daddy long legs book: *Daddy Long Legs* Jean Webster, 2021-08-20 The first Wednesday in every month was a Perfectly Awful Day a day to be awaited with dread, endured with courage and forgotten with haste. Every floor must be spotless, every chair dustless, and every bed without a wrinkle. Ninety-seven squirming little orphans must be scrubbed and combed and buttoned into freshly starched gingham; and all ninety-seven reminded of their manners, and told to say, Yes, sir, No, sir, whenever a Trustee spoke. It was a distressing time; and poor Jerusha Abbott, being the oldest orphan, had to bear the brunt of it. But this particular first Wednesday, like its predecessors, finally dragged itself to a close. Jerusha escaped from the pantry where she had been making sandwiches for the asylums guests, and turned upstairs to accomplish her regular work. Her special care was room F, where eleven little tots, from four to seven, occupied eleven little cots set in a row. Jerusha assembled her charges, straightened their rumpled frocks, wiped their noses, and started them in an orderly and willing line toward the dining room to engage themselves for a blessed half hour with bread and milk and prune pudding.
