Bringing together a variety of previously uncollected stories, columns, reviews, introductions, and interviews, this book finds him approaching the dynamics of his chosen profession with cynical aplomb, deflating pretensions and tearing down idols armed with only a typewriter and a bottle of beer. Beginning with the title piece—a serious manifesto disguised as off-handed remarks en route to the racetrack—*The Mathematics of the Breath and the Way* runs through numerous tales following the author's adventures at poetry readings, parties, film sets, and bars, and also features an unprecedented gathering of Bukowski's singular literary criticism. From classic authors like Hemingway to underground legends like d.a. levy to his own stable of obscure favorites, Bukowski uses each occasion to expound on the larger issues around literary production. books written by charles bukowski: *Charles Bukowski* Barry Miles, 2009-10-06 'Fear makes me a writer, fear and a lack of confidence' Charles Bukowski chronicled the seedy underside of the city in which he spent most of his life, Los Angeles. His heroes were the panhandlers and hustlers, the drunks and the hookers, his beat the racetracks and strip joints and his inspiration a series of dead-end jobs in warehouses, offices and factories. It was in the evenings that he would put on a classical record, open a beer and begin to type... Brought up by a violent father, Bukowski suffered childhood beatings before developing horrific acne and withdrawing into a moody adolescence. Much of his young life epitomised the style of the Beat generation - riding Greyhound buses, bumming around and drinking himself into a stupor. During his lifetime he published more than forty-five books of poetry and prose, including the novels *Post Office*, *Factotum*, *Women and Pulp*. His novels sold millions of copies worldwide in dozens of languages. In this definitive biography Barry Miles, celebrated author of *Jack Kerouac: King of the Beats*, turns his attention to the exploits of this hard-drinking, belligerent wild man of literature.

books written by charles bukowski: *Hot Water Music* Charles Bukowski, 2009-03-17 With his characteristic raw and minimalist style, Charles Bukowski takes us on a walk through his side of town in *Hot Water Music*. He gives us little vignettes of depravity and lasciviousness, bite sized pieces of what is both beautiful and grotesque. The stories in *Hot Water Music* dash around the worst parts of town – a motel room stinking of sick, a decrepit apartment housing a perpetually arguing couple, a bar tended by a skeleton – and depict the darkest parts of human existence. Bukowski talks simply and profoundly about the underbelly of the working class without raising judgement. In the way he writes about sex, relationships, writing, and inebriation, Bukowski sets the bar for irreverent art – his work inhabits the basest part of the mind and the most extreme absurdity of the everyday.
