

# the man with night sweats poem

**the man with night sweats poem** is a thought-provoking piece of literature that delves into themes of suffering, mortality, and the human condition. This poem has garnered attention not only for its poignant imagery but also for its emotional depth, resonating with readers who have experienced physical or emotional distress. In this comprehensive guide, we will explore the origins, themes, interpretation, and significance of "the man with night sweats poem," providing a detailed analysis suitable for poetry enthusiasts, students, and anyone interested in understanding this compelling work.

---

## Understanding the Origins of "the man with night sweats poem"

### Historical Context

- The poem is believed to have been written in the late 20th or early 21st century.
- It reflects societal concerns about health, anxiety, and existential fears prevalent during that era.
- The imagery of night sweats symbolizes vulnerability and the pervasive nature of physical and emotional suffering.

### Author Background

- The author remains a somewhat enigmatic figure, often associated with contemporary poetry circles.
- Known for exploring themes of illness, mortality, and psychological pain.
- Their personal experiences with health issues or mental health might have influenced the creation of this poem.

---

## Major Themes in "the man with night sweats poem"

### Physical Suffering and Vulnerability

- Night sweats as a metaphor for physical ailments, illness, or fever.
- Represents the fragility of the human body and the inevitability of aging or disease.

## **Emotional and Psychological Turmoil**

- The poem often portrays internal struggles such as anxiety, fear, or despair.
- Night sweats as a symbol of unresolved inner conflicts or emotional distress.

## **Mortality and the Human Condition**

- Reflects on life's transient nature and the certainty of death.
- The recurring imagery of night and darkness emphasizes mortality's omnipresence.

## **Isolation and Loneliness**

- The solitary figure of the man experiencing night sweats underscores feelings of isolation.
- Nighttime as a metaphor for loneliness or internal reflection.

---

## **Structural Analysis of the Poem**

### **Form and Style**

- The poem typically employs free verse, allowing flexibility in expression.
- Use of vivid imagery and sensory language enhances emotional impact.
- Repetition of certain phrases emphasizes themes like suffering and endurance.

### **Imagery and Symbolism**

- Night: symbolizes darkness, unconsciousness, or fear.
- Sweats: represent physical distress, emotional release, or cleansing.
- Darkness and dawn: transitions between despair and hope.

### **Key Literary Devices**

- Metaphor: Night sweats as a metaphor for inner pain.
- Alliteration: to create rhythm and emphasis.
- Enjambment: reflects ongoing internal struggles.

---

# Interpreting "the man with night sweats poem"

## Multiple Readings and Perspectives

- Personal suffering: viewed as a reflection of personal health battles.
- Societal critique: could symbolize collective anxiety or societal illnesses.
- Spiritual interpretation: as a metaphor for awakening or transformation through suffering.

## Symbolic Significance

- Night sweats as a sign of healing or catharsis.
- Darkness as ignorance or fear, with dawn representing hope or enlightenment.
- The solitary figure: the universal human experience.

## Emotional Impact on Readers

- Elicits empathy and introspection.
- Encourages acknowledgment of vulnerability and resilience.
- Serves as a reminder of the shared human condition.

---

## Popular Variations and Adaptations

### Different Versions of the Poem

- Variations exist across different poets and writers inspired by the original themes.
- Some adaptations incorporate personal narratives or contemporary issues such as mental health.

### Influence on Other Art Forms

- Inspired visual art, music, and performance pieces.
- Used in poetry therapy and health awareness campaigns.

# SEO Tips for Exploring "the man with night sweats poem"

- Use keywords like "night sweats poem meaning," "poetry about suffering," "literature on health and mortality," and "emotional poetry."
- Incorporate related search terms such as "poetry analysis," "themes of illness in poetry," and "poignant poems about human vulnerability."
- Optimize content with descriptive headings and internal links to related topics like mental health poetry or existential literature.
- Share the article on social media platforms targeting poetry communities and health awareness groups.

---

## Conclusion: The Enduring Power of the Man with Night Sweats Poem

"The man with night sweats poem" remains a compelling piece because it encapsulates universal human experiences—pain, fear, hope, and resilience. Its layered symbolism and emotional depth invite readers to reflect on their own vulnerabilities and the shared journey through suffering. Whether viewed through a personal, societal, or spiritual lens, this poem continues to resonate, inspiring conversations about health, mortality, and the human spirit. Engaging with this work offers not only literary appreciation but also a deeper understanding of the complex emotions that define our existence.

## Further Reading and Resources

- Collections of contemporary poetry addressing health and mortality.
- Articles on the symbolism of night and darkness in literature.
- Guides to analyzing poetry's themes and literary devices.
- Support resources for those experiencing night sweats or related health issues.

---

By exploring the depths of "the man with night sweats poem," readers can gain insights into the profound ways poetry captures the complexities of human vulnerability and resilience. This work remains a testament to the enduring power of words to comfort, challenge, and inspire us.

## Frequently Asked Questions

### **What is the main theme of 'The Man with Night Sweats' poem?**

The poem explores themes of fear, anxiety, and the haunting nature of night sweats, symbolizing inner turmoil and unresolved emotions.

### **Who is the author of 'The Man with Night Sweats' poem?**

The poem was written by Canadian poet Dennis Lee.

### **What does the night sweat symbolize in the poem?**

The night sweat symbolizes the physical manifestation of emotional or psychological distress, representing hidden fears or trauma.

### **How does the poem depict the man's experience with night sweats?**

The poem describes the man's night sweats as a relentless, almost supernatural presence that disrupts his sleep and symbolizes his internal struggles.

### **Is 'The Man with Night Sweats' based on personal experience or fiction?**

It is a work of fiction, but it draws on common human experiences of anxiety and distress that many readers can relate to.

### **What literary devices are prominent in 'The Man with Night Sweats'?**

The poem uses vivid imagery, symbolism, and metaphor to convey the intensity of the man's night sweats and emotional state.

### **How has 'The Man with Night Sweats' resonated with contemporary readers?**

Readers find it relatable in its depiction of mental health struggles and the universal experience of battling inner fears during sleepless nights.

### **Are there any notable interpretations or analyses of 'The Man with Night Sweats'?**

Yes, literary critics often interpret the poem as a metaphor for anxiety disorders or post-traumatic stress, emphasizing its depth and emotional impact.

## Has 'The Man with Night Sweats' influenced other works or inspired adaptations?

While primarily a poetic piece, it has inspired discussions in mental health literature and has been referenced in discussions about anxiety and sleep disorders.

## Where can I find 'The Man with Night Sweats' poem to read?

The poem can be found in collections of Dennis Lee's poetry or through online literary archives and poetry websites that feature his works.

## Additional Resources

The Man with Night Sweats Poem: An In-Depth Exploration of Its Themes, Context, and Significance

Night sweats—those involuntary episodes of excessive sweating during sleep—are often associated with physical ailments, emotional distress, or psychological turmoil. However, when these symptoms are woven into poetry, they transcend mere biological phenomena, becoming powerful metaphors for deeper human experiences. One such evocative piece is "The Man with Night Sweats", a poem that captures the essence of suffering, vulnerability, and existential angst. This article aims to provide a comprehensive analysis of this poem, exploring its themes, stylistic elements, historical context, and its resonance within literary and cultural discourses.

---

## Understanding the Poem's Premise and Subject Matter

### What Is "The Man with Night Sweats" About?

At its core, "The Man with Night Sweats" narrates the story of an individual plagued by recurring episodes of night sweats. These episodes, while physiological in origin, serve as metaphors for inner turmoil—be it anxiety, guilt, illness, or existential dread. The poem delves into the man's physical discomfort and expands into an exploration of vulnerability, mortality, and the human condition.

The subject is not merely a person experiencing a physiological symptom but a symbol of universal human fragility. The night sweats become a lens through which readers observe themes of isolation, fear, and the search for meaning amid suffering.

# Physical Symptoms as Literary Devices

Night sweats are often linked to conditions such as infections, hormonal imbalances, or cancer; however, in poetry, they serve as potent symbols. The persistent sweating symbolizes:

- Emotional Overflow: Suppressed emotions surfacing uncontrollably during vulnerable moments.
- Existential Anxiety: Fear of mortality and the unknown aspects of life.
- Internal Conflict: The body's physical response reflecting inner psychological struggles.

By focusing on this specific symptom, the poet transforms a clinical condition into a rich metaphorical landscape that speaks to the universality of human pain and resilience.

---

## Historical and Cultural Context

### Origins and Literary Influences

While the precise origin of "The Man with Night Sweats" remains subject to interpretation, it is often linked to modern poetry influenced by themes of illness and mortality. The poem draws inspiration from both classical and contemporary traditions:

- Romantic Literature: Emphasis on individual suffering and emotional expression.
- Modernist Poetry: Focus on alienation, fragmentation, and the subconscious.
- Medical Humanities: Integration of health-related themes into artistic expression.

The poem's cultural resonance is heightened by its reflection on the human experience of illness, which has historically been a recurring motif in literature and art.

### Societal Attitudes Toward Illness and Vulnerability

In contemporary society, there is an increasing recognition of the importance of mental health and the acknowledgment that physical symptoms often mirror emotional states. The poem aligns with this shift by portraying illness as a holistic phenomenon, intertwining body and mind.

Moreover, the poetic focus on night sweats—an often overlooked symptom—serves to highlight the silent struggles many endure, fostering empathy and awareness.

---

## Structural and Stylistic Elements

### Form and Composition

"The Man with Night Sweats" typically employs free verse or irregular rhyme schemes, emphasizing the chaotic and unpredictable nature of suffering. The structure mirrors the tumultuous experience of the protagonist, avoiding rigid patterns to evoke a sense of disarray and vulnerability.

Key stylistic features include:

- Repetition: Emphasizes ongoing distress.
- Imagery: Vivid descriptions of physical sensations and emotional states.
- Enjambment: Creates fluidity, mirroring the uncontrollable nature of night sweats.
- Tone: A mix of despair, reflection, and subtle hope.

### Imagery and Symbolism

The poem employs powerful imagery to evoke sensory experiences:

- Sweat as a river or flood: Suggests overwhelming emotion or uncontrollable forces.
- Darkness of night: Symbolizes ignorance, fear, or subconscious depths.
- Clammy sheets: Represent suffocation and helplessness.

Symbolically, the night sweats serve as a metaphor for the inescapable aspects of human mortality and vulnerability.

---

## Major Themes Explored in the Poem

### Vulnerability and Exposure

The physical act of sweating in the cover of darkness exposes the man's fragility. The poem underscores how illness strips away societal masks, revealing raw human vulnerability. It serves as a reminder of the universality of suffering, bridging individual pain with collective human experience.

## **Isolation and Alienation**

Despite the proximity of night and darkness, the man feels profoundly alone. The poem captures the isolating nature of illness—how physical symptoms can foster emotional loneliness, especially when suffering goes unnoticed or misunderstood.

## **Fear of Mortality**

Night sweats, often associated with serious health conditions, evoke fears of death. The poem artfully explores mortality's shadow, confronting the reader with the reality that human life is fragile and finite.

## **Search for Meaning and Resilience**

While the tone may initially lean toward despair, the poem also hints at resilience—the human capacity to endure suffering and seek meaning amid chaos. The recurring motif of night sweats becomes a symbol of ongoing struggle, yet also of perseverance.

---

## **Critical Reception and Interpretations**

### **Academic and Literary Analyses**

Critics have praised "The Man with Night Sweats" for its evocative imagery and profound psychological insight. Scholars note that the poem functions on multiple levels:

- As a personal narrative of illness.
- As a metaphor for existential anxiety.
- As a commentary on the societal neglect of invisible suffering.

The layered symbolism invites diverse interpretations, making it a rich subject for literary analysis.

## Reader Engagement and Cultural Impact

Readers often find the poem relatable, especially those who have experienced illness or emotional distress. Its candid portrayal fosters empathy and destigmatizes conversations around health and vulnerability.

The poem's cultural impact lies in its ability to elevate a common symptom into a powerful poetic motif—transforming personal suffering into universal art.

---

## Conclusion: The Enduring Significance of the Poem

"The Man with Night Sweats" exemplifies how poetry can elevate personal physical symptoms into profound statements about human existence. Through its vivid imagery, layered symbolism, and exploration of themes like vulnerability, mortality, and resilience, the poem resonates across cultural and temporal boundaries. It reminds us that suffering, while deeply personal, also connects us in shared vulnerability, urging compassion and understanding.

As a literary work, it challenges readers to reflect on their own struggles and the silent battles fought within. Its enduring relevance underscores the power of poetic expression to transform pain into insight, making "The Man with Night Sweats" a vital piece in the landscape of contemporary poetry and human reflection.

## [The Man With Night Sweats Poem](#)

**the man with night sweats poem:** The Man with Night Sweats Thom Gunn, 1992 Thom Gunn's *The Man With Night Sweats* shows him writing at the height of his powers, equally in command of classical forms and of looser, more colloquial measures, and ready to address a wide range of themes, both intimate and social. The book ends with a set of poems about the deaths of friends from AIDS. With their unflinching directness, compassion and grace, they are among the most moving statements yet to have been provoked by the disease.

**the man with night sweats poem: The Poetry of Thom Gunn** Stefania Michelucci, 2008-12-24 Thom Gunn served as a mouthpiece for his time, illustrating the social, cultural, and historical transformations that have characterized western civilization from World War II until today. Starting with theoretical premises drawn from philosophy, anthropology, and sociology, this work examines Thom Gunn's entire poetic career. In Gunn's early poetry, the author argues, the predominant theme is the desire for freedom from the painful prison of the intellect and from the masks that the individual feels compelled to wear even in his sexual relationships. In Gunn's later poetry, the author notes a gradual opening to human relationships and to Nature, which is also Gunn's vindication and reevaluation of his own nature and the liberation of his long repressed and hidden homosexuality.

**the man with night sweats poem: Contemporary British Poetry** James Acheson, Romana Huk, 1996-01-01 This collection of original essays focuses on new and continuing movements in British Poetry. It offers a wide ranging look at feminist, working class, and other poets of diverse cultural backgrounds.

**the man with night sweats poem: *The Letters of Thom Gunn*** Thom Gunn, 2022-05-24 The Letters of Thom Gunn presents the first complete portrait of the private life, reflections, and relationships of a maverick figure in the history of British and American poetry. "I write about love, I write about friendship," remarked Thom Gunn. "I find that they are absolutely intertwined." These core values permeate his correspondence with friends, family, lovers, and fellow poets, and they shed new light on "one of the most singular and compelling poets in English during the past half-century" (Hugh Haughton, *The Times Literary Supplement*). The Letters of Thom Gunn, edited by August Kleinzahler, Michael Nott, and Clive Wilmer, reveals the evolution of Gunn's work and illuminates the fascinating life that informed his poems: his struggle to come to terms with his mother's suicide; settling in San Francisco and his complex relationship with England; his changing relationship with his life partner, Mike Kitay; the LSD trips that led to his celebrated collection *Moly* (1971); and the deaths of friends from AIDS that inspired the powerful, unsparing elegies of *The Man with Night Sweats* (1992).

**the man with night sweats poem: *Selected Poems of Thom Gunn*** Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection, *Fighting Terms*, in 1954, which was widely regarded - perhaps not entirely accurately - as a contributor to 'The Movement' and the opposition to modernism. The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco, though became, from *The Sense of Movement* (1959) onwards, shot through with a new mood of hedonism, freedom and the excesses of the gay and counter-cultural scenes of 1960s America in poems written in celebration of rock and roll, myth, and hallucinogenic drugs. The '80s saw a shift in this life with the devastation of the Aids epidemic, which claimed the lives of a number of Gunn's friends. Many of these friends are memorialised in the moving, passionate and humane collections of his later years; the Forward Prize-winning *The Man With the Night Sweats*, and *Boss Cupid*, Gunn's last collection, published in 2000. This *Selected Poems*, compiled by his friend Clive Wilmer and accompanied by insightful notes, serves to honour a true original, a thrill-seeker in the language, and to exhibit the best of Thom Gunn's electric, powerful, intensely joyful poems.

**the man with night sweats poem: *AIDS and the National Body*** Thomas E. Yingling, 1997 Yingling was a relatively young, but already important Americanist who died of AIDS related causes in 1992. This volume gathers his uncollected and unpublished essays together with some of his more personal writing and memorial essays by three former col

**the man with night sweats poem: *New Selected Poems*** Thom Gunn, 2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half-century ( *Times Literary Supplement*). Gunn was an Elizabethan poet in modern guise, though there's nothing archaic, quaint, or sepia-toned about his poetry. His method was dispassionate and rigorous, uniquely well suited for making a poetic record of the tumultuous time in which he lived. Gunn's dozens of brilliantly realized poems about nature, friendship, literature, sexual love, and death are set against the ever-changing backdrop of San Francisco—the druggy, politically charged sixties and the plague years of AIDS in the eighties. Perhaps no contemporary poet was better equipped—by temperament, circumstance, or poetic gift—to engage the subjects of eros and thanatos than Thom Gunn. This *New Selected Poems*, compiled by his friend Clive Wilmer and accompanied by insightful notes, is the first edition to represent the full arc of Gunn's inimitable career.

**the man with night sweats poem: *The Oxford Handbook of Modern and Contemporary American Poetry*** Cary Nelson, 2012-02-16 The Oxford Handbook of Modern and Contemporary American Poetry gives readers a cutting-edge introduction to the kaleidoscopic world of American poetry over the last century. Offering a comprehensive approach to the debates that have defined

the study of American verse, the twenty-five original essays contained herein take up a wide array of topics: the influence of jazz on the Beats and beyond; European and surrealist influences on style; poetics of the disenfranchised; religion and the national epic; antiwar and dissent poetry; the AIDS epidemic; digital innovations; transnationalism; hip hop; and more. Alongside these topics, major interpretive perspectives such as Marxist, psychoanalytic, disability, queer, and ecocritical are incorporated. Throughout, the names that have shaped American poetry in the period--Ezra Pound, Wallace Stevens, Marianne Moore, Mina Loy, Sterling Brown, Hart Crane, William Carlos Williams, Posey, Langston Hughes, Allen Ginsberg, John Ashbery, Rae Armantrout, Larry Eigner, and others--serve as touchstones along the tour of the poetic landscape.

**the man with night sweats poem: Lives of the Poets** Michael Schmidt, 2010-04-14 National Book Critics Circle Award Finalist In this stunning volume of epic breadth, Michael Schmidt connects the lives and works of more than 300 poets over the last 700 years--spanning distant shores from Scotland to Australia to the Caribbean, all sharing the English language. Schmidt reveals how each poet has transformed a common language of poetry into the rustic rhythms and elegiac ballads, love sonnets, and experimental postmodern verse that make up our lyrical canon. A comprehensive guided tour that is lively and always accessible, *Lives of the Poets* illuminates our most transcendent literary tradition.

**the man with night sweats poem: Ghostly Figures** Ann Keniston, 2015-10 From Sylvia Plath's depictions of the Holocaust as a group of noncohering "bits" to AIDS elegies' assertions that the dead posthumously persist in ghostly form and Susan Howe's insistence that the past can be conveyed only through juxtaposed "scraps," the condition of being too late is one that haunts post-World War II American poetry. This is a poetry saturated with temporal delay, partial recollection of the past, and the revelation that memory itself is accessible only in obstructed and manipulated ways. These postwar poems do not merely describe the condition of lateness: they enact it literally and figuratively by distorting chronology, boundary, and syntax, by referring to events indirectly, and by binding the condition of lateness to the impossibility of verifying the past. The speakers of these poems often indicate that they are too late by repetitively chronicling distorted events, refusing closure or resolution, and forging ghosts out of what once was tangible. *Ghostly Figures* contends that this poetics of belatedness, along with the way it is bound to questions of poetic making, is a central, if critically neglected, force in postwar American poetry. Discussing works by Sylvia Plath, Adrienne Rich, Jorie Graham, Susan Howe, and a group of poets responding to the AIDS epidemic, Ann Keniston draws on and critically assesses trauma theory and psychoanalysis, as well as earlier discussions of witness, elegy, lyric trope and figure, postmodernism, allusion, and performance, to define the ghosts that clearly dramatize poetics of belatedness throughout the diverse poetry of post-World War II America.

**the man with night sweats poem: Eminent Outlaws** Christopher Bram, 2025-05-01 This standard text of the defining era of gay literati tells the cultural history of the interconnected lives of the 20th century's most influential gay writers ( *Philadelphia Inquirer*). In the years following World War II a group of gay writers established themselves as major cultural figures in American life. Truman Capote, the enfant terrible, whose finely wrought fiction and nonfiction captured the nation's imagination. Gore Vidal, the wry, withering chronicler of politics, sex, and history. Tennessee Williams, whose powerful plays rocketed him to the top of the American theater. James Baldwin, the harrowingly perceptive novelist and social critic. Christopher Isherwood, the English novelist who became a thoroughly American novelist. And the exuberant Allen Ginsberg, whose poetry defied censorship and exploded minds. Together, their writing introduced America to gay experience and sensibility, and changed our literary culture. But the change was only beginning. A new generation of gay writers followed, taking more risks and writing about their sexuality more openly. Edward Albee brought his prickly iconoclasm to the American theater. Edmund White laid bare his own life in stylized, autobiographical works. Armistead Maupin wove a rich tapestry of the counterculture, queer and straight. Mart Crowley brought gay men's lives out of the closet and onto the stage. And Tony Kushner took them beyond the stage, to the center of American ideas. With

authority and humor, Christopher Bram weaves these men's ambitions, affairs, feuds, loves, and appetites into a single sweeping narrative. Chronicling over fifty years of momentous change—from civil rights to Stonewall to AIDS and beyond. *Eminent Outlaws* is an inspiring, illuminating tale: one that reveals how the lives of these men are crucial to understanding the social and cultural history of the American twentieth century.

**the man with night sweats poem: *The FSG Poetry Anthology*** Jonathan Galassi, Robyn Creswell, 2025-09-23 To honor FSG's 75th anniversary, here is a unique anthology celebrating the riches and variety of its poetry list—past, present, and future Poetry has been at the heart of Farrar, Straus and Giroux's identity ever since Robert Giroux joined the fledgling company in the mid-1950s, soon bringing T. S. Eliot, John Berryman, Robert Lowell, and Elizabeth Bishop onto the list. These extraordinary poets and their successors have been essential in helping define FSG as a publishing house with a unique place in American letters. The FSG Poetry Anthology includes work by almost all of the more than one hundred twenty-five poets whom FSG has published in its seventy-five-year history. Giroux's first generation was augmented by a group of international figures (and Nobel laureates), including Pablo Neruda, Nelly Sachs, Derek Walcott, Seamus Heaney, and Joseph Brodsky. Over time the list expanded to includes poets as diverse as Yehuda Amichai, John Ashbery, Frank Bidart, Louise Glück, Thom Gunn, Ted Hughes, Yusef Komunyakaa, Mina Loy, Marianne Moore, Paul Muldoon, Les Murray, Grace Paley, Carl Phillips, Gjertrud Schnackenberg, James Schuyler, C. K. Williams, Charles Wright, James Wright, and Adam Zagajewski. Today, Henri Cole, Francine J. Harris, Ishion Hutchinson, Maureen N. McLane, Ange Mlinko, Valzhyna Mort, Rowan Ricardo Phillips, and Frederick Seidel are among the poets who are continuing FSG's tradition as a discoverer and promoter of the most vital and distinguished contemporary voices. This anthology is a wide-ranging showcase of some of the best poems published in America over the past three generations. It is also a sounding of poetry's present and future.

**the man with night sweats poem: *The Planetary Clock*** Paul Giles, 2021 Ranging over various aesthetic forms (literature, film, music) in the period since 1960, this volume brings an antipodean perspective into conversation with the art and culture of the Northern Hemisphere, to reformulate postmodernism as a properly global phenomenon.

**the man with night sweats poem: *The Illusion of Intimacy: On Poetry*** Randall Mann, 2019-03-27 *The Illusion of Intimacy: On Poetry* brings Randall Mann's characteristic wit, fearlessness, and attention to language, to twenty years of critical works, including reviews of early books by Laura Kasischke and Vijay Seshadri; essays on Shame, Money, and Forgetting; appreciations of Thom Gunn and John Ashbery; and two interviews. This incisive collection—a combination of criticism, close reading, autobiography, exuberance, and occasional irritation—offers a look into the mind of one of America's finest formalists, revealing how the compression and vulnerability of the lyric draws us closer to, while asking us to resist, the limitations, freedoms, and intimacies of poetry.

**the man with night sweats poem: *The Title to the Poem*** Anne Ferry, 1996 The first six chapters are distinguished according to the nature of the question a reader might ask about the poem, which the title purports to answer. Who gives the title? Who has the title? Who says the poem? Who hears the poem? What genre does the poem belong to? What is the poem about?

**the man with night sweats poem: *Encyclopedia of American Poetry: The Twentieth Century*** Eric L. Haralson, 2014-01-21 *The Encyclopedia of American Poetry: The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems, along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries, which provide biographical and cultural contexts for the author's career; entries on individual works, which offer closer explication of the most resonant poems in the 20th-century canon; and topical entries, which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States.

**the man with night sweats poem: *Thom Gunn*** Michael Nott, 2024-06-18 A no-holds-barred

biography of the great poet and sexual rebel, who could “give the dead a voice, make them sing” (Hilton Als, *The New Yorker*). Thom Gunn was not a confessional poet, and he withheld much, but inseparable from his rigorous, formal poetry was a ravenous, acute experience of life and death. Raised in Kent, England, and educated at Cambridge, Gunn found a home in San Francisco, where he documented the city’s queerness, the hippie mentality (and drug use) of the sixties, and the tragedy and catastrophic impact of the AIDS crisis in the eighties and beyond. As Jeremy Lybarger wrote in *The New Republic*, the author of *Moly* and *The Man with Night Sweats* was “an agile poet who renovated tradition to accommodate the rude litter of modernity.” *Thom Gunn: A Cool Queer Life* chronicles, for the first time, the largely undocumented life of this revolutionary poet. Michael Nott, a coeditor of *The Letters of Thom Gunn*, draws on letters, diaries, notebooks, interviews, and Gunn’s poetry to create a portrait as vital as the man himself. Nott writes with insight and intimacy about the great sweep of Gunn’s life: his traditional childhood in England; his mother’s suicide; the mind-opening education he received at Cambridge, reading Shakespeare and John Donne; his decades in San Francisco and with his life partner, Mike Kitay; and his visceral experience of sex, drugs, and loss. *Thom Gunn: A Cool Queer Life* is a long-awaited, landmark study of one of England and America’s most innovative poets.

**the man with night sweats poem: Super Gay Poems** Stephanie Burt, 2025-04-01 Esteemed scholar, poet, and critic Stephanie Burt anthologizes five decades of verse for and by queer Americans. Interpreted by Burt, the poems of Frank O’Hara, Audre Lorde, Judy Grahn, James Merrill, Thom Gunn, Jackie Kay, Adrienne Rich, Chen Chen, The Cyborg Jillian Weise, and others trace a flourishing of queer life from Stonewall to today.

**the man with night sweats poem: The Poet's Companion: A Guide to the Pleasures of Writing Poetry** Kim Addonizio, Dorianne Laux, 2010-11-22 From the nuts and bolts of craft to the sources of inspiration, this book is for anyone who wants to write poetry-and do it well. *The Poet's Companion* presents brief essays on the elements of poetry, technique, and suggested subjects for writing, each followed by distinctive writing exercises. The ups and downs of writing life—including self-doubt and writer's block—are here, along with tips about getting published and writing in the electronic age. On your own, this book can be your teacher, while groups, in or out of the classroom, can profit from sharing weekly assignments.

**the man with night sweats poem: Outside the Lines** Christopher Matthew Hennessy, 2010-02-22 *Outside the Lines* explores the personal and historical forces that have shaped the work of a dozen gifted poets. The answers given to Hennessy's astute, perfectly tailored questions remind a reader how exciting poetry can be, and how writers create, through language, the world as we have never known it. These adventuresome interviews will stir anyone who cares about the making of art. ---Bernard Cooper, author of *Maps to Anywhere* Editor Christopher Hennessy gathers interviews with some of the most significant figures in contemporary American poetry. While each poet is gay, these encompassing, craft-centered interviews reflect the diversity of their respective arts and serve as a testament to the impact gay poets have had and will continue to have on contemporary poetics. The book includes twelve frank, intense interviews with some of America's best-known and loved poets, who have not only enjoyed wide critical acclaim but who have had lasting impact on both the gay tradition and the contemporary canon writ large, for example, Frank Bidart, the late Thom Gunn, and J. D. McClatchy. Some of the most honored and respected poets, still in the middle of their careers, are also included, for example, Mark Doty, Carl Phillips, and Reginald Shepherd. Each interview explores the poet's complete work to date, often illuminating the poet's technical evolution and emotional growth, probing shifts in theme, and even investigating links between verse and sexuality. In addition to a selected bibliography of works by established poets, the book also includes a list of works by newer and emerging poets who are well on their way to becoming important voices of the new millennium.
