Edward Abbey Monkey Wrench Gang: A Deep Dive into the Revolutionary Novel and Its Impact

The **Edward Abbey Monkey Wrench Gang** is more than just a novel; it is a rallying cry for environmental activism, a critique of modern industrial society, and a literary masterpiece that continues to inspire generations. Published in 1975, the book captures the essence of environmental rebellion through compelling characters, riveting plotlines, and a powerful message about conservation and resistance. This article explores the origins, themes, characters, and the lasting influence of Edward Abbey's seminal work, shedding light on why it remains relevant today.

Introduction to Edward Abbey and the Monkey Wrench Gang

Who Was Edward Abbey?

Edward Abbey (1927–1989) was an American author, essayist, and environmentalist known for his advocacy of wilderness preservation and his critique of industrial development. His writings often blend humor, philosophy, and activism, making complex issues accessible and engaging.

Overview of the Monkey Wrench Gang

The *Monkey Wrench Gang* is a semi-fictional novel that dramatizes the activities of a group of environmental radicals. The story follows four main characters—Sandy, Doc, George, and Bonnie—who band together to fight against the destruction of the American Southwest's natural landscapes. Their methods include sabotage, civil disobedience, and guerrilla tactics, inspired by real-life environmental activism.

The Themes and Messages of the Monkey Wrench Gang

Environmental Preservation and Conservation

At its core, the novel advocates for the preservation of wild lands, emphasizing the intrinsic value of nature. Abbey critiques the relentless expansion of industrialization and its consequences on ecosystems, wildlife,

and human well-being.

Resistance and Rebellion

The characters embody a spirit of rebellion against authority, corporate greed, and governmental policies that prioritize profit over ecology. Their actions challenge the status quo and question the legitimacy of destructive development projects.

Anti-Consumerism and Industrial Society

Abbey's narrative criticizes consumer culture, mass tourism, and the commodification of natural resources. The novel urges readers to reconsider their relationship with nature and the impact of their choices.

The Power of Individual Action

The novel emphasizes that individual and collective actions can create meaningful change, inspiring readers to consider how they can contribute to environmental causes.

Characters of the Monkey Wrench Gang

Sandy McGrew

A former environmentalist turned activist, Sandy is pragmatic and deeply committed to protecting wilderness areas. His expertise in mechanics and engineering makes him a vital member of the gang.

Doc Sarvis

A self-described "retired" veterinarian and philosopher, Doc provides moral guidance and philosophical insights. He is driven by a love for nature and a disdain for industrial destruction.

George Washington Hayduke III

A rugged, rebellious character inspired by the real-life eco-activist Hayduke. He is fiery, impulsive, and passionate about fighting ecological destruction through direct action.

Bonnie Abbzug

A strong-willed, resourceful woman who joins the gang to fight for the environment. She brings a sense of compassion and strategic thinking to their operations.

Major Plot Points and Actions in the Novel

The Formation of the Gang

The story begins with the characters meeting in Arizona, united by their shared desire to combat the destruction of the Southwest's wilderness.

Sabotage and Guerrilla Tactics

The gang undertakes various actions, such as:

- Pipe bombing construction sites
- Destroying equipment used in dam projects
- Sabotaging logging operations
- Disabling machinery to halt development

The Ethical Dilemmas

Throughout the novel, characters grapple with questions about the morality of their actions, weighing environmental goals against potential harm or legal consequences.

The Influence and Legacy of the Monkey Wrench Gang

Inspiration for Real-Life Environmental Activism

The novel is often credited with inspiring the Earth First! movement of the 1980s, which adopted similar tactics to oppose logging, mining, and construction projects threatening wilderness areas.

Controversies and Criticisms

While celebrated for its passionate advocacy, the book has also faced criticism:

- For promoting illegal activities
- For its radical approach to environmental activism

- For its portrayal of violence as a means of protest

Literary Significance

Abbey's vivid storytelling, memorable characters, and provocative themes have cemented the Monkey Wrench Gang as a classic in environmental literature.

The Cultural Impact of the Monkey Wrench Gang

In Popular Media

The novel has influenced movies, documentaries, and art, often serving as a symbol of resistance against environmental degradation.

In Conservation Movements

Many environmental groups reference the Monkey Wrench Gang as a source of inspiration and rallying cry for activism.

In Environmental Ethics and Philosophy

The book prompts ongoing debates about the morality of sabotage, civil disobedience, and the ethics of activism.

Modern Relevance of the Monkey Wrench Gang

Environmental Challenges Today

Climate change, deforestation, pollution, and habitat loss make Abbey's call to action as urgent today as it was in the 1970s.

Lessons for Contemporary Activists

The novel encourages:

- Strategic planning
- Ethical considerations
- The importance of community and solidarity
- Creativity in resistance

Digital Age and Environmental Protest

While tactics have evolved with technology, the core principles of activism inspired by Abbey's work remain pertinent.

How to Engage with the Spirit of the Monkey Wrench Gang

Educate Yourself

Learn about environmental issues, local conservation efforts, and the history of activism.

Participate in Local Initiatives

Join community cleanups, advocacy groups, or protests to make a tangible difference.

Practice Ethical Activism

Balance passion with legality, and consider non-violent methods of resistance.

Support Conservation Organizations

Donate or volunteer with groups dedicated to protecting natural landscapes.

Conclusion: The Enduring Legacy of Edward Abbey's Monkey Wrench Gang

The **Edward Abbey Monkey Wrench Gang** remains a powerful testament to the potential of individual and collective action in defense of the environment. Its compelling characters, provocative themes, and call to resistance continue to resonate in today's world, where environmental crises demand urgent attention. By inspiring activism, fostering critical thinking, and challenging complacency, Abbey's novel endures as a beacon for those committed to safeguarding the natural world for future generations. Whether as a literary work or a rallying cry, the Monkey Wrench Gang exemplifies the enduring power of rebellious spirit and environmental stewardship.

Frequently Asked Questions

Who is Edward Abbey and what is 'The Monkey Wrench Gang' about?

Edward Abbey was an American author and environmentalist known for his advocacy of wilderness preservation. 'The Monkey Wrench Gang' is a novel that depicts a group of eco-activists using sabotage to fight against industrial development and protect the American Southwest's natural landscapes.

What inspired Edward Abbey to write 'The Monkey Wrench Gang'?

Abbey was inspired by his deep love for the American wilderness and his frustration with environmental degradation and industrial expansion. The novel reflects his advocacy for direct action and civil disobedience to preserve nature.

Are the activities described in 'The Monkey Wrench Gang' based on real events?

The novel is a work of fiction, but it was inspired by real environmental activism and acts of sabotage carried out by eco-activists. Abbey's depiction emphasizes radical tactics for environmental preservation.

What impact did 'The Monkey Wrench Gang' have on environmental activism?

The novel became a cult classic among environmentalists and is credited with inspiring eco-sabotage and radical environmental activism, influencing groups like Earth First! and other direct action campaigns.

Who are the main characters in 'The Monkey Wrench Gang'?

The novel features four main characters: Doc Sarcard, Seldom Seen Smith, George Washington Hayduke, and Bonnie Abbzug, each with distinct backgrounds and motivations for fighting environmental destruction.

What is the significance of the title 'Monkey Wrench Gang'?

The title refers to the group's practice of using unconventional tools like monkey wrenches to sabotage machinery and infrastructure as a form of environmental activism.

Has 'The Monkey Wrench Gang' been adapted into other media?

As of now, there has been no official film or television adaptation of 'The Monkey Wrench Gang,' but the novel remains influential and frequently discussed within environmental and literary circles.

How does 'The Monkey Wrench Gang' reflect Edward Abbey's overall philosophy?

The novel embodies Abbey's ideals of individualism, resistance to authority, environmental stewardship, and the importance of fighting to preserve the wilderness at all costs.

Is 'The Monkey Wrench Gang' still relevant today?

Yes, the themes of environmental activism, resistance against industrialization, and conservation remain highly relevant, making the novel a pertinent read for contemporary environmental debates.

What are some criticisms of 'The Monkey Wrench Gang'?

Critics argue that the book promotes illegal and radical tactics that could be dangerous or unethical. Others believe it oversimplifies complex environmental issues and romanticizes sabotage.

Edward Abbey Monkey Wrench Gang: A Revolutionary Tale of Environmental Activism and Literary Legacy

The Edward Abbey Monkey Wrench Gang stands as a seminal work in American environmental literature and a catalyst for radical activism. Published in 1975, the novel has inspired generations of environmentalists, activists, and readers with its provocative narrative, vivid depiction of ecological conflict, and its call for direct action against industrial destruction. This article offers a comprehensive exploration of the novel's themes, its historical context, the life and influence of Edward Abbey, and the enduring legacy of the Monkey Wrench Gang movement.

Introduction to Edward Abbey and the Monkey

Wrench Gang

Who Was Edward Abbey?

Edward Abbey (1927–1989) was an American author, essayist, and environmentalist known for his outspoken advocacy for wilderness preservation and his critique of industrialization and modern society. His writings combine wit, philosophical depth, and a rebellious spirit, often challenging conventional notions of progress and conservation. Abbey's own experiences in the American Southwest, particularly his time spent in Utah and Arizona, deeply influenced his worldview and literary themes.

The Genesis of the Monkey Wrench Gang

The Monkey Wrench Gang was conceived as a radical, fictional response to the relentless exploitation of America's natural landscapes. Abbey wrote the novel in the early 1970s, a period marked by increased environmental awareness but also by intense industrial development and resource extraction. The story revolves around a group of four characters—George, Doc, Smitty, and Bonnie—who adopt sabotage and direct action tactics to thwart destructive projects like dam-building, logging, and urban sprawl.

The novel's title references "monkeywrenches," symbolizing tools of sabotage and disruption used by environmental activists to prevent ecological damage. Abbey's work blends adventure, satire, and political critique, positioning it as both a literary masterpiece and a manifesto for radical environmentalism.

Plot Overview and Main Characters

The Plot

Set in the American Southwest, the Monkey Wrench Gang narrates the exploits of four unconventional eco-activists who embark on a campaign of sabotage against the forces threatening the wilderness. Their targets include the construction of dams, clear-cutting forests, and urban expansion projects. Their methods are clandestine, often humorous, and morally ambiguous, emphasizing the urgency of defending the natural environment.

Throughout the novel, Abbey explores themes of resistance, ecological integrity, and the moral dilemmas associated with direct action. The

narrative interweaves detailed descriptions of the landscape, technical sabotage plans, and philosophical reflections on humanity's relationship with nature.

Main Characters

- George Hayduke: A Vietnam War veteran and a fiercely passionate environmental activist, known for his rugged individualism and fiery temper. He is the leader of the sabotage efforts, often employing makeshift tools and guerrilla tactics.
- Doc Sarvis: A retired veterinarian and philosopher who provides a scientific and ethical perspective on environmental issues. He is the voice of reason and moderation within the group.
- Smitty: A construction worker with a rebellious streak, skilled in engineering and demolition. His practical expertise is vital to the gang's operations.
- Bonnie Abbzug: A young woman and activist who embodies youthful idealism and determination. She adds a fresh perspective and symbolizes hope for future generations.

Together, these characters embody a spectrum of attitudes toward activism—ranging from militant to contemplative—and highlight the complexities of environmental resistance.

Thematic Analysis

Environmental Conservation and Wilderness Preservation

At its core, the Monkey Wrench Gang champions the intrinsic value of wilderness and the necessity of defending it from destructive human activities. Abbey's detailed descriptions of the landscapes—red rock canyons, river valleys, and forests—serve both as vivid imagery and moral arguments for preservation.

The novel critiques industrial development that disregards ecological balance, emphasizing that nature is not merely a resource but a vital part of human existence. Abbey's portrayal of the Southwest's rugged beauty underscores the importance of protecting these landscapes for future generations.

Radical Activism and Ethical Ambiguity

The novel's protagonists engage in sabotage, crossing moral boundaries in their fight against environmental destruction. Abbey presents their actions as morally justified resistance, prompting readers to consider the ethics of activism and whether ends justify means.

This raises questions about the legitimacy of direct action, civil disobedience, and the potential risks of radical tactics. Abbey seems to endorse a pragmatic realism, acknowledging that legal or peaceful protests may be insufficient to halt destructive projects.

Critique of Modern Society and Industrialization

Abbey's narrative critiques the mechanization and urbanization of America, portraying them as symbols of cultural decay and ecological harm. The novel laments the loss of wilderness and traditional ways of life, positioning the protagonists' sabotage as a form of rebellion against a corrupt system.

He also critiques consumerism, technological progress, and governmental complicity in environmental degradation, framing them as interconnected threats to ecological integrity.

Humor and Satire

Despite its serious themes, the Monkey Wrench Gang employs humor and satire to critique both environmental apathy and militant activism. Abbey's witty prose and exaggerated characters serve to entertain while provoking thought, making complex issues accessible and engaging.

Historical Context and Cultural Impact

The Environmental Movement of the 1970s

Published during a pivotal era for environmental activism—post-Environmental Protection Agency (EPA) establishment, the first Earth Day in 1970, and growing awareness of ecological crises—the novel captured the zeitgeist of ecological urgency.

The 1970s saw heightened protests against dam projects like the Echo Park Dam

in Utah and widespread opposition to deforestation and urban sprawl. Abbey's fictional sabotage mirrored some of the real tactics employed by groups like Earth First! and other radical environmental organizations.

Influence on Environmental Activism

The Monkey Wrench Gang became more than a novel; it became a symbol and rallying cry for eco-sabotage. Its influence is evident in the rise of groups advocating for more militant tactics to protect wilderness areas, often citing Abbey's work as an inspiration.

Though controversial, the book challenged the boundaries of activism, prompting debates about the morality and efficacy of sabotage versus peaceful protest.

Legacy in Literature and Popular Culture

Abbey's novel is widely regarded as a pioneering work of eco-fiction and a precursor to later environmentalist literature. It inspired films, documentaries, and a dedicated following among environmental advocates. The novel's characters and themes have been referenced in popular culture, from music to political discourse.

The term "Monkey Wrench Gang" has entered the lexicon as a symbol of eco-sabotage, underscoring the novel's enduring cultural resonance.

The Real-World Impact and Ethical Debates

Eco-Sabotage: Fact vs. Fiction

While Abbey's novel depicts sabotage as a heroic act of resistance, real-world environmental activism remains largely non-violent and legal. However, the book has sparked debates over the ethics of sabotage, with some arguing it's a necessary evil to combat environmental destruction, and others warning about the dangers of violence and illegal activities.

Notably, groups like Earth First! adopted some of the novel's rhetoric but generally avoided violent tactics, emphasizing civil disobedience and direct action without destruction.

Legal and Moral Considerations

Sabotage and eco-activism raise complex legal and moral questions:

- **Legality:** Sabotage is illegal and can endanger lives, but proponents argue it highlights urgent environmental issues that legal channels fail to address.
- **Morality:** Is causing damage to property justified if it prevents greater ecological harm? The novel prompts readers to grapple with this dilemma.
- **Effectiveness:** Does sabotage lead to meaningful change, or does it alienate public support? The debate continues among activists, policymakers, and scholars.

Current Relevance

Today, the themes of the Monkey Wrench Gang remain highly relevant amid climate change, habitat loss, and ongoing environmental crises. While radical tactics are less prominent, the novel's core message about protecting wilderness and questioning industrial progress resonates strongly with contemporary debates about sustainability and ecological justice.

Conclusion: The Enduring Legacy of the Monkey Wrench Gang

The Edward Abbey Monkey Wrench Gang endures as a provocative, thought-provoking work that challenges readers to reconsider their relationship with nature and the ethics of activism. Its vivid characters, compelling narrative, and unflinching critique of industrial society make it a landmark in environmental literature.

Whether viewed as inspiring activism, a satirical commentary, or a cautionary tale, the novel continues to influence environmental discourse and inspire those willing to take bold action to defend the earth. Abbey's vision of radical resistance—embodied in the metaphor of the monkey wrench—remains a powerful symbol of ecological defiance and the urgent need to preserve wilderness for future generations.

As environmental challenges grow more acute, the lessons of Abbey's work urge us to reflect on the moral boundaries of resistance, the importance of wilderness, and the power of storytelling to mobilize change. The Monkey Wrench Gang is not just a novel; it is a call to action rooted in reverence

for the natural world and a reminder that sometimes, disruption is necessary to bring about meaningful transformation.

Edward Abbey Monkey Wrench Gang

edward abbey monkey wrench gang: *The Monkey Wrench Gang* Edward Abbey, 1985 Four irate rebels join forces to wage war on the stripminers, clear-cutters, and the highway and dam and bridge builders who are turning their natural habitat into a wasteland. A new Introduction by historian Brinkley puts this enduring cult classic in perspective by placing it at the forefront of an important historical movement.

edward abbey monkey wrench gang: *The Monkey Wrench Gang* Edward Abbey, 2011-08-19 A motley crew of saboteurs wreaks havoc on the corporations destroying America's Western wilderness in this "wildly funny, infinitely wise" classic (The Houston Chronicle). When George Washington Hayduke III returns home from war in the jungles of Southeast Asia, he finds the unspoiled West he once knew has been transformed. The pristine lands and waterways are being strip mined, dammed up, and paved over by greedy government hacks and their corrupt corporate coconspirators. And the manic, beer-guzzling, rabidly antisocial ex-Green Beret isn't just getting mad. Hayduke plans to get even. Together with a radical feminist from the Bronx; a wealthy, billboard-torching libertarian MD; and a disgraced Mormon polygamist, Hayduke's ready to stick it to the Man in the most creative ways imaginable. By the time they're done, there won't be a bridge left standing, a dam unblown, or a bulldozer unmolested from Arizona to Utah. Edward Abbey's most popular novel, *The Monkey Wrench Gang* is an outrageous romp with ultra-serious undertones that is as relevant today as it was in the early days of the environmental movement. The author who Larry McMurtry (Lonesome Dove) once dubbed "The Thoreau of the American West" has written a true comedic classic with brains, heart, and soul that more than justifies the call from the Los Angeles Times Book Review that we should all "praise the earth for Edward Abbey!" "Mixes comedy and chaos with enough chase sequences to leave you hungering for more."—The San Francisco Chronicle

edward abbey monkey wrench gang: *Monkey Wrench Gang* Edward Abbey, 1976-11-01 And just what the hell are they planning next? The bridge, bedecked with bunting, steamers and Day-Glo banners, was ready. the throng prepared to unloose a cheer or two. Suddenly the center of the bridge rose up and broke in two along a jagged zigzag line. A sheet of red flame streamed skyward... This is their last stunt, Governor. We're on their tail, sir. We have a good idea who they are, how they operate, and what they're planning next.

Featured content includes commentary on major characters, 25 important quotes, essay topics, and key themes like Environmental Activism Versus Anarchy and Wilderness and the Ownership of Land.

edward abbey monkey wrench gang: The Best of Edward Abbey Edward Abbey, 2018-09-01 A mix of fiction and essays by the author described as the Thoreau of the American West (Larry McMurtry, The Washington Post). Edward Abbey himself compiled this volume representing some of his greatest work—including selections from such novels as The Monkey Wrench Gang, The Brave Cowboy, and Black Sun, as well as a number of expressive and acerbic essays. Renowned for inspiring modern environmentalists—though his interests ranged as widely as the landscapes he loved—Abbey offers an entertaining introduction to his writing, including excerpts from the autobiographical Desert Solitaire, in addition to his own sketches illustrating the text throughout.

edward abbey monkey wrench gang: Hayduke Lives! Edward Abbey, 2011-08-21 “Abbey’s latter-day Luddites, introduced in his novel The Monkey Wrench Gang, are back—and not a moment too soon” (The New York Times). George Washington Hayduke, ex-Green Beret, was last seen clinging to a rock face in the wilds of Utah as an armed posse hunted him down for his eco-radical crimes. Now he’s back, with a fiery need for vengeance . . . This sequel to Edward Abbey’s cult classic brings back the old gang of environmental warriors, as they battle a fundamentalist preacher intent on turning the Grand Canyon into a uranium mine—in “a fine novel, combative and comic, anarchistic and ultimately redemptive” (Albuquerque Journal). “I laughed out loud reading this book.” —Los Angeles Times Book Review

edward abbey monkey wrench gang: The Serpents of Paradise Edward Abbey, 1995 From boyhood in Home, Pennsylvania, to his death in Tucson, Arizona, in 1989, this book offers - in Abbey's own words - the world of an American original. Whether writing fact or fiction, Abbey was always an autobiographer. Each of the thirty-five selections presented here, arranged chronologically by date of incident (not of publication), demonstrates that Abbey was passionately, insistently his own man. As poet-farmer Wendell Berry puts it: He remains Edward Abbey, speaking as and for himself, fighting, literally, for dear life ... for the survival not only of nature, but of human nature, of culture, as only our heritage of works and hopes can define it. To speak for the voiceless was his mission. He was a virtuoso of the well-phrased thought in which style and content, symbol and meaning - each imbued with humor - come together to defy the powerful, reminding us always that preservation of wild nature is a key to a free spirit. And along with Emerson and Thoreau, Abbey, the uncompromising stylist, knew that the corruption of language follows the corruption of man. Language, Abbey wrote, seeks to transcend itself, 'to grasp the thing that has no name.'

edward abbey monkey wrench gang: NOVELS FOR STUDENTS CENGAGE LEARNING. GALE, 2016

edward abbey monkey wrench gang: Fire on the Mountain Edward Abbey, 2011-08-21 A New Mexico man faces off against the government in a battle over his land in this novel by the author of Desert Solitaire. After nine months away at school, Billy Vogelin Starr returns home to his beloved New Mexico—only to find his grandfather in a standoff with the US government, which wants to take his land and turn it into an extension of the White Sands Missile Range. Facing the

combined powers of the US county sheriff, the Department of the Interior, the Atomic Energy Commission, and the US Air Force, John Vogelin stands his ground—because to Vogelin, his land is his life. When backed into a corner, a tough old man like him will come out fighting . . . Fire on the Mountain is a suspenseful page-turner by “one of the very best writers to deal with the American West”—the acclaimed author of such classics as *The Monkey Wrench Gang* and the memoir *Desert Solitaire* (The Washington Post). “Abbey is a fresh breath from the farther reaches and canyons of the diminishing frontier.” —Houston Chronicle “The Thoreau of the American West.” —Larry McMurtry, Pulitzer Prize-winning author of *Lonesome Dove*

edward abbey monkey wrench gang: Guerrillas in Our Midst Todd W. Helmer, 2002

edward abbey monkey wrench gang: Abbey's Road Edward Abbey, 1991-01-30 “The natural world, as we call it, has already become remote, out of reach, mysterious, in the minds of urban and suburban Americans. They see the wilderness disappearing, slipping away, receding into an inaccessible past. But they are mistaken. That world can still be rescued... that is my main excuse for this book.”—Edward Abbey You are about to visit some of the most exciting places on earth. Not the sort of excitement that makes morning headlines or the nightly news. Instead it is the excitement that comes from experiencing the natural world as it always has been and should be, and seeing human beings living in tune with its subtlest rhythms. In Australian cattle country and in the primitive outback. On a desert island off Mexico and in the Sierra Madres. On the Rio Grande and in the great Southwest. On Lake Powell in Utah and in the living American desert. It is adventure. It is enlightenment. It is vintage Abbey. “I have been along a few of Mr. Abbey’s roads. He sees much more than I did. Indeed, reading him is often better than being there was.”—John Leonard, author of *Reading for My Life*

edward abbey monkey wrench gang: Monkey Wrench Gang Edward Abbey, 2000-07-01

edward abbey monkey wrench gang: *The ^AWrong Hands* Ann Larabee, 2015-06-15 The state's right to police such information has always hinged on whether the disseminators have legitimate First Amendment rights. Larabee ends with an analysis of the 1979 publication of instructions for making a nuclear weapon, which raises the ultimate question: should a society committed to free speech allow a manual for constructing such a weapon to disseminate freely? Both authoritative and eye-opening, *The Wrong Hands* will reshape our understanding of the history of radical violence and state repression in America.

edward abbey monkey wrench gang: The Cambridge Companion to the Twentieth-Century American Novel and Politics Bryan M. Santin, 2023-10-12 Surveying the relationship between American politics and the twentieth-century novel, this volume analyzes how political movements, ideas, and events shaped the American novel. It also shows how those political phenomena were shaped in turn by long-form prose fiction. The book is made up of three major sections. The first section considers philosophical ideologies and broad political movements that were both politically and literarily significant in the twentieth-century United States, including progressive liberalism, conservatism, socialism and communism, feminism, and Black liberation movements. The second section analyzes the evolving political valences of key popular genres and literary forms in the twentieth-century American novel, focusing on crime fiction, science fiction, postmodern metafiction and immigrant fiction. The third section examines ten diverse politically-minded novels that serve as exemplary case studies across the century. Combining detailed literary analysis with innovative political theory, this Companion provides a groundbreaking study of the politics of twentieth-century American fiction.

edward abbey monkey wrench gang: Black Sun Edward Abbey, 2014-10-07 From “the Thoreau of the American West,” a novel that chronicles a reckless romance in the wilderness

between an aging forester and a young woman (Larry McMurtry, Pulitzer Prize-winning author of *Lonesome Dove*). *Black Sun* is a bittersweet love story involving an iconoclastic forest ranger and a freckle-faced "American princess" half his age. Like Lady Chatterley's lover, he initiates her into the rites of sex and the stark, secret harmonies of his wilderness kingdom. She, in turn, awakens in him the pleasure of love. Then she mysteriously disappears, plunging him into desolation. *Black Sun* is a singular novel in Abbey's repertoire, a romantic story of a solitary man's passion for the outdoors and for a woman who is his wilderness muse. "Like most honest novels, *Black Sun* is partly autobiographical, mostly invention, and entirely true. The voice that speaks in this book is the passionate voice of the forest," Abbey writes, "the madness of desire, and the joy of love, and the anguish of final loss." Praise for Edward Abbey: "Abbey can attain a kind of glory in his writing. He takes scenes that have been well-traveled by other writers, and re-creates them as traditional American myths." —New York Times Book Review "One of the very best writers to deal with the American West." —Washington Post Book World "Abbey is a fresh breath from the farther reaches and canyons of the diminishing frontier." —Houston Chronicle
