

the woman who ran with wolves

The Woman Who Ran With Wolves: Exploring the Myth, Mystery, and Meaning

The woman who ran with wolves is a phrase that evokes primal strength, wild independence, and a daring connection to nature. This concept has captured the imagination of many, inspired by stories, folklore, and the influential book by Clarissa Pinkola Estés. At its core, it symbolizes a woman's journey to reclaim her authentic self by reconnecting with her innate instincts and wild spirit. In this article, we delve into the origins, themes, and significance of this powerful metaphor, exploring how it resonates in contemporary life and psychology.

The Origins of the Phrase: From Myth to Modern Interpretation

Clarissa Pinkola Estés and "Women Who Run With the Wolves"

The phrase gained widespread popularity through the groundbreaking book "Women Who Run With the Wolves" by Clarissa Pinkola Estés, published in 1992. Estés, a Jungian psychologist and storyteller, uses myth, fairy tales, and folklore to illustrate the process of feminine self-discovery and empowerment. Her work emphasizes listening to one's intuition, embracing the wild woman archetype, and shedding societal expectations that suppress natural instincts.

The Mythical Roots of the Wild Woman Archetype

The concept of a woman connected to wolves or the wild is rooted in various myths and legends across cultures, including:

- The Little Red Riding Hood story, representing innocence confronted by danger.
- The wolf as a symbol of instinct and primal energy in Native American and European traditions.
- Lupa and Romulus & Remus, the legendary she-wolf nurturing the founders of Rome.
- The myth of the Wild Woman, representing the untamed, instinctive feminine force that exists within every woman.

These stories highlight the duality of civilization versus nature, and the importance of embracing one's instinctual self.

The Symbolism of Running with Wolves

Wolves as Symbols of Intuition, Loyalty, and Freedom

Wolves are often associated with qualities such as:

- Instinct and intuition: Acting on gut feelings rather than societal expectations.
- Loyalty and community: Living in packs, emphasizing connection and cooperation.
- Freedom and independence: Moving freely across the wilderness, unbound by societal constraints.
- Transformation: Wolves symbolize change, adaptability, and resilience.

The Meaning of Running with Wolves

Running with wolves represents a fearless embrace of one's wild nature, trusting intuition, and living authentically. It signifies:

- Reconnecting with instinctual wisdom.
- Breaking free from societal norms that suppress natural tendencies.
- Embracing independence and self-reliance.
- Finding strength in community, yet maintaining individual authenticity.

This metaphor encourages women to step into their power by acknowledging their primal roots and innate capacities.

The Journey to Embrace the Wild Woman Within

Recognizing the Suppressed Self

Many women experience societal pressures that diminish their instinctual nature, leading to feelings of disconnection or dissatisfaction. The journey begins with:

- Self-awareness: Recognizing the parts of oneself that have been suppressed or ignored.
- Healing wounds: Addressing past trauma or societal conditioning that suppresses authenticity.
- Listening to intuition: Learning to trust inner guidance rather than external expectations.

Steps to Running with Wolves

Estes outlines several steps women can take to reconnect with their wild selves:

1. Reclaim your stories: Revisit childhood memories and stories that evoke your natural instincts.
2. Engage in creative expression: Art, dance, writing, and other forms of creativity help access subconscious wisdom.
3. Spend time in nature: Immersing oneself in natural environments to foster primal connection.

4. Practice solitude: Quiet reflection to listen to inner voices.
5. Connect with community: Find supportive groups that encourage authenticity and sharing.

Overcoming Obstacles

The path to embracing the wild woman archetype is not without challenges:

- Societal judgment or criticism.
- Internalized shame or guilt.
- Fear of losing societal acceptance.
- Resistance to change or vulnerability.

Overcoming these obstacles requires courage, patience, and a willingness to step into the unknown.

The Psychological and Cultural Significance

The Jungian Perspective

Carl Jung's archetypes underpin much of the symbolism surrounding the wild woman and wolves:

- The Shadow: Embracing hidden, instinctual parts of oneself.
- The Anima: The feminine aspect within the male psyche that needs acknowledgment.
- Individuation: The process of integrating all parts of oneself into a cohesive whole.

Running with wolves symbolizes this journey toward self-realization by acknowledging and integrating the wild, instinctive aspects.

Feminist Perspectives

The concept also aligns with feminist ideas of reclaiming feminine power and autonomy:

- Challenging societal expectations that confine women to passive or domestic roles.
- Encouraging women to trust their instincts and make autonomous choices.
- Celebrating women's strength, resilience, and independence.

Cultural Movements and Modern Expressions

Today, the image of women running with wolves appears in:

- Literature and art: Representing empowerment and primal femininity.
- Yoga and spiritual practices: Emphasizing reconnecting with inner wildness.
- Self-help and therapy: Promoting authentic living and intuitive decision-

making.

- Popular culture: Films, music, and social media celebrating fierce, independent femininity.

Practical Ways for Women to Run with Wolves Today

Embrace Your Primal Self

- Connect with nature regularly: Hiking, camping, or simply spending time outdoors.
- Practice mindfulness and meditation: Cultivating awareness of instincts and feelings.
- Engage in physical activities: Dancing, martial arts, or other movement that fosters body awareness.
- Explore storytelling and myths: Learning about cultural symbols of the wild woman.

Build a Supportive Community

- Join groups that promote feminine empowerment.
- Attend workshops or retreats focused on self-discovery.
- Share stories and experiences to foster collective strength.

Personal Practices to Reclaim Your Wildness

- Journaling: Document your feelings, dreams, and instincts.
- Creative expression: Use art, poetry, or music to access subconscious parts.
- Set boundaries: Protect your energy and honor your needs.
- Follow your passions: Engage in activities that make you feel alive and authentic.

The Impact of Running with Wolves on Personal Growth

Self-Discovery and Authenticity

Reclaiming your wild woman archetype leads to a more authentic life, characterized by:

- Greater self-confidence.
- Clearer understanding of personal values.
- Reduced reliance on external validation.

Resilience and Empowerment

Embracing primal instincts fosters resilience, helping women:

- Overcome challenges with courage.
- Trust their judgment.
- Lead with intuition and compassion.

Creating a More Authentic Society

When women embrace their wildness, it can inspire societal change toward greater acceptance of diversity, independence, and authenticity.

Conclusion: Embracing the Wild Woman Within

The woman who ran with wolves embodies the journey of rediscovering and honoring the primal, instinctive aspects of femininity. Through myth, storytelling, and personal practice, women are encouraged to shed societal constraints and embrace their innate power. This journey fosters authenticity, resilience, and a deep connection with oneself and nature. Whether through spiritual practices, creative expression, or community engagement, embracing the wild woman within is a transformative act that leads to a more fulfilled and liberated life. So, dare to run with wolves—trust your instincts, honor your nature, and step into your true self.

The Woman Who Ran With Wolves: An In-Depth Exploration of the Iconic Book and Its Impact

Introduction: A Literary Wilderness Odyssey

In the realm of psychological and spiritual exploration, few books have captivated readers quite like "The Woman Who Ran With Wolves" by Clarissa Pinkola Estés. Since its publication in 1992, this groundbreaking work has become a cornerstone for those seeking to reconnect with their primal instincts, innate wisdom, and untamed spirit. As a blend of folklore, psychology, and storytelling, the book invites readers into a metaphorical wilderness—an inner landscape teeming with archetypes, myths, and transformative truths. Here, we delve into the essence of this literary masterpiece, examining its themes, author background, cultural significance, and why it continues to resonate decades after its debut.

Who Is Clarissa Pinkola Estés? An Expert Profile

Background and Credentials

Clarissa Pinkola Estés is a renowned Jungian psychoanalyst, storyteller, poet, and author. Her extensive academic background includes graduate work in psychology and anthropology, which informs her nuanced understanding of human nature and cultural narratives. Her work often centers around the power of storytelling as a healing tool and a means of awakening the soul.

The Inspiration Behind the Book

Estés's inspiration stems from her multicultural studies, personal healing

journey, and a lifelong fascination with myths, fairy tales, and indigenous stories. She sought to craft a book that would serve as a bridge connecting modern women with their ancestral roots, wild instincts, and inner resources. Her storytelling prowess transforms complex psychological concepts into accessible, poetic narratives that empower readers.

Overview of "The Woman Who Ran With Wolves"

The Core Premise

At its heart, "The Woman Who Ran With Wolves" is a collection of stories, myths, and folk tales from diverse cultures—Native American, European, Middle Eastern, and others—that explore the universal themes of femininity, instinct, and resilience. Estés interprets these stories through a Jungian lens, emphasizing archetypes like the Wild Woman, the Mother, the Crone, and the Shadow.

Structure and Content

The book is organized into several chapters, each focusing on different aspects of the feminine psyche:

- The Wild Woman Archetype: The core symbol representing instinctual, untamed femininity.
- Stories of Transformation: Tales illustrating how women reclaim their power.
- The Shadow: Confronting the darker aspects of oneself for healing.
- Healing through Storytelling: The importance of narrative in understanding and integrating one's inner world.

The narrative style is poetic, richly metaphorical, and deeply evocative, making the reading experience both intellectually stimulating and emotionally resonant.

Key Themes and Concepts Explored

The Wild Woman Archetype

The Wild Woman embodies the instinctual, untamed part of the feminine psyche. Estés emphasizes that reconnecting with this aspect is crucial for emotional health, creativity, and authentic living. She argues that societal expectations often suppress this wildness, leading to feelings of disconnection and loss of purpose.

- Traits of the Wild Woman:
- Intuitive
- Fierce

- Creative
- Resilient
- Connected to nature and instinct

Estés advocates for honoring this archetype as a vital part of the self, not something to be repressed or idealized.

Myth and Folklore as Healing Tools

The book demonstrates how stories serve as mirrors and maps for understanding our inner worlds. Estés interprets myths as living symbols that encode collective wisdom and personal truths. She posits that engaging with these stories allows women to access their subconscious, confront fears, and reclaim lost parts of themselves.

The Power of Storytelling

Estés stresses storytelling as a transformative act. She encourages women to reclaim their narratives, tell their stories authentically, and listen to the stories of others as a pathway to healing. The act of storytelling becomes a way to re-integrate fragmented parts of the psyche.

Shadow Work and Integration

A recurring theme is the necessity of facing one's Shadow—the hidden, often uncomfortable aspects of oneself. Estés suggests that acknowledging and embracing Shadow qualities leads to wholeness and strength rather than shame or denial.

Cultural Significance and Impact

Feminist and Psychological Perspectives

"The Woman Who Ran With Wolves" is often hailed as a feminist text that champions feminine autonomy, intuition, and resilience. It challenges patriarchal narratives that have marginalized or suppressed feminine qualities, urging women to reclaim their power through storytelling and self-awareness.

From a psychological standpoint, the book aligns with Jungian principles, emphasizing the importance of archetypes, integration, and individuation. It has been used in therapy, women's circles, and spiritual retreats worldwide.

Influence on Popular Culture and Self-Help Movements

The book's influence extends beyond academia and therapy. It inspired countless women's groups, creative projects, and personal growth initiatives. Its poetic language and profound insights have made it a staple in spiritual and wellness communities.

Criticisms and Controversies

While widely celebrated, some critics argue that the book's reliance on myth and symbolism may oversimplify complex psychological issues or lack empirical evidence. Others challenge its romanticized view of femininity, cautioning against idealization of the wild archetype. Despite this, its cultural impact remains significant.

Why "The Woman Who Ran With Wolves" Continues to Resonate

Timeless Relevance

In an era of rapid change and societal upheaval, many women seek grounding in their roots and inner strength. Estés's emphasis on reconnecting with instinctual wisdom offers a counterbalance to the often superficial demands of modern life.

Empowerment and Self-Discovery

The book encourages an active engagement with one's inner landscape, fostering empowerment, resilience, and authenticity. It provides a language for women to understand their experiences and reclaim their narratives.

The Art of Listening and Storytelling

By emphasizing storytelling, Estés invites readers to become active participants in their healing journeys, listening to their inner voices and sharing their truths. This approach cultivates community, empathy, and collective healing.

Practical Takeaways and How to Engage with the Material

For Personal Growth

- Reflect on Your Archetypes: Identify which aspects of the Wild Woman resonate with you.
- Engage with Folklore: Read and interpret stories that speak to your personal experiences.
- Practice Storytelling: Share your own stories, journal, or participate in storytelling circles.
- Shadow Work: Confront and integrate hidden parts of yourself with compassion and curiosity.

For Therapists and Educators

- Incorporate myth and storytelling into therapeutic practices.
- Use the book as a resource for exploring feminine psychology.

- Facilitate group discussions around archetypes and personal narratives.

Recommended Activities

- Create a personal myth or story that reflects your journey.
- Spend time in nature to reconnect with the Wild Woman archetype physically.
- Practice mindfulness and intuitive exercises to strengthen instinctual awareness.

Final Thoughts: An Enduring Legacy

"The Woman Who Ran With Wolves" is more than a book; it's a call to awaken the primal, intuitive core of the feminine soul. Clarissa Pinkola Estés masterfully weaves folklore, psychology, and poetry into a tapestry that invites women—and indeed all readers—to rediscover their wildness, embrace their shadows, and live authentically.

Its enduring popularity testifies to its profound truth: that within each of us lies a wild, resilient spirit capable of transformation, healing, and greatness. Whether approached as a spiritual guide, psychological tool, or literary masterpiece, the book remains an invaluable resource for anyone seeking to explore the depths of their inner wilderness.

In conclusion, "The Woman Who Ran With Wolves" stands as a testament to the power of storytelling and the importance of reconnecting with our primal roots. Its lessons continue to inspire, challenge, and empower generations to run free with their inner wolves, embracing the wild woman within.

the woman who ran with wolves: *Women Who Run with the Wolves* Clarissa Pinkola Estés Phd, 1996-11-27 NEW YORK TIMES BESTSELLER • More than 2.7 million copies sold! • "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of

the soul.

the woman who ran with wolves: *Women Who Run with the Wolves* Clarissa Pinkola Estes, 2022-01-06 'Everyone should read this book' Maya Angelou 'Estes points to storytelling, our ancient narratives, as a way for women to reconnect to the Wild Woman all women have within themselves, but have lost' Emma Watson Go out in the woods, go out. If you don't go out in the woods nothing will ever happen and your life will never begin. Within every woman, there lies a powerful force of energy, creativity and self-knowing- their wild woman. For centuries, she has been repressed by a male-orientated value system that trivialises her emotions. Until now. With a combination of time-honoured stories, myths, fairy tales and casework, this is the feminist classic loved by over 2 million women, that will set you on a beautiful path to unleash your inner wild.

the woman who ran with wolves: *The Koryak* Waldemar Jochelson, 2016-04-26 Since the 18th century, researchers and scientists have traveled the peninsula of Kamchatka in the Russian Far East. Many of them were of German origin and had been commissioned by the Russian government to perform specific tasks. Their exhaustive descriptions and detailed reports are still considered some of the most valuable documents on the ethnography of the indigenous peoples of that part of the world. These works inform us about living conditions and particular ways of natural resource use at various times, and provide us with valuable background information for current assessment. As the first profound anthropological descriptions of that region, the publications of the Jesup North Pacific Expedition, undertaken in the first years of the 20th century, marked the beginning of a new era of research in Russia. They represented a shift of the already existing transnational research networks toward North America. Jochelson's work *The Koryak* was an important milestone for Russian and North American anthropology that provides to this day a unique contribution to thoroughly understanding the cultures of the North Pacific rim.

the woman who ran with wolves: *Women who Run with the Wolves* Clarissa Pinkola Estés, 1992-01 *Women Who Run With The Wolves* isn't just another book. It is a gift of profound insight, wisdom and love. An oracle from one who knows.' - Alice Walker. In the classic *Women Who Run With The Wolves*, Clarissa Pinkola Estes tells us about the 'wild woman', the wise and ageless presence in the female psyche that gives women their creativity, energy and power. For centuries, the 'wild woman' has been repressed by a male-orientated value system which trivialises women's emotions. Using a combination of time-honoured stories and contemporary casework, Estes reveals that the 'wild woman' in us is innately healthy, passionate and wise.

the woman who ran with wolves: *Werewolves: The Book of Were-Wolves* by Sabine Baring-Gould, *Werewolves* by Elliott O'Donnell, *The Origin of the Werewolf Superstition* by Caroline Taylor. Illustrated Sabine Baring-Gould, Elliott O'Donnell, Caroline Taylor, 2021-09-02 Legends of wolf-men exist in the beliefs of almost all peoples and cultures. The terror of werewolves reached a climax in the late Middle Ages when Kramer's *Malleus Maleficarum* (Hammer of Witches) linked the creatures to religious heresy, Satanism, and witchcraft. He described the wolf-man transformation as the result of malevolent witchcraft and presented shapeshifting as a common, demonic practice. Baring-Gould's study on werewolves successfully manages to compress an enormous span of historical material into his work. The book is valuable to academics, those interested in folklore, and any wishing to learn more about the occult. Sabine Baring-Gould *The Book of Were-Wolves* Elliott O'Donnell *Werewolves* Caroline Taylor *The Origin of The Werewolf Superstition*

the woman who ran with wolves: *The Wolf & the Witch* Claire Delacroix, 2021-05-11 The three sons of a notorious mercenary should never have met...but now that they are sworn allies, the Scottish Borders will never be the same... Denied his rightful legacy, Maximilian de Vries devised a plan to avenge himself upon his father and see his own future secured. Allied with his two half-brothers, he descends upon ancient and mysterious Kilderrick, determined to seize the keep once promised to him, regardless of the price. A woman rumored to be a witch is the sole one bold enough to defy him but Maximilian has a solution—he will take her to wife, whether she be willing or nay, and seal his claim. But this powerful warrior has yet to match wits with Alys Armstrong, a maiden with a thirst for vengeance and a fury that might exceed his own. Alys has no intention of capitulating to the proud and powerful rogue who stole everything from her—no matter how seductive his touch might be—and she does not share his compulsion to fight fair. Bitter enemies from the outset, Maximilian and Alys' match is a battle of wills. When passion flares, will either of them be able to resist temptation? And when Kilderrick itself is in peril, will they join forces to save the holding they each prize—and the unexpected love they value above all else? * * * The Blood Brothers series: 1. *The Wolf & the Witch* (Maximilian and Alys) 2. *The Hunter & the Heiress* (Amaury and Elizabeth) 3. *The Dragon & the Damsel* (Rafael and Ceara) 4. *The Scot & the Sorceress* (Murdoch and Nyssa) * * * series starter, medieval romance, medieval scottish romance, arranged marriage, marriage of inconvenience, enemies to lovers, abduction, war of wills, second chance, beauty and the beast, scotland, medieval romance, band of brothers

the woman who ran with wolves: I Believed in Me Ambrocio Magaña, 2019-06-05 A part of these stories are true. A common situation for some people, either by nature or by habit, is to criticize or judge others and, often, we don't realize that we make that person or their family feel bad. Sometimes we can even hurt them physically or mentally. Among the stories written here, one is true. One talks about a little girl who was criticized from birth, but who had the intelligence to turn criticism into positive energy; She didn't stop to listen to mediocre nonsense. Another stories

talks about the perpetuation of prejudice or religious faith, without criticizing any religion or offending those who profess them.

the woman who ran with wolves: Marc And Dog Angela White, Dog is running for his life. Wrongly blamed for an attack on a child, the wolf. The last thing he wanted was to be shoved into someone else's survival flight. Marc just returned from a deployment that did little to boost his faith in humanity. He prefers to spend his downtime in parks and forests, avoiding people, but barely a day passes before the Corporal is ambushed and forced to use the skills he developed over nearly six years in the Corps. Except, this time, instead of a gritty fire team or squad of angry Marines fighting alongside, his backup is a lethal wolf that likes to attack when his back is turned. If Marc can't make friends, it may cost both their lives.

the woman who ran with wolves: The North American Indian. Volume 9 - The Salishan tribes of the coast. The Chimakum and the Quilliate. The Willapa. ~ Paperbound ,

the woman who ran with wolves: Myths and Legends of the Sioux Marie L. McLaughlin, 2022-09-16 In *Myths and Legends of the Sioux*, Marie L. McLaughlin meticulously explores the rich tapestry of Sioux storytelling, weaving together narratives that encompass creation myths, heroic legends, and moral tales central to Sioux culture. McLaughlin employs a vibrant, lyrical prose style that invites readers into a world imbued with spirituality and natural imagery, reflecting the oral traditions that have shaped the Sioux identity. This work sits within the broader context of Indigenous literature, emphasizing the significance of oral history and cultural transmission in a rapidly changing world. Marie L. McLaughlin, a dedicated scholar of Native American history and culture, draws upon her extensive research and personal connections to the Sioux community to offer authentic insights into their rich lore. Her academic background in anthropology and her passion for preserving Indigenous voices uniquely position her to narrate these stories, making them accessible and relevant to contemporary audiences. McLaughlin's dedication to uplifting marginalized narratives fuels her ambition to bridge cultural divides through literature. This book is a compelling invitation to immerse oneself in the ethereal realms of Sioux mythology. Readers interested in cultural studies, folklore, and the nuances of Indigenous storytelling will find *Myths and Legends of the Sioux* an essential addition to their collections. McLaughlin's engaging narrative not only preserves these ancient tales but also invites reflection on their universal themes, fostering a deeper understanding of human experience.

the woman who ran with wolves: Fallen Tim Lebbon, 2008-04-29 From award-winning author Tim Lebbon comes this harrowing tale of an epic journey, crossing the forbidden boundary separating us from all we fear the most.... To the unknown corners of Noreela, the Voyagers have traveled, returning with fantastic tales of their journeys and discoveries. But no one has ever returned from the Great Divide: a sheer cliff soaring miles above the clouds and rumored to be the end of the world. Until now. Voyagers Nomi Hyden and Ramus Rheel would be mortal enemies if their lives and fates weren't so closely entwined. But now the unlikely pair are brought together for what will be their greatest—and perhaps final—journey. When a grim wanderer named Ten arrives with an ancient parchment he claims to have brought back from the Divide, its arcane glyphs hint at the existence of a realm most consider a myth...and at something amazing sleeping there. Accompanied by the warrior Beko and his band of armed Serians, Nomi and Ramus set out to discover the truth behind the legends. But soon ambition drives them apart, this epic Voyage becomes a race...and each Voyager is faced with a choice that may alter the history of Noreela forever. From the Trade Paperback edition.

the woman who ran with wolves: The Rise of Wolf 8 Rick McIntyre, 2019-10-15 "The powerful origin story of one of Yellowstone's greatest and most famous wolves." —Washington Post "[The Rise of Wolf 8] is a goldmine for information on all aspects of wolf behavior and clearly shows they are clever, smart, and emotional beings." —Marc Bekoff, Psychology Today Yellowstone National Park was once home to an abundance of wild wolves—but park rangers killed the last of their kind in the 1920s. Decades later, the rangers brought them back, with the first wolves arriving from Canada in 1995. This is the incredible true story of one of those wolves. Wolf 8 struggles at

first—he is smaller than the other pups, and often bullied—but soon he bonds with an alpha female whose mate was shot. An unusually young alpha male, barely a teenager in human years, Wolf 8 rises to the occasion, hunting skillfully, and even defending his family from the wolf who killed his father. But soon he faces a new opponent: his adopted son, who mates with a violent alpha female. Can Wolf 8 protect his valley without harming his protégé? Authored by a renowned wolf researcher and gifted storyteller, *The Rise of Wolf 8* marks the beginning of *The Alpha Wolves of Yellowstone* series, which will transform our view of wolves forever.

the woman who ran with wolves: The North American Indian: Salishan tribes of the coast. The Chimakum and the Quilliate. The Willapa Edward S. Curtis, 1913 [A] comprehensive and permanent record of all the important tribes of the United States and Alaska that still retain to a considerable degree their primitive customs and traditions. The value of such a work, in great measure, will lie in the breadth of its treatment, in its wealth of illustration, and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the 'superior race.' It has been the aim to picture all features of the Indian life and environment--types of the young and the old, with their habitations, industries, ceremonies, games, and everyday customs ... Though the treatment accorded the Indians by those who lay claim to civilization and Christianity has in many cases been worse than criminal, a rehearsal of these wrongs does not properly find a place here--General introduction.
