A man who was part of the team which lifted Bolton's last major domestic trophy - the FA Cup - after a 2-0 triumph over Manchester United. roy of the rovers annual: *We'll Get 'Em in Sequins* Max Davidson, 2012-03-01 A truly unique and fascinating look at the changing nature of masculinity and manliness, told through the lens of a series of Yorkshire County Cricket Club player portraits through the ages. George Hirst was a man of his time. His apocryphal quotation 'We'll get 'em in single' epitomises his no-fuss approach to all matters, and his distaste for excess or ostentation. His stiff upper lip was a requisite part of his Edwardian manliness. Fast forward a century or so to Darren Gough's besequinned victory on Strictly Come Dancing or to Michael Vaughan's final teary press conference, and the different versions of what it means to be masculine are worlds apart. It is one of the oldest clichés in sports writing to say that sport mirrors life. And yet, in this instance, the world of Yorkshire cricket has so faithfully mirrored the outside world that the cliché is unavoidable. Yorkshire, sobriest of counties, has given us some remarkable characters over the years - Len Hutton, Geoffrey Boycott, and Fred Trueman to name just a few. Through portraits of these and other Yorkshire players, and the values that they shared with their contemporaries, this wonderfully original book maps the contours of a sexual revolution whose tremors are still being felt today.

This is from nine-year-old Sebastian, suffering from leukaemia in the local

hospital, who writes a heartbreaking letter addressed to 'Mister Teacher'. Jack tries to help, and so begins a journey through the seasons of Yorkshire life in which the school is the natural centre of the community. There's a colourful cast of characters who accompany Jack through the ups and downs of the school year including Vera, the school secretary who worships Margaret Thatcher and whose greatest ambition is to become President of the Women's Institute; Ruby, the 20-stone caretaker who sings like Julie Andrews; and Dorothy, the coffee shop assistant who is desperate to be Wonder Woman. Most of all, there is the lovely Beth Henderson, a teacher from a nearby school, who with her sister Laura presents Jack with an unexpected dilemma ... roy of the rovers annual: The Collected Novels Volume Two Patrick Gale, 2018-08-14 Two family novels from an international bestselling British writer with heart, soul, and a dark and a naughty wit (*The Observer*). Armistead Maupin says of Patrick Gale: Few writers have grasped the twisted dynamics of family the way Gale has. There's really no one he can't inhabit, understand, and forgive. In both novels presented in this collection, Gale explores the complex dynamics of family with dead-on observation and generous compassion. *A Sweet Obscurity*: Dido, a nine-year-old orphan, lives with her aunt Eliza, who adopted the girl after her mother died. A depressed musicologist unable to balance her brilliant academic career with motherhood, Eliza ruined her marriage with an affair. Her estranged husband, Giles, is an opera singer whose girlfriend, Julia, uncovers a shocking secret while concealing one of her own. As Dido shuttles between Eliza's squalid flat and Giles's elegant townhouse, she acts as both tactful diplomat and insightful analyst to the adults who act like children. Until something happens that powerfully impacts her young life. This is arguably Gale's most questioning, troublesome work. It amuses, startles and occasionally bewilders. *A Sweet Obscurity* is worth every minute of your time. — *The Independent* *The Cat Sanctuary*: Deborah Curtis's husband, a diplomat in an African principality, was killed by a car bomb, and months later she is still recovering from the assassination. Her estranged sister Judith, an author who lives with her American lover, Joanna, in Cornwall, insists Deborah come to her farmhouse to grieve in peace. But unresolved wounds between the sisters bleed into the present, and a history of abuse comes to light. Forced to confront painful memories, the women's secrets and lies collide in a shattering climax. A dark tale of loss, sex and mistrust . . . A sensitive, thoughtful novel with a conclusion that is both unsettling and consistent. — *Time Out London*

Many have since become beloved icons of British internet culture, such as 'The chestburster scene from *Alien* portrayed by famous TV puppets' and the infamous 'Tory Squat Party'. *Of Mouse and Man* is the very best of Jim's first five years of work alongside never-before-seen material and unique insights into his creative process.

roy of the rovers annual: *A Sweet Obscurity* Patrick Gale, 2016-05-31 A nine-year-old English girl must look after the dysfunctional adults in her life in this novel from the bestselling British author of *Notes from an Exhibition* *Everyone needs Dido*. All the adults in her life—grown-ups who

act like children—depend on her for their happiness and stability. The nine-year-old orphan lives with her aunt Eliza, who adopted Dido when her mother died. A depressed musicologist unable to balance her brilliant academic career with motherhood, Eliza ruined her marriage with an illicit affair and is now paying the price. Her estranged husband, Giles, is an opera singer whose girlfriend, Julia, uncovers a shocking secret while concealing one of her own. As Dido shuttles between Eliza's squalid flat and Giles's elegant townhouse, she acts as both tactful diplomat and insightful analyst. Until something happens that powerfully impacts her young life. Narrated from the alternating viewpoints of Eliza, Giles, Julia, and Pearce, a Cornish cattle farmer who falls in love with Eliza, *A Sweet Obscurity* plays out like one of the Tudor madrigals at its heart: Each character is a counterpoint to another. And the theme running through their intersecting lives is Dido, who is supposed to save them all. But who will save Dido?

roy of the rovers annual: In the Nick of Time - The Autobiography of John Altman, EastEnders' Nick Cotton John Altman, 2016-06-30 From the moment he exploded onto our screens in 1985 as 'Nasty' Nick Cotton, uttering the infamous phrase 'Alright, Ma?' John Altman changed the face of TV villains for good. As one of the show's original cast members, he is much admired for his role as the leather-jacketed, chain-smoking son of Dot Cotton in the long-running BBC soap, *EastEnders*, a role that spanned thirty years. Since appearing in the very first episode, he has been at the heart of the show, his character central to many famous storylines, to the extent that he was also given his own spin-off episode, *The Return of Nick Cotton*, in 2000. But there is far more to John's story than Nick Cotton. This searingly honest autobiography traces the colourful childhood of a desperately shy and art-loving boy growing up in a loving household where he was encouraged to follow his dreams. But there was always something pulling him to test the boundaries - as a teenager he managed to get himself arrested on suspicion of drug possession on the way back from a gap year in India, and the experimentation didn't stop there. Yet for all the tales of acting in film, theatre and television, and the people he has known and worked with, there was once a darker side to John's story. For it was the descent into alcoholism that was to test him the most. It cost him his marriage and almost his sanity, even while his own battle with his demons allowed him to shape Nick Cotton into one of the most memorable soap characters of our times. Now, for the first time, John tells it as it is, in his own inspiring words: the highs and the desperate lows and how, finally, he conquered his addiction for good.
