

king james bible authorised version

Introduction to the King James Bible Authorized Version

King James Bible Authorized Version refers to one of the most influential and widely read translations of the Christian Bible in the English-speaking world. Commissioned in 1604 and completed in 1611 under the auspices of King James I of England, this translation has shaped religious thought, liturgy, and literature for over four centuries. Its enduring legacy stems from its majestic language, scholarly accuracy for its time, and the profound cultural impact it has had on English-speaking societies. As the most read and distributed English Bible for centuries, the King James Version (KJV) remains a cornerstone of Christian faith and biblical scholarship.

Historical Background and Origins

The Need for a New Translation

During the late 16th and early 17th centuries, England was experiencing religious upheaval and debates over biblical translations. Prior to the KJV, several versions existed, including the Geneva Bible (1560) and the Bishop's Bible (1568). However, each had its own limitations and biases, which sometimes led to disagreements among different Christian denominations.

The desire for a unified, authoritative, and accessible translation prompted the English church to undertake a new project. King James I, who ascended the throne in 1603, supported this initiative to foster religious unity and to produce a translation that would be acceptable across various factions within the Church of England.

The Commissioning and Development Process

In 1604, King James I authorized a committee of around 54 scholars, divided into six groups, to work on translating the Bible from the original Hebrew, Aramaic, and Greek texts. Their goal was to produce a version that was both accurate and majestic in language, suitable for public reading, private study, and liturgical use.

The translation process involved:

- Consulting earlier translations such as the Tyndale Bible, Geneva Bible, and Bishop's Bible.
- Relying on the best available Hebrew and Greek manuscripts of the time.
- Engaging in intensive review, cross-checking, and consultation among the teams.
- Incorporating linguistic, theological, and literary considerations to produce a translation that was both faithful and poetic.

The translation was completed in 1610 and published in 1611, with subsequent editions refining and standardizing the text.

Features of the King James Bible Authorized Version

Language and Literary Style

The KJV is renowned for its majestic, poetic diction, which has significantly influenced English literature. Its use of parallelism, rhythm, and memorable phrases have made it a literary masterpiece. Notable features include:

- Use of formal, elevated language designed to evoke reverence.
- Memorable phrases like "The Lord is my shepherd" (Psalm 23) and "For such a time as this" (Esther 4:14).
- Repetitive structures that aid memorization and recitation.

Translation Philosophy and Approach

The translators aimed for a balance between word-for-word accuracy and readability. Their approach emphasized:

- Fidelity to the original texts.
- Clarity for public worship and personal study.
- Preservation of the literary beauty of Scripture.

The translation employed a committee-based review process, allowing for multiple perspectives and reducing individual bias.

Major Textual Sources and Manuscripts

The KJV's translation was based on several key Hebrew and Greek manuscripts available at the time,

including:

- The Masoretic Text for the Old Testament.
- The Textus Receptus for the New Testament.
- Some use of Latin and earlier English translations for contextual reference.

While subsequent discoveries of older manuscripts have led to more modern translations, the KJV's reliance on the Textus Receptus has been both a point of critique and a defining feature.

The Impact and Influence of the King James Bible

Religious and Theological Significance

The KJV became the standard Bible for English-speaking Protestants and played a central role in shaping theological doctrines and liturgical practices. Its influence includes:

- Standardization of biblical language in churches.
- Inspiration for countless sermons, hymns, and religious writings.
- A unifying text that transcended denominational differences.

Cultural and Literary Contributions

Beyond its religious importance, the KJV has profoundly impacted Western literature and culture:

- It has inspired poets, authors, and playwrights such as John Milton and William Blake.
- Many phrases from the KJV have entered common English usage.
- Its poetic style has influenced English prose and rhetoric.

Enduring Legacy and Modern Revisions

While newer translations such as the New International Version (NIV), New Revised Standard Version (NRSV), and others have emerged, the KJV remains popular for its literary beauty and historical importance. Its legacy continues through:

- Various modern editions with updated language for contemporary readers.
- The continued use in liturgy, education, and personal devotion.

- The preservation of its text in digital and print formats worldwide.

Controversies and Criticisms

Textual Accuracy and Manuscript Base

Critics have argued that the KJV's reliance on the Textus Receptus and the Masoretic Text, rather than older manuscripts discovered later, led to inaccuracies or translation biases. Modern scholarship prefers translations based on more ancient manuscripts like the Dead Sea Scrolls and the Alexandrian texts.

Language and Readability Challenges

The archaic language of the KJV can pose comprehension difficulties for contemporary readers. Phrases and vocabulary that were familiar in the 17th century may be obscure today.

Doctrinal Variations

Some theological perspectives find certain translation choices of the KJV to be theologically biased or outdated, leading to calls for more precise or ecumenical translations.

The Continuing Relevance of the King James Bible Authorized Version

Despite criticisms and the advent of numerous modern translations, the KJV remains a vital part of Christian worship and study. Its influence persists because:

- It embodies a poetic and majestic style of biblical language.
- It has historical significance in shaping religious thought and practice.
- Its phrases and expressions continue to resonate in literature, music, and culture.

Many churches and individuals prefer the KJV for its reverent tone and literary beauty, often viewing it as a symbol of tradition and doctrinal continuity.

Conclusion

The **King James Bible Authorized Version** stands as a monumental achievement in biblical translation history. Its origins in the early 17th century reflect a desire for a unified, authoritative, and poetic rendition of Scripture that could serve both the church and the nation. Over centuries, it has left an indelible mark on religious practice, literature, and cultural identity, establishing itself not only as a sacred text but also as a linguistic and literary treasure. While modern translations continue to develop and address contemporary linguistic needs, the KJV's legacy endures, reminding believers and scholars alike of its profound influence on the English-speaking world's spiritual and cultural landscape.

Frequently Asked Questions

What is the King James Bible Authorized Version?

The King James Bible Authorized Version is a translation of the Bible into English commissioned by King James I of England in 1604 and first published in 1611. It is widely regarded for its literary beauty and historical significance among Christian denominations.

Why is the King James Bible considered the 'Authorized Version'?

It is called the 'Authorized Version' because it was officially approved and authorized by the Church of England for public reading and use in worship services, establishing it as the standard English Bible for centuries.

How does the King James Bible differ from other modern translations?

The King James Bible is based on early Hebrew and Greek manuscripts and is known for its poetic and archaic language. Modern translations often use more recent manuscript discoveries and contemporary language, which can lead to differences in wording and interpretation.

What influence has the King James Bible had on English literature and culture?

The King James Bible has profoundly influenced English literature, poetry, and speech, contributing numerous idioms and phrases that are still in use today. Its literary style has shaped Western culture's religious and literary expression for over four centuries.

Are there any controversies associated with the King James Bible

Authorized Version?

Yes, some controversies include debates over its translation accuracy, its influence on religious doctrine, and the use of archaic language. Additionally, some modern scholars and religious groups prefer newer translations for theological or linguistic reasons.

Additional Resources

King James Bible Authorized Version: A Landmark in Religious and Literary History

The King James Bible Authorized Version, often simply called the King James Bible or KJV, stands as one of the most influential and enduring translations of the Christian Scriptures. Commissioned in the early 17th century, this translation has left an indelible mark not only on religious practice but also on the English language, literature, and culture at large. Its enduring popularity and scholarly significance have cemented its place as a cornerstone of Christian faith and historical scholarship.

Origins and Historical Context

The Political and Religious Climate of Early 17th Century England

The late 16th and early 17th centuries were tumultuous times for England. The Protestant Reformation had already significantly altered religious practices, and the Church of England was seeking to establish a definitive Bible translation that would unify its followers and counter Catholic influences.

King James I ascended to the throne in 1603, inheriting a kingdom rife with religious divisions. Recognizing the need for a standardized Scripture that could serve both the church and the state, James commissioned a new translation. This was also a strategic move to consolidate royal authority over religious matters and to produce a text that could foster unity across different factions.

The Translation Commission and Process

In 1604, King James I authorized a team of about 47 scholars, organized into several committees based at Oxford, Cambridge, and Westminster. Their task was to review existing translations, including the Bishops' Bible, Tyndale's work, the Geneva Bible, and others, and produce a new, authoritative version.

The translation process was rigorous and meticulous. Scholars used the original Hebrew, Aramaic, and Greek texts, as well as earlier translations, to ensure accuracy and fidelity to the original scriptures. They aimed for a balance between literal translation and readability, which has contributed to the text's poetic and memorable style.

The project was completed in 1611, and the resulting publication was titled "The Holy Bible, Conteyning the Old Testament and the New."

The Language and Literary Style of the King James Bible

Poetic and Memorable Language

One of the most distinctive features of the KJV is its majestic, poetic language. The translators employed a formal, dignified style that balances clarity with grandeur. Phrases like "The Lord is my shepherd" (Psalm 23:1) and "In the beginning God created the heaven and the earth" (Genesis 1:1) have become embedded in the cultural fabric of English-speaking societies.

Impact on English Literature and Culture

The KJV's literary qualities have influenced countless writers, poets, and speakers. Its idiomatic expressions, metaphors, and cadences have permeated English literature and speech. Phrases such as "a thorn in the flesh" or "the powers that be" originated from this translation and are still in common use.

Notable Literary Features

- Use of parallelism and repetition for emphasis
- Rich imagery and poetic devices
- Balanced sentence structures that enhance memorability

Theological Significance and Use

The Role in Worship and Personal Devotion

From its inception, the KJV was intended for both public worship and private reading. Its rhythmic and poetic qualities made it suitable for memorization and recitation, fostering a personal connection with Scripture.

Influence on Christian Denominations

While some denominations prefer newer translations, the KJV remains the preferred version for many Protestant groups, including Baptists, Anglicans, and conservative Evangelicals. Its authoritative tone and traditional language continue to resonate with believers.

Theological Accuracy and Controversies

Though widely regarded as a faithful translation, the KJV has faced scholarly scrutiny regarding certain translation choices and textual bases. Advances in biblical scholarship and discoveries of earlier manuscripts have led to debates about its accuracy, prompting some to seek more recent translations for academic study.

The Evolution and Legacy of the King James Bible

Printing and Distribution

Since its first publication, the KJV has undergone numerous printings, editions, and revisions. Its widespread distribution facilitated literacy, education, and religious practice across the English-speaking world.

Cultural and Social Impact

The KJV has shaped Western culture profoundly. It influenced not just religious thought but also art, music, and even political discourse. Many national speeches and literary works draw upon its imagery and phrasing.

Modern Revisions and Editions

While the 1611 version remains the most iconic, modern editions have incorporated updates for readability, clarity, and scholarship. Notable editions include the 1769 Oxford edition, which standardized much of the modern text, and contemporary translations inspired by the KJV's style.

The Continuing Influence of the King James Bible

In Education and Academia

The KJV remains a staple in theological seminaries and religious studies. Its historical significance makes it a vital resource for understanding biblical history, translation history, and the development of English literature.

In Contemporary Religious Practice

Despite the proliferation of newer translations, the KJV retains its popularity for memorization, liturgy, and personal devotion. Its resonant language continues to inspire millions worldwide.

Its Enduring Relevance

The KJV's legacy lies in its combination of linguistic beauty, theological authority, and cultural impact. It exemplifies how a translation can transcend its original purpose to become a cultural artifact.

Conclusion

The King James Bible Authorized Version is more than a religious text; it is a monumental achievement in language, history, and culture. Its translation process, poetic style, and theological influence have made it a foundational text for countless generations. As scholars continue to study its origins and significance, the KJV remains a testament to the enduring power of carefully crafted language and faith. Whether used in worship, study, or cultural reference, the King James Bible's legacy endures, shaping the spiritual and literary landscape for centuries to come.

King James Bible Authorised Version

king james bible authorised version: The Holy Bible : Old and New Testaments (King James Version) GOD, Various, The Holy Bible : Old and New Testaments (King James Version) This book include History of King James Bible and their work. The King James Version (KJV), commonly known as the Authorized Version (AV) or King James Bible (KJB), is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611. First printed by the King's Printer Robert Barker, this was the third translation into English to be approved by the English Church authorities. The first was the Great Bible commissioned in the reign of King Henry VIII, and the second was the Bishops' Bible of 1568. In January 1604, King James I convened the Hampton Court Conference where a new English version was conceived in response to the perceived problems of the earlier translations as detected by the Puritans, a faction within the Church of England. James gave the translators instructions intended to guarantee that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy. The translation was done by 47 scholars, all of whom were members of the Church of England. In common with most other translations of the period, the New Testament was translated from Greek, the Old Testament was translated from Hebrew text, while the Apocrypha were translated from the Greek and Latin. In the Book of Common Prayer (1662), the text of the Authorized Version replaced the text of the Great Bible - for Epistle and Gospel readings - and as such was authorized by Act of Parliament. By the first half of the 18th century, the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches. Over the course of the 18th century, the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars. Today, the most used edition of the King James Bible, and often identified as plainly the King James Version, especially in the United States, closely follows the standard text of 1769, edited by Benjamin Blayney at Oxford.

king james bible authorised version: The Holy Bible King James Version, 2019-01-09 The King James Version (KJV) is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611. The Bible is a canonical collection of texts considered sacred in Judaism and Christianity. There is no single Bible and many Bibles with varying contents exist. The term Bible is shared between Judaism and Christianity, although the contents of each of their collections of canonical texts is not the same. Different religious groups include different books within their Biblical canons, in different orders, and sometimes divide or combine books, or

incorporate additional material into canonical books.

king james bible authorised version: *Bible* The The Bible, 2021-05-31 The King James Version (KJV), also known as the King James Bible (KJB), sometimes as the English version of 1611, or simply the Authorized Version (AV), is an English translation of the Christian Bible for the Church of England, commissioned in 1604 and completed as well as published in 1611 under the sponsorship of James VI and I. The books of the King James Version include the 39 books of the Old Testament, and the 27 books of the New Testament. Noted for its majesty of style, the King James Version has been described as one of the most important books in English culture and a driving force in the shaping of the English-speaking world.

king james bible authorised version: THE KING JAMES BIBLE Edward D. Andrews, 2018-08-10

king james bible authorised version: *HISTORY OF ENGLISH VERSIONS OF THE BIBLE* Edward D. Andrews, 2019-10-22 The fascinating story of how we got the English Bible in its present form starts 1,120 years ago. *HISTORY OF ENGLISH VERSIONS OF THE BIBLE* covers the fascinating journey of the Bible from the 9th century AD to the beginning of the 20th-century. The chief translator of the Updated American Standard Version Edward D. Andrews invites readers to explore the process of from the early manuscripts to contemporary translations today. And so, it was that translators like William Tyndale were martyred for the honor of giving the people a Bible that could easily be understood. What a price they had paid, however; it was a priceless gift! Tyndale and others before and after him had worked with the shadow of death towering over their heads. However, by delivering the Bible to many people in their native tongue, they opened up before them the possibility, not of death, but life eternal. As Jesus Christ said in the Tyndale Bible, "This is lyfe eternall that they myght knowe the that only very God and whom thou hast sent Iesus Christ." (John 17:3) May we, therefore, know the value of what we can now hold in our hands, and may we diligently study God's Word.

king james bible authorised version: *King James Bible 1611* Vintage Archives, Vintage Archives Staff, 1999-09-01 In January 1604, King James I of England convened the Hampton Court Conference where a new English version of the Holy Bible was conceived in response to the perceived problems of the earlier translations as detected by the Puritans, a faction within the Church of England. These problems included Psalm 28, the Great Bible stated, 'They were not disobedient, ' where as the corrected translation was 'They were not obedient.' Completed by the King's printer Robert Barker in 1611, this King James Bible brings about a whole new look to the Holy Bible. With daily reading schedules and extensive biblical family trees, this Bible covers everything and anything. Under strict restrictions from King James, the translators formed a Bible that soon became the Holy Bible that was found on the pulpit of the Church of England, replacing its predecessor the Bishop's Bible. From the original woodblock printing, we have created an exact reproduction of the original King James Bible. The King James version is the most printed book in history, boasting over 1 billion copies in print, but this 1611 reproduction lets you experience this great work in its original form. - Publisher.

king james bible authorised version: *The King James Version of the Bible* King James, Murat Ugray, 2014-09-23 The King James Version (KJV), commonly known as the Authorized Version (AV) or King James Bible (KJB), is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611. First printed by the King's Printer Robert Barker, this was the third translation into English to be approved by the English Church authorities. The first was the Great Bible commissioned in the reign of King Henry VIII, and the second was the Bishops' Bible of 1568. In January 1604, King James I convened the Hampton Court Conference where a new English version was conceived in response to the perceived problems of the earlier translations as detected by the Puritans, a faction within the Church of England. James gave the translators instructions intended to guarantee that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy. The translation was done by 47 scholars, all of whom were members of the Church of England. In common with most other translations of the period, the New Testament was translated from Greek, the Old Testament was translated from Hebrew text, while the Apocrypha were translated from the Greek and Latin. In the Book of Common Prayer (1662), the text of the Authorized Version replaced the text of the Great Bible - for Epistle and Gospel readings - and as such was authorized by Act of Parliament. By the first half of the 18th century, the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches. Over the course of the 18th century, the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars. Today, the most used edition of the King James Bible, and often identified as

plainly the King James Version, especially in the United States, closely follows the standard text of 1769, edited by Benjamin Blayney at Oxford. Editorial Criticism: F. H. A. Scrivener and D. Norton have both written in detail on editorial variations which have occurred through the history of the publishing of the Authorized Version from 1611 to 1769. In the 19th century, there were effectively three main guardians of the text. Norton identified five variations among the Oxford, Cambridge and London (Eyre and Spottiswoode) texts of 1857, such as the spelling of farther or further at Matthew 26:29. In the 20th century, variations between the editions was reduced to comparing the Cambridge to the Oxford. Distinctly identified Cambridge readings included or Sheba (Josh. 19:2), sin (2 Chr. 33:19), cliffs (Job 30:6), vapour (Psalm 148:8), flieth (Nah. 3:16), further (Matt. 26:39) and a number of other references. In effect the Cambridge was considered the current text in comparison to the Oxford. Cambridge University Press introduced a change at 1 John 5:8 in 1985 reverting its longstanding tradition of having the word spirit in lower case to have a capital letter S. It has also done the same in some of its publications in Acts 11:12 and 11:28. These are instances where both Oxford and Cambridge have now altered away from Blayney's 1769 Edition. The distinctions between the Oxford and Cambridge editions has been a major point in the Bible version debate. Differences among Cambridge editions, in the 21st century, has become a potential theological issue, particularly in regard to the identification of the Pure Cambridge Edition. Translation The English terms rejoice and glory stand for the same word in the Greek original. In Tyndale, Geneva and the Bishops' Bibles, both instances are translated rejoice. In the Douay-Rheims New Testament, both are translated glory. Only in the Authorized Version does the translation vary between the two verses. In the Old Testament the translators render the Tetragrammaton YHWH by the LORD (in later editions in small capitals as LORD), or the LORD God

king james bible authorised version: Bible: The Story of the King James Version

1611-2011 Gordon Campbell, 2010-10-28 This is a history of the King James Version of the Bible (known in Britain as the Authorised Version) over the four hundred years from its remote beginnings to the present day. Gordon Campbell, expert in Renaissance literatures, tells the fascinating and complex story of how this translation came to be commissioned, of who the translators were, and of how the translation was accomplished. The story does not end with the printing of that first edition, but introduces the subsequent generations who edited and interacted with the text. The present text of the King James Version differs in thousands of small details from the original edition. Campbell traces the textual history from 1611 to the establishment of the modern text by Oxford University Press in 1769. Attitudes to the King James Version have shifted through time and territory, ranging from adulation to deprecation and attracting the attention of a wide variety of adherents. It is more widely read in America today than in any other country, and its particular history in there is given due attention. Generously illustrated with reproductions taken from early editions, this volume helps to explain the enduring popularity of the King James Version throughout the world today.

king james bible authorised version: The Bible: King James Version (KJV) , 2022-09-07 This full text edition of the ever-popular Authorised King James Version Bible includes both the Old and New Testaments, with all its literary beauty and poetic grandeur. Presented in a white and de-bossed foil cover, it is the cornerstone of the William Collins 200-year anniversary celebration. William Collins began his publishing business in Glasgow City Centre in 1819 and then gained the licence to print the KJV in 1839. A popular best-seller for centuries, Collins has sold over 1 million gift Bibles of this version alone. The KJV has been entwined with our language and culture for decades and remains a powerful foundation of the Church today, connecting us to our past as we bring the word of God to life in the present and for future generations. 'It is impossible to exaggerate the importance of the King James Bible and its impact on the English-speaking world. Scripture in the vernacular, available widely, one authorised translation to shape the Church, a translation mandated by the king, tying together Church and State. And beyond all practical details, a beautiful, poetic, majestic translation that has stood the test of time. The King James Bible is a wonderful work of literature, and the bedrock of the English language.' The Most Revd and Rt Hon Justin Welby Archbishop of Canterbury (Extract from Foreward)

king james bible authorised version: The King James Version of the Bible King King James, 2017-10-04 The King James Version (KJV), also known as the King James Bible (KJB) or simply the Authorized Version (AV), is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611.[a] The books of the King James Version include the 39 books of the Old Testament, an intertestamental section containing 14 books of the Apocrypha (most of which correspond to books in the Vulgate Deuterocanon adhered to by Roman Catholics), and the 27 books of the New Testament. It was first printed by the King's Printer Robert Barker and was the third translation into English approved by the English Church authorities. The first had been the Great Bible, commissioned in the reign of King Henry VIII (1535), and the second had been the Bishops' Bible of 1568. In January 1604, James VI and I convened the Hampton Court Conference, where a new English version was conceived in response to the problems of the earlier translations perceived by the Puritans,[4] a faction of the Church of England. The translation is noted for its majesty of style, and has been described as one of the most important books in English culture and a driving force in the shaping of the English-speaking world. James gave the translators instructions intended to ensure that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy. The translation was done by 47 scholars, all of whom were members of the Church of England.[9] In common with most other translations of the period, the New Testament was translated from Greek, the Old Testament from Hebrew and Aramaic, and the Apocrypha from Greek and Latin. In the Book of Common Prayer (1662), the text of the Authorized Version replaced the text of the Great Bible for Epistle and Gospel readings (but not for the Psalter, which substantially retained Coverdale's Great Bible version) and as such was authorised by Act of Parliament. By the first half of the 18th century, the Authorized Version had become effectively unchallenged as the English translation used in Anglican and English Protestant churches, except for the Psalms and some short passages in the Book of Common Prayer of the Church of England. Over the course of the 18th century, the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English-speaking scholars. With the development of stereotype printing at the beginning of the 19th century, this version of the Bible became the most widely printed book in history, almost all such printings presenting the standard text of 1769 extensively re-edited by Benjamin Blayney at Oxford, and nearly always omitting the books of the Apocrypha. Today the unqualified title King James Version usually indicates that this Oxford standard text is meant.

king james bible authorised version: King James's Bible W. H Stevenson, 2013-12-16
Without an understanding of Biblical stories, readers lose out on much of the richness of English literature, as authors from Milton through T.S. Eliot to Jeanette Winterson draw inspiration from Biblical stories in their own writing. This user-friendly annotated selection of key passages from the King James's Bible clarifies the key themes, characters, stories and genealogies for students, offering timelines, a bibliography, and a detailed index for quick and easy reference. The original 1984 version, of which this is a revised edition, was written by Bill Stevenson as a response to his students' difficulty with biblical references in literature - a selection from the King James's Bible that would give the student a notion of what the book contains, including the history of the 1611 text, the strands of imagery that bind the whole together. It gives the student a brief overview of the political, historical and religious contexts of the stories in the Bible as well as a brief history of the different versions of the Bible.

king james bible authorised version: Holy Bible: King James Version King Version, 2018-06-28 Holy Bible: King James Version is an English translation of the Bible that was done under the patronage of King James I and published in 1611. This is a work of the 47 translators, members of the Church of England. The book was created during the travails between the Catholicism and the Reformation. This translation, that retracted the former errors, was done in order to strengthen wavered positions of the Church of England. It consists of the 27 books of the New Testament and the 39 books of the Old Testament.
