if you don t know me: Dan Shanahan - If you don't know me, don't judge me Dan Shanahan, 2010-10-31 Dan Shanahan is a legend in modern hurling, a three-time All Star and winner of 'Player of the Year' in 2007. His time as an inter-county senior hurler coincided with the remarkable revival in Waterford's fortunes, which saw them win the Munster Final four times in the last decade. In this candid and revealing autobiography, Dan speaks about his love of the game, which grew out of an idyllic childhood in Lismore and his apprenticeship with the Lismore club. He first made his mark as a senior player with Waterford in 1998, under the management of Gerald McCarthy. But it was when Justin McCarthy took over as manager in 2002 that the Waterford team really began to shine, Dan sharing the glory with such outstanding players as Tony Browne, Eoin Kelly, John Mullane and Ken McGrath. Yet tensions between the players and manager built up in 2007/2008, culminating in a frustrated Dan famously refusing to shake Justin's hand in public. McCarthy resigned and was replaced by Davy Fitzgerald, who led Waterford to the 2008 All-Ireland Final. Dan's charisma and extraordinary goal-scoring ability earned him a place in Waterford hearts. His goal in extra time in the 2010 Munster Final against Cork proved what a vital player he remained, and was a fitting climax to a great career. He retired from inter-county hurling shortly after. A tattoo on Dan's arm reads: If you don't know me, don't judge me. It's a testament to Dan's determination to succeed in the face of adversity.

if you don t know me: Scum Valley Matthew Ellks, 2014-05-01 This book follows the local boardriding culture through a period of decadence and high times. It is the first book of a trilogy about the challenges that faced the subterranean surfing culture as it began losing its heritage to the yuppies who took advantage of negative gearing in the late 80s and started buying up Bondi. As property values and rates climbed, school enrollments fell and so started the decline of the working class folk of 'Scum Valley'. Us surfers used to call the beach 'Scum Valley' because of the old stink pipe at north that used to pump raw sewerage out into the ocean for us to surf in. We valued street credibility above all else and the community was very tight considering it's close location to such underworld locations as Kings Cross, Darlinghurst and the CBD in general. Being a city beach meant that a colourful cross-section of characters graced our town with the millions of other tourists and beach goers. The story has a David and Goliath twist to it as a rich kid waltzes into town and sets up a surf shop and begins winning friends and influencing people. A staunch local named Dan has a run in with him and so starts a feud that lasts for a decade (Span of the 3 books). Dan eventually opens his own shop and the fallout between rival surf shop clubs sends ripples through the beach. It divides opinions and sets a precedent for ongoing battles that are fought in the streets and in the water.
