A late spring in 1142 brings dismay to the Abbey of Saint Peter and Saint Paul, for there may be no roses by June 22. On that day the young widow Perle must receive one white rose as rent for the house she has given to benefit the abbey, or the contract is void. When nature finally complies, a pious monk is sent to pay the rent—and is found murdered beside the hacked rosebush. The abbey's wise herbalist, Brother Cadfael, follows the trail of bloodied petals. He knows the lovely widow's dowry is far greater with her house included, and she will likely wed again. Before Cadfael can ponder if a greedy suitor has done this dreadful deed, another crime is committed. Now the good monk must thread his way through a tangle more tortuous than the widow's thorny bushes.

brother cadfael books in order: Mass Market Medieval David W. Marshall, 2007-04-11 Beginning in 1976 with the first issue of the journal Studies in Medievalism, all things medieval and the concept of medievalism became a hot topic in culture studies. Medievalism examines how different groups, individuals, or eras use and shape the image of the Middle Ages, differentiating between historical knowledge of the Middle Ages and what we have made the period out to be. The 13 essays in this book explore the medieval invasion of today's media and consider the various ways--from film and print to websites and video games--that the Middle Ages have been packaged for consumption. Essays encompass diverse theoretical perspectives and are grouped loosely around distinct functions of medievalism, including the exposure of recent social concerns; the use of medieval images in modern political contexts; and the medieval's influence on products of today's popular culture. The legitimization of the study of medievalism and the effect of medievalism on the more traditional subject of medieval studies are also discussed. Instructors considering this book for use in a course may request an examination copy here.

brother cadfael books in order: The Leper of Saint Giles Ellis Peters, 2014-08-05 In this mystery in the award-winning series featuring a twelfth-century Benedictine monk, Brother Cadfael must travel to the heart of a leper colony to root out the secret behind a savage murder. Setting out

for the Saint Giles leper colony outside Shrewsbury, Brother Cadfael has more pressing matters on his mind than the grand wedding coming to his abbey. But as fate would have it, Cadfael arrives at Saint Giles just as the nuptial party passes the colony's gates. When he sees the fragile bride looking like a prisoner between her two stern guardians and the bridegroom—an arrogant, fleshy aristocrat old enough to be her grandfather—he quickly discerns this union may be more damned than blessed. Indeed, a savage murder will interrupt the May–December marriage and leave Cadfael with a dark, terrible mystery to solve. Now, with the key to the killing hidden among the lepers of Saint Giles, the monk must ferret out a sickness not of the body, but of a twisted soul.

brother cadfael books in order: Certainty and Ambiguity in Global Mystery Fiction John J. Han, C. Clark Triplett, Matthew Bardowell, 2024-02-08 Mystery fiction as a genre renders moral judgments not only about detectives and criminals but also concerning the cultural structures within which these mysteries unfold. In contrast to other volumes which examine morality in crime fiction through the lenses of personal guilt and personal justice, *Certainty and Ambiguity in Global Mystery Fiction* analyzes the effect of moral imagination on the moral structures implicit in the genre. In recent years, public awareness has attended to the relationship between social structures and justice, and this collection centers on how personal ethics and social ethics are bound together amidst the shifting moral landscapes of mystery fiction. Contributors discuss the interplay between personal guilt and social guilt – considering morality and justice on an individual level and at a societal level – using frameworks of certainty and ambiguity. They show how individual characters in works by Agatha Christie, Gabriel García Márquez, Natsuo Kirino, F.H. Batacan, and Stephen King, among others, may view their moral standing with certainty but clash with the established mores of their culture. Featuring essays on Japanese, Filipino, Indian, and Colombian mystery fiction, as well as American and British fiction, this volume analyzes social guilt and justice across cultures, showing how individuals grapple with the certainty, and, at times, the moral ambiguity, of their respective cultures.

brother cadfael books in order: The Imagination of Evil Mary Evans, 2011-10-27 From its growth in Europe in the nineteenth century, detective fiction has developed into one of the most popular genres of literature and popular culture more widely. In this monograph, Mary Evans examines detective fiction and its complex relationship to the modern and to modernity. She focuses on two key themes: the moral relationship of detection (and the detective) to a particular social world and the attempt to restore and even improve the social world that has been threatened and fractured by a crime, usually that of murder. It is a characteristic of much detective fiction that the detective, the pursuer, is a social outsider: this status creates a complex web of relationships between detective, institutional life and dominant and subversive moralities. Evans questions who and what the detective stands for and suggests that the answer challenges many of our assumptions about the relationship between various moralities in the modern world.

Wilkinson and her daughter, Heidi Wilkinson Teel, have compiled a helpful guide to children's books. More than bibliography A TIME TO READ also includes essays on the nature of children, families, literature and story--and how these hold together in a Christian life, reflecting Mary Ruth's 30 years' experience teaching a literary and Christian approach to children's books.

brother cadfael books in order: The Hermit of Eyton Forest Ellis Peters, 2014-08-05 "Bodies and red herrings pile up in a satisfying way" in the Silver Dagger Award-winning medieval mystery series starring Brother Cadfael (Library Journal). The year is 1142, and England is in the grip of civil war. Within the cloisters of the Benedictine Abbey of Saint Peter and Saint Paul, there begins a chain of events no less momentous than the upheavals of the outside world. It starts with the sad demise of Richard Ludel, Lord of Eyton, whose ten-year-old son and heir, also named Richard, is a pupil at the abbey. The boy refuses to surrender his newly inherited powers to Dionysia, his furious, formidable grandmother. A stranger to the region is the hermit Cuthred, who enjoys the protection of Lady Dionysia, and whose young companion, Hyacinth, befriends Richard. Despite his reputation for holiness, Cuthred's arrival heralds a series of mishaps for the monks. When a corpse is found in Eyton forest, Brother Cadfael must devote his knowledge of human nature to tracking down a ruthless murderer.
