New Zealand's octogenarian matchmaker is at work, with Holly Parker and Ford Komeke in the cross-hairs. One kiss forces them out of the friendzone, but the ugliness in Ford's past holds his heart hostage. Playing for fun or playing for keeps? Holly and Ford must decide because the consequences of falling in love means that someone's heart or someone's dream will ultimately end up shattered. *Drawing Me In* (Book #7) A nine-year-old secret he never saw coming... Bree Findlow's ordered life just got complicated. Harley, the man who once broke her heart has moved back to Stewart Island, and her sister arrives with a boy with Harley's eyes and artistic talent. With Harley's dark past, he never wanted to risk a family. But what choice does he have when Bree won't see reason? Fight hard, fight dirty. Fight to win. *Kissing The Bride* (Book #7.5) The countdown is on to the Wedding of the Year, New Zealand! It's seven days until Shaye Harland and Del Westlake finally tie the knot—and it'll be the most awesomesauce wedding Stewart Island has ever seen if Shaye has anything to do with it. Her *All Things Nuptial* journal has the big day planned to perfection, but not everything runs like clockwork. While marrying the man of her dreams beats chocolate as an Easter treat, a few mini-catastrophes like Boris the obstinate sea lion threaten to ruin their special day. *Saying I Do* (Book #8) Marriage and happily-ever-after are for suckers... Joe Whelan was fooled once on the way to the altar, and the Irish doctor isn't about to be an eejit over a woman again. MacKenna Jones loves a good wedding—so long as she's sewing the bride's gown, not walking down the aisle herself. When the stakes are so high, will these two gun-shy cynics ever say I Do? *Home For Christmas* (Book #9) They're dreaming of a White Christmas... Carly Gatlin can't wait to take her fiancé to Colorado for a snuggly snow-filled Christmas, only a freakish summer storm sweeps in disabling everyone's plans. Still, with holiday surprises in store and even a secret admirer for Stewart Island's elderly notorious matchmaker, the happy couples of Oban might not mind being home for Christmas after all. *Bending The Rules* (Book #10) The first rule of falling in love is... There are no rules. Cop Noah Daniels doesn't believe in unicorns or true love, not since his life went to hell six years ago. Emotions are easier to handle when they're out of sight, out of mind. But when script writer Tilly Montgomery crash-lands into his world on Stewart Island for a month, she might just be the one to convince him that unicorns and true love do exist. If they're prepared to bend the rules a bit.

angelina jolie look alike: Gaddafi's Harem Annick Cojean, 2018-09-01 This international bestseller is a horrifying inside look at the lives of Libyan women under the Gaddafi regime . . . Powerful and compelling (Booklist, starred review). Soraya was just fifteen, a schoolgirl in the coastal town of Sirte, when she was given the honor of presenting a bouquet of flowers to Colonel Gaddafi, the Guide, on a visit he was making to her school the following week. This one meeting—a presentation of flowers, a pat on the head from Gaddafi—changed Soraya's life forever. Soon afterwards, she was summoned to Bab al-Azizia, Gaddafi's palatial compound near Tripoli, where she joined a number of young women who were violently abused, raped, and degraded by Gaddafi. Heart-wrenchingly tragic but ultimately redemptive, Soraya's story is the first one of many that are just now beginning to be heard. But sex and rape remain the highest taboo in Libya, and women like Soraya (whose identity is protected by a pseudonym here) risk being disowned or even killed by their dishonored family members. In *Gaddafi's Harem*, an instant bestseller on publication in France, *Le Monde* special correspondent Annick Cojean gives a voice to Soraya's story, and supplements her investigation into Gaddafi's abuses of power through interviews with people who knew Soraya, as well as with other women who were abused by Gaddafi. A moving and disturbing wake-up call to the personal costs of totalitarianism. — Publishers Weekly
