mean demotion to the First Division at worst. But when the decision was announced, the club had no option but to start a new football journey in the bottom tier of Scottish football. In *Rangers FC - The Only Way Is Up*, Lisa Gray captures the humour, the emotion and, of course, the football as the club sets out for an incredible season, visiting pastures new at Peterhead, Annan and Berwick amongst others. This is the inside story of both the team and the supporters as they adjusted to life in the Third Division - new players, new opposition and, of course, new pies. It has been an extraordinary season and this colourful account is a lasting memento of a unique season which will never be repeated.

jokes about leeds united: *Diaries Volume Three* Alastair Campbell, 2011-07-07 POWER AND RESPONSIBILITY is the third volume of Alastair Campbell's unique daily account of life at the centre of the Blair government. It begins amid conflict in Kosovo, and ends on September 11, 2001, a day which immediately wrote itself into the history books, changing the course of both the Bush presidency and the Blair premiership. In this volume, we see that New Labour's honeymoon is well and truly over. In addition to detailing the continuing tensions at the top, here we find graphic accounts of a variety of domestic crises: foot-and-mouth disease and protests over fuel prices which almost brought Britain to a halt. Volume Three includes Peter Mandelson's second resignation, the agonies of the Millennium Dome, and the most unexpected slow-handclapping in memory, when the Women's Institute turned against Tony Blair. Yet despite all the problems - not least the most accident-prone manifesto launch in history, complete with deputy prime minister John Prescott punching a voter - Labour won a second successive landslide election victory. That triumph is intimately recorded here, alongside the high points of this period, such as devolution to Northern Ireland and the fall of Milosevic.

jokes about leeds united: Kicked into Touch Fred Eyre, 2012-01-20 Fred Eyre's sporting life began full of promise when he became Manchester City's first-ever apprentice. He never made their

first team. In fact, he seldom made anyone's first team. Injuries played a part but limited talent was a greater curse. As he plummeted down the leagues, he had something few footballers possess: a stud-sharp memory and an ability to write humorously about the sport he loves. Kicked into Touch has become an enigma - selling more than a million copies yet still retaining cult status within the sport and among fans. This new version has been completely revised, extended and updated, with a set of photographs included. Fred Eyre's book is set to reach a new generation of football fans looking for an antidote to the glib reportage of a sport lost to show business.

jokes about leeds united: Inclusive Masculinities in Contemporary Football Rory Magrath, 2016-10-04 Football has traditionally been an institution hostile toward sexual minorities. Boys and men in the sport have deployed high levels of homophobia for multiple reasons. However, the ground-breaking research within this book shows that intolerant attitudes toward gay men are increasingly being challenged. Based on unprecedented access to Premier League academies, *Inclusive Masculinities in Contemporary Football: Men in the Beautiful Game* explores these changing attitudes toward homophobia in football today. Revealing a range of masculine identities never before empirically measured at this level of football, this book discusses the implications for the complex and enclosed structures of professional sport, and extends our understanding of contemporary masculinity. It also offers fresh insights to the importance of banter in the development of relationships and identities. This culture of banter often plays a paradoxical role, both facilitating and disrupting friendships formed between male footballers. As the first title in the Routledge Critical Studies of Men and Masculinities Series, this book is fascinating reading for all students and scholars interested in football and the study of gender, sexuality and the sociology of sport.

jokes about leeds united: What We Think About When We Think About Football Simon Critchley, 2017-11-02 What do we think about when we think about football? Football is about so many things: memory, history, place, social class, gender (especially masculinity, but increasingly femininity too), family identity, tribal identity, national identity, the nature of groups. It is essentially collaborative, even socialist, yet it exists in a sump of greed, corruption, capitalism and autocracy. Philosopher Simon Critchley attempts to make sense of it all, and to establish a system of aesthetics - even poetics - to show what is beautiful in the beautiful game. He explores, too, how the experience of watching football opens a particular dimension in time; how its magic wards off oblivion; how its dramas play out national identity and non-identity; how we spectators, watching football with tragic pensiveness, participate in the play. And of course, as a football fan, he writes about his heroes and villains: about Zidane and Cruyff, Clough and Revie, Shankly and Klopp.
