

sanjaya baru accidental prime minister

sanjaya baru accidental prime minister is a phrase that has gained significant attention in recent years, especially among political enthusiasts and historians interested in the intricate dynamics of Indian politics. The term typically refers to the book titled *The Accidental Prime Minister*, authored by Sanjaya Baru, a well-known Indian political analyst and former media advisor to Prime Minister Dr. Manmohan Singh. This book offers an insider's perspective on the functioning of the Indian government during the United Progressive Alliance (UPA) era, particularly highlighting the role and influence of Dr. Singh and his close aides. As such, the phrase has become synonymous with an exploration of the behind-the-scenes power struggles, decision-making processes, and political intricacies that define Indian governance.

In this comprehensive article, we delve into the life and work of Sanjaya Baru, the context of his book *The Accidental Prime Minister*, the controversies surrounding its publication, and the broader implications for Indian politics. We aim to provide an SEO-optimized, detailed overview suitable for readers seeking an in-depth understanding of this significant political narrative.

Who is Sanjaya Baru?

Early Life and Education

Sanjaya Baru was born in India and pursued a distinguished academic career before entering the political arena. He holds degrees in economics and has been associated with several renowned institutions, which provided him with a solid foundation to analyze and interpret political and economic issues.

Career Highlights

- Served as the Media Advisor to Prime Minister Dr. Manmohan Singh from 2004 to 2008
- Worked as an economic advisor and strategist for various government and private sector organizations
- Currently a distinguished fellow at the Centre for Policy Research, New Delhi
- A prolific writer and columnist, contributing to prominent national and international publications

Baru's tenure as media advisor placed him at the heart of Indian policymaking during a transformative period, offering him firsthand insights into the

functioning of the Indian government.

The Book: The Accidental Prime Minister

Overview and Content

Published in 2014, *The Accidental Prime Minister* is a memoir and political biography that chronicles Sanjaya Baru's experience working closely with Prime Minister Dr. Manmohan Singh. The book aims to shed light on the inner workings of the Indian government, the decision-making process, and the power dynamics that shaped policy during Singh's tenure.

Key points covered in the book include:

- The role of Dr. Singh as a leader and his administrative style
- The influence of the Congress Party's leadership, especially Sonia Gandhi
- Power struggles within the government and the party
- The perceived marginalization of Dr. Singh in his own cabinet
- Insights into major policy decisions and political crises

The title, *The Accidental Prime Minister*, suggests that Dr. Singh's rise to the prime ministership was somewhat unanticipated or unintended, a theme explored through Baru's detailed narrative.

Impact and Reception

The book sparked widespread debate, both praising Baru's candidness and criticizing its candid revelations. It became a bestseller and was adapted into a film, further amplifying its influence.

Controversies Surrounding the Book

Political Backlash

The publication of *The Accidental Prime Minister* was met with fierce opposition from the Congress Party and supporters of Dr. Singh. Critics argued that the book contained biased narratives, selectively revealing information to tarnish the image of the then Prime Minister and his allies.

Legal Challenges and Censorship

- The Congress Party accused Baru of revealing classified information
- Some sections of the book faced legal scrutiny and attempted bans
- Baru faced personal threats and legal notices post-publication

Reactions from Key Political Figures

- Sonia Gandhi and other Congress leaders dismissed the book as an attempt to defame the party
- Baru maintained that his account was based on his experiences and aimed at transparency
- Supporters viewed the book as an essential insider's perspective on Indian governance

Understanding the Significance of the Book in Indian Politics

Insights into Power Dynamics

The book provides a rare glimpse into the complex power structures within the Indian government, highlighting:

- The influence of party leaders versus the Prime Minister
- The role of the Prime Minister's Office (PMO)
- The impact of political personalities on policymaking

Implications for Democratic Transparency

Baru's revelations raised crucial questions about:

- Accountability in Indian democracy
- The concentration of power in the hands of a few individuals
- The importance of internal party democracy

Legacy and Continuing Relevance

Even years after its publication, *The Accidental Prime Minister* remains relevant as it:

- Offers lessons on governance and leadership
- Serves as a cautionary tale about political machinations
- Influences contemporary debates on Indian political transparency

Who Was the Real Accidental Prime Minister?

Dr. Manmohan Singh: The Man Behind the Title

While the title suggests an unintentional rise, Dr. Singh's political career was marked by deliberate effort, integrity, and a focus on economic reforms. Baru's portrayal emphasizes his role as a technocrat overshadowed by political pressures.

Sonia Gandhi's Role and Influence

Many analysts argue that Sonia Gandhi, as Congress President, wielded significant influence over the government, often overshadowing the Prime Minister. Baru's account suggests that her role was central to the decision-making process.

Other Political Actors

- The Cabinet Ministers and their struggles for influence
- The Congress Party leadership's strategic decisions
- External factors affecting governance and policy

Impact of Sanjaya Baru's Work on Indian Political Discourse

Fostering Transparency and Accountability

Baru's revelations prompted debates on the need for greater transparency in government functioning and accountability of political leaders.

Influencing Public Perception

The book shaped public opinion by:

- Providing an insider's perspective
- Highlighting the complexities of governance
- Challenging the myth of a strong, centralized leadership

Encouraging Insider Accounts and Political Journalism

Baru's work inspired other journalists and analysts to explore the behind-the-scenes aspects of Indian politics, enriching democratic discourse.

Conclusion: The Legacy of Sanjaya Baru and The Accidental Prime Minister

Sanjaya Baru's *The Accidental Prime Minister* remains a landmark publication that offers a candid, detailed account of Indian politics during one of its most turbulent periods. While it sparked controversy and debate, it also contributed significantly to the discourse on governance, transparency, and political power. Baru's insights continue to influence scholars, journalists, and citizens eager to understand the true workings of Indian democracy.

Whether viewed as an exposé, a memoir, or a political critique, Baru's work underscores the importance of insider perspectives in shaping a more informed and transparent political landscape in India. The phrase *sanjaya baru accidental prime minister* has thus become emblematic of a broader conversation about leadership, influence, and the realities behind the political narratives we see in public.

Keywords: Sanjaya Baru, *Accidental Prime Minister*, *The Accidental Prime Minister* book, Indian politics, Dr. Manmohan Singh, Sonia Gandhi, Indian government, political memoir, political controversy, governance in India, political transparency

Frequently Asked Questions

Who is Sanjaya Baru and what is his connection to 'The Accidental Prime Minister'?

Sanjaya Baru is an Indian political scientist and former media advisor to Prime Minister Manmohan Singh. He authored the book *'The Accidental Prime Minister,'* which is a memoir providing an insider's perspective on Singh's tenure and political dynamics.

What is the main focus of Sanjaya Baru's book 'The

Accidental Prime Minister'?

The book offers an insider's account of the political events, decision-making processes, and leadership style during Manmohan Singh's time as Prime Minister, highlighting the challenges and power dynamics within the Indian government.

How was 'The Accidental Prime Minister' received by the public and political circles?

The book received widespread attention and sparked debates over its candid portrayal of political events, with some praising it for honesty and others criticizing it for revealing sensitive information. It also inspired a popular film adaptation.

Did Sanjaya Baru face any controversy or backlash related to his book?

Yes, the book faced criticism from certain political leaders and parties who questioned its accuracy and suggested it was biased. Some also argued it revealed confidential information, leading to debates over its publication.

What role did Sanjaya Baru play in the Indian government before writing the book?

Sanjaya Baru served as the Media Advisor to Prime Minister Manmohan Singh from 2004 to 2008, providing him with strategic communications advice and insights into government functioning.

Is 'The Accidental Prime Minister' considered an authoritative source on Indian politics?

While it provides valuable insider perspectives, it is a memoir and reflects Sanjaya Baru's personal views. Therefore, it is one of several sources used to understand the political landscape during Singh's tenure.

How has Sanjaya Baru's book influenced public perception of Prime Minister Manmohan Singh?

The book has contributed to a nuanced understanding of Singh's leadership style, portraying him as a somewhat reluctant leader influenced by political circumstances, which has affected public and scholarly perceptions.

Are there any upcoming adaptations or sequels

related to Sanjaya Baru's 'The Accidental Prime Minister'?

As of October 2023, the primary adaptation is the 2019 film based on the book. There have been no official announcements of sequels or further adaptations related to Baru's work.

Sanjaya Baru Accidental Prime Minister: A Deep Dive into the Life and Legacy of a Political Chronicler

In the realm of Indian politics, few narratives are as compelling and layered as that of Sanjaya Baru, whose name became synonymous with the phrase “accidental prime minister” following the publication of his acclaimed book. The term encapsulates not just his role as a close observer of Prime Minister Manmohan Singh’s tenure, but also the complex interplay of politics, media, and perceptions that define his public persona. This article aims to explore the life, career, and the controversies surrounding Sanjaya Baru, dissecting why he is often regarded as an “accidental prime minister” and what his story reveals about India's political landscape.

Early Life and Educational Background

To understand Sanjaya Baru’s journey, it’s essential to trace his roots. Born in 1957, Baru hails from a scholarly family deeply rooted in academic and administrative pursuits. His educational trajectory is marked by distinguished degrees, including a doctorate in economics from the London School of Economics (LSE). His academic credentials laid a solid foundation for his subsequent roles in government and media.

Baru’s early academic pursuits and international exposure equipped him with a nuanced understanding of global economic policies, which later became pivotal in his role as an economic analyst and advisor. His scholarly background and analytical prowess positioned him as a credible voice in economic and political circles, setting the stage for his transition into policymaking and journalism.

Career Path: From Academics to Policy Advisory

Entry into Public Service and Policy Advisory Roles

Sanjaya Baru’s career trajectory is marked by a seamless shift from academia to policy advisory roles. He initially served as a professor of economics and held various positions at prestigious institutions. His expertise caught the

attention of policymakers, leading to his appointment as an economic advisor.

His most notable government role was as the Media Advisor to the Prime Minister of India, Dr. Manmohan Singh, from 2004 to 2008. This position placed Baru at the nexus of politics, media, and governance, offering him an insider's perspective on the functioning of the highest echelons of Indian power.

Transition to Journalism and Media

After his tenure as media advisor, Baru transitioned into journalism, becoming a prominent columnist and commentator. His writings often reflected a deep understanding of India's economic reforms, foreign policy, and internal politics. His ability to analyze complex issues with clarity earned him respect across diverse audiences.

The Book That Made Headlines: The Accidental Prime Minister

Context and Content

In 2014, Sanjaya Baru published *The Accidental Prime Minister: The Making and Unmaking of Manmohan Singh*, a memoir that offered an intricate portrayal of the then-Prime Minister and the Congress-led government. The book was a candid, sometimes controversial, account of the inner workings of the UPA government, especially highlighting the perceived dominance of Sonia Gandhi in decision-making.

Impact and Reception

The book ignited widespread debate across political and media circles. Supporters appreciated Baru's honesty and insider perspective, viewing it as a valuable addition to understanding Indian politics. Critics, however, accused Baru of bias and of revealing sensitive information that could undermine the government's credibility.

The phrase "accidental prime minister" itself became a media catchphrase, symbolizing the perception that Manmohan Singh was more a figurehead than a decision-maker, with Baru's narrative suggesting Sonia Gandhi's real influence behind the scenes.

The "Accidental Prime Minister" – Myth and Reality

How the Term Gained Popularity

The phrase gained prominence largely due to Baru's book and media portrayal. It encapsulates the idea that Singh's tenure was characterized by a lack of direct control, with much of the power residing elsewhere in the Congress

hierarchy. The narrative resonated with many who viewed Singh as a technocrat thrust into the political arena, not a conventional politician.

Dissecting the Myth

While Baru's account suggests a certain degree of "accidentalism," it also raises questions about leadership and the nature of political power in India. Was Singh truly an "accidental" leader, or was this a convenient narrative? Many political analysts argue that Singh's leadership was a product of complex political negotiations, strategic considerations, and institutional constraints.

Furthermore, Baru's portrayal has been both praised for its honesty and criticized for oversimplification. Some critics contend that it undermines Singh's agency, portraying him as a passive figure. Others see it as an insightful critique of the Congress's internal dynamics.

Controversies and Political Fallout

Allegations of Bias and Political Motivation

Baru's candid revelations have not been without controversy. Political opponents accused him of selectively revealing information to tarnish the image of the Congress or to bolster his own reputation. Some questioned his motives, suggesting that his narrative was influenced by personal biases or political agendas.

Legal and Diplomatic Ramifications

While Baru has largely avoided legal troubles, his writings have occasionally attracted scrutiny from political figures. The sensitive nature of insider accounts often sparks debates about confidentiality, loyalty, and the ethics of whistleblowing within political circles.

Sanjaya Baru's Legacy and Influence

Impact on Political Discourse

Sanjaya Baru's work has significantly influenced how India perceives its political leadership and governance. His insider perspective has added depth to discussions on executive power, media influence, and political strategy.

Contributions to Indian Political Literature

His writings, especially *The Accidental Prime Minister*, are considered landmark contributions to Indian political literature. They offer a rare glimpse into the corridors of power, blending scholarly analysis with

journalistic storytelling.

Continued Relevance

Even after his tenure as media advisor, Baru remains an influential voice. He continues to comment on contemporary politics, economic policies, and India's international relations, shaping public discourse with his insights.

Conclusion: The Complex Persona of Sanjaya Baru

Sanjaya Baru's story is emblematic of the intricate dance between power, perception, and narrative in Indian politics. Dubbed the "accidental prime minister," his journey from academic to insider, and then to author and commentator, underscores the multifaceted nature of leadership and influence.

Whether one views him as a whistleblower, a biased critic, or a candid chronicler, Baru's contributions have undeniably enriched the tapestry of India's political history. His life and work serve as a reminder that behind the veneer of political authority, there are often layers of complexity, personal ambition, and strategic maneuvering—elements that Baru has laid bare with both journalistic integrity and a nuanced understanding of power.

As India continues to evolve politically, the debate surrounding figures like Sanjaya Baru underscores the importance of transparency, insider accounts, and the enduring quest to understand the true dynamics of governance. Whether seen as an "accidental" figure or a deliberate observer, Baru's legacy is etched into the chronicles of Indian democracy, offering lessons and reflections for generations to come.

sanjaya baru accidental prime minister: The Accidental Prime Minister Sanjaya Baru, 2015-07-05 When The Accidental Prime Minister was published in 2014, it created a storm and became the publishing sensation of the year. The Prime Minister's Office called the book a work of 'fiction', the press hailed it as a revelatory account of Prime Minister Manmohan Singh's first term in UPA. Written by Singh's media adviser and trusted aide, the book describes Singh's often troubled relations with his ministers, his cautious equation with Sonia Gandhi and how he handled the big crises from managing the Left to pushing through the nuclear deal. Insightful, acute and packed with political anecdotes, The Accidental Prime Minister is one of the great insider accounts of Indian political life.

sanjaya baru accidental prime minister: The Accidental Prime Minister Associate Professor of Economics Sanjaya Baru, 2014-04-20

sanjaya baru accidental prime minister: The Difficult Politics of Peace Christopher Clary, 2022 A sweeping and theoretically original analysis of the India-Pakistan rivalry from 1947 to the present. Since their mutual independence in 1947, India and Pakistan have been engaged in a fierce

rivalry. Even today, both rivals continue to devote enormous resources to their military competition even as they face other pressing challenges at home and abroad. Why and when do rival states pursue conflict or cooperation? In *The Difficult Politics of Peace*, Christopher Clary provides a systematic examination of war-making and peace-building in the India-Pakistan rivalry from 1947 to the present. Drawing upon new evidence from recently declassified documents and policymaker interviews, the book traces India and Pakistan's complex history to explain patterns in their enduring rivalry and argues that domestic politics have often overshadowed strategic interests. It shows that Pakistan's dangerous civil-military relationship and India's fractious coalition politics have frequently stymied leaders that attempted to build a more durable peace between the South Asian rivals. In so doing, Clary offers a revised understanding of the causes of war and peace that brings difficult and sometimes dangerous domestic politics to the forefront.

sanjaya baru accidental prime minister: *Forging New Partnerships, Breaching New Frontiers* Rejaul Karim Laskar, 2023-02-06 The ten years of UPA rule has been a crucial passage in the evolution of India's foreign policy, and yet this period has been-until now-curiously understudied. This book bridges this puzzling gap in the literature.

sanjaya baru accidental prime minister: *Professor vs. Campaigner: Confirming Policy Politics of Contemporary India from Harvard to Hardworking* Bikram Keshori Jena, 2025-01-23 Professor vs Campaigner: Confirming Policy Politics in India is an illuminating treatise that explores the evolving interplay between scholarly ideals and pragmatic political strategies in the realm of Indian governance. This profound work delves into the distinct yet interconnected worlds of academic theorists, who advocate for policy rooted in rigorous research, and political campaigners, who emphasize the importance of populist approaches grounded in immediate practical needs. Through incisive case studies and analysis of contemporary policy discourse, the book unveils how policy is forged not merely through academic insight but tempered by the urgency and complexity of political realities. It thoughtfully navigates the delicate balance between intellectual aspiration and electoral demands, illustrating how these forces, though seemingly at odds, must coexist to address India's unique socio-political challenges. Professor vs. Campaigner thus serves as a rich discourse on the nature of Indian policymaking, providing readers with a discerning lens into how policies are shaped through a dynamic synthesis of high theory and political necessity. This book stands as an essential contribution to understanding how governance and development in India are molded by the constant negotiation between lofty ideals and the pragmatism of lived experience.

sanjaya baru accidental prime minister: *Demystifying Leadership* Asha Kaul, Vishal Gupta, 2021-07-18 Can leadership lessons be learnt from the Mahabharata? *Demystifying Leadership* positively asserts that we can and probes inquiry in the lives of six characters-Bhishma, Ashvatthama, Karna, Shakuni, Kunti and Krishna. It studies these characters in inescapable situations as they navigate through life by demonstrating values, decision-making ability, integrity and principles. Within the given constraints, some of these characters swim and rise, while others sink in moral turpitude. Extrapolating these successful and not-so-successful character traits to corporate leaders and linking them to scholarship, the authors provide lessons for leaders and managers operating in diverse situations. Borrowing from different disciplines, such as literature, philosophy, politics and psychology, *Demystifying Leadership* proposes to link essentials of leadership in the form of a Leadership Triangle comprising six levels: positive personality, peace with personal identity, purpose, positive use of power and politics, paradoxical leadership and principled pragmatism. It takes a grounded approach in amalgamating mythology and leadership through scholarship and practice.

sanjaya baru accidental prime minister: *Apostles of Development* David Engerman, 2025-08-20 *Apostles of Development* offers a bold new history of one of the most important enterprises of the 20th century--the project to end global poverty--through the lives and work of six of its most innovative practitioners, all former classmates at Cambridge University and all from the Global South. Deftly combining global history and biography, it shows how development began not in Washington or London or Paris but in the crowded cities and isolated villages of South Asia, home

to some of the world's poorest countries in the mid-twentieth century. Sweeping in scope, *Apostles of Development* details how these six individuals shaped the entire project of international development across the Cold War and post-Cold War eras.

sanjaya baru accidental prime minister: Lessons Life Taught Me, Unknowingly Anupam Kher, 2019-08-27 An extraordinary, riveting and no-holds-barred saga studded with fascinating behind-the-scenes revelations, anecdotes and rare nuggets of lessons Anupam Kher's life story is nothing short of a grand masala box office hit. It has drama, comedy, romance and even action! Who knew that a small-town Shimla boy would one day become one of the most recognised actors in the world and go on to win various national and international awards for his contribution in the field of cinema and arts? A powerhouse of talent with over 530 films (and counting) in his repertoire, Anupam Kher stands out not only because of his iconic bald head, but also for his forthright views and opinions, however controversial they may be. He has always been distinct and offbeat. His autobiography is, too . . . for it is not just another chronological account of his life. It is, in fact, also peppered with incredible life lessons that are bound to resonate with every aspiring artiste and, most of all, the common man. Here is a kaleidoscopic peep into the life and times of a true genius and forever entertainer.

sanjaya baru accidental prime minister: A New Idea of India Harsh Madhusudan, Rajeev Mantri, 2025-07-30 For the better part of seven decades after independence, the Nehruvian idea of India held sway in India's polity, even if it was not always in consonance with the views of Jawaharlal Nehru himself. Three key features constituted the crux of the Nehruvian way: socialism, which in practice devolved to corruption and stagnation; secularism, which boxed citizens into group membership and diluted individual identity; and non-alignment, which effectively placed India in the Communist camp. In the early Nineties, India began a gradual withdrawal from this path. But it was only in 2019, with Narendra Modi's second successive win in the general elections, that this philosophy is finally being replaced by a worldview that acknowledges India as an ancient civilization, even if a young republic, and that sees citizens as equal for developmental and other purposes. *A New Idea of India* constructs and expounds on a new framework beyond the rough and tumble of partisan politics. Lucid in its laying out of ideas and policies while taking a novel position, this book is illuminated by years of research and the authors' first-hand experiences, as citizens, entrepreneurs and investors, of the vagaries and challenges of India. This revised edition builds on some of the arguments of the earlier edition and brings things up-to-date.

sanjaya baru accidental prime minister: War or Peace Deepak Lal, 2018-05-22 Today's international climate is one of disorder. A League of Dictators (China, Russia, Iran) is threatening the superpower status of the United States of America, and the liberal international order it has underwritten. A piecemeal Third World War seems to have begun. Eminent economist Deepak Lal argues that the global financial crisis was the proximate cause for a revanchist China and Russia believing that the liberal economic order promoted by the US was on its deathbed, and their illiberal systems were the future. But Lal argues that reports of the economic woes of the US are greatly exaggerated—as are those of China's prospects and Russia's power. With a new regime, and the US' continuing overwhelming economic and military strength, it can maintain its global hegemony by challenging the League of Dictators. India is increasingly a partner in this effort to maintain a liberal global order, by helping contain China's burgeoning influence.

sanjaya baru accidental prime minister: Caught By The Police: The Life Story of Dr Anandswarup Gupta Anandswarup Gupta, Ranjit Gupta, Harsh Gupta, Mira Yog, Madhukar Gupta, Deepak Gupta, 2016-03-01 *Caught by the Police* is the story of a talented, public-spirited and erudite man, with a multidimensional personality, a republican bent of mind, Indian values and English sensibilities. After a brilliant academic career, he joined the Royal Air Force in 1934 at the age of 19; unfortunately, he was forced to leave on contrived medical grounds. He got into the Indian Police due to a providential combination of circumstances and events, somewhat against his inclination. But once in it, he gave his all to his profession. A brave and intrepid police officer, he went on to become a celebrated police historian. He also wrote spiritual poetry, which forms a part of the book

and, interestingly, could recite Shakespeare, Ghalib and the Bhagvad Gita with equal facility. Spanning a century of changing times, this book provides a unique account of the last decades of British Rule and the emergence of a new India, woven into the story of an extraordinary life lived in ordinary places, and a compelling family chronicle.

sanjaya baru accidental prime minister: SSC GD Constable 2019 PYP E-book - Attempt All Shift Papers Here. Testbook.com, 2021-10-19 This SSC GD Constable PYP E-book covers all shifts papers of 2019 based on the SSC GD Constable syllabus. Important topics from General Intelligence & Reasoning, General Knowledge and General Awareness, Elementary Maths, English/Hindi are covered.

sanjaya baru accidental prime minister: *Ruling Dynasties of Independent India - Volume 1* RAVINDRA PADALKAR, 2021-01-16 This book is written to give an overall idea of dynastic politics in India, keeping in mind that a citizen of India should know more about the politicians who are in the government and form policies and so on to take the country in the proper direction. Even if there are two related members, it is considered as dynasty and is included in this book. Wherever possible, family trees, as well as the assets of our politicians, are shown. It was natural to start with the Nehru Gandhi family, being one of the largest and longest-ruling families at the helm of all affairs. Then state wise, the families are chosen and the account is presented. As the content is extensive, the book is published in two volumes. States are chosen alphabetically. So even if Nehru Gandhi family is in Volume 1, Tamilnadu, Telangana, Uttar Pradesh are in Volume 2. Early rulers in Indian history used to hand over the throne to their sons and then to the next generations for generations till some significant event upset the process, mostly conspiracies by persons like very close aides of the king or a revolt. Similar lines were followed even during our democracy, passing on the rule to the next generation, which gave rise to dynastic rule. Indian politics has witnessed a large spectrum of politicians from various fields. Initially, it consisted mainly of leaders from the field of law. Now, we find that we have eminent personalities from sports fields, actors, actresses, superstars from the silver screen. The literary field is no exception; we have writers, poets, and so on. Economists find a special place in the political arena. Politics does not shun even criminals or a few dacoits who then turned to politics after surrendering. Businessmen, kings or princes from princely states, as the British decided to call them, are also found here. We have learned people in politics as also the illiterate people (angutha chhaap) who learned to sign only after assuming the office on being elected. People are interested in knowing the assets of politicians. This point is covered by using the asset declaration given by the politicians at the time of the election.

sanjaya baru accidental prime minister: *The US Pivot and Indian Foreign Policy* H. Pant, Y. Joshi, 2015-11-05 China's exponential rise and America's relative decline have led to a transition of power in contemporary Asia. The US pivot towards Asia is the most evident manifestation of such a transition, and Indian foreign policy shows signs of a hedging strategy, with attempts to strengthen ties with both China and the US.

sanjaya baru accidental prime minister: *Lawfully Yours* Anurag K. Agarwal, 2021-03-28 Have you ever wondered why the government is very often rebuked by the courts? What can be the influencing power of big businesses on the government of the day? How do the courts impact the businesses by their judgments? What can a small change in government policy do to the entire business environment of the country? Why contract enforcement still remains a sore point in India? How does the bureaucracy play a vital link between the political masters and businesspersons? What harm can a whimsical judge do to the legal environment and how can it dampen the morale of the people? *Lawfully Yours* focuses on the interplay between business, government and law. It is from the perspective of an observer interested primarily in doing business legally and ethically as profit-making ought to be incidental and not the sole goal of doing business. It reveals how and why the external forces of the government and the law impact a businessperson's decision-making. The subjects discussed include business, judiciary, legal system, politics, world trade and infrastructure. Devoid of technical jargon, it uses simple language to drive home important and interesting concepts and points for the reader.
