

barbie on the horse

Barbie on the horse is a charming and timeless scene that captures the imagination of children and collectors alike. Whether it's a part of a classic doll set, a scene from a storybook, or a themed playset, Barbie riding a horse symbolizes adventure, freedom, and elegance. Over the years, Barbie on the horse has evolved into a beloved motif that combines fashion, equestrian skills, and storytelling. This article explores the history, types, accessories, and tips for collecting and playing with Barbie on the horse, making it a comprehensive guide for enthusiasts and newcomers alike.

The History of Barbie on the Horse

Origins of Barbie Riding Sets

Barbie, introduced by Mattel in 1959, has always been a versatile doll that promotes imagination and role-playing. The earliest Barbie riding sets appeared in the 1960s, reflecting the growing popularity of equestrian activities among children. These early sets featured simple plastic horses and basic rider dolls, emphasizing the adventurous spirit of Barbie.

Evolution Over the Decades

As the years progressed, Barbie on the horse became more detailed and realistic. The 1980s and 1990s saw the introduction of more sophisticated horses with movable limbs, detailed manes, and realistic features. Barbie herself also gained more fashionable riding attire, reflecting current trends and expanding the role-playing possibilities.

Modern Barbie Equestrian Lines

Today, Barbie on the horse is part of specialized lines such as Barbie Dreamhorse and Barbie Equestrian. These collections often include realistic saddles, riding gear, and diverse horse breeds, catering to a wide range of interests and promoting equestrian education and enthusiasm.

Types of Barbie on the Horse Sets

Basic Riding Sets

These sets typically include a Barbie doll and a simple plastic horse. They are perfect for young children starting their collection or for casual play.

Features may include basic saddles and bridles, with minimal articulation.

Interactive and Articulated Sets

More advanced sets feature horses with movable limbs, realistic manes, and tails. Some come with accessories like jumping hurdles, dressage equipment, or riding boots. These sets encourage more detailed play and storytelling.

Collector's Editions

Limited-edition Barbie dolls and horses often showcase intricate costumes, hand-painted details, and unique accessories. These are highly sought after by collectors and may include special themes such as medieval jousting, Western riding, or modern show jumping.

Accessories and Features for Barbie on the Horse

Riding Attire

To enhance the realism and style, Barbie riding outfits include:

- Riding jackets and vests
- Riding helmets and boots
- Gloves and scarves
- Leg wraps and saddle pads

Horse Accessories

Accessories that add authenticity and fun include:

- Saddles and bridles, often adjustable
- Horse blankets and saddle bags
- Grooming supplies like brushes and combs
- Jumping poles and obstacle sets

Interactive Features

Some modern Barbie horses come with:

- Sound effects when the doll is mounted
- Movable limbs for realistic riding poses
- Light-up saddles or reflective details
- Removable accessories for customization

Tips for Playing and Collecting Barbie on the Horse

Creating Engaging Play Scenarios

Encourage imaginative storytelling by designing different riding adventures:

1. Horse shows and competitions
 - 2>Trail rides through imaginary forests
2. Rescue missions involving horses and riders
3. Training sessions and grooming routines

Maintaining Your Barbie and Horse Sets

Proper care ensures longevity and keeps figures looking their best:

- Keep dolls and horses away from direct sunlight to prevent fading
- Clean plastic parts with a damp cloth; avoid harsh chemicals
- Store accessories in organized containers to prevent loss
- Regularly check and tighten any adjustable parts or accessories

Collecting Tips

For enthusiasts looking to expand their collection:

- Research limited-edition releases and vintage sets for value appreciation
- Join online communities and forums dedicated to Barbie collecting
- Verify authenticity when purchasing rare or expensive dolls
- Display sets thoughtfully to showcase their details and craftsmanship

Where to Find Barbie on the Horse Sets

Retailers and Specialty Stores

Barbie on the horse sets are available at major toy stores, department stores, and online retailers like Amazon, Walmart, and Target. Specialty toy shops may also carry exclusive or vintage items.

Online Marketplaces and Auctions

Websites such as eBay and Etsy offer a wide range of new, used, and vintage Barbie horse sets. Always review seller ratings and descriptions carefully to ensure quality and authenticity.

Collectible Shows and Conventions

Toy fairs and Barbie conventions are ideal venues to find rare and collectible sets, often at competitive prices. These events also provide opportunities for networking with other collectors.

Conclusion: Embracing the Joy of Barbie on the Horse

Barbie on the horse remains an enduring symbol of adventure, style, and imagination. From simple playsets to intricate collector's editions, these dolls and their equestrian companions inspire storytelling and creativity in children and collectors worldwide. Whether you're seeking to introduce a young child to the joy of riding or add a rare piece to your collection, exploring the world of Barbie on the horse offers endless possibilities. Embrace the charm, take care of your sets, and let your imagination ride free.

with Barbie and her trusty steed.

Frequently Asked Questions

Barbie on the Horse: An In-Depth Investigation into the Iconic Figure's Equestrian Evolution

The image of Barbie on a horse has become an enduring symbol of childhood

imagination, equestrian aspiration, and cultural evolution. From her debut in the 1960s to her contemporary portrayals, Barbie's relationship with horses reflects broader societal trends, toy industry shifts, and the timeless allure of equestrian adventure. This article delves into the history, design, cultural significance, and modern interpretations of the phenomenon known as "Barbie on the horse," offering a comprehensive analysis suitable for collectors, researchers, and enthusiasts alike.

Historical Context and Evolution of Barbie's Equestrian Representation

The Origins of Barbie and the Horse

Barbie was introduced by Mattel in 1959, quickly establishing herself as a versatile doll capable of embodying a range of careers, lifestyles, and hobbies. Among these, equestrianism emerged as an aspirational theme in the early 1960s, aligning with the growing popularity of horseback riding as a leisure activity in Western countries.

The first notable horse-themed doll was "Barbie and the Horse," released in 1963, featuring a basic plastic horse and Barbie dressed in riding attire. This initial offering laid the groundwork for subsequent generations of horse-themed accessories and dolls.

Design and Features Over the Decades

Throughout the decades, Barbie's horse counterparts have evolved significantly:

- 1960s-1970s: The horses were simple, stylized plastic figures with limited articulation. Barbie's riding outfits reflected contemporary fashion, and accessories such as saddles, bridles, and grooming kits became standard.
- 1980s-1990s: Increased realism and variety in horse breeds appeared, along with more detailed accessories. Barbie's riding outfits adopted sportier, more functional designs aligning with the era's fashion trends.
- 2000s-Present: The focus shifted toward more lifelike and diverse representations, including different horse breeds (Arabian, Appaloosa, Clydesdale), and more articulated horses with movable limbs. Barbie's riding gear also diversified, incorporating equestrian safety gear, show attire, and casual riding outfits.

The Cultural Significance of Barbie on the Horse

Representation of Women in Equestrian Sports

Barbie on the horse has long served as a symbol of female empowerment within the realm of equestrian sports. Historically, horseback riding has been one of the few sports where women have achieved prominence and recognition, and Barbie's representation reinforces this narrative.

Her various riding outfits—ranging from formal show attire to casual riding gear—mirror the diverse roles women take on in the sport, from competitive show jumping to leisure riding. The dolls serve as aspirational figures, encouraging young girls to envision themselves in active, empowering roles.

Gender and Childhood Play

The "Barbie on the horse" motif exemplifies gendered play, where the doll becomes a vessel for nurturing, adventure, and fantasy. Critics have debated whether such toys reinforce stereotypes or empower children to explore diverse identities.

Supporters argue that Barbie on the horse fosters:

- Imagination and storytelling
- Confidence in physical activity
- An appreciation for animals and nature

Conversely, some critique the commercialization and idealization embedded in these toys, questioning whether they promote unattainable standards or reinforce traditional gender roles.

Design Analysis: Aesthetic and Functional Elements

Materials and Craftsmanship

Modern Barbie dolls featuring horses are crafted from durable plastics, with detailed paint applications to mimic realistic features. Horses are often made with segmented limbs for posing, with textured manes and tails to enhance authenticity.

Accessories include:

- Saddles and bridles with intricate detailing
- Riding apparel such as boots, helmets, and jackets
- Grooming tools like brushes and combs
- Stable accessories like hay bails and water troughs

The level of detail varies by price point, with higher-end sets offering more realistic and articulated models.

Posability and Compatibility

Most contemporary Barbie horses feature:

- Movable limbs at the knees, hocks, and neck
- Detachable accessories for customization
- Compatibility with other Barbie dolls and playsets

This enhances playability and encourages imaginative scenarios, from competitive riding to casual trail rides.

Market Trends and Collectibility

Limited Editions and Collector's Items

Over the years, Mattel has released limited edition Barbie on the horse sets, often tied to specific themes such as equestrian competitions, historical riding eras, or cultural representations. These editions have become highly sought after among collectors.

Popular collector's items include:

- Barbie "Equestrian Royalty" series
- Vintage 1960s and 1970s sets
- Special themed sets from major equestrian events

Their value depends on rarity, condition, and completeness of accessories.

Impact of Media and Pop Culture

The portrayal of Barbie on the horse in media—such as commercials, animated series, and online content—has reinforced her image as an active, adventurous figure. Notably, the Barbie movies featuring equestrian themes have expanded

her storylines, inspiring children to engage with horseback riding and animal care.

Modern Innovations and Future Directions

Inclusion and Diversity

Recent iterations of Barbie on the horse have emphasized diversity:

- Dolls representing different ethnicities and body types
- Horses of various breeds and colors
- Inclusive riding gear and accessories

This shift aims to broaden representation and promote inclusivity in play.

Technological Enhancements

Advancements include:

- Interactive features, such as sound effects or light-up accessories
- Augmented reality apps that integrate with physical playsets
- Eco-friendly materials and sustainable manufacturing practices

These innovations seek to modernize the traditional toy while maintaining its nostalgic appeal.

Critical Perspectives and Cultural Impact

Debates on Gender Norms and Body Image

While Barbie on the horse can be empowering, critics argue that the doll's often idealized body proportions and fashion-centric aesthetic perpetuate unrealistic standards. The inclusion of diverse dolls aims to challenge these notions, but ongoing dialogue remains.

Environmental and Ethical Considerations

The production of plastic toys raises concerns about environmental impact. Recent initiatives focus on sustainable materials and responsible

manufacturing to address these issues.

Conclusion: The Enduring Legacy of Barbie on the Horse

The phenomenon of Barbie on the horse encapsulates a blend of cultural symbolism, design innovation, and childhood imagination. From its humble beginnings as a simple accessory to its current status as a diverse and technologically advanced playset, Barbie's equestrian theme continues to inspire generations.

As societal values evolve, so does the representation and significance of Barbie on the horse, reflecting wider conversations about gender, diversity, and sustainability. Whether viewed as a nostalgic collectible or an educational toy, Barbie on the horse remains an iconic figure in the landscape of children's play and popular culture.

In sum, the enduring appeal of "Barbie on the horse" lies in its ability to adapt while maintaining its core message: empowering imagination, celebrating adventure, and inspiring future riders—both real and imagined.

barbie on the horse: Naked Barbies, Warrior Joes, and Other Forms of Visible Gender Jeannie B. Thomas, 2003 In this folkloric examination of mass-produced material culture in the United

States, Jeannie Banks Thomas examines the gendered sculptural forms that are among the most visible, including Barbie, Ken, and G.I. Joe dolls; yard figures (gnomes, geese, and flamingos); and cemetery statuary (angels, sports-related images, figures of the Virgin Mary, soldiers, and politicians). Images of females are often emphasized or sexualized, frequently through nudity or partial nudity, whereas those of the male body are not only clothed but also armored in the trappings of action and aggression. Thomas locates these various objects of folk art within a discussion of the post-women's movement discourse on gender. In addition to the items themselves, Thomas explores the stories and behaviors they generate, including legends of the supernatural about cemetery statues, oral narratives of yard artists and accounts of pranks involving yard art, narratives about children's play with Barbie, Ken, and G.I. Joe, and the electronic folklore (or e-lore) about Barbie that circulates on the Internet.

barbie on the horse: Barbie's Lost Unicorn Quest AQEEL AHMED, 2023-10-21 The sweet children's book *Barbie's Lost Unicorn Quest* takes place in a cute town surrounded by forests and hills. Barbie, a brave and daring young woman, and her magical horse friend Stardust are the main characters of the book. As the game goes on, Barbie and Stardust go on an adventure into the mysterious Enchanted Forest, which is full of surprises and mysteries that are hard to understand. As they meet different species that are charming, like singing flowers and talking mice, their connection with the forest grows. Their adventure takes a strange turn when they find an old, moss-covered bridge that goes to a hidden glade and a beautiful amulet with a unicorn on it. With this charm, you can start the quest that only Barbie and Stardust can finish. The Enchanted Tree, which looks out for lost unicorns, wakes up when the amulet touches it and chooses Barbie to be the chosen one. Together with Stardust, Barbie set out to find a lost horse deep in the forest. The amulet helped them along the way. As they go, they ask other people who live in the woods for advice, which emphasizes the idea of brotherhood and giving. They find Luna, the lost unicorn, bathed in silver light by the lovely stream that will take them to their last stop. Once Luna and her friends get back together, they use all of their skills to open a portal back to Hamlet, where they are made to feel very welcome. That's not the end of the story, though. In the Enchanted Forest, Barbie, Stardust, and Luna go on adventures while they work together to bring back the forest's magic. In the end, they are able to bring peace back to the forest by starting a new quest to find three old mechanical lights. Over the years, Barbie and her friends become known in town for being kind and smart, which makes them popular. The story has a lesson of wonder and hope that stresses the importance of friendship, being brave, and believing in the strange. *Barbie's Lost Unicorn Quest* is a well-known story that tells kids to value their relationships with others, enjoy nature's beauty, and stay open to the amazing things that are waiting for them. This is how the story starts: Barbie used to live in a cute town with rolling hills and lots of green trees. Barbie wasn't like other girls because she was kind and liked to try new things. Stardust, a magical horse, was Barbie's best friend and what really set her apart. Barbie and Stardust were always connected because they were friends and because they were magical everywhere they went. Stardust was beautiful to look at with his bright horn and hair. His hooves left a line of stardust behind them, and his laughter sounded like bells. When put together, they stood for the extraordinary. They laughed and went on adventures during the day. People in the town where Barbie and Stardust lived were friendly and warm, but they were aware that something strange always seemed to be present with them. In the mornings, they would explore the fields. In the afternoons, they would have picnics by the creek, and at night, they would look up at the stars. A gust of wind blew across the field one beautiful morning while Barbie and Stardust were having a picnic in their favorite spot under the shade of an old oak tree. A sheet of paper was carried by the wind. Barbie ran outside and grabbed the flying piece of paper with wide eyes. When she unfolded the paper, it showed a strange map. The complicated lines and symbols on it looked like the universe was just ready to be found. Barbie looked at the map with a racing heart. Stardust gave her a soft kiss because she could tell she was ready for an adventure. Barbie told Stardust quickly, We need to follow this map. It's a chance to explore the unknown and uncover the secrets of our world. Stardust agreed with a nod, and his eyes were shining with excitement. With

the map in hand, they left the meadow they loved and set out on a new journey. The map led them up steep hills, through dense woods, and across sparkling streams. Every step was full of magic and wonder. Along the way, they met strange animals like talking squirrels and glowing lights that led them deeper into the unknown. Barbie and Stardust felt like they were in a fairy tale. Their friendship grew stronger every day as the magic in the woods seemed to come to life. There was a time when Barbie and Stardust found a secret glade as the sun was going down and the stars started to shine. A pretty tree with bright, shiny apples hanging from its branches stood in the middle of the glade. They saw a beautiful charm with a realistic unicorn design under the tree. When Barbie picked up the charm, her hand felt warm and tingly. Stardust gave her a soft kiss, as if to beg her to wear the charm. There was a pleasant, singing voice in the glade that seemed to come to life as she moved. Barbie and Stardust looked at each other puzzled as the Enchanted Tree sang, Barbie, dear child, you have awakened me. The Tree then said, I am the keeper of secrets and wonders, and you are the chosen one. Barbie and Stardust accepted their fate and set out to find the lost unicorn as the Tree sang, In the depths of this forest lies a hidden realm, and within it resides a unicorn who has lost its wand. On their journey, they will face both difficult situations and breathtakingly beautiful scenes. They crossed interesting, suspended bridges, talked to animals that were full of wisdom, and even found a singing grove of flowers whose harmonies led them to a beautiful waterfall. To find the lost unicorn, so rare, seek the waterfall, pure and fair, where moonbeams dance and stars alight, your friend awaits, bathed in silver light, the flowers said. Barbie gave Luna a sweet smile and said, Don't worry. Let us help you get back to your realm. With Luna by their side, Barbie, Stardust, and Luna's magic worked together to make a portal that led them back to the village. Thank you for finding me, dear friends. When I was following a shooting star, I got lost. My name is Luna. I've been here ever since, unable to find my way back home, the voice of the Enchanted Tree told them. As soon as they stepped through the portal, they were back in their familiar village. When the lost unicorn was found, everyone was thrilled, and there was a lot of laughter. Barbie was additionally thrilled to learn that Luna had returned home. The unicorn Stardust had a beautiful horn that sparkled like the night sky and a mane that shimmered like silver. His hooves left a trail of stardust wherever he went, and his laughter sounded like bells. He and Barbie had been together since Barbie was a little girl. Barbie and Stardust were very close. She met him when she saw him as a little boy with big eyes. Their love was stronger than words and wen.

barbie on the horse: New York Magazine , 1971-12-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

barbie on the horse: Barbie in the Media Emily R. Aguiló-Pérez, Rebecca C. Hains, 2025-09-26 What is the significance of Barbie's journey from toy aisles to screens? Barbie in the Media offers a groundbreaking exploration of Barbie as a transmedia phenomenon. In examining the brand's multifaceted media presence, this volume's chapters consider both Mattel's corporate storytelling about and fans' reinterpretations of the iconic doll. Collectively, they reveal that these mediated negotiations of Barbie reflect and contribute to broader discourses about gender and identity in evolving sociopolitical contexts—inscribing the doll with ever-changing (and often conflicting) anxieties and dreams. These render the brand's media presence a fascinating site of contested meaning, worthy of the sustained critique that Barbie in the Media offers readers.

barbie on the horse: Barbie's Magical Adventure in Dreamland AQEEL AHMED, 2023-10-16 Reading Barbie's Magical Adventure in Dreamland takes people to magical worlds of thought and wonder. The story is about Barbie, a young girl with beautiful golden hair and bright blue eyes who stands out because she can go to Dreamland, a magical place that only lives in her dreams. Barbie goes on exciting adventures, meets strange creatures, and discovers beautiful landscapes in Dreamland every night under the stars. These dreams turn into her favorite secret, a beautiful world

she loves. Dreamland's magic starts to fade away one day, leaving the once-bright colors dull and the magical creatures dull. Dreamland's guardian, Cygnus, calls on Barbie to protect this magical paradise. The magic of Dreamland comes from the three Dream Crystals that are lost. It is her job to find them. Barbie starts her trip with a purse full of stardust and an unknown map. She goes on a journey through the Whispering Woods, where the trees tell her secrets. To find the Dream Crystals that are hidden there, she has to answer puzzles. Barbie will have to show how brave and dedicated she is when she jumps into the Enchanted Lake to find the last crystal. She faces her biggest fears and gives the stones back to Cygnus, protecting Dreamland's magic and making sure it will live on. When Barbie goes back to her quiet small town, she grows into a kind and inspiring person. Kids and adults alike are inspired by her adventures in Dreamland and how she lives out these ideals to enjoy the beauty of dreams and grow the traits of bravery, kindness, and curiosity. At the end of the story, Barbie is still Dreamland's keeper. She watches over its wonders and makes sure that people will love them for many more years. She closes her eyes and dreams of Dreamland all the time because she knows that the fun things, she did there will always be a part of her. Barbie's Magical Adventure in Dreamland shows how powerful dreams, kindness, and bravery can be. It reminds us that the world is full of amazing things just waiting to be found by people who believe, and that the keys to amazing experiences and lasting memories are inside our hearts. Story Begins: Barbie was a little girl who lived in a cute little town. People knew her for having beautiful golden hair, bright blue eyes, and a kind heart. Barbie stood out among the simple homes and friendly neighbors in the town as a symbol of modesty and purity. Barbie had golden hair that fell down her back in waves that sparkled like a river of light. As the light caught on her and turned into a beautiful halo, she looked like a living, breathing sign of hope. Her bright blue eyes sparkled with interest, like two sapphires watching over the secrets of the world. But what made Barbie different from the other kids in town was her heart. She had a giving heart that touched everyone she met. She could make anyone feel special and better, even on the worst days, with her kind words and warm smile. It was Barbie's job to show that even in a world that seemed rude and rushed, good manners could still win. The one thing that made Barbie different, though, was something that not many people knew about her: she could go to Dreamland, a magical world that appeared only in her dreams. The hamlet would go to sleep every night, and Barbie's travels would begin. Dreamland was a place where dream rules did not apply. It stretched out in front of her like a beautiful tapestry in her thoughts. It was a world where the trees whispered secrets and the animals spoke in riddles and wisecracks. The sky was purple and turquoise. In Dreamland, Barbie can be anyone and go anywhere. It's a place where anything is possible and where the soul can find comfort. Her adventures at night were amazing. She would soar through the sky on a shiny dragon, feeling the rush of freedom in her blood as the wind pulled her hair back. She would have tea parties with rabbits that could talk. The rabbits' laughter would sound like a happy symphony in a field of brightly colored flowers. She liked to wander around in beautiful forests where streams sang lullabies to long-lost hopes and trees whispered stories of past adventures. Barbie, on the other hand, found the animals in Dreamland to be very interesting. There was Lumina, a pretty fairy whose wings sparkled like stars at dusk. She would teach Barbie about the night sky by telling her stories about constellations and the music that the stars played. Nimbus, a sneaky cloud fairy who can change shape at will, came next. Nimbus could change into a dolphin to explore the depths of the dream seas or a kite to take Barbie high above the clouds. Barbie and Nimbus would go on exciting adventures together. She made new friends every night, and each one was more creative than the last. She laughed with kind giants whose hearts were as big as the sky, danced with fire sprites whose bright flames lit up the night sky, and talked with wise old owls who taught her ancient secrets.

barbie on the horse: Another 1000 Famous Horses FJH Glover, 2022-11-13 This 2nd book is a continuation of the 1st book. The index at the back of the book is brilliant. The contents list, at the front of the book, is in alphabetical order, and is a list of the horses names, gives paragraph numbers. Whereas the Index gives the Rider/Owner in alphanumeric order and gives paragraph numbers. So if you do not know the name of a persons horse you would look up the person in the

Index and it would indicate the paragraph numbers to find the answer. For instance: Steptoe and Son would be under 'S' in the Index and this would lead you to 'Hercules', the strong man from Greek Mythology. Or Toy Story 2 would lead you to 'Bullseye' Books 3 and 4 are in the process of compiling, it's a "Never Ending Story".

barbie on the horse: 1000 Famous Horses Fact & Fictional Throughout the Ages FJH Glover, 2011-04-05 There is no available information at this time.

barbie on the horse: History of Horses Told by Horses H A Levin, 2009-04-01 Following his telepathic communication with a mare named Bess, Levin delivers this chronicle of the historical links between humans and horses, in which horses express their thoughts on the impact that humans have on the Earth and state their mission.

barbie on the horse: Barbie Golden Books, 2001-06-01 Barbie attends a horse show, and readers can participate using stickers with the book's gatefold and press-out horse and doll. Illustrations. Consumable.

barbie on the horse: Horses to the Rescue, 2016 Barbie and her sisters search for their puppies when they go missing at the Dancing Horse Festival.

barbie on the horse: The Girl I Was Before Ginger Scott, 2015-06-23 I'm the selfish one. I suppose that's the nicest thing people say about me. I've heard the other things, too. "Paige Owens is a pretty girl with nothing else to offer. She's just a good time at a party. She's stupid, heartless, cold and useless. All she cares about is getting a guy to look at her. Why would anyone want to be her friend?" Some of those things are true. Others were true. They're all hurtful. None of it matters. I'm ready to make the hard choices. I'm ready to face the consequences. I'm ready to be the girl I was before, and I'm done being the one who lost her way. I'm ready to become the girl Houston Orr sees when he looks at me. Houston isn't a star athlete. He doesn't play in a band. He's never going to be president, and his life is so far away from simple and easy it isn't even funny. He wasn't part of my plan. But I'm starting to think plans are overrated, and maybe our stories are what we make them. And mine depends entirely on me, and the choices I make...starting now. Houston is my fairytale. He's perfectly imperfect. He's poetry and life. He's truth and heartbreak, all rolled up in a tall body with dark hair, broad shoulders and green eyes that lull me into submission. He's nothing I ever thought I wanted, but the very thing I need. He's the only guy I've ever really loved, and he thinks I'm a princess. I fell into him, and now I'm holding on. But sometimes life takes away our ability to choose. Sometimes...things aren't in your control. Sometimes, it hurts to be selfless. My only hope is that when it comes time to choose, I get it right. Welcome to my once upon a time and wish for happily ever after.

barbie on the horse: Ties That Bind Cindy Woodsmall, 2015-09-08 Ariana's comfortable Old Order Amish world is about to unravel. Will holding tightly to the cords of family keep them together—or simply tear them apart? Twenty-year-old Ariana Brenneman loves her family and the Old Ways. She has two aspirations: open a café in historic Summer Grove to help support her family's ever-expanding brood and to keep any other Amish from being lured into the Englisch life by Quill Schlabach. Five years ago Quill, along with her dear friend Frieda, ran off together, and Ariana still carries the wounds of that betrayal. When she unexpectedly encounters him, she soon realizes he has plans to help someone else she loves leave the Amish. * Despite how things look, Quill's goal has always been to protect Ariana from anything that may hurt her, including the reasons he left. After returning to Summer Grove on another matter, he unearths secrets about Ariana and her family that she is unaware of. His love and loyalty to her beckons him to try to win her trust and help her find a way to buy the café—because when she learns the truth that connects her and a stranger named Skylar Nash, Quill knows it may upend her life forever. Ties That Bind is the first novel in the Amish of Summer Grove series.
