hanuman chalisa lyrics hindi pdf: Unlocking Hanuman Chalisa: Revelations of a Householder Mystic Chandra Shekhar Kumar , 2015-11-26 Commentaries on Hanuman Chalisa in English and Hindi. This book is an outcome of inner revelations of mystical meanings of Hanuman Chalisa. Penning down itself was full of eternal vibrations which resembled as if being dictated by a Siddha. This journey was full of inexplicable ecstasy and joy, laced with complete surrendering to witnessing the state of Hanuman. It depicts transcendental qualities and attributes of this state in its totality. This body is just an instrument of meditation and the individual is nothing, the individual has nothing. Hanuman is a special state of Siddhas, the qualities of which are described by Hanuman Chalisa. A Sadhak passes through infinite number of states during his Sadhana. Period of stay in any state varies depending on the peculiarities of that state as well the predicament of the Sadhak. During this course, the outer symptoms may not be described and grasped as aptly as inner symptoms. Outer symptoms like trembling and/or levitation of body often lead to bewilderment and amusement of the beholder. Whereas being in the same state, it leads to calm acceptance and grasp of what is happening to someone else being in that state. There is no single prescribed path for Sadhana, simply because it varies from Sadhak to Sadhak, the root of which is often buried deep in one's Providence (Prarabdha). Hence no matter which path a Sadhak adopts for his journey to start with, he will get aligned to the best path, most suitable one for him, in due course of time, gradually.
