Compelling and astonishing.—Kristen Arnett, author of *Mostly Dead Things* Unfolding over the course of nine days, and written with enormous heart, *All My Mother's Lovers* is a meditation on the universality and particularity of family ties, grief, and generational divides, as well as a tender and biting portrait of sex, gender, and identity. After Maggie Krause's mother dies suddenly in a car crash, Maggie finds five sealed envelopes with her will, each addressed to a mysterious man she's never heard of. Maggie and her mother, Iris, weren't close, especially since Maggie came out, but she never thought they would run out of time to figure each other out. Now in her late twenties, Maggie is finally in something resembling a serious relationship, wondering if some of whatever shaped her parents' decades-long love story might exist after all. Overwhelmed by her grief and frustrated with her family, Maggie decides to escape the shiva and hand-deliver her mother's letters. The ensuing road trip takes her over miles of California highways, through strangers' recollections of a second, hidden life (that seems almost impossible to reconcile with the Iris she knew), and a journey through her own fears as she navigates her new relationship. As she fills in the details of Iris's story, Maggie must confront the possibility that almost everything she knew about her mother — her marriage, her lukewarm relationship to Judaism, her disapproval of her daughter's queerness — is more meaningful than she ever allowed herself to imagine.

all my mother s lovers: Showing of Love Julian (of Norwich), 2003 In *Showing of Love*, Julia Bolton Holloway provides a complete translation of Julian of Norwich's ground-breaking text, opening windows of insight into her medieval world. As a female mystic and theologian who was uniquely recognized (in a time when most women were not) for her holiness, Julian of Norwich also came to be known as a catechist, prophet, and spiritual director. *Showing of Love* records her own healing encounter with divine love and has for many centuries been a source of healing and inspiration for others. Readers of Julian's work find her belief that God sits in our soul as a fair city to be of profound value. That city is every city, Mary its queen, Christ its king. Julian offers these layers in rich text and variant readings. Julian dedicated years of her life to shaping *Showing of Love*, at the end rewriting it to preserve it from censorship. The anchoress lived in St. Julian's churchyard in Norwich. Her text was saved from destruction by nuns in Brigittine and Benedictine convents, first in England, then in exile after the Reformation. Julian's writings were later published by the Benedictines in 1670. They reveal her strong links with Benedict that continue to have lasting value for readers today. Includes two-color ink on inside pages. Julia Bolton Holloway, PhD, is a vowed hermit living in Florence, Italy. She has published seventeen other works on important historical figures.
