real tigers mick herron: The Samaritan's Secret Matt Rees, 2019-05-07 The third installment in the CWA Dagger-winning series featuring Palestinian schoolteacher-detective Omar Yussef. The Samaritan community in Palestine is tiny but ancient—only about six hundred people still adhere to this faith, an offshoot of Judaism, and now one of them has been murdered. The crime has even larger implications, though, as the dead man controlled hundreds of millions of dollars of government money. If the World Bank cannot locate it within the next several days, all aid to the Palestinians will be cut off. Visiting the isolated Samaritan community at Nablus in the West Bank, history teacher-turned-sleuth Omar Yussef must solve the murder and find the money for the sake of all Palestine.
