Born in Fife in 1922, Billy made the move from Scotland to Liverpool at 16, but the Second World War delayed his debut. After serving in the RAF as a navigator, he returned to football and won the league with Liverpool in his first full season with the club after the war. A diehard Red, Billy spent his whole career with the club, scoring 228 times in 534 appearances between 1938 and 1961. He remains the oldest goalscorer in Liverpool's history and their fourth-highest scorer of all time. Liddell spent a decade playing for Scotland and has the honour - alongside Stanley Matthews - of being one of only two men to represent a Great Britain XI more than once. A true sportsman and consummate professional, he was never booked or sent off in his entire footballing career. Liddell at One Hundred brings you the inside story of his life from those who knew him best - friends, supporters, family members and former team-mates.

Breezy and unpretentious, The Sanest Guy in the Room is a delightful collection of memories, insider information and after-dinner anecdotes' The Times 'Brilliant stories and wonderful behind-the-scenes glimpses of a life and career in show-business ... It's bloody brilliant ... Read it!' Michael Ball Don Black is the songwriter's songwriter, a composer's dream collaborator, and the man behind some of the twentieth century's greatest musical numbers. Black made his first foray into the glittering world of showbiz as a stand-up, before realising his error and focusing on his lifelong passion instead - music. Shirley Bassey, Michael Jackson, Quincy Jones, Henry Mancini and Barbra Streisand are just some of the artists Black has worked with over the years - not to mention his frequent collaborator, West End legend Andrew Lloyd Webber - in what can only be described as a remarkable musical career. Yet, never one to court fame, Black has always remained what Mark Steyn coined as 'the sanest guy in the room'. Interwoven with the stories behind songs such as 'Diamonds are Forever' and 'Born Free' are vignettes of Black's life with his beloved wife Shirley, who died in March 2018, after almost sixty years of marriage. Black writes movingly about how the enormity of his grief changed his life, and how the dark days are slowly turning into dark moments. The Sanest Guy in the Room is a rich and delightful paean to a life lived through song. It reveals the essence of Black's craft, looks at those who have inspired him and allows us to understand what made those icons tick. It is also a poignant tribute to Shirley, his biggest inspiration. Told with wit, warmth and great humour, this is Don Black's astonishing musical journey and an insight into a life behind the lyrics.
