Exes and the Ohs: Navigating Relationships, Emotions, and Moving Forward

Understanding the dynamics between exes and the ohs (the emotional highs and lows) they experience is crucial for anyone seeking clarity, healing, or personal growth post-breakup. Whether you're still emotionally entangled or have moved on, exploring this complex relationship can help you find closure, develop healthier interactions, or simply better comprehend your own feelings. This comprehensive guide delves into the various facets of exes and the ohs, providing insights, advice, and practical steps to navigate this often turbulent emotional terrain.

What Are Exes and the Ohs?

Defining Exes and Their Significance

An "ex" is a person with whom you previously shared a romantic relationship. Exes can evoke a spectrum of emotions, from nostalgia and affection to resentment and regret. The term "ex" signifies the end of a chapter, but for many, it marks the beginning of an ongoing emotional journey.

The "Ohs": Emotional Highs and Lows

The "ohs" refer to the emotional peaks and valleys experienced when thinking about or interacting with an ex. These include feelings such as:

- Joy from reminiscing about good times
- Sadness or longing for what was lost
- Anger or frustration over unresolved issues
- Hope or anxiety about potential reconciliation
- Confusion about personal feelings and future steps

Understanding these "ohs" helps in managing emotional responses and making informed decisions about your relationship with your ex.

The Psychology Behind Ex-Relationships and the Ohs

Why Do Exes Continue to Affect Us?

Human beings are wired for connection, and ending a relationship often involves grief similar to mourning. The lingering feelings are influenced by:

- Attachment theory: Strong emotional bonds can persist even after a breakup.
- Memory biases: Focusing on positive memories can intensify feelings of longing.
- Unresolved issues: Lack of closure can leave emotional scars.
- Cultural and social influences: Societal expectations about love and loss.

The Cycle of Emotional Highs and Lows

The emotional oscillation associated with exes and the ohs can resemble a rollercoaster. Common patterns include:

- Idealization: Remembering only the good times, minimizing negatives.
- Nostalgia: Longing for the past, sometimes idealized beyond reality.
- Denial: Refusing to accept the end of the relationship.
- Acceptance: Coming to terms with the breakup and moving forward.

Recognizing these patterns enables better emotional regulation and decision-making.

Common Reasons Why People Struggle with Exes and the Ohs

Emotional Attachments and Insecurity

Even after a breakup, feelings of insecurity and attachment can keep someone emotionally tethered to an ex. Fear of loneliness or inadequacy may hinder moving on.

Hope for Reconciliation

Many individuals cling to the possibility of rekindling the relationship, fueling ongoing emotional highs and lows.

Unfinished Business

Unresolved conflicts, unspoken feelings, or lack of closure can perpetuate emotional turmoil.

Social and External Pressures

Friends, family, or societal norms may influence how one perceives or handles the ex relationship, complicating emotional responses.

How to Manage Your Relationship with Exes and the Ohs

Strategies for Healing and Moving On

1. Limit Contact

Reducing or eliminating contact with your ex helps diminish emotional triggers. Consider:

- Blocking or unfollowing on social media
- Avoiding places or events linked to the ex
- Setting boundaries for communication

2. Allow Yourself to Feel

Embrace your emotions without judgment. Acknowledge feelings of sadness, anger, or longing as natural parts of healing.

3. Seek Closure

If possible, have an honest conversation or write a letter (not necessarily sent) to express unresolved feelings.

4. Focus on Self-Care

Prioritize activities that nurture your well-being:

- Exercise
- Hobbies and interests
- Meditation and mindfulness
- Connecting with supportive friends and family

5. Reflect on Lessons Learned

Use this time to understand what the relationship taught you and what you want in future relationships.

6. Avoid Rushing the Process

Healing takes time. Be patient and gentle with yourself.

Building a Healthy Post-Breakup Mindset

- Practice Gratitude

Focus on positive aspects of your life and personal growth.

- Set New Goals

Redirect energy into new pursuits, education, or career milestones.

- Avoid Rebounds

Jumping into new relationships too quickly can hinder genuine healing.

- Seek Professional Support if Needed

Therapy or counseling can provide tools to process complex emotions.

The Role of the Ohs in Personal Growth

Turning Emotional Highs and Lows Into Opportunities

The ohs, while challenging, can be catalysts for self-discovery. Recognizing patterns can help you:

- Identify emotional triggers
- Develop resilience
- Cultivate healthier relationship patterns in the future

Using the Ohs to Foster Self-Awareness

Reflect on questions such as:

- What do my reactions to my ex reveal about my needs and fears?

- How can I better manage my emotional responses?
- What boundaries do I need to establish for my well-being?

Navigating Reconciliation and Boundaries

When Is Reconciliation a Good Idea?

Reconciliation might be worth considering if:

- Both parties have addressed past issues
- There's genuine remorse and commitment
- Both individuals desire growth and change

Setting Healthy Boundaries

Even if reconciliation isn't on the table, establishing boundaries ensures emotional safety:

- Clear communication about expectations
- Defining the nature of future interactions
- Respecting each other's healing process

When to Seek Help: Recognizing Unhealthy Patterns

Certain signs indicate that professional support may be beneficial:

- Persistent feelings of depression or anxiety
- Obsessive thoughts about the ex
- Inability to function in daily life
- Repeatedly engaging in toxic or harmful interactions

Seeking therapy can offer personalized strategies to cope with the ohs and foster emotional health.

Final Thoughts: Moving Beyond Exes and the Ohs

Dealing with exes and the emotional highs and lows they evoke is a universal experience. The key lies in acknowledging your feelings, setting boundaries, and prioritizing your healing journey. Remember, the ohs are temporary, and with patience, self-awareness, and support, you can transform emotional upheaval into growth and a brighter future.

Keywords for SEO Optimization

- Exes and the ohs
- Moving on after breakup

- Emotional highs and lows
- Healing from an ex
- Reconciliation tips
- Breakup recovery
- Managing emotions post-breakup

By understanding the intricate relationship between exes and the ohs, you empower yourself to take control of your emotional health and relationships. Whether you're seeking closure, healing, or simply insight, this guide offers a comprehensive roadmap for handling the complexities of post-relationship emotions effectively.

Frequently Asked Questions

What is the meaning of 'exes and the ohs' in popular culture?

'Exes and the ohs' is a phrase that often refers to past romantic relationships (exes) and the emotional ups and downs (ohs) associated with them. It highlights the nostalgia, lessons learned, and the emotional rollercoaster of moving on from past loves.

How can I effectively move on from my exes and the emotional baggage they bring?

To move on, focus on self-care, establish boundaries, seek support from friends or a therapist, and engage in activities that bring you joy. Reflect on lessons learned and give yourself time to heal emotionally.

Are there any popular songs or movies titled 'Exes and the Ohs'?

Yes, 'Exes and the Ohs' is a song by American singer Elle King, which explores themes of heartbreak and emotional resilience. It has also inspired various memes and social media content centered around overcoming past relationships.

What are some common challenges people face when dealing with exes and the ohs?

Common challenges include emotional attachment, feelings of jealousy or regret, difficulty moving on, and navigating interactions with exes, especially in shared social circles or co-parenting situations.

How can social media influence perceptions of exes and the ohs?

Social media can amplify feelings of nostalgia or regret, lead to comparisons, or cause misunderstandings. It can also make it harder to move on if past interactions or memories are constantly visible online.

Are there healthy ways to reminisce about exes and the ohs without hindering personal growth?

Yes, healthy reminiscing involves reflecting on lessons learned and growth achieved, rather than dwelling on the past. Setting boundaries around social media and focusing on future goals can help maintain emotional well-being.

What role does emotional intelligence play in managing exes and the ohs?

Emotional intelligence helps individuals understand and regulate their feelings, communicate effectively, and develop healthier relationships. It enables better coping with past relationships and fosters personal growth after breakups.

Exes and the Ohs: Navigating the Complexities of Past Relationships and Emotional Acknowledgment

In the realm of human relationships, few topics evoke as much intrigue, ambiguity, and emotional complexity as “exes and the ohs.” These two expressions—one referring to former romantic partners and the other to moments of realization or acknowledgment—intersect in ways that shape personal growth, emotional health, and social dynamics. Understanding the nuances of ex-relationships and the significance of acknowledging emotional truths can offer valuable insights into human psychology, communication, and resilience. This article explores the multifaceted nature of exes and the “ohs,” examining their impact on individuals and relationships, and offering practical guidance for navigating this intricate landscape.

The Emotional Landscape of Exes

Defining Exes: More Than Just Past Partners

An “ex” is more than a former romantic partner; it embodies a chapter of personal history, emotional investment, and shared experiences. The term can encompass a spectrum—from amicable exes maintaining friendship to those with unresolved feelings or lingering resentment. Understanding the varied nature of ex-relationships is essential to appreciating their psychological aftermath.

The Psychological Impact of Breakups

Breakups are often traumatic, triggering a wide array of emotional responses. Some common

reactions include:

- Grief and loss: Mourning the end of a significant relationship.
- Anger and resentment: Lingered feelings about betrayal or unmet expectations.
- Relief and liberation: A sense of freedom from dysfunctional dynamics.
- Confusion and self-doubt: Questioning personal worth or decision-making.

Research indicates that the emotional aftermath depends on factors such as the duration of the relationship, reasons for breakup, and individual resilience. For example, long-term relationships ending abruptly can lead to more profound grief, while amicable splits may facilitate quicker emotional recovery.

Moving Beyond the Past: Healing Strategies

Navigating the aftermath of an ex-relationship requires intentional effort. Effective strategies include:

- Acceptance: Recognizing that the relationship has ended and embracing the new reality.
- Emotional processing: Allowing oneself to grieve and experience feelings without suppression.
- Creating boundaries: Limiting contact to facilitate healing.
- Focusing on self-growth: Investing in hobbies, career, and personal development.
- Seeking support: Engaging friends, family, or mental health professionals.

These steps help individuals transition from emotional entanglement to personal independence, setting the stage for future healthy relationships.

The Significance of the “Oh” Moment

Understanding the “Oh”: Moments of Realization

The “oh” symbolizes moments of insight, clarity, or acknowledgment—epiphanies that often lead to emotional breakthroughs. These can be simple realizations, such as recognizing personal boundaries, or profound insights about oneself or others.

The Power of Self-Awareness

Self-awareness is central to personal growth. Recognizing patterns in past relationships or understanding one’s emotional needs can be pivotal “oh” moments that redirect future behaviors. For example:

- Realizing that certain unresolved feelings are hindering new relationships.
- Acknowledging personal flaws or patterns that contributed to past relationship failures.
- Recognizing the importance of self-love and boundaries.

These insights foster healthier relationships and emotional resilience, transforming pain or confusion into growth and understanding.

Recognizing and Embracing Emotional “Ohs”

Some practical ways to cultivate these moments include:

- Reflective journaling: Documenting thoughts and feelings to identify recurring patterns.
- Mindfulness practices: Being present to recognize genuine emotional responses.
- Seeking feedback: Listening to trusted friends or mentors.
- Therapy or coaching: Engaging in professional guidance to uncover subconscious patterns.

By actively seeking these “oh” moments, individuals can accelerate their emotional maturity and relationship satisfaction.

The Intersection of Exes and the Ohs: A Path to Self-Discovery

How Past Relationships Inform Present Self-Understanding

Ex-relationships serve as mirrors reflecting our emotional vulnerabilities, attachment styles, and communication patterns. Recognizing these patterns through “oh” moments can lead to:

- Improved self-awareness.
- Better boundary-setting.
- Healthier future relationships.

For example, realizing a tendency to idealize ex-partners (“the one that got away”) can help prevent similar patterns in future relationships.

The Role of Closure and Reconciliation

Closure refers to reaching a state of emotional resolution regarding an ex. This can be achieved through:

- Personal reflection.
- Honest conversations.
- Forgiveness and acceptance.

Sometimes, “oh” moments lead to reconciliation, but only if both parties have grown and acknowledged past issues. Otherwise, acknowledgment of the past’s influence allows for healthier detachment and moving forward.

From Exes to Ohs: Transforming Past Pain into Personal Power

The ultimate goal in navigating exes and the “ohs” is to transform past pain or confusion into wisdom and strength. This process involves:

- Recognizing unresolved feelings.
- Cultivating self-compassion.
- Embracing new boundaries.
- Fostering a growth mindset.

This transformation not only heals individual wounds but also prepares individuals for more fulfilling future relationships.

Practical Implications and Advice

For Individuals Navigating Exes and the Ohs

- Accept the past: Understand that exes are part of your story, not your identity.
- Seek understanding: Look for “oh” moments that clarify your emotional needs.
- Practice patience: Healing takes time; avoid rushing the process.
- Prioritize self-care: Engage in activities that nurture your well-being.
- Limit contact: Reduce unnecessary communication to facilitate emotional resolution.

For Those Supporting Others

- Listen without judgment: Offer empathetic support for their journey.
- Encourage reflection: Help identify “oh” moments that foster insight.
- Respect boundaries: Allow space for healing and growth.
- Promote healthy coping strategies: Suggest counseling, journaling, or mindfulness.

The Broader Cultural and Social Context

How Society Views Exes and Emotional Acknowledgment

Cultural narratives often romanticize or stigmatize ex-relationships. Media portrayals may romanticize reconciliation or vilify past lovers, influencing individual perceptions. Recognizing these societal influences can empower individuals to define their own healing process.

The Changing Dynamics of Modern Relationships

With the advent of social media and digital communication, interactions with exes have become more complex. Boundaries can blur, leading to confusion or prolonged emotional attachment. Navigating these modern dynamics requires clarity and intentionality, emphasizing the importance of “oh” moments—self-awareness and deliberate boundaries.

Final Thoughts: Embracing the Journey from Exes to Ohs

The journey through past relationships and moments of emotional clarity is inherently personal and nuanced. “Exes and the ohs” symbolize the intertwined paths of reflection, acknowledgment, and growth. By understanding the psychological dynamics of ex-relationships and fostering “oh” moments of insight, individuals can transform pain into power, confusion into clarity, and past experiences into stepping stones toward healthier, more authentic connections.

In essence, embracing both the remnants of the past and the revelations of the present paves the way for a resilient, self-aware future. Whether it’s learning from an ex or recognizing a profound “oh,” the ultimate goal remains the same: to foster a deeper understanding of oneself and cultivate relationships rooted in authenticity, respect, and growth.

Exes And The Ohs

exes and the ohs: Exes and Ohs Beth Kendrick, 2005-03-01 exit the groom... Child psychologist Gwen Traynor has learned the hard way that perfect men aren't always what they seem. After being dumped the night before her wedding, she's understandably wary of diving back into the dating pool. But when she meets Alex Coughlin, she's convinced her luck is changing. He's smart, handsome, funny -- an ideal rebound guy. She doesn't intend to fall in love with him, but scintillating dates and mind-blowing physical chemistry have a way of winning a girl over. enter the ex... Just as things are heating up with Alex, Gwen meets her newest patient -- a precocious preschooler whose chaotic soap opera-actress of a mother, Harmony, sounds an awful lot like one of Alex's crazy ex-girlfriends. Mostly because she is one of Alex's crazy ex-girlfriends. Unfortunately for Gwen, Harmony has a secret that plunges them all into a real-life daytime drama, complete with sex, lies, and Vegas elopements. With Harmony determined to reunite with Alex and Gwen's ex-fiancé begging for a second chance, only one thing is certain: New loves and old flames are an explosive combination.

exes and the ohs: Exes and Ohs Shallon Lester, 2011 The Glamour.com columnist and MTV reality star presents a series of essays chronicling her offbeat misadventures of searching for love and fame in New York City, efforts that involved impromptu meetings with ex-boyfriends, spilled spinach dip and a bacon theft. Original.

exes and the ohs: *Love, Exes, and Ohs (A fun, feel-good small town second chance romcom)* Violet Duke, 2015-03-17 She's his best friend, and the woman he never stopped loving... To this day, Isaac McKnight still has no idea why the perfectly-imperfect-woman-for-him put an end to their relationship out of the blue. He made sure they stayed friends though. But now, it's a year later and he and Xoey are steadily getting sucked deeper into buddy-zone galaxy, with its dangerous proximity to watch-me-settle-down-with-someone-else abyss. That is...until one drunken confession changes everything. He's the world's greatest ex, and the man she can't risk losing... For Xoey Montenegro, history has taught her that sometimes, it's Prince Charming who does the vanishing. So, as far as tequila-fueled plans for her still-unrecovered love life go, a match-finding formula analyzing the exes responsible for her most epic 'ohs' seems brilliant. The only problem with her genius man-quation, however, is the one ex she never truly got over. Her best friend Isaac. Every time I pick up one of Violet's stories, I know I'll be in for a heartfelt, emotional, and FUN read. Her heroes are just so swoony and sweet. And sexy! -- #1 New York Times Bestselling Author Lauren Blakely THE CACTUS CREEK SERIES Love, Chocolate, and Beer [Luke & Dani] Love, Diamonds, and Spades [Rylan & Quinn] Love, Tussles, and Takedowns [Hudson & Lia] Love, Exes, and Ohs [Isaac & Xoey] All the Cactus Creek novels are standalone novels with feel good HEAs. Enjoy! :)

exes and the ohs: Exes and Ohs Shallon Lester, 2011-06-07 Think you've have some outrageous dating horror stories? You don't have anything on Shallon Lester. Spunky Shallon Lester has accumulated more than her fair share of embarrassing stories. In this collection of hilarious essays, she chronicles her dorky, daring, and awkward journey from waitress at the ninth circle of hell known as Houston's Time Square restaurant, to columnist at one of New York's leading gossip magazines, to MTV reality star, gleefully weaving in stories of all boys she's loved, lost, and avenged along the way. Complete with cringe-worthy tales of: -The time a new boyfriend found the stockpile of Magnum condoms hidden under her bed -Getting caught stealing (borrowing?) bacon from her local supermarket -Unwittingly getting romantically involved with the leader of a mafia ring -Being dumped on Valentines Day (for the second year in a row), just minutes before being forced to attend El Concierto Del Amor con Marc Anthony y Jennifer Lopez. Alone. Did I mention on Valentine's day? -An unfortunate sholess, sweaty, shoe-less run in with Ed Westwick and Chace Crawford on an East Village Street Corner With a fresh and irresistible voice that makes you want to sit down and rehash last night's misadventures over martinis, Lester speaks volumes to anyone who's even been young, ambitious, and a little bit slutty.

exes and the ohs: Snowflakes, Exes and Ohs Melanie James, 2024-09-16 With two men vying for her affection, Abbie's heart is torn between the two. One has always been there for her, no matter what. The other left when she needed him the most. Now that her true love is back in town, Abbie's carefully crafted world is about to shatter around her. Dylan Parker had it all. A loving family, a beautiful girlfriend, and a family business to take over. But life in the small town of Cedar Lake was not what he dreamed of. He wanted to see the world and build a life of his own. When his dad dies, Dylan is forced to face the life he didn't know he could have had.

exes and the ohs: Love, Tussles, and Takedowns (A sexy tough tomboy & wounded soldier small town romance) Violet Duke, 2015-01-29 He's a better fighter A fighter to the core, Hudson Reyes has collected enough battle scars now to last several lifetimes. But after his combat injuries retire him from the life he wasn't ready to give up, Hudson finds himself spending the carbon copy days of his new career as a Hollywood fight scene and weapons specialist just doing what he knows best: surviving. Until he meets her. The one woman who makes him want to live again. With wounds as deep as his own, she's a scrappy little thing--an angel-faced paradox that comes as a package deal with an offbeat town of admirably protective, but downright nosy folks. And a wicked roundhouse kick that's become intimately familiar with his head. ...but she has all the weapons. An antique arms authenticator by day and a self-defense instructor by night, Liana Lin has made a living turning the unthinkable demons of her past into the passions that fuel, and fill, her life. So when the unjustly handsome man she's been unable to stop thinking about literally takes her to the mat with martial arts styles unlike anything she's ever seen--pinning her with a molten hot stare that melts her like a marshmallow trapped between a graham cracker and a chocolate square--Lia flips into no-holds-barred fight mode. Because if one man could find a way to disarm her carefully-built defenses, it'd be him. Now if only they could stop sparring long enough to find out...

exes and the ohs: Second Time Around Beth Kendrick, 2010-03-30 For anyone who has ever wondered "What if?," this engaging novel provides a sweet, funny look at friendship, romance, and second chances. Every summer, four college friends hold a mini-reunion. They laugh, reminisce, and commiserate about their soul-sucking jobs. Maybe they should have listened to everyone who warned them to study something "practical." Then an unexpected windfall arrives—one million dollars, to be exact—with the stipulation that they use it to jump-start their new careers. Almost overnight, a professor, a bartender, a copywriter, and an administrative assistant reinvent themselves as a novelist, an event planner, a pastry chef, and a bed-and-breakfast owner. But the changes in their professional roles create unexpected turbulence in their personal lives, and soon the secrets and scandals from their past start to resurface.

exes and the ohs: The Pre-Nup Beth Kendrick, 2008 As their romantic relationships begin to fall apart in the face of adultery, career pressures, and scandalous secrets, friends Ellie, Jen, and Mara turn to one another for moral support, makeover tips, and insights into how to protect their hearts from pain. Simultaneous. 60,000 first printing.

exes and the ohs: Memoirs of an Ex-hippie Robert Roskind, 2001 The counterculture of the 60s and 70s has been viewed as everything from naive to hedonistic. However, most of these views were formed by observing the movement from the outside. Memoirs of an Ex-Hippie offers a vastly different perspective, one developed from within. After graduating college in 1968, Robert Roskind hit the road for seven years. Roskind's travels lead him into the heart of the counterculture--to Esalen Institute, Tassajara Hot Springs, Big Sur, Vancouver Island, the communes of Oregon and North Carolina, Altamont Pop Festival, Mt. Shasta, the Haight-Ashbury and the motherland--Northern California. His personal odyssey, sometimes profane and funny, sometimes profound and serious, reveals this tumultuous era as a cultural and spiritual renaissance that birthed many of the solutions to problems humanity now faces. About the Author Robert Roskind is a writer and speaker. His ten books include Rasta Heart: A Journey into One Love, In the Spirit of Business, and In the Spirit of Marriage, all tracing unconditional love. He lives in the Blue Ridge Mountains of North Carolina with his wife, Julia, and their daughter, Alicia.

exes and the ohs: Ex Parte Milligan Reconsidered Stewart L. Winger, Jonathan W. White,

2020-04-16 At the very end of the Civil War, a military court convicted Lambdin P. Milligan and his coconspirators in Indiana of fomenting a general insurrection and sentenced them to hang. On appeal, in *Ex parte Milligan* the US Supreme Court sided with the conspirators, ruling that it was unconstitutional to try American citizens in military tribunals when civilian courts were open and functioning—as they were in Indiana. Far from being a relic of the Civil War, the landmark 1866 decision has surprising relevance in our day, as this volume makes clear. Cited in four Supreme Court decisions arising from the wars in Afghanistan and Iraq, *Ex parte Milligan* speaks to constitutional questions raised by the war on terror; but more than that, the authors of *Ex parte Milligan Reconsidered* contend, the case affords an opportunity to reevaluate the history of wartime civil liberties from the Civil War era to our own. After the Civil War, critics of Reconstruction pointed to Milligan as an example of the Republican Party's abuse of federal power; even historians sympathetic to Lincoln have found it necessary to apologize for his administration's record on civil liberties during the Civil War. However, the authors of this volume argue that this distorts the nineteenth-century understanding of the Bill of Rights, neglects international law entirely, and, equally striking, ignores the experience of African Americans. In reviving Milligan, the Supreme Court has implicitly cast Reconstruction as a "war on terror" in which terrorist insurgencies threatened and eventually halted the assertion of black freedom by the Republican Party, the Union Army, and African Americans themselves. Returning African Americans to the center of the story, and recognizing that Lincoln and Republicans were often forced to restrict white civil liberties in order to establish black civil rights and liberties, *Ex parte Milligan Reconsidered* suggests an entirely different account of wartime civil liberties, one with profound implications for US racial history and constitutional law in today's war on terror.

exes and the ohs: Memories from an Ex-Pat John R. White, 2022-03-31 Most of these stories are from my life as an expat (expatriate—i.e., someone who works outside the US). I worked for General Electric (GE), and part of that time, I worked overseas. I have been on every continent (except Antarctica). I have had some part of my body in every ocean in the world and have been from above the Arctic Circle to just short of the Antarctic Circle. I have flown around the world several times and worked in over twenty-five countries. Whew! So much for that intro. I originally had these stories in a random order. (Whatever memories came to mind, I wrote them down.) But since then, I have tried to put these stories in the best chronological order that I can remember. There are some holes in the memories, some names can't be pulled up, but I have done the best I can. Please enjoy. John

exes and the ohs: Report ... in Ex Parte No. MC-15 , 1940

exes and the ohs: Nearlyweds Beth Kendrick, 2006-11-07 An irresistible, romantic comedy from award-winning author Beth Kendrick—three wildly different women form an unlikely friendship as they try to decide whether they'd re-do their I Do's. They've had the white dresses and the fancy receptions. But now that the honeymoon's over, Stella, Casey, and Erin have each had to face some hard truths about the men they've married and the lives they've chosen. So when the news breaks that the pastor who presided over their weddings failed to file a few critical pieces of paper, none of these newlyweds is rushing down to the courthouse to legalize her vows. Instead, the brides share their hopes, disappointments, and secrets while grappling with that pivotal question: Should they stay or should they go? Everyone says the first year of marriage is the hardest...but what would you do if you found out that you were never really married in the first place?

exes and the ohs: How Not to Make a Short Film Roberta Marie Munroe, 2009-01-09 Anyone can make a short film, right? Just grab some friends and your handheld and you can do it in a weekend or two before being accepted to a slew of film festivals, right? Wrong. Roberta Munroe screened short film submissions at Sundance for five years, and is an award-winning short filmmaker in her own right. So she knows a thing or two about how not to make a short film. From the first draft of your script to casting, production, editing, and distribution, this is your one-stop primer for breaking into the business. Featuring interviews with many of today's most talented writers, producers, and directors, as well as revealing stories (e.g., what to do when the skinhead crack addict next door begins screaming obscenities as soon as you call action) from the sets of her own short films, Roberta walks you through the minefield of mistakes that an aspiring filmmaker can make--so that you don't have to make them yourself.

exes and the ohs: Encyclopedia of African American Actresses in Film and Television Bob McCann, 2022-09-23 The first work of its kind, this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009. It includes entries on well-known and nearly forgotten actresses, running the gamut from Academy Award and NAACP Image Award winners to B-film and blaxploitation era stars. Each entry has a complete filmography of the actress's film, TV, music video or short film credits. The work also features more than 170 photographs, some of them rare images from the Schomburg Center for Research in Black Culture.
