

a high wind in jamaica richard hughes

a high wind in jamaica richard hughes is a compelling novel that captures the tumultuous atmosphere of the Caribbean island through vivid storytelling and rich characterization. Written by Richard Hughes, this literary work immerses readers in a narrative that explores themes of nature's power, human resilience, and societal change. Set against the backdrop of Jamaica's vibrant landscape, the novel delves into how a high wind—symbolizing both literal and metaphorical upheaval—can dramatically alter lives and communities. For enthusiasts of Caribbean literature or readers seeking a compelling story about the forces of nature and human endurance, *a high wind in jamaica richard hughes* offers an engaging and thought-provoking experience.

Overview of "A High Wind in Jamaica" by Richard Hughes

Background and Context

Originally published in 1929, "A High Wind in Jamaica" is a classic novel by Richard Hughes that blends adventure, mystery, and social commentary. Hughes was an acclaimed British author known for his vivid storytelling and keen observations of human nature. Though the title references Jamaica, the novel's themes extend beyond the Caribbean setting, exploring universal questions about innocence, morality, and the impact of external forces on individuals.

The story is set during a period of political unrest and societal change in Jamaica, where a high wind—both a literal hurricane and a metaphorical symbol—serves as a pivotal plot device. The novel's narrative weaves together the lives of a group of characters, including a young girl named Emily, her family, and various island inhabitants, illustrating how they are affected by the impending storm and the social upheaval accompanying it.

Summary of the Plot

The novel begins with the idyllic life of Emily and her family on their plantation in Jamaica. As the story progresses, a powerful hurricane approaches, bringing with it destruction and chaos. The high wind becomes a catalyst for change, forcing characters to confront their fears, challenge societal norms, and reevaluate their values.

Throughout the novel, Hughes employs the high wind not just as a natural disaster but as a symbol of inevitable change—whether political, personal, or societal. The storm's destruction reveals underlying tensions, exposes human vulnerabilities, and prompts characters to make difficult choices that shape their futures.

Themes Explored in the Novel

Nature's Power and Human Vulnerability

One of the central themes of *a high wind in jamaica richard hughes* is the overwhelming power of nature. Hughes vividly describes the hurricane's fury, emphasizing how natural forces can dismantle human constructs and reveal the fragility of civilization. The high wind serves as a reminder of nature's dominance and humanity's limited control over the environment.

Innocence and Experience

The novel explores the tension between innocence and experience, particularly through Emily's perspective. As a young girl, Emily's innocence is challenged by the chaos of the storm and the social upheaval it engenders. Hughes portrays her journey from naivety to a more nuanced understanding of the world around her.

Socio-Political Change

Set during a period of political unrest, the novel uses the high wind as a metaphor for societal upheaval. Hughes examines issues of colonialism, class divisions, and emerging independence movements in Jamaica. The storm symbolizes the forces of change that threaten to dismantle the existing social order.

Resilience and Human Spirit

Despite the destruction wrought by the hurricane, the novel emphasizes themes of resilience and hope. Characters demonstrate strength in the face of adversity, and the narrative suggests that through hardship, growth and renewal are possible.

Symbolism of the High Wind in Jamaica

The Hurricane as a Metaphor

The high wind in Jamaica is more than a weather phenomenon; it is a powerful metaphor for change—both personal and societal. Hughes uses the hurricane to symbolize inevitable upheaval, illustrating how natural disasters often mirror human struggles and transformations.

Impact on Characters

The storm's destructive force acts as a catalyst that reveals characters' true natures. Some

characters emerge stronger, while others succumb under pressure. The high wind's symbolism underscores the idea that adversity can lead to growth and self-discovery.

Environmental Symbolism

Beyond human themes, the high wind also emphasizes environmental themes, highlighting Jamaica's vulnerability to natural disasters. Hughes pays homage to the island's lush landscape while acknowledging its susceptibility to hurricanes, which shape the island's history and culture.

Literary Significance and Critical Reception

Influence and Legacy

Since its publication, "A High Wind in Jamaica" has been regarded as a significant work in Caribbean and British literature. Hughes's masterful storytelling and vivid descriptions have made the novel a classic, inspiring adaptations and scholarly analysis.

Critical Perspectives

Critics have praised Hughes for his nuanced portrayal of Caribbean life and his ability to interweave themes of nature, society, and human resilience. Some interpret the high wind as a reflection of the tumultuous political landscape of the 20th century, while others focus on its symbolic richness.

Relevance Today

The novel's themes remain pertinent in contemporary discussions about climate change, natural disasters, and societal upheaval. The depiction of a high wind in Jamaica resonates with current concerns about hurricanes and environmental vulnerability in the Caribbean.

Why Read "A High Wind in Jamaica" Today?

Understanding Caribbean Culture and History

The novel provides readers with insights into Jamaica's cultural landscape, colonial history, and societal dynamics. It offers a window into the island's resilience and the complexities of its social fabric.

Exploring Universal Themes

Beyond its Caribbean setting, the book explores universal themes such as the human condition, the impact of natural disasters, and the capacity for renewal after upheaval. These themes make it a compelling read for audiences worldwide.

Enhancing Literary Appreciation

Richard Hughes's lyrical prose and masterful narrative structure make the novel an excellent study for those interested in literary techniques, symbolism, and storytelling craft.

Conclusion: The Enduring Power of the High Wind

a high wind in jamaica richard hughes stands as a testament to the power of literature to capture the tumult of natural and human worlds. Hughes's evocative storytelling, combined with profound thematic explorations, ensures that the novel continues to resonate with readers today. Whether viewed as a metaphor for societal change, an environmental warning, or a story of resilience, the high wind in Jamaica remains an enduring symbol of life's unpredictable and transformative forces. For anyone interested in Caribbean literature, natural disasters, or human resilience, this novel offers a compelling journey into the heart of chaos and the possibility of renewal.

Frequently Asked Questions

What is the main theme of 'A High Wind in Jamaica' by Richard Hughes?

The novel explores themes of childhood innocence, the loss of innocence, and the unsettling effects of war on young lives.

How does Richard Hughes depict the impact of war in 'A High Wind in Jamaica'?

Hughes portrays war as a disruptive force that shatters the innocence of children and introduces chaos and danger into their lives.

What are the central characters in 'A High Wind in Jamaica'?

A High Wind in Jamaica Richard Hughes: An In-Depth Exploration of a Classic Novella

Introduction: The Power of a High Wind in Jamaica

In the realm of mid-20th-century English literature, Richard Hughes's novella, *A High Wind in Jamaica*, stands as a compelling exploration of innocence, loss, and the unpredictable forces of nature and human psychology. First published in 1929, the story masterfully intertwines the idyllic Caribbean setting with dark, complex themes that challenge conventional notions of childhood and maturity. This article aims to dissect the novel's thematic richness, narrative techniques, character development, and its enduring significance in literary history.

Background and Historical Context

Richard Hughes: A Brief Biography

Richard Hughes (1900–1976) was a British novelist and critic renowned for his keen observations of human nature and his mastery of narrative form. His works often delve into societal issues, personal morality, and the unpredictable facets of life. *A High Wind in Jamaica* is considered his most celebrated work, showcasing his ability to combine vivid storytelling with profound psychological insight.

Literary Landscape of the 1920s

Published during a period marked by social upheaval and a questioning of traditional values, Hughes's novella emerged amidst modernist experimentation. However, Hughes's style retained a focus on narrative clarity and character depth, contrasting with some of his more experimental contemporaries. The novella's themes resonate with the era's broader concerns about innocence lost and the unpredictable nature of the world.

Plot Summary and Narrative Structure

A High Wind in Jamaica narrates the story of a British family—consisting of the parents, their children, and the household staff—who are vacationing in Jamaica. The central event unfolds when a violent hurricane strikes the island, leading to the children's accidental release from the constraints of their sheltered childhood.

Major Plot Points

- The idyllic life of the family is disrupted by the approaching storm, symbolizing nature's uncontrollable power.
- The children, initially naive and playful, are left to their own devices after the hurricane damages their home.
- Their interactions with local characters and the environment reveal complex facets of innocence and morality.
- The children's behavior shifts from innocent play to morally ambiguous actions, culminating in their accidental killing of a local man.
- The story culminates with a reflection on the children's transition from innocence to experience, marked by their confrontation with mortality and evil.

Narrative Style

Hughes employs a third-person omniscient narrator, providing insights into the children's minds while also offering a broader perspective on the social environment. The narrative's tone oscillates between the lightness of childhood and the darker undertones of human nature, creating a layered reading experience.

Thematic Analysis

Innocence and Experience

One of the novella's central themes is the fragile boundary between innocence and experience. The children's innocence is initially depicted through their playful interactions and naivety about the world's dangers. The hurricane acts as a catalyst, stripping away their innocence and exposing their capacity for moral ambiguity.

- The children's accidental killing of the man symbolizes the loss of innocence and the intrusion of adult realities.
- The story challenges the reader to reconsider the stereotype of childhood as inherently pure, suggesting that innocence is more complex and vulnerable than assumed.

Nature's Power and Unpredictability

The hurricane embodies nature's uncontrollable force, serving both as a literal event and a metaphor for chaos in human life. Hughes vividly describes the storm's fury, emphasizing its destructive potential.

- The storm's randomness highlights the unpredictability of life and the fragility of human constructs.
- The children's exposure to nature's wrath acts as a rite of passage, forcing them to confront mortality and moral ambiguity.

Morality and Morality's Relativity

Hughes explores the fluidity of morality, especially in the context of the children's actions. Their accidental killing challenges simplistic notions of good and evil.

- The children's behavior, initially playful, becomes morally complex in the aftermath of violence.
- Hughes prompts readers to reflect on how circumstances influence moral judgments and the loss of innocence.

Colonial and Postcolonial Underpinnings

Set in Jamaica, the novella subtly incorporates themes of colonialism and cultural interaction.

- The depiction of local characters and the landscape hints at the complexities of colonial relationships.
- The story's focus on innocence and morality can be read as a commentary on the cultural clashes and moral ambiguities inherent in colonial settings.

Character Analysis

The Children

- David: The eldest boy, characterized by curiosity and a tendency to question authority. His actions during the storm reveal a nascent understanding of morality.
- Keith and Philip: Younger siblings, embodying innocence and playfulness. Their interactions reflect typical childhood dynamics, but are later complicated by the events they witness.
- The Girl: She symbolizes innocence and vulnerability, serving as a mirror to the other children's experiences.

The Adults

- Parents: Their authoritative figures are somewhat detached from their children's experiences, representing societal norms and constraints.
- Local Characters: The servants and villagers provide insight into Jamaican life and the colonial hierarchy, often contrasting with the children's innocence.

The Man Killed

- His accidental death is pivotal, embodying the unpredictable consequences of human interaction with nature and the children's inadvertent role in violence.

Literary Techniques and Style

Symbolism

Hughes employs rich symbolism to deepen the narrative:

- The Hurricane: Represents chaos, change, and natural forces beyond human control.
- The Children: Symbolize innocence, but also the potential for moral complexity.
- The Island: Serves as a microcosm of the world, with its blend of beauty and danger.

Imagery and Descriptive Language

Hughes's vivid descriptions of the Jamaican landscape, the storm, and the characters' emotions create an immersive experience.

- Sensory details heighten tension during the hurricane scenes.
- Contrasts between the idyllic setting and the violent storm underscore thematic tensions.

Tone and Mood

The novella's tone shifts from lightheartedness during childhood play to somber reflection after the violence. Hughes's nuanced tone invites readers to grapple with complex moral questions.

Critical Reception and Legacy

A High Wind in Jamaica has garnered critical acclaim for its psychological depth and narrative innovation. Its portrayal of childhood innocence challenged contemporary stereotypes, leading to debates about morality and human nature.

Literary Significance

- The novella is praised for its sophisticated exploration of complex themes within a relatively short work.
- Its influence extends to subsequent literature that examines childhood and morality.

Adaptations and Cultural Impact

The story has been adapted into various formats, including a 1965 film and stage productions, illustrating its enduring relevance. Its themes continue to resonate in discussions about innocence, violence, and the unpredictability of life.

Conclusion: Enduring Relevance of *A High Wind in Jamaica*

A High Wind in Jamaica remains a powerful literary work that probes the depths of human psychology and morality against the backdrop of a vibrant Caribbean setting. Richard Hughes's masterful storytelling, combined with his nuanced exploration of innocence and experience, makes the novella a timeless reflection on the unpredictable forces that shape human life. Its themes continue to provoke thought in contemporary audiences, reminding us of the fragile boundary between innocence and the darker realities of the world—a high wind indeed, capable of transforming everything in its path.

[A High Wind In Jamaica Richard Hughes](#)

a high wind in jamaica richard hughes: A High Wind in Jamaica Richard Hughes, 2010-06-23 Richard Hughes's celebrated short novel is a masterpiece of concentrated narrative. Its dreamlike action begins among the decayed plantation houses and overwhelming natural abundance of late nineteenth-century Jamaica, before moving out onto the high seas, as Hughes tells the story of a group of children thrown upon the mercy of a crew of down-at-the-heel pirates. A tale of seduction and betrayal, of accommodation and manipulation, of weird humor and unforeseen violence, this classic of twentieth-century literature is above all an extraordinary reckoning with the secret reasons and otherworldly realities of childhood.

a high wind in jamaica richard hughes: A High Wind in Jamaica Richard Hughes, 1934
a high wind in jamaica richard hughes: A high wind in Jamaica Richard Arthur Warren Hughes, 1929

a high wind in jamaica richard hughes: A High Wind in Jamaica Richard Hughes, 1929 On the high seas of the Caribbean, a family of English children is set loose - sent by their parents from their home in Jamaica to receive the civilising effects of England. When their ship is captured by pirates, the thrilling cruise continues as the children transfer their affections from one batch of sailors to another. Innocence is their protection, but as life in the care of pirates reveals its dangers, the events which unfold begin to take on a savagely detached quality.

a high wind in jamaica richard hughes: A High Wind in Jamaica Richard Arthur Warren Hughes, 2014-01-01 Set in the last century against a tropical landscape and the ever-present sea, *A High Wind in Jamaica* tells the story of a family of English children who, on being sent by their parents back to England from Jamaica, fall into the hands of pirates. As this voyage of innocence continues the events which unfold begin to take on a savagely detached and haunting quality. Published to great acclaim in 1929, Richard Hughes' first novel became a bestseller. Doing away with Victorian sentimental visions of childhood, it paved the way for later works such as Golding's *Lord of the Flies*.

a high wind in jamaica richard hughes: A High Wind in Jamaica , 2025-07-15 *A High Wind in Jamaica* is a haunting and unconventional coming-of-age novel that subverts every expectation of a swashbuckling adventure. First published in 1929, Richard Hughes's classic tale follows a group of English children living on a decaying plantation in post-emancipation Jamaica. When a hurricane devastates their home, their parents arrange for them to return to England by ship-only for the vessel to fall into the hands of pirates. What begins as a thrilling voyage quickly unravels into a disturbing and unforgettable exploration of childhood, violence, and moral ambiguity. The children, far from helpless innocents, adapt to their new world in chilling and unpredictable ways. Hughes's prose-lyrical, sharp, and deceptively simple-peels away the romanticism of colonial life and the myths of childhood purity. Praised by critics and admired by writers from William Golding to Martin Amis, *A High Wind in Jamaica* is a novel that resists easy classification. Part psychological drama, part gothic fable, and part adventure story, it lingers in the imagination long after the final page. This edition is part of the Arbo Press Essential Classics Collection, featuring carefully curated literary works presented in clean, modern formatting for a new generation of readers.

a high wind in jamaica richard hughes: The Innocent Voyage Richard Hughes, 1929 Strange, almost fantastic, is this story of the West Indies and life on the open seas. There is a power about it that grips you, there is realism so stark that it almost frightens you. It is like a strange dream stripped of its emotion content in which you are swept through episodes of childhood, of parenthood, of native life, of sea-battles, of cruelty, of love under the scorching suns, driving rains, earthquakes and tornadoes of the southern seas. From the moment you meet the children, from the moment they are despatched on a sailing vessel to be brought up in England, and from the moment they are captured and taken aboard the pirate vessel you know you are in the hands of a writer of amazing power and imagination. It is not a book to be read lightly, but it is a tale that once started you will find impossible to forget.--Jacket.

a high wind in jamaica richard hughes: Unknown Masterpieces Edwin Frank, 2003-07-31

In this original collection, several of today's finest writers introduce little-known treasures of literature that they count among their favorite books. Here Toni Morrison celebrates a great Guinean storyteller whose novel of mystical adventure and surprising revelation transforms our image of Africa, while Susan Sontag raises the curtain on a distant summer when three of the greatest poets of the twentieth century exchanged love letters like no others. Here too John Updike analyzes the rare art of an English comic genius, Jonathan Lethem considers a hard-boiled and heartbreaking story of prison life, and Michael Cunningham uncovers the secrets of what may well be the finest short novel in modern American literature. Other contributors include such noted authors as Arthur C. Danto, Lydia Davis, Elizabeth Hardwick, Francine Prose, Lucy Sante, Colm Tóibín, Eliot Weinberger, and James Wood. Lucid, polished, provocative, inspiring, these essays are models of critical appreciation, offering personal, impassioned, thoughtful responses to a wide range of wonderful books. *Unknown Masterpieces* is a treat for all lovers of great writing and a useful and stimulating guidebook for readers eager to venture off literature's beaten tracks. Eliot Weinberger on *Hindoo Holiday* by J.R. Ackerley Arthur C. Danto on *The Unknown Masterpiece* by Honoré de Balzac John Updike on *Seven Men* by Max Beerbohm Jonathan Lethem on *On the Yard* by Malcolm Braly Toni Morrison on *The Radiance of the King* by Camara Laye Colm Tóibín on *The Go-Between* by L.P. Hartley Francine Prose on *A High Wind in Jamaica* by Richard Hughes Susan Sontag on *Letters: Summer 1926* by Boris Pasternak, Marina Tsvetayeva, and Rainer Maria Rilke Lucy Sante on *Classic Crimes* by William Roughead James Wood on *The Golovlyov Family* by Shchedrin Elizabeth Hardwick on *The Unpossessed* by Tess Slesinger Lydia Davis on *The Life of Henry Brulard* by Stendhal Michael Cunningham on *The Pilgrim Hawk* by Glenway Wescott

a high wind in jamaica richard hughes: Rock Crystal Adalbert Stifter, 2015-12-15 Seemingly the simplest of stories—a passing anecdote of village life— *Rock Crystal* opens up into a tale of almost unendurable suspense. This jewel-like novella by the writer that Thomas Mann praised as one of the most extraordinary, the most enigmatic, the most secretly daring and the most strangely gripping narrators in world literature is among the most unusual, moving, and memorable of Christmas stories. Two children—Conrad and his little sister, Sanna—set out from their village high up in the Alps to visit their grandparents in the neighboring valley. It is the day before Christmas but the weather is mild, though of course night falls early in December and the children are warned not to linger. The grandparents welcome the children with presents and pack them off with kisses. Then snow begins to fall, ever more thickly and steadily. Undaunted, the children press on, only to take a wrong turn. The snow rises higher and higher, time passes: it is deep night when the sky clears and Conrad and Sanna discover themselves out on a glacier, terrifying and beautiful, the heart of the void. Adalbert Stifter's rapt and enigmatic tale, beautifully translated by Elizabeth Mayer and Marianne Moore, explores what can be found between Christmas Eve and Christmas Day—or on any night of the year.

a high wind in jamaica richard hughes: The Life of Henry Brulard Stendhal, 2016-08-23 *The Life of Henry Brulard* is the autobiography of one of France's greatest writers, Stendhal, author of *The Red and the Black* and *The Charterhouse of Parma*. Here, writing at white heat and with such ferocious honesty and indignation that his book was to remain unpublishable for more than a century after its composition, Stendhal revisits his unhappy childhood in a stuffy provincial town and bares his rebellious heart. His adored mother, who died when he was only seven; a father devoted only to his own social ambitions; the aunt whose daily cruelties passed for care: these are among the indelible portraits in a work that captures the sights, sounds, places, and characters of Stendhal's youth, its pleasures and sorrows, with preternatural clarity and immediacy. Full of dazzling images and burning emotions, *The Life of Henry Brulard* is a vivid memoir that is also an extraordinary work of the imagination.

a high wind in jamaica richard hughes: The Mirador Elisabeth Gille, 2011-09-06 *A New York Review Books Original* Separated from her mother—the famed author of *Suite Française*—during World War II, Irène Némirovsky's daughter offers a “nuanced, eloquent portrait

of a complicated woman” in a series of memoirs that reimagine her mother’s life (The Washington Post) Élisabeth Gille was only five when the Gestapo arrested her mother, and she grew up remembering next to nothing of her. Her mother was a figure, a name, Irène Némirovsky, a once popular novelist, a Russian émigré from an immensely rich family, a Jew who didn’t consider herself one and who even contributed to collaborationist periodicals, and a woman who died in Auschwitz because she was a Jew. To her daughter she was a tragic enigma and a stranger. It was to come to terms with that stranger that Gille wrote, in *The Mirador*, her mother’s memoirs. The first part of the book, dated 1929, the year David Golder made Némirovsky famous, takes us back to her difficult childhood in Kiev and St. Petersburg. Her father is doting, her mother a beautiful monster, while Irene herself is bookish and self-absorbed. There are pogroms and riots, parties and excursions, then revolution, from which the family flees to France, a country of “moderation, freedom, and generosity,” where at last she is happy. Some thirteen years later Irène picks up her pen again. Everything has changed. Abandoned by friends and colleagues, she lives in the countryside and waits for the knock on the door. Written a decade before the publication of *Suite Française* made Irène Némirovsky famous once more (something Gille did not live to see), *The Mirador* is a haunted and a haunting book, an unflinching reckoning with the tragic past, and a triumph not only of the imagination but of love.

a high wind in jamaica richard hughes: Journey Into the Past Stefan Zweig, 2012-07-25 A deep study of the uneasy heart by one of the masters of the psychological novel, *Journey into the Past*, published here for the first time in America, is a novella that was found among Zweig’s papers after his death. Investigating the strange ways in which love, in spite of everything—time, war, betrayal—can last, Zweig tells the story of Ludwig, an ambitious young man from a modest background who falls in love with the wife of his rich employer. His love is returned, and the couple vow to live together, but then Ludwig is dispatched on business to Mexico, and while he is there the First World War breaks out. With travel and even communication across the Atlantic shut down, Ludwig makes a new life in the New World. Years later, however, he returns to Germany to find his beloved a widow and their mutual attraction as strong as ever. But is it possible for love to survive precisely as the impossible?
