the proclaimers sunshine on leith: National Identity and the British Musical Grace Barnes, 2022-07-14 National Identity and the British Musical: From Blood Brothers to Cinderella examines the myths associated with national identity which are reproduced by the British musical and asks why the genre continues to uphold, instead of challenging, outdated ideals. All too often, UK musicals reinforce national identity clichés and caricatures, conflate 'England' with 'Britain' and depict a mono-cultural nation viewed through a nostalgic lens. Through case studies and analysis of British musicals such as Blood Brothers, Six, Half a Sixpence and Billy Elliot, this book examines the place of the British musical within a text-based theatrical heritage and asks what, or whose, Britain is being represented by home grown musicals. The sheer number of people engaging with shows bestows enormous power upon the genre and yet critics display a reluctance to analyse the cultural meanings produced by new work, or to hold work to account for production teams and narratives which continue to shun diversity and inclusive practices. The question this book poses is: what kind of industry do we want to see in Britain in the next ten years? And what kind of show do we want representing the nation in the future?

Snatched from under the noses of local rivals Hearts, Peter Cormack soon established himself as a skilful and immensely talented midfielder in an excellent Hibs side and went on to score 75 goals in 182 appearances including in the legendary game against Napoli when Hibs beat the Italian giants 5-0 at Easter Road to overturn a seemingly impossible 4-1 deficit. In 1970, he moved to Nottingham Forest, partly as a result of receiving a 12-match ban for two consecutive red cards, and realizing it was finally time to move on. After Forest were relegated, Peter Cormack was signed for Liverpool by the legendary Bill Shankly and joined Reds heroes Kevin Keegan, Tommy Smith and Emlyn Hughes in a team that would later go on to conquer the footballing world. In Cormack's time, however, Liverpool were warming up for European Cup glory with a League Championship, a UEFA Cup double and an FA Cup victory. After a serious injury, Ray Kennedy took over his role in the team and Cormack's time at Liverpool came to an abrupt end. Following a stint at Bristol City and a short time playing alongside George Best back at Hibs, Cormack went into football management, with mixed fortunes, but his lasting achievements in the game both north and south of the border are told with honesty and humour along with some rare insights into some of the greats of the game.
