have i got news for you tub of lard: Buster's Secret Diaries Roy Hattersley, 2008-09-18
Diaries celebrating a dog's joy at owning a human, by the most famous dog in Britain. Buster has written these diaries himself - whenever he could remember where he hid the manuscript in his garden. In it he lays bare the truth of how The Man has held Buster back, pretending to protect fur and feathers. Buster's last book was an instant bestseller and, outrageously, The Man took all the credit. To add insult to injury, there were no extra biscuits. Worse, The Man forced Buster to eat low-fat ones, while he himself continued to eat lots of chocolate ginger nuts. Despite The Man's best efforts, Buster still gets into lots of scrapes, and, although his sight and hearing are failing somewhat, he still wants to 'go courting' - especially in springtime. Buster remains unaware of what happened that day at the vet's, and no one will explain it to him, but they continue to allude to something. On a visit to Ireland a gentleman tapped his nose and said to The Man, 'You can't fool me. I've worked it out. You wrote the book.' Buster was so upset by this vile calumny that he wanted to give the gentleman a good nip. Then he remembered the words of someone called Robert Kennedy who The Man goes on about: 'Don't get angry. Get even.' And he has. And this time it's personal. As Buster says, 'No more Mr Nice Dog.'

have i got news for you tub of lard: The Many Faces of Sacha Baron Cohen Robert A. Saunders, 2008-01-01 In his various guises, the British comedian Sacha Baron Cohen has threatened Uzbekistan with catapults, driven a U.N. Secretary-General to profanity, and ruined New York's Fashion Week. Evincing shades of Jonathan Swift, Monty Python, and Andy Kaufman, Baron Cohen has consistently demonstrated a singular talent for crafting outrageous personae, a ruthless dedication to staying in character, and an uncanny ability to parlay controversy into professional success. Now, in his lively and often humorous study *The Many Faces of Sacha Baron Cohen: Politics, Parody, and the Battle over Borat*, Robert A. Saunders explores the striking cultural resonance and far-reaching political ramifications of Baron Cohen's portrayals of Borat, Ali G, and Bruno. In Ali G, a wannabe gangsta rapper from the leafy English suburb of Staines, the Cambridge-educated humorist tackled the prickly questions of race, ethnicity, and identity in Cool Britannia. As Bruno, a campy Austrian fashionista with a Nazi fetish, he tapped into a wellspring of homophobia simmering beneath the sheen of political correctness. Most dramatically, as the roving Kazakhstani reporter Borat, Baron Cohen offended the world's ninth largest nation, provoked the ire of the Anti-Defamation League, triggered dozens of lawsuits, and became the subject of presidential summits. Part biography and part political analysis, Saunders traces Baron Cohen's rise from a small-time comedian-one who might have easily been forgotten in the pre-Internet era-to a cultural lightning rod who set tongues wagging from Vancouver to Vladivostok. Through a probing discussion of the identity politics that mold this jester's unique brand of humor, the author navigates the eclectic socio-political climate that gave rise to the cable television hit *Da Ali G Show* and the international blockbuster *Borat: Cultural Learnings of America for Make Benefit Glorious Nation of Kazakhstan*. The end result is a sublime synthesis of cultural history and contemporary politics that aff

have i got news for you tub of lard: Stand-up Comedy and Contemporary Feminisms

Ellie Tomsett, 2023-06-29 What are the barriers to women's participation in live comedy, and how are these barriers maintained in the digital era? In this book, Ellie Tomsett considers how the origins of stand-up comedy still impact on current live comedy production, and explains how the contemporary stand-up scene continues to reflect wider societal stereotypes about the capabilities of women. Using primary data collected from women-only comedy nights and immersive research with the UK Women in Comedy Festival in Manchester, Tomsett analyses examples of stand-up performed by contemporary comedians - including Bridget Christie, Luisa Omelian, Lolly Adefope and Gráinne Maguire - and provocatively questions how these performances relate to conceptions of feminist and postfeminist humour, as well as notions of backlash against contemporary feminisms. She focuses on live comedy that is explicitly feminist to consider how social attitudes to women, the increasing visibility of female labour outside the home, and the emergence of multiple (and sometimes contradictory) feminisms has influenced the comedy produced by women comedians in 21st century Britain.
