

catching the big fish book

Catching the Big Fish Book

The phrase "Catching the Big Fish" conjures images of grand pursuits, whether in the realm of entrepreneurship, personal development, or creative endeavors. The book titled *Catching the Big Fish: Meditation, Consciousness, and Creativity* by David Lynch offers profound insights into the nature of creativity, the importance of meditation, and the pursuit of one's highest potential. This article delves deep into the core concepts of the book, exploring how its teachings can transform one's approach to life and work, and how the metaphor of catching big fish encapsulates the journey of achieving extraordinary success through mindfulness and intuition.

Overview of Catching the Big Fish by David Lynch

The Central Premise of the Book

Catching the Big Fish revolves around the idea that creativity and success are akin to catching big fish—rare, valuable, and requiring patience, skill, and the right mindset. Lynch, a renowned filmmaker and artist, uses his personal experiences and spiritual insights to demonstrate how meditation and consciousness play pivotal roles in unlocking creative potential.

The Role of Meditation in Creativity

Lynch emphasizes that meditation is not just a relaxation tool but a vital practice that sharpens the mind, clears mental clutter, and fosters a deeper connection to one's subconscious. According to Lynch, the act of catching the big fish—symbolic of achieving significant creative insights—begins with quieting the mind and cultivating awareness.

The Metaphor of Catching the Big Fish

The metaphor serves as a guiding principle throughout the book. Big fish represent those rare, brilliant ideas or opportunities that stand out from the ordinary. The process of catching these fish involves patience, skill, intuition, and a calm, focused mind—qualities cultivated through meditation.

Key Themes Explored in the Book

The Power of Stillness and Silence

The Importance of Quieting the Mind

Lynch advocates for daily meditation as a means to access the subconscious

mind. Stillness allows creative ideas to surface, much like fish swimming freely in the depths of an undisturbed lake.

Practical Meditation Techniques

Lynch suggests simple practices such as:

- Sitting quietly for 20 minutes each day
- Focusing on the breath
- Observing thoughts without attachment

Connecting with the Subconscious Mind

The Creative Reservoir

Lynch posits that the subconscious is a vast reservoir of ideas, memories, and insights—an ocean where the big fish swim. By cultivating awareness through meditation, artists and creators can access this hidden wealth.

Trusting Intuition

He underscores the importance of trusting intuitive flashes, which often lead to breakthrough ideas or "big catches."

The Relationship Between Consciousness and Creativity

Awareness as a Creative Tool

Lynch emphasizes that heightened consciousness enhances perception, allowing individuals to notice details others overlook. This heightened awareness can lead to innovative ideas and extraordinary achievements.

Overcoming Creative Blocks

Many creative blocks stem from mental noise and doubt. Through meditation and mindfulness, one can clear these obstacles and remain receptive to inspiration.

Practical Advice from Catching the Big Fish

Cultivating a Daily Meditation Practice

1. Set aside dedicated time each day
2. Find a quiet space
3. Use guided meditations or silent sitting
4. Be patient and persistent

Developing Patience and Persistence

- Recognize that catching the big fish takes time
- Avoid rushing or forcing ideas
- Trust the process and remain open

Creating the Right Environment for Creativity

- Reduce distractions
- Keep a journal of insights and dreams
- Engage in activities that foster inspiration

Applying the Principles of Catching the Big Fish in Life and Work

In Creative Professions

- Use meditation to clear mental clutter before brainstorming
- Trust intuitive ideas that seem to come from nowhere
- Practice patience in developing long-term projects

In Business and Entrepreneurship

- Cultivate mindfulness to make clearer decisions
- Recognize opportunities that others may overlook
- Maintain calmness during stressful situations

Personal Growth and Self-Discovery

- Develop a regular meditation routine
- Reflect on personal goals and aspirations
- Embrace uncertainty as part of the journey

The Impact of Catching the Big Fish on Its Readers

Inspiration and Motivation

Many readers find Lynch's insights inspiring, encouraging them to pursue their passions with patience and mindfulness.

Practical Transformation

The book's techniques can lead to tangible improvements in creativity, clarity, and emotional well-being.

Cultivating a Creative Mindset

Adopting the principles helps foster resilience, openness, and a sense of adventure in the pursuit of meaningful goals.

Critical Perspectives and Limitations

The Spiritual Emphasis

Some critics argue that the spiritual tone may not resonate with everyone and that the practical applications might require adaptation.

Accessibility for Different Audiences

While Lynch's approach is profound, it may seem abstract for those seeking concrete, step-by-step instructions.

The Balance Between Action and Stillness

The book advocates for stillness, but some may find it challenging to balance meditation with active pursuits.

Conclusion: Embracing the Journey of Catching the Big Fish

Catch the Big Fish by David Lynch offers a compelling metaphor for achieving greatness in any domain. By emphasizing the importance of meditation, mindfulness, and trusting intuition, Lynch guides readers toward a deeper understanding of their creative potential. The journey of catching the big fish is not solely about the end goal but about cultivating a mindset of patience, awareness, and openness to the unexpected. Whether you are an artist, entrepreneur, or someone seeking personal growth, the principles outlined in the book serve as a valuable roadmap for navigating the depths of your subconscious and reeling in those rare, transformative ideas that can change your life.

In essence, catching the big fish requires quiet patience, a calm mind, and a willingness to explore the unknown. As Lynch suggests, the most extraordinary opportunities often come when we least expect them—and through meditation and conscious awareness, we create the space for those opportunities to surface. Embracing this philosophy can lead to a richer, more fulfilling creative journey, filled with moments of insight, inspiration, and achievement that are truly worth the wait.

Frequently Asked Questions

What is the main message of 'Catching the Big Fish' by David Lynch?

The book emphasizes the importance of nurturing creativity through patience,

meditation, and cultivating a deep connection to one's subconscious, using the metaphor of catching big fish as a symbol of achieving extraordinary ideas.

How does 'Catching the Big Fish' relate to meditation and mindfulness?

David Lynch advocates for daily meditation as a way to access deeper levels of consciousness, which in turn enhances creative thinking and intuition, crucial themes explored throughout the book.

What are some practical tips from 'Catching the Big Fish' for aspiring creatives?

The book suggests practicing regular meditation, being patient with the creative process, staying open to inspiration from unexpected sources, and trusting your subconscious to generate ideas.

How has 'Catching the Big Fish' influenced creative professionals?

Many artists, writers, and filmmakers credit the book for inspiring them to adopt meditation and mindfulness practices, helping them access new creative insights and overcome creative blocks.

Is 'Catching the Big Fish' suitable for beginners in meditation or creativity?

Yes, the book is accessible and offers insights that can benefit both beginners and experienced practitioners by emphasizing the importance of patience, mindfulness, and staying receptive to inspiration.

What unique perspective does David Lynch bring in 'Catching the Big Fish' compared to other creativity books?

Lynch combines his personal experiences as a filmmaker with spiritual and meditative practices, offering a holistic approach that links inner peace with external artistic achievement.

Can 'Catching the Big Fish' help with overcoming creative blocks?

Absolutely. The book encourages practices like meditation and trusting your subconscious, which can help clear mental clutter and unlock new ideas when facing creative obstacles.

Additional Resources

Catching the Big Fish is a compelling book that delves into the intricacies of creativity, inspiration, and the subconscious mind. Written by renowned filmmaker David Lynch, this work offers readers a unique glimpse into the mind of a visionary artist and provides valuable insights into harnessing creativity in various aspects of life. As a blend of memoir, philosophy, and practical advice, Catching the Big Fish has resonated with artists, writers, musicians, and anyone interested in understanding the creative process on a deeper level. In this review, we will explore the core themes, key takeaways, strengths, and potential drawbacks of this influential book.

Overview of the Book

Catching the Big Fish was published in 2006 and quickly gained recognition for its distinctive approach to discussing creativity. Unlike typical self-help or artistic guides, Lynch's book is deeply personal, drawing from his own experiences, dreams, and meditative practices. The central metaphor of "catching the big fish" symbolizes the pursuit of profound creative ideas that often emerge from the subconscious mind. Lynch emphasizes the importance of patience, focus, and meditation in unlocking these ideas and translating them into tangible work.

The book is relatively short but densely packed with insights, anecdotes, and reflections. Its tone is contemplative and poetic, inviting readers to think differently about their relationship with creativity, fear, and inspiration. Lynch's writing style is accessible yet poetic, making complex ideas approachable for a wide audience.

Main Themes and Topics

1. The Power of the Subconscious Mind

A central theme in Catching the Big Fish is the significance of the subconscious in the creative process. Lynch posits that many of our best ideas come from a deep, often hidden part of our mind that requires quietness and patience to access.

- Key points:
- Creativity is akin to fishing; patience is essential.
- The subconscious offers "big fish" – profound ideas – if one learns to

listen.

- Meditation is a crucial tool for quieting the conscious mind and reaching the subconscious.

2. The Role of Meditation and Mindfulness

Lynch advocates for regular meditation as a means to clear mental clutter and foster creativity. He shares his personal meditation practices and underscores their importance in maintaining mental clarity and access to inspiration.

- Features:
- Simple, practical meditation techniques.
- Emphasis on daily practice.
- Meditation as a way to cultivate patience and openness.

3. The Creative Process and Discipline

Lynch explores how disciplined work habits and routines can help nurture creativity. He emphasizes that inspiration alone is insufficient; consistent effort is vital.

- Key ideas:
- Dedication and perseverance over fleeting inspiration.
- Embracing the process, including failures and setbacks.
- Creating a conducive environment for creative work.

4. Overcoming Fear and Self-Doubt

Many artists and creators encounter fears of failure or inadequacy. Lynch discusses strategies for overcoming these obstacles and staying true to one's vision.

- Insights:
- Fear often stems from the ego or the desire for approval.
- Acceptance of imperfection is part of the creative journey.
- Staying connected to one's passion helps push through doubts.

Strengths of the Book

1. Personal and Authentic Voice

Lynch's writing is deeply personal, offering authentic insights rooted in his own experiences. This authenticity makes the book resonate on a human level, inspiring readers to explore their own subconscious.

2. Practical Guidance with a Philosophical Touch

While philosophical, the book offers tangible practices like meditation routines, making it accessible for those looking to implement changes in their creative lives.

3. Universal Relevance

The themes of patience, discipline, and listening to one's inner voice are applicable across various disciplines and life pursuits, enhancing the book's broad appeal.

4. Beautifully Written

Lynch's poetic language and reflective tone elevate the reading experience, making it not just informative but also inspiring and calming.

Potential Drawbacks or Criticisms

1. Lack of Concrete Steps for Beginners

Some readers seeking step-by-step guidance on developing creativity may find the book somewhat abstract or philosophical without detailed exercises.

2. Heavy Emphasis on Meditation

While meditation is a powerful tool, the book's emphasis on it may not resonate with everyone, especially those skeptical about its benefits or unfamiliar with meditation practices.

3. Limited Scope for Practical Application

Due to its introspective nature, some readers might desire more practical advice on specific creative projects or industry insights.

Key Takeaways and Lessons

- Patience is crucial: Creativity often requires waiting for the right moment or idea.
- Quiet the mind: Meditation and mindfulness help access deeper parts of the subconscious.
- Discipline over inspiration: Consistent work and routines are more reliable than waiting for inspiration.
- Embrace failure: Mistakes and setbacks are natural parts of the creative journey.
- Stay true to your passion: Authenticity and love for your craft sustain motivation and originality.

Who Should Read "Catching the Big Fish"

This book is ideal for:

- Artists, writers, musicians, and creatives seeking inspiration.
- Anyone interested in mindfulness, meditation, or personal growth.
- Individuals wanting to deepen their understanding of the subconscious mind.
- Readers looking for a philosophical yet practical approach to creativity.

It may be less suited for those seeking detailed technical advice or step-by-step project guides.

Conclusion

Catching the Big Fish stands out as a thoughtful, poetic exploration of creativity and the subconscious. David Lynch's unique perspective combines his artistic journey with spiritual practices, offering readers valuable lessons on patience, discipline, and listening to their inner voice. While the book's abstract nature and focus on meditation may not appeal to everyone, its core message resonates universally: unlocking profound ideas requires quiet, patience, and trust in the creative process.

Overall, Catching the Big Fish is more than just a guide for artists; it's a philosophical invitation to approach life with mindfulness, curiosity, and openness to inspiration. Whether you're an experienced creator or someone seeking to find your own creative voice, this book provides a calming and insightful roadmap to catching your own "big fish" – the profound ideas and insights that lie within us all.

catching the big fish book: *Catching the Big Fish* David Lynch, 2007-12-27 In this unexpected delight,* filmmaker David Lynch describes his personal methods of capturing and working with ideas, and the immense creative benefits he has experienced from the practice of meditation. Now in a beautiful paperback edition, David Lynch's *Catching the Big Fish* provides a rare window into the internationally acclaimed filmmaker's methods as an artist, his personal working style, and the immense creative benefits he has experienced from the practice of meditation. *Catching the Big Fish* comes as a revelation to the legion of fans who have longed to better understand Lynch's personal vision. And it is equally compelling to those who wonder how they can nurture their own creativity. *Catching Ideas* Ideas are like fish. If you want to catch little fish, you can stay in the shallow water. But if you want to catch the big fish, you've got to go deeper. Down deep, the fish are more powerful and more pure. They're huge and abstract. And they're very beautiful. I look for a certain kind of fish that is important to me, one that can translate to cinema. But there are all kinds of fish swimming down there. There are fish for business, fish for sports. There are fish for everything. Everything, anything that is a thing, comes up from the deepest level. Modern physics calls that level the Unified Field. The more your consciousness-your awareness-is expanded, the deeper you go toward this source, and the bigger the fish you can catch. --from *Catching the Big Fish*

catching the big fish book: *Catching the Big Fish* David Lynch, 2016-09-06 Visionary filmmaker, musician, and actor David Lynch's bestselling reflection on meditation and creativity—featuring interviews with Paul McCartney and Ringo Starr David Lynch's *Catching the Big Fish* has been celebrated for being “as close as Lynch will ever come to an interior shot of his famously weird mind” (Rocky Mountain News). In this 10th anniversary edition, Lynch dives deeper into the creative process and the benefits of Transcendental Meditation with the addition of his exclusive q-and-a interviews with Paul McCartney and Ringo Starr. The musicians open up to Lynch about their artistry, history, and the benefits they have experienced, artistically and personally, from their decades-long practice of Transcendental Meditation—a technique that they and their fellow Beatles helped popularize in the 1960s. *Catching the Big Fish* is a revelation for all want to understand Lynch's personal vision. And it is equally compelling for any who wonder how they can nurture their own creativity.

catching the big fish book: *Catch Big Fish Pursuing Destiny and Purpose* Adrian Wiggins, 2012-05-29 Big fish is a metaphor for things you are destined to become or do in life. By showing the reader that by looking inward, the outer world and universe responds to what is on a person's inside. Life is full of challenges, defeats and triumphs. This book takes the reader on a journey to catch their heart's hopes and dreams.

catching the big fish book: *Catching Big Fish* Bob Rich, 2025-09-09 A high-stakes fishing memoir, *Catching Big Fish* follows Bob Rich's quest to become the first angler to conquer the legendary Met Tournament Hall of Fame challenge—landing ten elusive gamefish while navigating the deeper waters of legacy, ethics, and adventure. What drives a man to chase ten legendary fish across sun-drenched waters and storm-tossed seas? For Bob Rich, the answer was simple: the thrill of the hunt, the love of the ocean, and a once-in-a-lifetime shot at the Hall of Fame. In *Catching Big Fish: An Angler's Challenge*, Rich takes readers on an unforgettable journey through the wild heart of South Florida's iconic Metropolitan Fishing Tournament—the oldest and largest in the state. From leaping sailfish to elusive tarpon, Rich battles not only fish but weather, time, and his own convictions about sport, conservation, and legacy. With each chapter honoring a different species, this memoir captures the grit, humor, and awe of one man's quest to land ten specific gamefish under a variety of tackle rules—a feat no angler had ever accomplished. Alongside his trusted guide Rusty, Rich reels in more than just fish. He uncovers a deeper connection to nature, the enduring bonds of friendship, and a personal transformation that will resonate with every reader who's ever cast a line or chased a dream. Full of colorful characters, high-stakes fishing, and introspective

moments, *Catching Big Fish* is a compelling tribute to the joys of the outdoors and the spirit of perseverance. Whether you're an avid angler or just love a good adventure, this book is your invitation to dive in.

catching the big fish book: *All the Words* Kristen Tate, 2020-02-10 If you read one book about writing every week for a year, what would you learn? Thanks to the self-publishing revolution and events like National Novel Writing Month, the genre of writing craft books has exploded in recent years. Book editor Kristen Tate set out to read and review one writing advice book each week for a year, from classics like E. M. Forster's *Aspects of the Novel* and Anne Lamott's *Bird by Bird* to newer works like Jane Alison's *Meander, Spiral, Explode* and Jessica Brody's *Save the Cat! Writes a Novel*. What she discovered was a dizzying array of approaches to writing: plotters who know even the smallest details about characters before they write a word; pantsers who blithely dive right into a draft without a plan; anti-adverb crusaders and advocates for complex sentences; and, always, that the best way to learn is to read the kinds of books you want to write. *All the Words* is also a meditation on the challenges and pleasures of starting and sustaining a weekly practice of reading, thinking, and writing. It's an optimistic, encouraging book that will motivate you to keep reading and, most importantly, keep writing.

catching the big fish book: Angler's Mail Guide: Catch Bigger Coarse Fish Andy Little, Roy Westwood, 2013-12-31 Andy Little, the top all-rounder in UK coarse fishing, shares the secrets of his success catching major freshwater species in this eagerly awaited guide. It is the most authoritative big fish book published for many years and rates as essential reading for anglers of all ages and levels of ability. Every coarse angler will gain valuable insights into the tackle, baits and techniques needed to achieve personal bests from their local waters. There has never been a better time to hunt big fish in British waters as many species have ballooned in size in rivers and lakes accessible to all. This guide cuts through the complexities of the sport to provide positive short cuts to success. It offers detailed coverage of all major coarse species including roach, bream, pike, tench, crucians, barbel, chub, rudd, perch and dace, and carp. Illustrated with striking colour photographs from Anglers' Mail photographer Roy Westwood, this is the most up-to-date manual of its kind for one of the country's most popular sports and adds up to the best ever companion for any ambitious angler.

catching the big fish book: Fly Fishing for Trophy Striped Bass John L. Field, 2024-06-18 Striped bass, or simply "stripers," are a premier saltwater sportfish that can grow to over 50 pounds and swim in giant schools that will churn the surface of the water to a froth as they feed on baitfish, creating heart-pumping, fast-paced fly fishing. Originally native to coastal Atlantic States and eastern Canada, they have also been introduced to the Pacific as well as many inland reservoirs and the rivers that flow into them, making stripers arguably the most accessible and popular saltwater species in North America. In this comprehensive guide, author John L. Field describes their behavior, foods they eat, the best flies and methods to imitate those foods, and where today's angler stands the best chance of catching a trophy fish. Top guides, creative fly tiers, and marine biologists contribute their experience and expertise to this book.

catching the big fish book: Summary of David Lynch's Catching the Big Fish Everest Media, 2022-07-25T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had zero interest in meditation when I first heard about it. It sounded like a waste of time. But the phrase true happiness lies within intrigued me, and I began to think that meditation might be a way to go within.

catching the big fish book: Big Bluff Jeff Holtmeier, 2009-03-30 Dad takes an unplanned detour during a family vacation to Winnipeg. He is lured by the Canadian lakes he fished as a young boy with his stepfather Cal and Uncle Joe. The rediscovery renews a dogged pursuit of the rare and elusive, freshwater monster -- the muskie. With single-minded fixation, three generations of Hawkins men (and an assortment of neighborhood kids) escape from civilization to focus annual fishing

adventures on capturing a world-record muskie. Motivated by the enthusiasm of his young sons Z and Buck, Hawkins embarks on fishing expeditions to Big Bluff, the special lake of his youth. Grandpa Cal is invited to join the party and remains the grumpy skeptic based on past fishing experiences: You knuckleheads couldn't land a big one if it jumped in your pants. But for Hawkins and eldest son Z, no storm is too fierce, no forest too mosquito infested, and no boat motor too undependable to derail their dream. Comical predicaments and sometimes dangerous circumstances pepper the long hours and special moments the men share fishing on the intricate system of beautiful lakes that connect to Big Bluff. Early morning trips to the camp outhouse and greasy, dirty-dish-producing breakfasts prepared by Grandpa Cal fuel many extended days on the sacred water. Beyond fantastic speculations of giant fish and murderers, descriptions of fishing reel the reader into the ebb and flow of each day's adventures. Roscoe, the boisterous, quirky camp owner, and muskie mentor Jasper, are just two of the colorful characters who inhabit the wilderness setting where the Hawkins men establish their tradition. Through a dense haze of evening mosquitoes and whisky breath, Roscoe tantalizes the boys with tales of ji-uhnd muskies as big as his laig. Roscoe reveals treasured "secriid" directions to a hidden muskie promise land that will require navigating cluttered creeks, pushing heavy boats over multiple beaver dams, and a boatless portage through the forest. Years pass and normal life ensnares each of the men. Hawkins sees his fragile marriage with wife Abbey erode, watches his boys grow into men, and witnesses the unforgiving aging process claim vitality from his mother, Cal, and Uncle Joe. A strong desire to fully understand the people closest to him gives rise to a personal philosophy for Hawkins that probes and questions normally accepted truths. Respect grows for his strong-willed mother, and Hawkins learns to cherish every occasion spent with Cal, Uncle Joe, and the boys. His marriage eventually ends and forces a difficult transition to a new life away from Z and Buck. But Hawkins gratefully learns that setbacks are not permanent. He discovers love for a spirited woman who often challenges his simple-minded male values. Can she accept the baffling worldview of this family of fanatical fishing nuts?

catching the big fish book: Bucketmouth Ken Morrow, 2014-08-22 Want to catch bigger bass on the fly? In Bucketmouth, well-known fly-fishing author and coach, Ken Morrow, will teach you how he lands several bass over ten pounds every year.

catching the big fish book: An Incredible Life Ray Johnson, 2023-09-14 About the Book Ray Johnson has shocked the world and single-handedly turned it upside down like a number eight earthquake on the Richter scale. He is indisputably the best in the world ... A living legend, a hero. Undeniably, truly extraordinary. A most colorful, world-famous celebrity personality. About the Author Ray Johnson has escaped death numerous times. He has lost several children, wives, and a fiancé. His U.S. citizenship was revoked illegally and he was sent to prison unjustly. Johnson has been called the best in the history of the world by National Magazines and North America's Greatest Angler by the Hall of Fame.

catching the big fish book: *Exploring Wisconsin Trout Streams* Stephen M. Born, Steve Born, Jeff Mayers, Andy Morton, Bill Sonzogni, 2014-05-31 A profile of twenty of Wisconsin's finest streams. The authors share their fishing experiences, offering detailed maps and descriptions of the stream's location and natural setting, and conservation history.

catching the big fish book: *Dan Beard's Animal Book and Camp-fire Stories* Daniel Carter Beard, 1907 A book of animals...made up of the Author's personal notes and sketches made in the fields and forest for his own amusement as well as a few short camp-fire stories and legends.--p. i.

catching the big fish book: ... *The American Boys' Book of Birds and Brownies of the Woods* Daniel Carter Beard, 1910

catching the big fish book: *Larry Larsen on Bass Tactics* Larry Larsen, 1992-12 Photographer-writer Hugh Irvin Power, under the auspices of the Parks and Wildlife Department, has photographed virtually every foot of the battleship, both before and after restoration. The resulting book is a thorough walking tour as well as a lively history of the ship. His photographs and accompanying descriptions of Texas appear here in the definitive guide to this amazing relic of

old-style sea power.

catching the big fish book: Up Against it Martin James, 1994 An autobiography of Martin James. He recounts how, in spite of suffering from multiple sclerosis, he has pursued his lifelong passion for fishing and other outdoor activities. This is a book of adventures which takes us from a frozen Fenland marsh to the Amazonian jungle.

catching the big fish book: The Brown Book for Boys Herbert Strang, 1921 A collection of short stories for boys.

catching the big fish book: *Catching Big Fish on Light Fly Tackle* Tom Wendelburg, 2001 Tom Wendelburg lives to fish. A prolific outdoor writer and photographer, a respected and innovative flytier, a keen observer of fish habitat and behavior, a versatile and passionate fisherman--Wendelburg is all of these. He is one of the most-published writers on fishing, with bylines in such magazines as *Fly Fisherman*, but this is his first book. *Catching Big Fish on Light Fly Tackle* is a book to be savored and re-read, for it distills decades of fly-fishing knowledge. It includes Wendelburg's philosophy of using light tackle, his insights on surface and underwater tactics, discussions of his favorite fish (trout, bass, bluegills, salmon, and steelhead) and of his favorite flies, including much-admired fly patterns that he developed (Wendelburg's Hare's Ear Scud and his no-hackle hairwing dry fly). Wendelburg is a consummate fisherman and a first-rate teacher, and his enthusiasm is infectious.
