the daily mirror crossword: The Daily Mirror David Lehman, 2000-01-04 Following in the footsteps of such poets as Emily Dickinson, William Stafford, and Frank O'Hara, David Lehman began writing a poem a day in 1996 and found the experience so rewarding that he continued for the

next two years. During that time, some of these poems appeared in various journals and on Web sites, including The Poetry Daily site, which ran thirty of Lehman's poems in as many days throughout the month of April 1998. For The Daily Mirror, Lehman has selected the best of these daily poems -- each tied to a specific occasion or situation -- and telescoped two years into one. Spontaneous and immediate, but always finely crafted and spiced with Lehman's signature irony and wit, the poems are akin to journal entries charting the passing of time, the deaths of great men and women, the news of the day. Jazz, Sinatra, the weather, love, poetry and poets, movies, and New York City are among their recurring themes. A departure from Lehman's previous work, this unique volume provides the intimacy of a diary, full of passion, sound, and fury, but with all the aesthetic pleasure of poetry. More a party of poems than a standard collection, The Daily Mirror presents an exciting new way to think about poetry.

the daily mirror crossword: The Langley Boy Charles Tyrie, 2006-12-12 Surviving the might of the Luftwaffe attacks on Hawkers aerodrome and the doodlebug flying bombs, the Langley Boy is an eyewitness account of a working class boy, growing up in the rural village of Langley, Buckinghamshire, during the period of wartime austerity and rationing until the more prosperous Rock n Roll years. It is a boys own story of gang warfare, trolley racing and escapades in an adventure playground of a rubbish dump, a surplus army vehicle compound, the Grand Union canal, a gravel pit, cherry orchards and open meadowland. On a more sombre note, it deals with the tug-of-war relationship with his parents, their jealousies, harshness, love and affection. It provides a

perspective on the strict teaching regimes at Langley primary and junior schools and the overpowering influence of the dreaded 11+ examination. It describes family weddings with aunts dressed in flamboyant hats, and annual family holidays on the beach at Jaywick Sands and Llandudno. It recalls the memorable Saturday morning trips to the Granada cinema to see Roy Rogers, Laurel and Hardy and the delights of boys comics, and it relives the thrills and spills at Pelhams fair and Langley fete, festive bonfire night celebrations, the Coronation of Queen Elizabeth the 2nd and the advent of television. The painful voyage from boyhood to manhood takes place at Slough Grammar School for Boys, marked by the struggle to master the sciences with ultimate academic and sporting success in the sixth form. It covers the social impact of the Teddy boy era, the influence of the church, the advent of pop music with Bill Haley and Lonnie Donegan and life behind the bar at the North Star public house in Slough. In short, the book is about a boy's determination to escape from his roots.

the daily mirror crossword: Splintered Icon Bill Napier, 2025-08-22 As an antique map dealer in a small English town, Harry Blake appreciates the quiet life. But when a local landowner asks him to value a 400-year-old journal and is then brutally murdered twelve hours later, Harry begins to suspect he's being pulled into something sinister. What does the dusty journal contain that is a matter of life and death? Why is someone prepared to pay Harry a fortune for it? He turns to marine historian Zola Kahn to uncover the mysteries. And when they meet at the old Greenwich Observatory, Harry is convinced there is more to Zola than meets the eye. The trail of the journal leads him into a world of deadly Elizabethan conspiracies, with a thread of history that takes him through a thousand years of religious intrigue back to the blood-soaked Crusades and a long lost icon whose rediscovery has the potential to ignite a worldwide religious war. Combining the thrill of a contemporary chase novel with a historical puzzle this is one novel that will leave readers gasping for breath.
