marks spencer recipe book: The A.O.C. Cookbook Suzanne Goin, 2013-10-29 Since her James Beard Award-winning first book, *Sunday Suppers at Lucques*, Suzanne Goin and her Los Angeles empire of restaurants have blossomed and she has been lauded as one of the best chefs in the country. Now, she is bringing us the recipes from her sophomore restaurant, A.O.C., turning the small-plate, shared-style dishes that she made so famous into main courses for the home chef. Among her many recipes, you can expect her addictive Bacon-Wrapped Dates with Parmesan; Duck Sausage with Candied Kumquats; Dandelion and Roasted Carrot Salad with Black Olives and Ricotta Salata; California Sea Bass with Tomato Rice, Fried Egg, and Sopressata; Lamb Meatballs with Spiced Tomato Sauce, Mint, and Feta; Crème Fraîche Cake with Santa Rosa Plums and Pistachios in Olive Oil; and S'Mores with Caramel Popcorn and Chocolate Sorbet. But *The A.O.C. Cookbook* is much more than just a collection of recipes. Because Goin is a born teacher with a gift for pairing seasonal flavors, this book is full of wonderful, eye-opening information about the ingredients that she holds dear. She takes the time to talk you through each one of her culinary decisions, explaining her palate and how she gets the deeply developed flavor profiles, which make even the simplest dishes sing. More than anything, Goin wants you to understand her techniques so you enjoy yourself in the kitchen and have no problem achieving restaurant-quality results right at home. And because wine and cheese are at the heart of A.O.C., there are two exciting additions. Caroline Styne, Goin's business partner and the wine director for her restaurants, presents a specific wine pairing for each dish. Styne explains why each varietal works well with the ingredients and which flavors she's trying to highlight, and she gives you room to experiment as well—showing how to shape the wine to your own palate. Whether you're just grabbing a glass to go with dinner or planning an entire menu, her expert notes are a real education in wine. At the back of the book, you'll find Goin's amazing glossary of cheeses—all featured at A.O.C.—along with the notes that are given to the waitstaff, explaining the sources, flavor profiles, and pairings. With more than 125 full-color photographs, *The A.O.C. Cookbook* brings Suzanne Goin's dishes to life as she continues to invite us into her kitchen and divulge the secrets about what makes her food so irresistibly delicious.

marks spencer recipe book: The Secret Gospel of Mark Spencer Reece, 2021-03-16 An exquisite memoir of a life saved by poetry. This is a portrait of the artist, narrated by a priest and a poet and a gay man with tenderness and searing honesty. Spencer Reece weaves the poetry he loves into how he has lived, the poetry as solace and relief, as confirmation and rescue, as redemption. —Colm Toibín The Secret Gospel of Mark is a powerful dynamo of a story that delicately weaves the author's experiences with an appreciation for seven great literary touchstones: Elizabeth Bishop, Sylvia Plath, Emily Dickinson, James Merrill, Mark Strand, George Herbert, and Gerard Manley Hopkins. In speaking to the beauty these poets' works inspire in him, Reece finds the beauty of his own life's journey, a path that runs from coming of age as a gay teenager in the 1980s, Yale, alcoholism, a long stint as a Brooks Brothers salesman, Harvard Divinity School, and leads finally to hard-won success as a poet, reconciliation with his family, and the fulfillment of finding his life's work as an Episcopal priest. Reece's writing approaches the truth and beauty of the writers who have influenced him; elliptical and direct, always beautifully rendered.

What made the Romans laugh? That is just a small taste of this selection (and some of the choicer responses) which will inform, occasionally provoke and cannot fail to entertain.

marks spencer recipe book: Cook For Your Life Ann Ogden Gaffney, 2015-09-29 2016 James Beard Award nominee and 2016 Books For A Better Life Award winner A beautiful, unique cookbook with delicious recipes for all stages of cancer treatment and recovery, from a two-time cancer survivor and founder of the Cook for Your Life nutrition-based cooking programs. Cook for Your Life

is a one-of-a-kind cookbook for those whose lives are touched by cancer, organized by the patient's needs. Self-taught home cook and two-time cancer survivor Ann Ogden Gaffney discovered during her months of treatment for breast cancer that she was able to find powerful relief for her symptoms through cooking. Realizing that other patients and families could benefit from the skills and techniques she'd learned, she began to offer advice, recipes, and free classes to fellow patients. A former fashion consultant, Gaffney realized after her treatment that her heart was no longer in seasonal colors and hemline trends. Instead, she wanted to help people with cancer and their families cook and care for themselves. In 2007, the nonprofit organization Cook for Your Life was born. Its programs have received funding from the National Institutes of Health (NIH) and have been embraced by organizations such as Columbia University's Mailman School of Public Health, Mount Sinai Health System, Atlantic Health System Cancer Care, the American Cancer Society's Hope Lodge in New York City, and more. Cook for Your Life has touched hundreds of thousands of lives. Now Gaffney delivers her very first highly anticipated cookbook, based on Cook for Your Life's classes. So many cancer cookbooks are too complicated to follow for someone going through the treatment, or too clinical and uninspired to encourage anyone with compromised taste buds to enjoy. This is the first cookbook to organize the recipes into categories according to the way patients feel and their needs in the moment—for example, "Simple" recipes when the patient is fatigued, "Safe" recipes when a patient's immune system is compromised, and "Spicy" recipes when a patient is feeling better and needs to wake up her taste buds. With its warmth, authority, beautiful design, and smartly conceived format, Cook for Your Life empowers patients and families to cook their way back to health.

A tasty compendium of spices and a fascinating history and wide array of uses of the world's favorite flavors—The Book of Spice: From Anise to Zedoary reveals the amazing history of spices both familiar and esoteric. John O'Connell's erudite chapters combine history with insights into art, religion, medicine, science, and is richly seasoned with anecdotes and recipes. Discover why Cleopatra bathed in saffron and mare's milk, why wormwood-laced absinthe caused eighteenth century drinkers to hallucinate and how cloves harvested in remote Indonesian islands found their way into a kitchen in ancient Syria. Almost every kitchen contains a bottle of cloves or a stick of cinnamon, almost every dish a pinch of something, whether chili or cumin. The Book of Spice is culinary history at its most appetizing.
