What readers are saying about The Grid Trilogy This book was simply amazing! I was immediately pulled into the story. The conflicts for each of the characters and how everything tied together was riveting! I reached the end of the book and was surprised- I hadn't realized that I had been close to the end. Paul Teague is just that good! Excellent story. Looking forward to reading more. This kept me hooked with the vivid imagery of the ruined city, and the oppression of the climbs. Can't wait to read the rest! I really enjoyed this book, it had everything I look for in a book, had me hooked on page 1. I just found this author and am so glad I did, I can't wait to read more from him Hooked from the get go. Imaginative and believable. Characters feel like your best friends. At least the good guys do! Loved this series. Very suspenseful and full of twists. A very fast paced read.
