seeking allah finding jesus pdf: Searching Below the Surface Nakhati Jon, 2022-03-11 We

all want to know how the God of the Bible differs from the Islamic Allah. How does a covenant-keeping God interact in the divine-human relationship? In what ways does a contract-demanding Allah vary from biblical truth? This comparative religious exploration will equip Christians to clarify the difference. Searching Below the Surface: A Deeper look at Covenant and Contract prepares the reader to present biblical truths by exposing Muslim ideas. The book unearths the often-unseen perspectives of a covenant God called Yahweh and a deity prone to contract, Allah. The book seeks to answer these questions: How does Yahweh's Oneness promote covenant understanding? How do Muslims define the Absolute Oneness of Allah? How do the Creation accounts in the Bible and Quran reflect theology? In what ways does Islam ignore a covenant ethos? What are the implications of covenant and contract when applied to marriage? Since covenant marriage patterns divine oneness in how spouses relate and share sacrificially, this mode of marriage mirrors the character of the biblical God. Marriage in the Bible reflects a relationship found in the divine Godhead and how he interacts with believers. "Nakhati Jon skillfully searches below the surface to understand the roots of the thinking of our Muslim friends and neighbors, and Christians" Patrick Cate, Ph.D. In a covenant marriage, the husband and wife become one, which means more than physical oneness but a mystical, spiritual unity that reflects the Trinity of Oneness! Nakhati Jon Oneness describes the Islamic idea concerning deity but undermines the ideas of Islamic marriage. Nakhati Jon Excerpt: On another scorching, sweltering day in Central Asia, we traveled to the capital in our rented taxi. As per custom, my wife sat in the back with our kids while I sat in the front, chatting with the driver. Dust and welcome air flew in through the open windows, and we talked loudly to drown out the wind. Then, the inevitable conversation began: Driver: Central Asian women are beautiful, aren't they? (My back prickled in response to my wife's almost-palpable eye-roll.) Me: My wife is beautiful. Driver: You should get a second wife. (I felt my wife rethinking pacifism.) Me: (Emphatically) God is one! Therefore, I will have only one wife! Driver: Oh—this is true! (Pause) Does your wife speak the language? Me: Fluently. And she doesn't like what you're saying. Years later, my wife confessed she had ignored the illogic of the "One God/one wife" statement in return for its success as a conversation-stopper. But in researching, I happily

discovered my shot at philosophy had been logical after all. In fact, my bit of accidental wisdom carried foundational truths about Yahweh's nature, his relationship with man, and his plan for marriage.

seeking allah finding jesus pdf: Toward a Healthier Contextualization among Muslims Wonjoo Hwang, 2019-01-23 Various ministry approaches have been utilized in Muslim nations in the past in order to lead lost souls into God's Kingdom. One noticeable trend in recent years in the ministry is an increasing emphasis on contextualization. While the evangelical missiological community searches for more effective contextualization models, some ad hoc proposals have complicated the issue. One representative case is the Insider Movement among Muslims, whose advocates contend that Muslim followers of Isa (Jesus) can remain within their own Islamic socio-religious community while continuing in Islamic religious practices. What is urgently needed in the contemporary discussion on contextualization is to develop a comprehensive analytical framework based on a sound biblical-theological foundation for evaluating any missiological model. After reviewing the historical development of Muslim evangelism models, this study provides such an analytical framework for developing a healthier contextualization model among Muslims and applies this framework to the Insider Movement by critically evaluating the biblical interpretations and missiological reasonings of the Insider Movement advocates. The writer calls for a healthier contextualization model among Muslims that is biblically authentic and culturally relevant.

seeking allah finding jesus pdf: Dancing with Camels Mike Burnard, 2016-03-10 It would be such a waste of time if we read the book and do not move on to a next level of followship. The journey of faith should become a cycle of faith with new levels of commitment that will be required as we start higher and deeper levels of the process time and again. Moving from discipleship to apostleship on the journey of faith will require that we sit down and count the cost once again, but this time on a higher level. Let us consider the words of A. J. Nock: The mind is like the stomach. It is not how much you put into it that counts, but how much it digests. So let us digest, act, and do.

seeking allah finding jesus pdf: Teologia delle differenze Stefano Luca, 2023-12-27T00:00:00+01:00 Una delle caratteristiche della società occidentale post-moderna è la secolarizzazione: un segno del declino della religione nelle nostre vite, certo, ma anche occasione per una riscoperta autentica della fede. In questo contesto, il Cristianesimo è costretto a confrontarsi con altre spiritualità, in una società che è ormai plurireligiosa. Come interpretare tale pluralità nel discernimento ai fini di una nuova evangelizzazione? Fra Stefano Luca risponde a questa domanda focalizzandosi sulle relazioni cattolico-islamiche concernenti le spinose questioni missiologiche di dialogo, annuncio e conversione. Al cuore del libro, l'esperienza di Francesco d'Assisi, ovvero il suo atteggiamento durante lo storico incontro a Damietta nel 1219 con il sultano d'Egitto. Lo straordinario stile del Poverello nel dialogo, annuncio e conversione costituisce l'origine di una nuova categoria che qui viene definita «integrazione integrale», asse portante di un'inedita «teologia delle differenze» della quale in questo libro sono descritti i fondamenti biblici, teologici e carismatici. seeking allah finding jesus pdf: Seeking Jesus, Finding Allah Sayd Hashimi, 2018-11-20 In Seeking Jesus, Finding Allah, Sayd Hashimi seeks to find the truth about Jesus, Allah and the Qur'an. His aim is to spread the truth, and foster love and peace. For those who are seeking to find the truth in religion, in all the religions that come from God, then this book is a must read. Throughout the book we find that Jesus and the Qur'an teach in parallel lines to one another, and how Jesus confirmed by his own words and by his deeds the teachings of the Qur'an and the Qur'an, in like manner, confirms the authentic teachings of Jesus. Both Muslims and Christians are told many stories about their religion while growing up, but few ever take the time to study and research the teachings and the books of their religion to evaluate the validity of their religious learning. This book provides simple explanations to complex religious ideas and concepts in easy to understand format; citing numerous Qur'anic verses, side by side with the teachings and parable of Jesus, along with Islamic Hadith, so, that the reader can come to a natural, logical, reasonable, and truthful progression of analysis. Providing a detailed approach into the teachings of Jesus, and the Qur'an, the book is full of great information for those who seek to know the truth; both about Jesus and the Qur'an. It explains the parables of the Jesus related to the content of the book and how not only the teachings of Jesus mirror what the Qur'an teaches, but also how Jesus was given the same teachings by the same source as the Qur'an was revealed. Engaging and thought-provoking. Seeking Jesus, Finding Allah tells a powerful story of how there is no clash between Islam and Christianity, or rather there is no clash between Jesus and the Qur'an. The clash between Islam and Christianity is created by religiously zealous organizations and individuals, whose goal and aim has always been to create division, disunity and separation among humanity. Religion that come from God is about love and peace, it is people who turn it into hate and war. Illuminating, highly engaging, striking, and heartwarming. This book is for anyone seeking truth, understanding, and peace between the two of the world's great religions.
