"A heartfelt memoir and a suspenseful story" of a murdered mother (Gabourey Sidibe, Book of the Month Club). When Sarah Perry was twelve, she saw a partial eclipse; she took it as a good omen for her and her mother, Crystal. But that moment of darkness foreshadowed a much larger one: two days later, Crystal was murdered in their home in rural Maine. It took twelve years to find the killer. In that time, Sarah rebuilt her life amid abandonment, police interrogations, and the exacting toll of trauma. She dreamed of a trial, but when the day came, it brought no closure. It was not her mother's death she wanted to understand, but her life. She began her own investigation, one that drew her back to Maine, deep into the darkness of a small American town. "Pull[ing] the reader swiftly along on parallel tracks of mystery and elegy" in *After the Eclipse*, "Perry succeeds in restoring her mother's humanity and her own" (The New York Times Book Review). "Raw and perfect . . . *After the Eclipse* [has] an eerie, heartbreaking power that it shares with the very best of true crime." —Laura Miller, Slate "A gut punch . . . A heartbreaking yet hopeful testament to human resilience." —Samantha Irby, Marie Claire "With clear, powerful prose, Perry paints a portrait of unconventional motherhood while questioning society's handling of violence against women. Reminiscent of Maggie Nelson's *The Red Parts*, *After the Eclipse* tells the very human story at the center of a needless crime." —W Magazine

Where is the final resting place of the *Maravilla*, along with the gold, silver, and emeralds her hold contains? A Florida antique dealer, Ted Brewer, quite by accident finds a sketch with the necessary clues to the old ship's location. Unfortunately for him there is another who realizes Brewer is holding the key to a vast fortune, and is willing to brutalize and kill him for that information. Brewer, however, has insured the safety of his secret by sending half the sketch to his sister, Jennifer, and the remaining half to his old and trusted Marine Corps buddy, Jake Bottom. Jake, since his retirement from the Corps, has become an expatriated American, living on a houseboat in the Bahamas. His biggest problem, on any given day, is whether or not to leave his hammock and go sailing on his forty-one foot sloop, or just swing in his hammock out of the sun. Jake and Jennifer team up to solve the mystery of the two halves of the map and along with a reprobate friend of his, Mike Flynn, the three sail in search of riches. Cortez, a Columbian drug lord, has killed once for the sketch, and is not hesitant to do so again. With dogged determination, he hunts the three, as they attempt to keep him blind to their actions. No matter their precautions, Jennifer is nonetheless kidnapped by Cortez and taken prisoner aboard his luxurious yacht. Jake, who has become completely infatuated with his recent lady companion, and Flynn must somehow retrieve Jennifer, yet not lose their claim to the fortune awaiting them. The plan is complex. Using every bit of his sailing skills, and along with Flynn's expertise with demolitions, the two leap into the breach with little real chance of complete success. Dave Corbett grew up in the small, west coast, Florida town of Venice, where his love for

sailing and boats in general began. After graduation from the University of Florida, he joined the United States Marine Corps, which he retired from as a full colonel in 1991. During his twenty-eight years of flying fighter jets, he commanded five organizations including a Harrier squadron, a Support Group, and a Marine Air Ground Task Force. Upon his retirement, in 1990, he lived his dream aboard a 41-foot sloop, sailing the winter months in the Bahama Islands for thirteen years. Corbett now resides, with his wife Donna, in Backus, MN during the summer and Lake Placid, FL when the snow flies up north.

It is a complex story based on research into the lives of the sex workers obtained from a study conducted over 12 months in the bars and nightclubs of the Kenyan coast. Fortunes are made and lost, but the tragedy is that the success of the few in achieving their dreams becomes a false promise for the majority who seek to emulate the success of the few. peggy take me out: Glory for Me MacKinlay Kantor, MACKINLAY KANTOR Pulitzer Prize-winning author of Andersonville GLORY FOR ME A Novel in Verse By MacKinlay Kantor BASIS FOR THE MOVIE THE BEST YEARS OF OUR LIVES It is seldom in time of war that an author, no matter how emotionally aware of what it all means, can write a book which expresses the feeling that motivates fighting men. Why did it happen this way, why is it ending this way— what are we

now that it is done with, now that we are home? Indeed, are we home, or are we in a boarding-house of confusion and wretchedly defeated purposes and understandings? MacKinlay Kantor is one of America's best-known novelists. It might be said that if any author could write that book Kantor would be the one for the job, but it takes more than mere professional writing skill to achieve such a major accomplishment. It takes awareness born of action and danger and keenly felt knowledge. Such knowledge MacKinlay Kantor has found, and in his novel of war and its men, *Glory for Me*, he has wholly expressed it. Well above the draft age, and physically unacceptable to the armed forces, Kantor intensely felt the need to join his younger fellows in some way; in some way he had to be a part of the danger, the horror, the glory of this war. He found his opportunity as a war correspondent. As such, based in England, he flew in combat with the U. S. Air Forces and the R.A.F. over enemy territory into flak and fire. As such he learned to know the fighting men whose constant companion, friend and fellow-in-war he was for many months. For the equivalent of a leave Kantor came back to the United States, and what filled his mind and his heart and his thoughts had to find expression in a book, which is *Glory for Me*. *Glory for Me* is a simple novel—about three service men, honorably discharged for medical causes, who return home to the same town where in peacetime they had not known one another. Now they know one another, and through them we know them and their town and our country and war and peace and man. *Glory for Me* is a national epic, told in language of the common man, in language of the poet: told as only an American could tell it.
