hannah kristin the nightingale: Kristin Hannah's The Nightingale Honest Reviews Staff, Kristin Hannah, 2015-06-25 A Novel by Kristin Hannah | Summary & Analysis This book has two main characters, although a number of other characters feature quite significantly. Time spans 1939 to 1995 and place switches back and forth between wartime France and Oregon, USA in 1995. Vianne and Isabelle are two French sisters, one in her late twenties and the other aged 18 years old in 1939 at the very beginning of World War II in Europe. The Nightingale is both of their stories, as they describe in turn how they each found out, during the course of World War II, who they wanted to be, as well as who they were and what they would do to survive. The two sisters have had a very up and down relationship prior to 1939. Julien, their father, came back from World War I a changed man, and the premature death of his wife and their Maman did not help his recovery. After his wife's death he deposits the two girls, 14 year old Vianne and 4 year old Isabelle with the housekeeper at Le Jardin, his family's ancestral home in the French countryside. He returns to Paris to another family owned apartment where he continues to mourn his loss alone, whilst running an intellectual bookshop. He shuts the two girls out of his life. Vianne meets Antoine, her one true love, marries early and is a mother by 17, ever since running Le Jardin as its mistress. Isabelle is sent to boarding school at 7 and she copes with her mother's loss and rejection by her father, by rebelling and being thrown out of many schools. The book is also about love in all its forms: the love of parents for their children, the love between sisters, the love between friends and the love between two lovers. The two sisters both contribute in their own way, to help fight against the oppression of the Nazis - Isabelle becomes a member of the Free France resistance and Vianne helps hide Jewish children in a Catholic orphanage from the Nazis. Both of them find unexpected inner strengths in order to deal with the challenges they face in order to survive during World War II. They also discover people are not always black and white, and unexpected goodness is found, even in wartime. Or maybe because of wartime.

hannah kristin the nightingale: Summary & Analysis of the Nightingale Abookaday, 2016-07-28 BRIEF/VAGUE SUMMARY OF ENTIRE NOVEL It is 1939 in France and rumors and stories of war have begun to sweep the country. Vianne and Isabelle Rossignol are two sisters who couldn't be more alike, and have already suffered the tragedy of losing their mother to illness and their father to grief and alcohol, and instead of bringing them closer this has driven them apart. Vianne, a timid, housewife and mother, refuses to believe war is coming, and does everything in her power to ignore the inevitable, naively believing the war will not touch her and her family. Isabelle on the other hand is a rambunctious, angry, beautiful young woman who is overly eager to join in the war effort to keep France safe. When war breaks out in France however, the two soon learn that they cannot go on behaving the way they have; Vianne has to learn to be tough and strong, her husband having been drafted into the war and a German billeting at her home, Vianne now must learn to take control and be strong for those she loves. Isabelle on the other hand learns that the world is not as black and white as she had believed and that fighting for what she believes in is not

nearly as glamorous or easy to do as she originally thought. However, it is through all the following years of war, sacrifice and suffering, that these two women, these sisters, come to realize their true selves and what they are really capable of, and after enduring the hardships of cold, starvation, angry and vicious Germans, unimaginable loss and constant fear for their lives, the two come to see what really matters in life; family, love, forgiveness and a strong sense of self.
