

ari shavit my promised land

ari shavit my promised land is a compelling narrative that captures the essence of hope, resilience, and the pursuit of dreams within the context of Israeli history and culture. This phrase often resonates with readers who are interested in stories of personal and collective journeys toward a better future. In this article, we will explore the significance of "Ari Shavit My Promised Land," analyze its themes, and understand why it continues to captivate audiences worldwide. Whether you're an avid reader, a student of Middle Eastern history, or someone seeking inspiration, this comprehensive guide will provide valuable insights into this influential work and its author.

Understanding "My Promised Land" by Ari Shavit

Background of Ari Shavit

Ari Shavit is a renowned Israeli journalist and author, born in 1957. With a career spanning decades, he has established himself as a prominent voice in Israeli journalism and literature. Shavit's writing is characterized by its nuanced approach to Israel's complex history, politics, and society. His works often aim to bridge divides and foster understanding among diverse audiences.

Overview of "My Promised Land"

Published in 2013, "My Promised Land: The Triumph and Tragedy of Israel" is a deeply personal and comprehensive exploration of Israel's history from the early Zionist movement to the modern era. The book combines historical analysis, personal anecdotes, and interviews to paint a vivid picture of the nation's struggles, achievements, and ongoing challenges.

The title itself alludes to the biblical Promised Land, symbolizing both the foundational dreams of the Jewish people and the complex realities faced in fulfilling that promise. Shavit's narrative invites readers to reflect on the ideals versus the realities of a nation built on hope, sacrifice, and resilience.

The Themes and Messages of "My Promised Land"

Historical Reflection and Personal Narratives

One of the core strengths of Shavit's work is his ability to interweave historical events with personal stories. This dual approach humanizes the broader political and social issues, making them more relatable and impactful.

Key themes include:

- The Zionist movement and the founding of Israel
- The Arab-Israeli conflict and peace efforts
- The immigrant experience and nation-building
- Moral dilemmas faced by Israelis
- The ongoing struggle for coexistence and security

The Duality of Triumph and Tragedy

The subtitle of the book emphasizes this duality. Shavit illustrates how Israel's achievements—such as technological innovation, military strength, and cultural development—are accompanied by tragedies, including conflicts, displacement, and moral questions.

Highlights include:

- Celebrating the pioneering spirit of early settlers
- Addressing the pain of Palestinian displacement
- Examining the moral complexities of military actions
- Recognizing internal divisions within Israeli society

Challenging Narratives and Encouraging Dialogue

Shavit does not shy away from controversial topics. Instead, he invites readers to confront uncomfortable truths and fosters dialogue about Israel's future.

Topics covered:

- Criticism of government policies
- Discussions on Jewish identity and diaspora relationships
- The role of religion in state affairs
- The importance of dialogue between Israelis and Palestinians

Why "My Promised Land" is Important for SEO and Global Readers

SEO Keywords and Phrases

To optimize content related to "Ari Shavit My Promised Land," incorporating relevant keywords is essential. These include:

- Ari Shavit book review
- My Promised Land analysis
- Israeli history books
- Zionism and Israel
- Israeli-Palestinian conflict
- Middle Eastern politics
- Jewish identity and culture
- Israeli society and resilience

Using these keywords naturally throughout your content improves search engine visibility and attracts a targeted audience interested in Israeli history and literature.

Target Audience

This content appeals to:

- Students and scholars of Middle Eastern studies
- Readers interested in Israeli history and politics
- Individuals seeking insights into Jewish identity and Zionism
- People interested in conflict resolution and peacebuilding
- Book clubs and educators looking for comprehensive material on Israel

Impact and Reception of "My Promised Land"

Critical Acclaim

The book has received widespread praise for its balanced perspective and depth of analysis. Critics appreciate Shavit's ability to present multiple viewpoints without bias, fostering understanding and empathy.

Reader Engagement

Readers often describe "My Promised Land" as eye-opening and thought-provoking. It challenges preconceived notions and encourages ongoing dialogue about Israel's future.

Educational Use

Many educators incorporate this book into curricula on Middle Eastern history, Israeli society, or conflict resolution, recognizing its valuable insights and comprehensive scope.

Ari Shavit *My Promised Land: An In-Depth Exploration of a Landmark Work in Israeli Literature*

Introduction

Ari Shavit's *My Promised Land* has established itself as a seminal work in contemporary Israeli literature, offering readers an expansive and nuanced narrative of Israel's complex history, society, and identity. Since its publication, the book has sparked widespread discussion, praise, and critique, positioning itself as both a personal memoir and a collective national story. This investigative review aims to dissect the layers of *My Promised Land*, examining its themes, structure, reception, and impact, providing a comprehensive understanding suitable for academic review or journal publication.

Overview of Ari Shavit and the Genesis of *My Promised Land*

Who is Ari Shavit?

Ari Shavit, born in 1957, is a prominent Israeli journalist, columnist, and author. Recognized for his incisive analysis of Israeli society and politics, Shavit has contributed to major publications such as *Haaretz* and *The New York Times*. His background as a descendant of early Zionist pioneers informs his nuanced perspective, blending personal narrative with historical inquiry.

Origins of the Book

My Promised Land was published in 2013, emerging from Shavit's decade-long

research and personal reflections. The work was conceived as a response to the profound transformations in Israel—its achievements, conflicts, and moral dilemmas—aiming to reconcile the country's founding ideals with its contemporary realities. Shavit's aim was to craft a narrative that captures the multifaceted nature of Israeli identity, acknowledging both its aspirations and contradictions.

Structural Analysis and Narrative Style

Organization of Content

The book is divided into multiple chapters, each focusing on pivotal moments and themes in Israel's history, intertwined with personal anecdotes. The narrative oscillates between:

- Historical events (e.g., wars, political shifts)
- Personal stories of individuals (e.g., immigrants, soldiers, victims)
- Reflections on moral and ethical questions

This hybrid structure creates a layered storytelling approach, blending the macro and micro perspectives.

Literary and Rhetorical Devices

Shavit employs a compelling narrative style characterized by:

- Vivid storytelling
- First-person reflections
- Juxtaposition of contrasting narratives (e.g., Jewish pioneers vs. Palestinian narratives)
- Use of allegory and symbolism to deepen thematic resonance

This stylistic choice aims to evoke empathy and critical thinking in the reader, fostering a holistic understanding of Israel's complex identity.

Core Themes and Topics Explored

The Land as Promise and Burden

A central motif in *My Promised Land* is the duality of the land itself—a symbol of hope, destiny, but also conflict and moral compromise. Shavit explores how the land has shaped Israeli identity and how it continues to influence ethical debates.

Immigration and Diversity

The book chronicles waves of Jewish immigration, from pioneering Zionists to Soviet and Ethiopian Jews, illustrating how diverse backgrounds have contributed to Israel's social fabric. The narrative examines challenges of integration and cultural identity.

Military and Security

Shavit delves into Israel's perpetual state of conflict, analyzing:

- The wars of independence
- Terrorism and security measures
- The moral dilemmas faced by soldiers and civilians

He presents both heroic narratives and critical perspectives on military actions.

Ethical and Moral Dilemmas

A recurring theme is the tension between the ideals of democracy, justice, and the realities of occupation and conflict. Shavit probes questions such as:

- The morality of settlement expansion
- The treatment of Palestinians
- The balance between security and human rights

Memory and History

The book emphasizes the importance of collective memory, examining how narratives are constructed, contested, and revised over time. It questions the notion of a singular, uncontested history.

Critical Reception and Controversies

Positive Reception

Many critics lauded *My Promised Land* for its lyrical prose, thorough research, and balanced portrayal of Israel's history. It was praised for humanizing complex issues and fostering dialogue.

Key accolades include:

- The Jewish Book Council Award
- Recognition as a bestseller in Israel and internationally
- Commendations for its nuanced perspective on Israeli identity

Critiques and Controversies

Despite widespread acclaim, the book faced criticism from various quarters:

- Political Critics: Some argued Shavit's portrayal was overly sympathetic to Israel, neglecting Palestinian narratives and grievances.
- Historical Disputes: Certain historians challenged the accuracy or framing of specific events.
- Moral Judgments: Critics debated whether the book adequately addressed the moral costs of Zionism and the occupation.

Furthermore, some accused Shavit of emphasizing national narratives at the expense of marginalized voices, sparking ongoing debates about representation and bias.

Impact and Significance in Israeli and Global Discourse

Influence on Israeli Society

My Promised Land has contributed to internal dialogues about Israeli identity, morality, and future direction. It has been used in academic settings to stimulate discussions on history and ethics.

International Reception

Globally, the book has introduced many readers to the complexities of Israel, challenging simplistic narratives and fostering empathy. It has been influential among diaspora communities and in academic circles interested in Middle Eastern studies.

Legacy and Continuing Relevance

The work remains a reference point in debates about Israeli history and morality. It exemplifies a genre of literature that seeks to reconcile national pride with critical self-examination.

Conclusion: An Investigative Reflection

A comprehensive review of Ari Shavit's *My Promised Land* reveals a work that is as ambitious as it is provocative. Its blend of personal memoir, historical analysis, and moral inquiry offers a richly textured portrait of Israel—its triumphs and traumas, hopes and hypocrisies. While it has garnered admiration for its literary quality and courage, it also provokes essential questions about representation, bias, and the moral costs of nation-building.

In the broader context of Israeli literature and global discussions on nationalism and conflict, *My Promised Land* stands as a pivotal contribution. Its influence persists in shaping narratives and dialogues about Israel's future, making it a vital subject of study for scholars, critics, and readers alike. As with any complex national story, it invites ongoing debate, reflection, and reevaluation—a testament to its enduring significance.

Final Thoughts

Whether viewed as a landmark literary achievement or a contentious national narrative, Ari Shavit's *My Promised Land* exemplifies the power of storytelling to challenge perceptions and inspire dialogue. Its layered approach underscores the importance of grappling with history's moral ambiguities and embracing the plurality of voices that define a nation's soul.

ari shavit my promised land: My Promised Land Ari Shavit, 2015-02-03 NEW YORK TIMES BESTSELLER • A NEW YORK TIMES BOOK REVIEW AND ECONOMIST BEST BOOK OF THE YEAR “A deeply reported, deeply personal history of Zionism and Israel that does something few books even attempt: It balances the strength and weakness, the idealism and the brutality, the hope and the horror, that has always been at Zionism’s heart.”—Ezra Klein, The New York Times Winner of the Natan Book Award, the National Jewish Book Award, and the Anisfield-Wolf Book Award Ari Shavit’s riveting work, now updated with new material, draws on historical documents, interviews, and private diaries and letters, as well as his own family’s story, to create a narrative larger than the sum of its parts: both personal and of profound historical dimension. As he examines the complexities and contradictions of the Israeli condition, Shavit asks difficult but important questions: Why did Israel come to be? How did it come to be? Can it survive? Culminating with an analysis of the issues and threats that Israel is facing, *My Promised Land* uses the defining events of the past to shed new light on the present. Shavit’s analysis of Israeli history provides a landmark portrait of a small, vibrant country living on the edge, whose identity and presence play a crucial role in today’s global political landscape.

ari shavit my promised land: *Summary of Ari Shavit's My Promised Land* Everest Media,, 2022-06-11T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The need to give Palestine to the Jews is almost tangible. If the Jews won’t disembark here, they will have no future. The Jewish people desperately need a new place, a new beginning, and a new mode of existence. #2 My great-grandfather, Herbert Bentwich, was a leading figure in the Anglo-Jewish community. He was married to a beautiful, artistic wife who was raising nine children in their magisterial Avenue Road home. He was a self-made man who loved travel, poetry, and theater. #3 The second answer is that Herbert Bentwich was way ahead of his time. He was committed to ending Jewish misery in the East, but his main reason for taking this journey was to escape the futility of Jewish life in the West. He saw the calamity that would follow the Holocaust. #4 The British Isles were a temporary respite for the Bentwich delegation, but not for the Anglo-Jewish community. The demography of the British Isles tells a clear story: In the second half of the twentieth century, which Herbert Bentwich will not live to see, the Anglo-Jewish community will shrink by a third.

ari shavit my promised land: Old Wine, Broken Bottle Norman G. Finkelstein, 2014-04-24 *My Promised Land* by Haaretz journalist Ari Shavit has been one of the most widely discussed and lavishly praised books about Israel in recent years. It has garnered encomiums from a broad spectrum of influential voices, including Thomas Friedman, David Remnick, Jonathan Freedland, Jeffrey Goldberg, Franklin Foer, and Dwight Garner. Were he not already inured to the logrolling that passes for informed opinion on this topic, Norman Finkelstein might have been surprised, astonished even. That’s because, as he reveals with typical precision, *My Promised Land* is riddled with omission, distortion, falsehood, and sheer nonsense. In brief chapters that analyze Shavit’s defense of Zionism and Israel’s Jewish identity, its nuclear arsenal and its refusal to negotiate peace, Finkelstein shows how highly selective criticism and sanctimonious handwringing are deployed to create a paean to modern Israel more sophisticated than the traditional our-country-right-or-wrong. In this way, Shavit hopes to win back an American Jewish community increasingly alienated from a place it once regarded as home. However, because the myths he recycles have been so comprehensively shattered, this project is unlikely to succeed. Like his landmark debunking of Joan Peters’s *From Time Immemorial*, Finkelstein’s clinical dissection of *My Promised Land* will be welcomed by those who prefer truth to propaganda, and who yearn for a resolution of the Israel-Palestine conflict based on justice, rather than arguments framed by anguish and schmaltz.

ari shavit my promised land: The Fear and the Freedom Keith Lowe, 2017-10-24 The international bestselling author of *Savage Continent* examines how the world has been transformed

by World War II. *The Fear and the Freedom* is Keith Lowe's follow-up to *Savage Continent*. While that book painted a picture of Europe in all its horror as WWII was ending, *The Fear and the Freedom* looks at all that has happened since, focusing on the changes that were brought about because of WWII—simultaneously one of the most catastrophic and most innovative events in history. It killed millions and eradicated empires, creating the idea of human rights, and giving birth to the UN. It was because of the war that penicillin was first mass-produced, computers were developed, and rockets first sent to the edge of space. The war created new philosophies, new ways of living, new architecture: this was the era of Le Corbusier, Simone de Beauvoir and Chairman Mao. But amidst the waves of revolution and idealism there were also fears of globalization, a dread of the atom bomb, and an unexpressed longing for a past forever gone. All of these things and more came about as direct consequences of the war and continue to affect the world that we live in today. *The Fear and the Freedom* is the first book to look at all of the changes brought about because of WWII. Based on research from five continents, Keith Lowe's *The Fear and the Freedom* tells the very human story of how the war not only transformed our world but also changed the very way we think about ourselves. "Magnificent . . . *The Fear and the Freedom* can justly claim to be one of the best, most useful books on World War II to have emerged in the past decade. It belongs in everyone's library." —Paul Kennedy, *The Wall Street Journal*

ari shavit my promised land: *The War on Error* Martin Kramer, 2017-09-08 In 'The War on Error', historian and political analyst Martin Kramer presents a series of case studies, some based on pathfinding research and others on provocative analysis, that correct misinformation clouding the public's understanding of the Middle East. He also offers a forensic exploration of how misinformation arises and becomes fact. The book is divided into five themes: Orientalism and Middle Eastern studies, a prime casualty of the culture wars; Islamism, massively misrepresented by apologists; Arab politics, a generator of disappointing surprises; Israeli history, manipulated by reckless revisionists; and American Jews and Israel, the subject of irrational fantasies. Kramer shows how error permeates the debate over each of these themes, creating distorted images that cause policy failures. Kramer approaches questions in the spirit of a relentless fact-checker. Did Israeli troops massacre Palestinian Arabs in Lydda in July 1948? Was the bestseller 'Exodus' hatched by an advertising executive? Did Martin Luther King, Jr., describe anti-Zionism as antisemitism? Did a major post-9/11 documentary film deliberately distort the history of Islam? Did Israel push the United States into the Iraq War? Kramer also questions paradigms—the Arab Spring, the map of the Middle East, and linkage. Along the way, he amasses new evidence, exposes carelessness, and provides definitive answers.

ari shavit my promised land: *Whose Promised Land* Colin Chapman, 2015-07-17 The conflict between Israel and the Palestinians has profoundly affected the Middle East for almost seventy years, and shows no sign of ending. With two peoples claiming the same piece of land for different reasons, it remains a huge political and humanitarian problem. Can it ever be resolved? If so, how? These are the basic questions addressed in a new and substantially revised fifth edition of this highly acclaimed book. Having lived and worked in the Middle East at various times since 1968, Colin Chapman explains the roots of the problem and outlines the arguments of the main parties involved. He also explores the theme of land in the Old and New Testaments, discussing legitimate and illegitimate ways of using the Bible in relation to the conflict. This new and fully updated edition covers developments since 9/11, including the building of the security wall, the increased importance of Hamas and the Islamic dimension of the conflict, and the attacks on Lebanon and Gaza.

ari shavit my promised land: The Fifth Fiasco, or How to Escape the Traps of Jewish History
in the Twenty-First Century David Passig, 2021-05-04 This book goes on a journey into alternative
retellings of Jewish history in order to discover its patterns, which might give us clues about the
future. It proposes exploring these versions of history as an intellectual exercise to come to terms
with the traumas of the past, and to prevent repeated tragedies in the future. This book identifies
the direction in which the Jewish people and their future leaders will develop. Since the Jewish
people have never experienced modern sovereignty before, it promises to usher in far-reaching
changes. Making a diagnosis of a national neurosis as the cause for four previous fiascos in Jewish
history, the book explains what must be done in the twenty-first century to prevent the dark forces
of the past from recurring, and explores the changes awaiting the Jewish religion and nation in the
Land of Israel.

ari shavit my promised land: Religion and International Law Robert Uerpmann-Wittzack,
Evelyne Lagrange, Stefan Oeter, 2018-08-13 Growing religious antagonisms are challenging the
ultimate goal of 'living together' in peaceful societies. Living together explores international law
responses, beginning with their historic roots, before the perspective shifts to the role of religious
institutions and religious law. Contributions of different human rights bodies are analyzed, before
further sections deal with the international protection of religion, the relationship between religious
beliefs and freedom of expression, and the roles of other individual rights. Religion and International
Law originates from the long-standing cooperation between the German and the French Societies of
International Law, thus bringing together the traditions of French laicism and a cooperative German
approach. Experts from Austria, Italy, Poland, Portugal and the UK complement the pan-European
perspective.

ari shavit my promised land: Jews and Their Foodways Anat Helman, 2015-12-01 Bringing
together contributions from a diverse group of scholars, Volume XXVIII of Studies in Contemporary
Jewry presents a multifaceted view of the subtle and intricate relations between Jews and their
foodways. The symposium covers Europe, the Middle East, Africa, and North America from the 20th
century to the 21st.

ari shavit my promised land: Governing Globalization Edward A. Kolodziej, 2016-05-02 The
expanding interdependencies of the world's diverse and divided populations have created a world
society. To rule these fractious peoples, the democracies advance solutions to three imperatives of
governance—Order, Welfare, and Legitimacy (OWL). For Order, the democracies institutionalized
the global state; for Welfare, a global market system; and for Legitimacy, popular rule, resting on
the moral principles of the freedom and equality of all humans. The book develops globalization as
the emergence of a global society; presents a theory of governance predicable of all human societies,
revolving around competing OWL imperatives; and identifies fundamental flaws in the democratic
solutions to global governance. To ensure that the democratic promise survives and thrives, the
volume calls for fundamental reforms of the democratic project as prerequisites to deter and defeat
formidable anti-democratic adversaries: authoritarian states, religiously informed regimes opposed

to open societies; nihilistic social movements; self-styled terrorists, and vast transnational criminal networks. Either the democracies hang together or they hang separately.

ari shavit my promised land: *Connecting with the Enemy* Sheila H. Katz, 2016-11-08

Surveying the initiatives of more than five hundred groups across the past century, this timely book reveals how thousands of ordinary Israelis and Palestinians have worked together to end violence and forge connections between their peoples.

ari shavit my promised land: Israel Richard M. Cohen, 2014-09-16 The Washington Post's widely syndicated columnist writes a passionate account of his fears and hopes for the survival of Israel.

ari shavit my promised land: *Jewish Contiguities and the Soundtrack of Israeli History* Assaf Shelleg, 2014 Jewish Contiguities and the Soundtrack of Israeli History revolutionizes the study of modern Israeli art music by tracking the surprising itineraries of Jewish art music in the move from Europe to Mandatory Palestine and Israel. Leaving behind clichés about East and West, Arab and Jew, this book provocatively exposes the legacies of European antisemitism and religious Judaism in the making of Israeli art music.

ari shavit my promised land: Enemies and Neighbors Ian Black, 2017-11-07

"Comprehensive and compelling...a landmark study" of the Arab-Zionist conflict, told from both sides, by the author of *Israel's Secret Wars* (Sunday Times, UK). Setting the scene at the end of the nineteenth century, when the first Zionist settlers arrived in the Ottoman-ruled Holy Land, Black draws on a wide range of sources—from declassified documents to oral testimonies to his own vivid-on-the-ground reporting—to illuminate the most polarizing conflict of modern times. Beginning with the 1917 Balfour Declaration, in which the British government promised to favor the establishment of "a national home for the Jewish people" in Palestine, Black proceeds through the Arab Rebellion of the late 1930s, the Nazi Holocaust, Israel's independence and the Palestinian Nakba (catastrophe), the watershed of 1967 followed by the Palestinian re-awakening, Israel's settlement project, two Intifadas, the Oslo Accords, and continued negotiations and violence up to today. Combining engaging narrative with political analysis and social and cultural insights, *Enemies and Neighbors* is both an accessible overview and a fascinating investigation into the deeper truths of a furiously contested history.

ari shavit my promised land: Essays Reflecting the Art of Political and Social Analysis

Lawrence Davidson, 2018-08-27 In 2011, Lawrence Davidson founded his website, tothepointanalyses.com, as a home for his brief essays on contemporary issues touching on US domestic and foreign policy. Over the last few years, Davidson's analytic reflections on contemporary politics have garnered over six million views. Now, for the first time, these essays are collected together to form a coherent, punchy look at American Politics in 2018. Contextualized by a new prologue and new conclusion, as well as updated with new material throughout, these essays provide a cogent demonstration of the power of analytical thinking to create clear and understandable descriptions of issues that impact us all, but are most often obfuscated by propaganda, lying by omission, or other forms of distortion. For those who encounter this work, it is hoped that they will come away with a clearer, if not happier, idea of what sort of world we are all living in.

ari shavit my promised land: *Unholy Land* Witt Raczka, 2015-11-30 Traveling major highways and secondary roads, walking unpaved paths, the author recites contradictions of the land between the Mediterranean Sea and the Jordan River, the Holy Land. Here, religion uneasily confronts politics and democracy, sublime nature undergoes militarization, and hospitality and empathy mix with brutality, hatred and violence. Everything becomes security: not just borders and relations with the neighbors, but also water and archaeological evidence, demography and voting Arabs. Control of holy sites, perception of illegal immigrants, separate highway networks and built-up hilltops are all viewed through the prism of threat and security. Threats proliferate, be they real or imaginary, spontaneous or politically-driven. Whether in Jerusalem, the "city of the world", or in small towns, tensions are palpable between Israel's radical Jews and its Arab residents. Even within the Jewish

community itself, increasingly nationalistic, animosities between ultra-Orthodox and more secular inhabitants are on the rise. Christians also feel under attack, as do moderate Palestinians from their Islamized brethren. In the occupied West Bank, Palestinian villagers confront radical settlers, often protected by Israeli soldiers, while in the isolated Gaza, Hamas imposes ever stricter rules upon its people. Not surprisingly, the Holy Land has become aplenty with both mental and physical barriers, with walls, checkpoints, no-go and firing zones. Will rage and fear, sorrow and despair eventually trump hope? Although glimmers of hope exist—new water technology, Tel Aviv’s culture of tolerance, more pressures from the international community—the author remains more pessimistic than ever, as reflected in the book’s title.

ari shavit my promised land: *In Search of Israel* Michael Brenner, 2020-03-24 A major new history of the century-long debate over what a Jewish state should be Many Zionists who advocated for the creation of a Jewish state envisioned a nation like any other. Yet for Israel's founders, the nation that emerged against all odds in 1948 was anything but ordinary. Born from the ashes of genocide and a long history of suffering, Israel was conceived to be unique, a model society and the heart of a prosperous new Middle East. It is this paradox, says historian Michael Brenner—the Jewish people's wish for a homeland both normal and exceptional—that shapes Israel's ongoing struggle to define itself and secure a place among nations. *In Search of Israel* is a major new history of this struggle from the late nineteenth century to our time.

ari shavit my promised land: *Understanding Israel/Palestine* Eve Spangler, 2019-05-15 The Israeli/Palestinian conflict is the longest on-going hot-and-cold war in the 20th and 21st century. In this book the author argues that human rights standards are the key to a just and sustainable solution and that, tragically, no one has ever made serious use of them in trying to end the conflict. The reader will have a comprehensive view of the conflict, its relationship to surrounding world events, and its similarities to and differences from other conflicts, especially those embedded in American race relations.
