Quotes from a Narcissist: Understanding the Mindset Behind Their Words

Quotes from a narcissist often reveal more than their words intend. They serve as windows into the complex psyche of someone who struggles with self-importance, entitlement, and a lack of empathy. Recognizing these quotes can help individuals identify narcissistic behaviors, set boundaries, and protect their well-being. In this comprehensive guide, we explore the most common quotes from narcissists, what they reveal about their mindset, and how to respond effectively to such statements.

What Are Narcissistic Quotes?

Narcissistic quotes are statements made by individuals with narcissistic traits or Narcissistic Personality Disorder (NPD). These quotes often reflect their core beliefs, such as:

- They are superior to others
- Their needs are more important
- They lack empathy for others' feelings
- They crave admiration and validation

Understanding these quotes helps in recognizing narcissistic tendencies early and managing interactions with such individuals.

Common Types of Narcissistic Quotes

Narcissistic quotes typically fall into several categories based on their underlying message and intent. Let's explore the most prevalent types.

1. Quotes That Assert Superiority

Narcissists often use language that emphasizes their perceived superiority over others.

- "I am the best at everything I do."
- "Nobody can do it better than me."
- "I deserve more because I am special."

What these reveal:

They reflect an inflated sense of self-worth and a need for constant validation of their superiority.

2. Quotes That Dismiss Others' Feelings

These statements demonstrate a lack of empathy and an inability to consider others' perspectives.

- "You're overreacting; it's not that serious."
- "Your feelings don't matter."
- "I don't have time for your problems."

Implication:

Such quotes invalidate others' emotions, reinforcing emotional neglect and manipulation.

3. Quotes Exhibiting Entitlement

Narcissists often believe they are entitled to special treatment.

- "I deserve this because I am better than everyone else."
- "Rules don't apply to me."
- "I should get what I want, when I want it."

What it shows:

A sense of entitlement fuels their expectation of preferential treatment and disregard for boundaries.

4. Quotes That Shift Blame

Avoiding responsibility is a common tactic.

- "It's not my fault; you misunderstood."
- "You made me do this."
- "I was just defending myself."

Understanding:

Blame-shifting deflects accountability and maintains their self-image as flawless.

5. Quotes That Demand Admiration

Narcissists crave constant praise.

- "Don't you see how amazing I am?"
- "Everyone admires me for a reason."
- "Without me, everything falls apart."

Implication:

These statements reveal their obsession with validation and admiration.

Examples of Narcissistic Quotes in Different Contexts

Understanding the context of these quotes can help in identifying narcissistic behavior in various settings.

In Personal Relationships

- "You should be grateful to be with someone like me."
- "I do everything for you; you owe me."
- "Your success is only because of me."

What it indicates:

Manipulative tendencies, possessiveness, and emotional exploitation.

At the Workplace

- "I'm the only one who can handle this job."
- "My ideas are revolutionary; others just don't understand."
- "I deserve the promotion because I'm the best candidate."

What it indicates:

A need for dominance, recognition, and an inflated sense of competence.

In Social Settings

- "Everyone looks up to me."
- "I always get the best seats and attention."
- "People only talk to me because I'm interesting."

What it indicates:

A craving for admiration and social validation.

Why Do Narcissists Use These Quotes?

Understanding the motivation behind narcissistic quotes helps in managing interactions and protecting oneself.

1. To Reinforce Their Self-Image

Narcissists use boastful and dismissive quotes to maintain their grandiose self-perception.

2. To Manipulate or Control Others

Quotes that dismiss feelings or shift blame serve to manipulate others into submission or compliance.

3. To Obtain Validation and Admiration

Repeatedly seeking praise sustains their fragile self-esteem.

4. To Deflect Responsibility

Using blame or minimizing issues shields them from accountability.

How to Recognize and Respond to Narcissistic Quotes

Knowing how to respond can mitigate their impact and protect your mental health.

Recognizing Narcissistic Quotes

- Pay attention to language that emphasizes superiority or entitlement.
- Notice dismissive or invalidating statements about your feelings.
- Observe patterns of blame-shifting and constant need for praise.

Effective Responses

1. Set Boundaries:

Calmly assert your limits when confronted with dismissive or manipulative statements.

Example: "I hear your perspective, but I also need you to respect my feelings."

2. Don't Engage in Power Struggles:

Avoid escalating conflicts over their need for validation.

Example: "I understand you feel that way, but I see things differently."

3. Use 'I' Statements:

Focus on your feelings and needs rather than attacking them.

Example: "I feel unheard when my feelings are dismissed."

4. Limit Emotional Investment:

Protect yourself by not taking their comments personally or seeking validation from them.

5. Seek Support:

Talk to trusted friends, family, or mental health professionals about your experiences.

Conclusion: Navigating Relationships with Narcissists

Quotes from a narcissist can be jarring and emotionally draining, but understanding their underlying motives and recognizing their patterns is empowering. By familiarizing yourself with common narcissistic quotes and learning effective response strategies, you can better protect your mental health and establish healthy boundaries. Remember, while narcissistic individuals may seek admiration and validation, your well-being should always come first. Recognize the signs, respond assertively, and seek support when needed to maintain your emotional resilience.

Frequently Asked Questions

What are some common quotes that reveal a narcissist's self-centered attitude?

Quotes like 'It's all about me,' or 'I deserve the best because I'm special,' often highlight a narcissist's focus on themselves and their sense of superiority.

How can quotes from a narcissist help in recognizing their manipulative behavior?

Narcissists often use phrases such as 'You owe me' or 'You don't appreciate me,' which can indicate manipulation and a lack of empathy in their interactions.

What are some red-flag quotes from a narcissist in personal relationships?

Statements like 'You're lucky to have me,' or 'You're nothing without me,' are warning signs of narcissistic traits that can damage trust and self-esteem.

How do narcissistic quotes reflect their need for admiration and validation?

Quotes such as 'Everyone admires me,' or 'I always get what I want,' demonstrate their craving for constant validation and recognition from others.

Can quotes from a narcissist be used to set boundaries or protect oneself?

Yes, recognizing narcissistic quotes like 'You can't tell me what to do' can help individuals identify unhealthy dynamics and establish necessary boundaries for their well-being.

Quotes from a Narcissist: Unlocking the Mind Through Words

Introduction

Quotes from a narcissist often serve as windows into a complex psyche characterized by an inflated sense of self-importance, a deep need for admiration, and a lack of empathy for others. These statements can be startling, revealing, and sometimes bewildering, offering insight into how narcissists perceive themselves and the world around them. Whether encountered in personal relationships, workplace environments, or public figures, these words can illuminate the underlying motivations, insecurities, and thought patterns that drive narcissistic behavior. Understanding these quotes is not merely an academic exercise but a vital step toward recognizing, managing, and potentially healing from narcissistic dynamics.

The Nature of Narcissistic Quotes: What They Reveal About the Mind

Narcissistic quotes often serve as verbal manifestations of a personality that craves validation and dominance. They tend to be characterized by grandiosity, entitlement, and a dismissive attitude toward others. When dissected, these statements can reveal core traits of narcissism, such as:

- Grandiosity and Self-Importance: Emphasizing their superiority or uniqueness.
- Lack of Empathy: Dismissing others' feelings or perspectives.
- Need for Admiration: Seeking constant affirmation.
- Fragile Self-Esteem: Defensive reactions to criticism.
- Entitlement: Expecting special treatment or privileges.

These themes recur in many narcissistic quotes, serving as verbal markers that help identify narcissistic tendencies. For example, phrases like "I'm the only one who truly understands" or "Everyone else is just jealous" encapsulate these core traits.

Common Themes in Narcissistic Quotes

Understanding the recurring themes in narcissistic quotes can help in recognizing patterns and underlying motivations. Let's explore some of the most prevalent themes:

1. Self-Exaltation and Superiority

Narcissists often elevate themselves above others, believing they are exceptional or unique. Their quotes may include:

- "No one can do it better than I can."
- "I'm the smartest person in the room."
- "Others don't measure up to me."

These statements reflect an inflated sense of self-worth, often bordering on delusional, serving to reinforce

their identity as superior.

2. Dismissiveness and Devaluation

A hallmark of narcissistic communication is dismissing or devaluing others to maintain their own sense of superiority:

- "You're just too jealous to see my greatness."
- "They're all beneath me."
- "Your opinion doesn't matter."

Such quotes diminish others' worth, often as a defense mechanism against feelings of inadequacy.

3. Entitlement and Expectation of Special Treatment

Narcissists frequently harbor a sense of entitlement, expecting others to cater to their needs without reciprocation:

- "I deserve the best, and I expect it."
- "People should know how important I am."
- "It's only fair that I get what I want."

This attitude fosters resentment when their expectations are unmet.

4. Lack of Accountability and Blame-Shifting

Narcissistic quotes often deflect responsibility and blame others for problems:

- "It's not my fault; you're just overreacting."
- "I wouldn't have to do this if you had listened."
- "They're the ones causing all the trouble."

This pattern maintains their self-image as faultless or victimized.

5. Manipulation and Control

Words from a narcissist can be manipulative, designed to control perceptions and actions:

- "You owe me for everything I've done."
- "Without me, you're lost."
- "You need me to succeed."

They craft narratives that position themselves as indispensable.

Analyzing Famous Narcissistic Quotes: What Do They Tell Us?

Many public figures and historical personalities have left behind quotes that exemplify narcissistic traits. Analyzing these statements helps contextualize how narcissism manifests in language.

Example 1: “I am the best president this country has ever had.” – Donald Trump

This boastful statement exemplifies grandiosity and an exaggerated sense of achievement. It reveals a desire for admiration and a tendency to see oneself as unparalleled.

Example 2: “People are jealous of my talent.” – Michael Jackson

Here, the quote underscores a belief in unique talent, paired with a dismissive attitude toward critics, reflecting an inflated self-image and a need for validation.

Example 3: “I don’t need anyone’s approval.” – Narcissistic Personality Traits

While seemingly defiant, such statements often mask a fragile self-esteem, where the denial of need for approval serves as a shield against vulnerability.

The Power of Words: How Narcissists Use Quotes as Tools

Narcissists often deploy carefully chosen words to manipulate perceptions, control narratives, and maintain their self-image. Their quotes are not random but deliberate tools designed to:

- Reinforce their superiority in social or professional settings.
- Devalue others to diminish competition or criticism.
- Seek admiration and validation from their audience.
- Deflect criticism and avoid accountability.
- Create dependency in others through charm or intimidation.

Understanding these strategies helps in recognizing when words are serving a manipulative purpose, rather than genuine communication.

Recognizing Narcissistic Quotes in Daily Life

Identifying narcissistic quotes in everyday interactions can be challenging but crucial for healthy

relationships. Here are signs that a statement may originate from narcissistic tendencies:

- The speaker consistently elevates their importance.
- They dismiss others' opinions outright.
- They expect special treatment without reciprocity.
- They blame others for problems.
- Their statements revolve around their own achievements or suffering.

By paying close attention to language, one can better navigate interactions and set boundaries when needed.

Implications and Impact of Narcissistic Quotes

The influence of narcissistic quotes extends beyond words; they shape perceptions, relationships, and self-esteem. For victims, repeated exposure to such statements can lead to:

- Erosion of self-confidence: Constant devaluation diminishes self-worth.
- Confusion and self-doubt: Questioning one's perceptions.
- Emotional exhaustion: Managing manipulative language drains energy.
- Dependency: Relying on the narcissist's approval for validation.

In organizational contexts, narcissistic leadership expressions can foster toxic environments, stifling innovation and collaboration.

Strategies for Responding to Narcissistic Quotes

Engaging with narcissistic language requires tact and awareness. Here are strategies to handle such quotes effectively:

- Maintain emotional distance: Avoid reacting emotionally to provocations.
- Set boundaries: Clearly delineate acceptable communication.
- Use assertive responses: Reframe or challenge false or demeaning statements.
- Seek support: Talk to trusted individuals or professionals for guidance.
- Focus on facts: Ground conversations in objective truths rather than emotional appeals.

Understanding the motives behind narcissistic quotes enables healthier responses and reduces their impact.

Conclusion: Deciphering the Language of Narcissism

Quotes from a narcissist are more than mere words; they are expressions of a complex personality seeking validation, control, and admiration. Recognizing the themes and patterns embedded in these statements can empower individuals to navigate narcissistic relationships more effectively. While such quotes can be startling, they also serve as important clues that help us understand the underlying psychological landscape. Through awareness and strategic communication, it is possible to manage interactions with narcissists while safeguarding one's self-esteem and emotional well-being.

As we continue to explore the language of narcissism, we gain valuable insights into human behavior, fostering empathy, and equipping ourselves to build healthier, more authentic relationships.

Quotes From A Narcissist

quotes from a narcissist: The Little Book of Narcissist Quotes Alice Little, 2018-02-14 A great little book of narcissist quotes to carry with you always. An ideal gift for the newly awakened narcissistic abuse survivor! Full of information on narcissism. Humorous, healing, educational and direct.

quotes from a narcissist: *Narcissism Book of Quotes* , 2007-05-09 Narcissistic Personality Disorder (NPD) and relationships with abusive narcissists and psychopaths: the point of view and lessons of the victims.

quotes from a narcissist: **In This Moment, I Am Well** Victoria Summit, 2020-06-14 Have you been abused by a narcissist? Have you finally managed to extricate yourself from a relationship with someone who may have Narcissistic Personality Disorder? Healing from an abusive situation always takes great strength and courage. Healing from years of gaslighting and other mental horrors a narcissist can inflict takes a lot of self-care, patience, and time. Most of your friends and family won't be able to fully understand the roller coaster world of life with a narcissist. It can take a long time to find your bearings once you're off the ride. This little book of motivational quotes might inspire you or perhaps give you food for thought. You can read one quote a day or read them all in one sitting. You may find some quotes resonate with you. You can write them down where you can always see them. In This Moment, I am Well reminds you to take one step at a time as you reclaim your life from a dysfunctional relationship. Don't worry about the past, don't get anxious about the future, just live in the moment and breathe. Victoria Summit is the author of the Gaslight Survivor Series which includes *How Many Lies Are Too Many?* and *Stop Dancing in the Gaslight!*

quotes from a narcissist: *52 Quotes to live by* Zett Why, 2012 *52 Quotes to Live By* is a Self Help category book written by Zett Why. It's a spiritual and philosophical book that discusses what really makes us happy. Due to many objective and subjective reasons, we are often forced to go in directions which wouldn't be our choice under other conditions. We usually follow the goals imposed by society, friends, or just egoism created by ourselves. The more intellectual we become, the less often we feel satisfaction in our consciousness. We postpone moments of happiness to particular points in time, and believe that we will be happy when we achieve them. But right after having achieved them, we set new goals, and go on to the next goal. This race has no end... Oriental wisdom says - if you don't let the bee go out of the hive, she will not be able to bring back nectar. Letting go of your knowledge is an art and the high road to wisdom. Wisdom accommodates opposites. The intellect is not capable of this. You have to let go of Rightness, too. Then you won't be hurt by knowing. Only this will help you become reborn, and only this will let you find joy in simple things.

Only this way leads to happiness... Pleasure in consciousness is all that we need. It's a guiding star, showing us whether we are on the right Way, or not. Alienation from pleasure is called Suffering. Pleasure seeking (desire) is called Hope. The appearance of a pleasurable moment - Happiness. Permanence in being in a condition of pleasure is called Love. A condition of pleasure which involves all your entity is called Nirvana. People who are able to stay in a condition of overpowering pleasure in consciousness all the time, call it the Supreme Truth. Here is all that is Human... In his book, Zett Why encourages learning to differentiate real joy from egoism. He also offers 52 Ways about how to achieve a feeling of satisfaction in consciousness. In describing the ways, Zett analyzes aspects of daily life and introduces practical recommendations about how to find our real I, and joy in our daily life.

quotes from a narcissist: *The Hidden Secret of Quotes* Mwanandeke Kindembo, 2020-11-14
The author has presented us with the book of quotes. The book is composed of 222 quotes. All of them are his own quotes that he has been writing for the past years, even before he published his first book in 2019. The book is therefore, filled with concrete ideas of achieving freedom, equality, brotherhood and finding peace in life. Apart from that, the reader will be met with some quotes on politics, philosophy, love, motivation, success, science, attraction and even religious ones. Showing how the author is not limiting himself when it comes on learning new concepts. His humanity side can be easily seen in the very opening quote: "People are beautifully made just like flowers in the garden!" Furthermore, this book will act as a summary of his previous works, and there are some useful quotes that cannot be found in his published books. They are meant to inspire and motivate the reader. That is why he decided to include them too.

quotes from a narcissist: *Quotationary - The A-Z Book of Quotations* Nasser Amiri, 2024-06-27

Ready to reclaim your life and step into your power? Grab your copy of *The Complete Guide To Gaslighting Recovery* today and start your journey toward healing and transformation.

quotes from a narcissist: The Power of Humility in Leadership Franziska Frank, 2023-02-27 To many people, the words 'leader' and 'humble' are not natural bedfellows. Yet once they have grasped the definition most employees desire a humble leader, while a majority of managers believe they already are one. What appears deceptively simple is trickier than expected. Narcissism, lack of perception, fixed mindsets, and neuronal default settings are only a few of the stumbling blocks on the path to humility. What exactly is this sought-after humility? Humility consists of four key elements: 1) Seeing one's own strength and weaknesses and revealing them where needed for the bigger picture; 2) Appreciating others for what they are, do now and can do; 3) Being open and willing to learn; 4) Understanding that we are all only a small part of a larger picture, easily replaceable and favored by luck and circumstance. Therefore, humility has nothing to do with being weak or hiding the light under the bushel. Instead, it is about clarity, taking a step back from one's ego and thus being able to serve the greater picture. The author's own research with more than 3,500 managers contributes to the canon of positive effects of humility that have been measured by dozens of researchers during the last decade. Humility benefits employees (ranging from better performance, more innovation, stronger resilience to better client relations, and stronger morals), the organization (ranging from better ambidextrous strategies, a better culture to fewer sunk costs) and the managers themselves (ranging from more seen leadership potential to less stress and better relationships with employees). Dozens of case studies, quotes from more than 170 interviews with top managers, lively storytelling of real-life examples, and solid research with actionable take-aways, plus personal assessments, make this an eminently readable and practical book for managers worldwide.

quotes from a narcissist: The Narcissist's Secret Dan Desmarques, 2024-08-14 In a world where interpersonal relationships are becoming increasingly complex, understanding the intricacies of human behavior has never been more important. This book, *The Narcissist's Secret: Why They Hate You (and What to Do About It)*, delves deep into the enigmatic world of narcissism, shedding light on the hidden motivations, destructive patterns, and profound impact of narcissistic individuals on those around them. As we navigate the maze of modern society, we often encounter individuals who seem to operate on a different wavelength-those who exude an air of superiority, manipulate others with ease, and leave a trail of emotional devastation in their wake. These are the narcissists among us, and their presence can be felt in our personal relationships, in the workplace, and even in the highest echelons of power. This book aims to unravel the complex tapestry of narcissistic behavior, offering readers a comprehensive understanding of why narcissists act the way they do, how they affect those around them, and, most importantly, how to protect oneself from their toxic influence. Drawing on extensive research, clinical observation, and real-life experience, we explore the multifaceted nature of narcissism, from its roots in childhood trauma to its manifestation in adult relationships. In these pages, we will examine the various facets of Narcissistic Personality Disorder, including its classification within Cluster B personality disorders, its neurobiological underpinnings, and its societal implications. We will delve into the inner world of the narcissist, uncovering the deep-seated insecurities and fears that drive their behavior, and explore how these manifest in their interactions with others. But this book isn't just about understanding narcissists - it's about empowering those affected by their behavior. The book offers practical strategies for identifying narcissistic traits, setting boundaries, and protecting yourself from manipulation and abuse. We will also explore the journey of healing for those who have been victims of narcissistic abuse, offering guidance on rebuilding self-esteem and reclaiming a sense of self. As we embark on this journey of discovery, it's important to note that the term narcissist is not used lightly or as a catch-all term for

difficult personalities. Instead, we approach this topic with nuance and depth, recognizing the spectrum of narcissistic traits and the complex interplay of factors that contribute to their development. Whether you're a mental health professional seeking to deepen your understanding of narcissistic personality disorder, someone who suspects you may be in a relationship with a narcissist, or simply an individual interested in human psychology, this book offers valuable insights and practical tools for navigating the challenging terrain of narcissistic relationships. By the end of this book, readers will not only have a clearer understanding of narcissistic behavior, but will also be equipped with the knowledge and strategies necessary to protect themselves and thrive in a world where narcissism seems to be on the rise. Let us begin this journey of understanding, healing, and empowerment together.

quotes from a narcissist: Quotes for the Mentality Notes for the Reality Antonia Harris, 2024-08-23 This book is written in a logical and philosophical form. This book includes mixed-up situations with a little twist, and it is off the hook. Before you begin, here are some questions that you can ask yourself: Has anyone ever done you dirty, or have you ever done someone dirty? Have you ever been hurt by someone, or have you ever hurt someone? Has anyone ever made you cry, or have you made someone cry? Have you ever been in a deep thought from a cause, then had to pause? Have you ever wondered why, then had to sigh? Have you ever tried, then had to say goodbye? My point is to let readers know that there are many situations that can happen in different ways, and I am breaking it down on different kinds of levels. My moral is to let leaders know that there are plenty of preparations that can happen in all significant prays, and I'm creating it found on the significant finds of specials. The ideal is to read one quote a day. The reveal is to lead one note a pray.

quotes from a narcissist: The Narcissist and Psychopath in the Workplace Sam Vaknin, 2009-01-02 How to identify narcissistic and psychopathic bullies (colleagues, bosses, suppliers, authority figures) in the workplace and how to cope with them.

quotes from a narcissist: Something Seems Strange Anthony B. Bradley, 2016-09-21 Life happens at the intersection of faith and culture. Whether we are Christians or not, we all have some narrative about the way the world ought to be that shapes how we view the world and live our lives. In this book, Anthony Bradley explores those intersections in ways that analyze and direct our imaginations toward the best practices that lead to human flourishing. Economics, political philosophy, sociology, psychology, and theology are just a few of the disciplines used in an attempt to make sense of a world where things are not the way they are supposed to be. Something does seem strange about the world, but we are not left without tools and principles that we need to make life work at the intersections of faith and culture. The aim of *Something Seems Strange* is to provide a model of thinking about life at those intersections, so that people can lively freely according to their God-given design.

quotes from a narcissist: Scoreven book of jokes | Narcissism - Love Kills. Self-love Kills Absolutely | Jokes to insult Narcissists VT Scoreven, 2022-11-30 Having a disease and not knowing of it is worse. The funny part is those having this disease frequently accuse others of having it but the reality is that it plagues the mankind like no other, and in small or greater parts everyone suffers from it. While the narcissistic person goes on living his or her life, the people around him suffer, vocally or silently. This book has everything that you can tell such a person colloquially. Pray that your recipient has a good sense of humor, otherwise you have a situation at hand. Narcissism is not a recent phenomenon. It has been there since life has existed on our planet though with the advancement of media in the last three decades, it has received attention. This is one human trait, the recognition of which requires someone else pointing it to us. Now imagine a piece of paper with some writing on it, a foot and a half away from your eyes. You can read the printed text very perfectly. Now you bring the paper closer to your eyes gradually. Till the paper is greater than six inches from your face, you can still read the text correctly but as it comes closer than that, the words begin to blur, and it gets totally blurred by the time the paper touches your nose. Similarly, your mind is capable of not noticing things that come close to us, let alone those issues which are in our

mind. Since narcissism is a trait so abstract, it takes someone else to see it in us.

quotes from a narcissist: Narcissistic and Psychopathic Leaders Sam Vaknin, 2016-01-01 Narcissistic and psychopathic leaders come in all shapes and degrees of virulence. Learn to recognize them in various settings (the workplace, religion/church, or politics) and to cope with the toxic fallout of their leadership. Includes analyses of historical figures from Alexander the Great to Jesus and from Hitler to Trump and Obama.

quotes from a narcissist: *The Handbook of Narcissism and Narcissistic Personality Disorder* W. Keith Campbell, Joshua D. Miller, 2011-07-07 *The Handbook of Narcissism and Narcissistic Personality Disorder* is the definitive resource for empirically sound information on narcissism for researchers, students, and clinicians at a time when this personality disorder has become a particularly relevant area of interest. This unique work deepens understanding of how narcissistic behavior influences behavior and impedes progress in the worlds of work, relationships, and politics.!--EndFragment--

quotes from a narcissist: *Quote the World Forevermore* AYDI the Watcher , 2022-09-19 Why do I call myself AYDI the Watcher? That's a good question. I call myself that because I observe our world and the way we interact as humans. Years and years of these observations led me to read up on Psychology, politics and human relations. I listened to many prominent psychologists and therapists to hone my ideas, and the result is this book. Now, this is not a traditional book that delves into the subject matters mentioned above, but a collection of inspiring and thought-provoking quotes fleshed out with my thoughts and feelings, these thoughts and feelings touching on human psychology and behaviour. Some of these quotes were taken from my Facebook page, The Watcher (@AYDItheWatcher) and expanded upon and new ones were added to convey my thoughts on this world that we live in and how hierarchies and human structures affect our daily lives. My goal is to get people thinking and see different perspectives, and protect themselves from harm and manipulation. I hope this goal is achieved and your minds are unlocked. The freer the minds, the better the world.

quotes from a narcissist: Excerpts and Case Studies from the Archives of the Narcissistic Abuse Study Group Sam Vaknin, 2010-07-24 Hundreds of excerpts from the archives of the Narcissistic Abuse Study List regarding Pathological Narcissism, relationships with abusive narcissists and psychopaths, and Narcissistic Personality Disorder (NPD).

quotes from a narcissist: Donald Trump, Tiger Woods, Bernie Madoff, and Dick Cheney: the Anatomy of Evil John Doe PhD, 2019-02-28 On September 5th, 2018, the New York Times published an anonymous editorial: "Many Trump appointees have vowed to do what we can to preserve our democratic institutions while thwarting Mr. Trump's more misguided impulses until he is out of office..... The root of the problem is the president's amorality." Trump's behavior is dangerously unpredictable. He is the epitome of the Anomic Personality, whose major trait is unlimited striving. He shares in the symptom clusters of The Dark Tetrad: Aggressive Narcissism, Machiavellianism, Psychopathy and Sadism. His behavior and his own quotes convince us of the dangers of his continuance in office. Like other oligarchs, he seeks sex, money and power. Faced with charges by the Mueller and five other investigations, he lashed out by creating an "emergency," a 35-day government shutdown. How Trump won, and why his base voted for him is explained in terms of U.S. history, national character, social-class differences in child rearing, inequality, and blind attachment (which may be in our DNA due to early Cro-Magnon parental hypervigilance for fear of predators). The United Nations IPCC Report tells us that we have only twelve more years in which to reverse global warming. After that time it will be irreversible! Can we let a president who doesn't believe in climate change use up another six years, or one half, of our "chance of survival" time?

quotes from a narcissist: A to Z of Narcissism and Narcissistic Personality Disorder Encyclopedia Sam Vaknin, 2014-12-13 Almost 1000 pages of A to Z entries: the first comprehensive encyclopedia of pathological narcissism and Narcissistic Personality Disorder in clinical and non-clinical settings; family, workplace, church, community, law enforcement and judiciary, and

politics.

quotes from a narcissist: Surviving the Narcissist's Dance Zac Thatcher, 2021-06-07

Surviving the Narcissist's Dance is an autobiographical account of a dysfunctional relationship with a woman presumed to be suffering from Narcissistic Personality Disorder (NPD). The author guides the reader through the different stages of the relationship, exploring how he missed the early signs that things were not right, and detailing the unravelling of the illusion that he was living the perfect life. The author's writings about his experiences are never judgemental or emotional, but simply lay out the facts for the reader to absorb and to draw their own conclusions. The complex themes of emotional and psychological abuse addressed in Surviving the Narcissist's Dance are powerful, and have the ability to connect deeply with the audience. Surviving the Narcissist's Dance is designed to serve both as a story of survival and as a warning to others who may have doubts or suspicions that their partner is suffering from NPD. It allows people in similar situations to have a clearer view of what they are experiencing, or have gone through, as well as recover and move on.
