The recipes—gleaned from years spent researching recipes in Italy and perfecting them in America—have a variety of base doughs of different hydration levels, which allow home cooks to achieve the same results with a regular kitchen oven as they would with a professional pizza oven. The book covers popular standards like Margherita and Carbonara while also featuring unexpected toppings such as mussels and truffles—and even a dessert pizza made with Nutella. With transporting imagery from Italy and hardworking step-by-step photos to demystify the process, Mastering Pizza will help you make pizza as delicious as you find in Italy.

Not only is it loaded with 115-plus mix-and-match recipes, but everything about it is fun, goofy and bloody delicious—just like the beloved pizza, pasta and natty wine joint. Buy this for the ones who like to moonlight as a pizzaiolo.—EnRoute magazine Salad Pizza Wine will help you win friends and influence people ... one of the year's most fun and colorful cookbooks.—Vice A bright, bold and modern Italian cookbook packed with 115+ delicious mix-and-match recipes, plus a few goofs and some thoughts on creating a fuller life for yourself and the people around you. A different kind of cookbook, from a different kind of restaurant. The team behind the award-winning Montreal pizza joint Elena presents Salad Pizza Wine, delivering recipes for all of life's good things, with fresh, delicious and easy-to-recreate takes on modern Italian dishes, including: Elena's famous pizza If you could eat pizza every day and feel great, would you believe it? From heavy-hitters to off-menu pies, the secret to a pizza-filled life is in Elena's naturally leavened dough. Salads + Vegetables Like people, this book contains multitudes; you can stuff your face with pizza on the daily and take pleasure in eating vegetables with the seasons. Pasta Learn how to make two super versatile doughs and their multiple variations, and impress your loved ones with an all-star roster of favorite pastas. Meat + Fish Take your pick from weeknight-friendly recipes, dishes to save for special occasions and one once-in-a-lifetime adventure: the gargantuan Timpano, inspired by the classic film Big Night. Hoagies Who doesn't love sandwiches? Portable and easy to share with a friend, hoagies are also perfect for wrapping up all your tasty leftovers. Desserts End every meal on a high note with a series of serious sweet treats for beginners and advanced bakers alike. Go-Tos Lay the foundation for your home-cooking adventure with basic recipes that deliver big flavor, from crunchy toasted breadcrumbs and multi-purpose sauces to simple pickles and homemade cheeses. More than a collection of recipes, Salad Pizza Wine shares Elena's passion for natural wines too—the wine part of Salad Pizza Wine—as well as their goofs and thoughts on living a fuller life. The authors—Janice, Stephanie, Ryan, Marley—were part of Elena's opening team who came together, burnt out from years in the restaurant industry and ready to start afresh. Their answer was to create a restaurant that was also a healthy working environment (gasp). At Elena, it's all about making the most of a good thing—and the same goes for this book. Whether it's planning a dinner (salad, pizza, wine? pizza, pasta, dessert? salad, meat, hoagie?), or letting go of stuff that no longer serves you, Salad Pizza Wine encourages you to choose your own adventure—both in the kitchen and in life. Written in a self-deprecating, tongue-in-cheek style, this is a cookbook you'll really want to cook from, as well as to read. Because what's better than cooking beautiful food, being kind to those around us and laughing as we all try to figure it out?
