INSTANT NEW YORK TIMES BESTSELLER From the author of the international blockbuster, *THE PSYCHOLOGY OF MONEY*, a powerful new tool to unlock one of life's most challenging puzzles. Every investment plan under the sun is, at best, an informed speculation of what may happen in the future, based on a systematic extrapolation from the known past. *Same as Ever* reverses the process, inviting us to identify the many things that never, ever change. same as ever a guide to what never changes: *A Neighborhood That Never Changes* Japonica Brown-Saracino, 2010-01-15 Newcomers to older neighborhoods are usually perceived as destructive, tearing down everything that made the place special and attractive. But as *A Neighborhood That Never Changes* demonstrates, many gentrifiers seek to preserve the authentic local flavor of their new homes, rather than ruthlessly remake them. Drawing on ethnographic research in four distinct communities—the Chicago neighborhoods of Andersonville and Argyle and the New England towns of Provincetown and Dresden—Japonica Brown-Saracino paints a colorful portrait of how residents new and old, from wealthy gay homeowners to Portuguese fishermen, think about gentrification. The new breed of gentrifiers, Brown-Saracino finds, exhibits an acute

self-consciousness about their role in the process and works to minimize gentrification's risks for certain longtime residents. In an era of rapid change, they cherish the unique and fragile, whether a dilapidated house, a two-hundred-year-old landscape, or the presence of people deeply rooted in the place they live. Contesting many long-standing assumptions about gentrification, Brown-Saracino's absorbing study reveals the unexpected ways beliefs about authenticity, place, and change play out in the social, political, and economic lives of very different neighborhoods.

Overwhelmed by sadness, she feels abandoned by God, questions his goodness, and wonders how she will move forward in life while in such deep pain. Ashley Opliger, founder of Bridget's Cradles, wrestled with these same things when her daughter, Bridget, was born into heaven at twenty-four weeks. Amid her anguish, she found faith in God to not only heal her heart, but to change her life--and the lives of others. Here she creates a safe place for grieving moms to cry, ask why, and bring their sadness, anger, bitterness, loneliness, shame, and hopelessness to one who can hold it all--Jesus. She gently guides heartbroken moms on a journey to trust him to heal their hearts, restore their joy, and use their grief for good. But most importantly, she reminds them that no matter where they are on their grief journey, God promises to give them a hope-filled future, both on earth and in heaven with their babies for all of eternity.
