durood shareef in english: Kanzul Islam Qari Mohammad Amin Chishti Saeedi, 2012-01-02 I wanted to write this book in response to the types of questions i had encountered during the course of my 17 year career as a religious teacher, to young children and adults in the United Kingdom. I was faced with many questions; this meant that i had to refer to various books and other sources of research to get the best answers as possible. i could not find any comprehensive text dealing with questions that were asked of me. It occurred to me that i should compile a book comprehensive enough to address central questions and issues associated with practices of our Deen as well as special Du'as which we should try to read in every day life. I have dealt with the importance of Durood Shareef and Du'as that should be recited. This book is aimed at the English speaking youth to make it more accessible so that the maximum amount of benefit can be reaped from it. I hope that this ensures what children learn will remain with them so that they do not forget the lessons this book teaches. durood shareef in english: Cyber Worship in Multifaith Perspectives Mohamed Taher, 2006 Cyber Worship in Multifaith Perspectives, as is implied by its name, explores worship (i.e., Prayer, Praise, Scripture, Sacrament, Rituals, Confessions, Eucharist, Rites, Pilgrimages, Reflection, Contemplation, etc.) on the Internet. It is not an 'everything you need to know' guide about the subjects of faith and belief, religions-online, religions on the Net, or religions in cyberspace. Rather, it is a book about religious and spiritual experience under the rubric, cyber worship, which is the variety of ways religious devotion is performed and carried out on the Internet. The term 'Cyber Worship' is a catchall phrase, which includes variants such as online worship, virtual worship, electronic prayer, cyber puja, cyber synagogue, and so on. Dr. Mohamed Taher has thus assembled a quick reference for two groups: those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments. As such, this book provides an interesting and current perspective on a practice that will continue to grow in the future.

durood shareef in english: Samaa' "Glorifying God Almighty Allah and His Holy Prophet Muhammad (Peace Be Upon Him) with Sweet Voice & Tambourine" Anwar Haroon, 2015-10-21 In the name of Allah the Most beneficent and Most Merciful All the praise to Allah and His Holy Prophet Muhammad peace be on him. Allah says in holy Quran: Whatsoever is in the heavens and whatsoever is on the earth glorifies Allah, the King (of everything), Holy, All-Mighty, All-Wise. Holy Quran 62:1 Since I read this verse of Holy Quran and its meaning, I was pondering while everything in the universe is praising Allah almighty, why are we not able to hear it? As my thinking and knowledge matured, I realized that every element has a molecule and its own atomic structure with its own nucleus with electron, proton and neutron which forms the particular element. Few electrons in the atomic structure circulate around its nucleus which can be seen with the help of an electron

microscope. Then I realized that each element has a life of its own and human ears are unable to hear the movement of the electrons in it. It is surprising as Holy Quran mentions that the animal beings, plants, mountains, and the birds used to join Prophet Dawood (David) alaihissalaam in his praising of Allah Almighty and the mountains would swing. It is also said, that a camel had complained to Holy Prophet Sallallahu alaihi wasallam about his master mistreating him. It is also said that the plants moved away with their roots to cover Rasoolullah sallallahu alaihi wasallam when he had to attend to nature's call in a field. It is said that Hazrat Ali raziallahu anhu could tell what the conch said when it was blown. Hazrat Jalaluddin Rumi went into a trance upon hearing the rhythmic sound at the shop of a gold beater. It is also proven that music even affects the milk-giving animals to increase its output, load-bearing animals can carry load without getting tired early, hunters catch the deer that go under trance of music and even plants bear more fruits. Well, the best rhythmic sound is of pronouncing the verses of Holy Quran with the best human voice, which was even liked by our Holy Prophet Peace be on him. Even the kuffar, non believers, used to hide and hear the recitation of Holy Quran and enjoy it. Next enjoyable is poetry with meaningful words and later is the music created by lifeless instruments. Our Holy Prophet Muhammad sallallahu alaihi wasallam has permitted singing with tambourine. He, peace be on him, used to enjoy good poetry and he even permitted his companion Hazrat Hassaan bin Thabit to recite a poetry condemning kuffar sitting on the pulpit of the mosque. Music is permitted in almost all religions and the Hindus of India in particular have developed it as an art. The Muslim Sufis of Chishtia Tareeq have also adapted rhythmic poetry and Hazrat Ameer Khusroo, may Allah bless him, has invented certain Raagaas and even developed certain musical instruments. Hence it is proven that lifeless instruments create rhythm which praises Allah Almighty. Even human beings praise Allah Almighty and His Holy Prophet peace be on him through their rhythmic poetry, which serves them to get closer to Allaahu Taala. It should be noted that music could be even used wrongly by people just to satisfy their lust and increase their devilish thoughts. For this reason, the Sufis have laid certain rules to gain only the spiritual benefits and keep them away from its negative effects. It is still seen that few deviated Sufis are using music for a wrong cause and this has to be stopped. In this context, I have collected quotations from Holy Quran and Ahadeeth, sayings of famous and rightly guided scholars and Sufis on the topic Rhythmic poetry and music. I hope this booklet shall remove the misunderstanding from everyone's mind and provide guidance. I pray that Allah Almighty be pleased and accept my endeavors in this regard and may Allahu Taala send His praises upon His Holy Prophet Muhammad sallallahu alaihi wasallam and his progeny and companions, Aameen. We are truthful in our claim that this actually the abridged version. Also, we bring this product at lower price for more circulation. This is one of the best English translation of Fazail E Amaal, particularly Quranic aayat and Ahadith has been translated using current English rather than the old style English, Its very easy to understand for all age group. The page quality, printing and binding is also very nice. Faza'il-e-A'maal (originally titled Tablighi Nisab -Curriculum for Tabligh), is a religious text composed mainly of treatises by the Indian Deobandi hadith scholar Muhammad Zakariya Kandhlawi for Tablighi Jamaat. The book is written in simple and lucid Urdu and is a collection of pious and edifying tales, based mostly on inspirational hadith traditions and anecdotes. The Fazaail-e-Amaal, of Hadhrat Sheikhul Hadith, MoulanaMuhammad Zakariyya Khandelwi (RA), is among the most famousand well known Islamic books in the world. Allah Ta'ala has granted this book great acceptance and popularity throughout the globe. Thousands of people read this book and

benefit from it. To date it has been translated into more than a dozen languages. Last year (1432), some members of the Ta'limi Board (KZN) visited Nizaamuddeen and met one of the elders, Hadhrat Moulana Ya'qoob Saahib (daamat barakaatuhu), the ustaaz of Moulana Sa'aad Saahib (daamat barakaatuhu). Hadhrat Moulana advised them to commence the reading of the Fazaail-e-Aamaal to the children in order to encourage them to carry out the necessary aamaal (good deeds). He mentioned that we are teaching only the masaa'il (laws) of salaah, etc., in the makaatib but the children will not be encouraged to perform salaah by just learning the masaa'il. We will have to read to them the fazaail (virtues and benefits) to encourage them to perform salaah. Hadhrat Moulana Ya'qoob Saahib (daamat barakaatuhu) also advised that the Fazaail-e-Aamaal be simplified and brought down to the level of the children so that they are encouraged to engage in Aamaal-e-Saaliha (good deeds). Therefore, in the light of Hadhrat Moulana Ya'qoob Saahib's advice, Hadhrat Mufti Ebrahim Salejee Saahib (daamat barakaatuhu), the principal of Madrasah Taleemuddeen, initiated the simplifying of the Fazaail-e-Aamaal for the benefit of the children in the makaatib. This book is divided into 7 parts, viz. Stories of Sahaabah, Virtues of Salaah, Virtues of reciting the Quraan, Virtues of zikr, Virtues of Durood Shareef, Virtues of Ramadhaan and virtues of tableegh. Apart of each section should be read out and explained daily to the children. This should be done 5 minutes before they leave for home. The following order should be followed in reading this book to the children. Open permission is granted for the reprinting of this booklet provided it is without any alterations. The publisher of this book has made it very clear that Open permission is granted for the reprinting of this booklet provided it is without any alterations. durood shareef in english: *Al Hizbul Azam* Ali ibn Sultaan Muhammad Al-Qaari, 2023-07
Introduction to the revised edition All praise is due to Allah Ta'ala, The Supreme Master of the worlds. Countless Durood and Salaam be upon our beloved Nabi, Sayyiduna wa Mawlana Muhammad [PBUH]. Just as the Qur-aan-e-Majeed is a living mu'jizah (miracle) of our beloved Nabi Muhammad [PBUH], so too are the mubaarak duas of Rasulullah [PBUH]. Every dua that Nabi [PBUH] made is applicable to every period of time and will be applicable till the day of Qiyaamah. The great Muhaddith, Mullah A'li Qaari (rahmatullahi alayh), most excellently compiled the duas mentioned in the Qur-aan-e-Kareem as well as the duas and supplications of our beloved Nabi Muhammad [PBUH], in his booklet titled *Al-Hizbul A'zam*. These include the duas that Nabi [PBUH] made at the Ka'bah Shareef, in the Hateem, the duas made on the occasion of Haj, in Mina, Arafat and Muzdalifa, the duas that Nabi [PBUH] made at the time of Tahajjud and in the different battles and expeditions that took place in the twenty-three year period of his Nubuwwat. Each dua was divinely inspired by Allah Ta'ala and will remain a balm for ailing hearts till the day of Qiyaamah. These duas are a means of protection for all Muslims against the harms of this world and the next. It is mentioned in a Hadith, Dua is the essence of ibaadah. How wonderful it would be to invoke, beg, plead and ask from Allah Ta'ala in the very words of His beloved Nabi [PBUH]. Undoubtedly the words of Nabi [PBUH] will have its own noor (light) and barkat (blessings), as compared to making dua in our own words. This book is excellently divided into seven sections, thus making it easier for the reader to recite one section per day. Many of our Akaabir (elders) would instruct their students and mureeds to recite one section daily as part of their ma'moolaat (daily practices). This masterpiece has indeed gained great acceptance in the court of Allah Ta'ala. People all over the world recite these duas daily and gain great solace from these Prophetic Duas. Hadhrat Shaikhul Hadeeth, Moulana Muhammad Zakariyya (rahmatullahi alayh) in particular, was very punctual on its recitation. The 40 durood and salaam has now also been included at the end of the kitaab. May Allah Ta'ala accept this translation and make it a means of idaayat for the ummah as well as Sadaqah-e-Jaariyah for us all. Aameen.
