jesus from genesis to revelation pdf: From Genesis to Revelation Mildred Berry, 1921

jesus from genesis to revelation pdf: The Mystery of Jesus Donna Howell, Tom Horn, Allie Anderson, 2022-12-15 Who really is Jesus Christ of Nazareth? For most Christian minds, He is the Savior of the world from the Gospel narratives-and whereas that is a biblical truth, that answer, alone, is tragically insufficient in light of the progressive revelation of God's whole redemptive plan...from Genesis to Revelation. In each and all of the sixty-six biblical texts of the Holy Bible, Christ is in it, through it, intrinsically sewn into every page, and irreversibly linked to everything touched by His story in the world since the dawn of time. Donna Howell, Tom Horn, and Allie Anderson pair up in this three-volume work, *The Mystery of Jesus: From Genesis to Revelation-Yesterday, Today, and Tomorrow*, to tear down the walls of confusion around Christ's identity and show what the Bible wholly and collectively says about our Messiah. IN VOLUME 1: THE OLD TESTAMENT, YOU WILL LEARN: - Multiple ways that Jesus made personal appearances on earth (called Christophanies) prior to His birth through the virgin Mary. - What really happened in the Garden of Eden and what that means for humanity of all ages. - How Christ's fulfillment of the Passover feast renders a false claim of His identity a mathematical absurdity. - The many links between Mt. Sinai, the Day of Pentecost, and the Ascension from astounding (but largely hidden) revelations in the original Hebrew and Greek. - The depth of Ruth like you've never heard it before, and how it connects to End-Times events. - That the true purpose of Ecclesiastes is ironically the opposite of what the Church often teaches. - What the controversial Song of Solomon actually portrays, how most Western scholars have gotten this terribly wrong, and its genuine purpose in the canon of Scripture. - How the words of the Prophets regarding the Someday Messiah preceded a four-hundred-year season of silence and anticipation that led to disastrously incorrect interpretations of who He would be when He arrived. - And much, much more!

jesus from genesis to revelation pdf: Jesus Michael J Gibbs, 2014-07-01 This book was written for the purpose of magnifying the person of Jesus Christ. After fifty plus years as a professing Christian, the author found himself in the embarrassing position of realizing that his knowledge of all Jesus is, was, and is to be was sorely lacking. The degree of his concern over what he knew he didn't know motivated him to search deeper and deeper into what the Bible in it's entirety has to say about Jesus. What he found on this journey has forever changed his life and brought him closer to God. Some of the questions answered in this work are as follows: Does the Bible have one central message or is it a complex mixture of allegory designed to be open to many interpretations? Do the Old and New Testaments flow together in continuity or do they serve separate purposes? Does God have a heart and if so, what is in it? What is the distinction between God the Father and Jesus the Son? What is the purpose and significance of God's law? Does God have two sets of chosen people or just one? What were the promises God made to Abraham and to whom do they apply? Can we identify the true Israel of God? Can I know what God wants from me? At first glance, one might legitimately ask what some of these issues have to do with Jesus. From Genesis to Revelation, Jesus the Main Thing answers what Scripture has to say about all the above and much more, and how they relate to the most Supreme message of all time, The Gospel of Jesus Christ?

jesus from genesis to revelation pdf: *There Are Save Two Churches Only, Volume II* D. Christian Markham, 2015-11-09 A journey through disturbing yet crucial matters that must be considered prior to End Times and Christ's return. This second volume takes a different approach from the first. It is a journey, not a pick-and-choose buffet. It begins by taking the reader where the first volume left off, down the rabbit hole. The journey concludes in confronting the LDS reader with a crucible, wherewith one's faith and trust in Christ (and in Christ alone) will be put to the ultimate test. There are save two churches only: Which one does your everyday mindset, and your personal and professional choices, testify that you are a member of? What is the foundation upon which you anchor your sacred testimony? How close, how intimate, how cherished is your relationship with Jesus Christ? If you are not prepared to answer these questions with full conviction of heart, then you are not ready to contemplate the contents of this book.
