book a walk to remember: From Dream to Action Tatiana Valério, Ana Clara S. Bastos, Luca Tateo, 2021-01-01 The ubiquitous presence of imaginative work points at its importance among the higher mental functions. This collective volume discusses both the social relevance of imagination, that cannot be reduced to an inter-individual feature, and the cultural-historical conditions of imagining. The authors develop different theoretical and empirical works in which imagining, planning, anticipating, remembering and acting are put in relation with crucial moments of human existence, as early as birth and even after death. The proposal of this volume emerged during a "kitchen seminar" session at the III International Seminar of Cultural Psychology in Salvador da Bahia (Brazil, 2017). The debate revolved around the imaginative capability of human beings and the possibilities to investigate this phenomenon in a new key. The awareness that an innovative theoretical and empirical contribution was needed to the understanding of imaginative phenomena in everyday life led to the proposal of the book *From Dream to Action: Imagination and (Im)Possible Futures*. The book aims to talk to different audiences: psychologists, sociologists, artists, teachers and healthcare professionals, addressing a variety of life experiences - such as imagining alternative futures when facing a terminal illness, an adoption, a transplant waiting list, or the choice to give up your musical instrument - mobilize multiple dimensions of human psyche, from the basic emotions to the more sophisticated higher mental functions. The constant effort is to understand the psychological and sociocultural dynamics of each event, and to contribute to the understanding of human imagining in the area of semiotic-cultural psychology, dialoguing with contributions from all the human and social sciences.

book a walk to remember: A Day with a Perfect Stranger David Gregory, 2008-05-20 What if a fascinating stranger knew you better than you know yourself? When her husband comes home with a farfetched story about eating dinner with someone he believes to be Jesus, Mattie Cominsky thinks this may signal the end of her shaky marriage. Convinced that Nick is, at best, turning into a religious nut, the self-described agnostic hopes that a quick business trip will give her time to think things through. On board the plane, Mattie strikes up a conversation with a fellow passenger. When she discovers their shared scorn for religion, she confides her frustration over her husband's recent conversion. The stranger suggests that perhaps her husband isn't seeking religion but true spiritual connection, an idea that prompts her to reflect on her own search for fulfillment. As their conversation turns to issues of spiritual longing and deeper questions about the nature of God, Mattie finds herself increasingly drawn to this insightful stranger. But when the discussion unexpectedly turns personal, touching on things she's never told anyone, Mattie is startled and disturbed. Who is this man who seems to peer straight into her soul?

book a walk to remember: Walk through the Bible with Me: A Practical Devotion Michael Slaughter, 2016-11-04 I have heard many people say, I read my Bible but I just don't get anything out of it. So, I decided to share my Bible journal with my church in the hope that they would read through the Bible with me. In the process, I shared a lot of life and admittedly plenty of funny stories about my life and experiences. I had to include them because I didn't want this to be purely an academic exercise. I wanted it to be a practical devotion that touches real life. While they were reading through with me, many of them told me that I needed to get it published. That's why it's sitting on the shelves today. There are plenty of ways to read through the Bible. I started out reading cover to cover for years. From there I moved to a Chronological Bible plan. Then one day, a pastor friend of mine gave me a Life Journal. It takes you through the Old Testament once and the New Testament twice throughout the year. I like this plan because every day, you get some of the New Testament. Even if you don't decide to read this plan or my book; please choose to read through the Bible some way. God's Word in your life is what I pray for you.
