Yorkie Crossed with Chihuahua: The Ultimate Guide to This Adorable Hybrid

Yorkie crossed with Chihuahua is a captivating hybrid dog that has gained popularity among pet lovers worldwide. Combining the charming traits of both the Yorkshire Terrier and the Chihuahua, this crossbreed offers a unique blend of personality, appearance, and charm. Whether you're a first-time dog owner or a seasoned pet enthusiast, understanding the characteristics, care requirements, and temperament of this hybrid can help you decide if it's the perfect addition to your family.

Understanding the Yorkie-Chihuahua Crossbreed

Origins and Background

The Yorkie crossed with Chihuahua is a relatively recent hybrid that results from breeding a Yorkshire Terrier with a Chihuahua. Both parent breeds are small, lively, and intelligent, making their cross an ideal choice for those seeking a compact yet spirited companion. While the exact origins are uncertain, this hybrid has become increasingly popular in the pet community due to its adorable looks and lively personality.

Physical Characteristics

The appearance of a Yorkie-Chihuahua mix can vary widely depending on which parent breed traits are dominant. However, some common features include:

- Small size, typically weighing between 4 to 8 pounds
- Height ranging from 6 to 9 inches at the shoulder
- Coat types can vary from silky to short-haired
- Colors may include tan, black, white, gray, or a mix
- Expressive eyes and perky ears resembling either or both parent breeds

Temperament and Personality Traits

This hybrid combines the spirited nature of both breeds. Expect:

- High energy levels and playfulness
- Loyalty and strong attachment to owners
- Alertness, making them good watchdogs despite their size
- Occasionally stubbornness, requiring consistent training
- Affectionate behavior, often seeking cuddles and companionship

Pros and Cons of Owning a Yorkie-Chihuahua Hybrid

Advantages

- Compact size suitable for apartment living
- Low grooming needs if coat is short-haired
- Alert and protective nature
- Generally good with children and other pets when socialized properly
- Unique appearance that stands out

Challenges

- Prone to separation anxiety if left alone for long periods
- Potential for health issues inherited from parent breeds
- Can be vocal and yappy
- Requires consistent training and socialization
- May have a fragile build, needing careful handling

Care Requirements for a Yorkie Crossed with Chihuahua

Diet and Nutrition

Providing a balanced diet is crucial for maintaining health and energy. Consider:

- High-quality commercial dog food formulated for small breeds
- Portion control to prevent obesity
- Fresh water available at all times
- Occasional treats for training and rewards

Grooming Needs

Grooming depends on coat type:

- For silky, long-haired coats: regular brushing (3-4 times a week)
- For short-haired coats: minimal grooming needed

- Bathing every 4-6 weeks
- Dental care: daily brushing recommended
- Nail trimming every 2-3 weeks

Exercise and Mental Stimulation

Despite their small size, these dogs are energetic and require:

- Daily walks (10-20 minutes)
- Interactive toys and puzzles
- Playtime to burn off excess energy
- Socialization with other dogs and humans

Health Considerations

Potential health issues include:

- Dental problems due to small mouths
- Luxating patellas (knee dislocation)
- Collapsing trachea
- Hypoglycemia in puppies
- Regular veterinary check-ups are essential

Training and Socialization Tips

Effective Training Strategies

- Use positive reinforcement techniques
- Be consistent with commands and routines
- Short, frequent training sessions work best
- Socialize early with different people and environments
- Address yappy tendencies with gentle correction

Dealing with Behavioral Challenges

- Establish clear boundaries
- Avoid harsh punishments
- Reward good behavior consistently
- Provide mental stimulation to prevent boredom-induced behaviors

Living Environment and Compatibility

Ideal Living Situations

- Suitable for apartment or condo living due to small size
- Needs a safe, enclosed yard if available
- Sensitive to cold; indoors should be warm and cozy

Compatibility with Children and Other Pets

- Generally good with children when socialized
- May be territorial or possessive
- Best to supervise interactions with larger or unfamiliar dogs

Choosing a Yorkie-Chihuahua Cross Puppy or Adult Dog

What to Look For in a Breeder or Shelter

- Reputable breeders with health clearances
- Adoption from shelters or rescue groups
- Health screenings and vaccination records
- Temperament assessments

Adopting an Adult Dog

- Provides insight into personality and size
- May require less training
- Ensure compatibility with your lifestyle

Conclusion: Is a Yorkie Crossed with Chihuahua the Right Pet for You?

The yorkie crossed with chihuahua is an irresistibly adorable hybrid that combines the best traits of both breeds. With proper care, training, and socialization, these dogs make loyal, lively, and loving companions. They thrive in environments where they receive plenty of attention and mental

stimulation. However, prospective owners should be prepared for their grooming needs and potential health issues.

If you're looking for a small, energetic dog with a big personality and a charming appearance, this hybrid could be the perfect addition to your family. Always do thorough research and connect with reputable breeders or shelters to ensure a healthy and well-adjusted pet.

Summary of Key Points:

- Small size, ideal for apartment living
- Energetic, alert, and loyal
- Coat types vary; grooming needs differ
- Requires regular exercise and mental stimulation
- Prone to certain health issues; regular vet visits essential
- Proper training and socialization are crucial
- Compatibility with children and other pets is generally good

Embrace the joy of owning a yorkie crossed with chihuahua, and you'll gain a delightful companion full of personality and love.

Frequently Asked Questions

What is a Yorkie crossed with a Chihuahua called?

A cross between a Yorkshire Terrier and a Chihuahua is commonly referred to as a 'Chorkie.'

What are the typical physical characteristics of a Yorkie-Chihuahua mix?

Chorkies often have a small size, with a mix of features from both breeds, such as a silky or wiry coat, expressive eyes, and a compact body, usually weighing between 4 to 8 pounds.

Are Yorkie-Chihuahua mixes good family pets?

Yes, they can be great family pets, especially for small living spaces. However, they may be best suited for families with older children due to their small size and delicate nature.

What are common health concerns for a Yorkie crossed with a Chihuahua?

Common health issues can include dental problems, patellar luxation,

hypoglycemia, and heart issues. Regular veterinary check-ups are important to maintain their health.

How much exercise does a Yorkie-Chihuahua mix need?

They require moderate daily exercise, such as short walks and playtime, to stay healthy and happy, but their activity needs are generally low due to their small size.

Is grooming different for a Yorkie-Chihuahua mix?

Yes, grooming can vary depending on their coat type. Some may have a silky coat needing regular brushing, while others may have a wiry or short coat that requires less maintenance.

Are Yorkie-Chihuahua mixes good for apartment living?

Absolutely, their small size makes them well-suited for apartment living, provided they get enough daily exercise and mental stimulation.

Yorkie crossed with Chihuahua: An In-Depth Look at the Adorable and Unique Hybrid

The Yorkie crossed with Chihuahua is a captivating hybrid dog that has gained popularity among pet enthusiasts seeking a small, lively, and affectionate companion. Combining the spirited personality of the Yorkshire Terrier with the bold attitude of the Chihuahua, this crossbreed offers a distinctive blend of traits, temperaments, and physical characteristics. In this comprehensive article, we will explore every facet of this hybrid, from its origins and appearance to its temperament, health considerations, grooming needs, and suitability as a pet.

Understanding the Hybrid: Origins and Background

The Rise of Designer Dogs

In recent decades, the popularity of hybrid or “designer” dogs has surged. Breeders and dog enthusiasts have sought to combine desirable traits from two purebred parents to create a new, often more adaptable, and sometimes

healthier, breed. The Yorkie cross Chihuahua is a prime example of this trend, emerging from the desire to combine the small size and lively nature of both breeds.

Genetic Lineage

- Yorkshire Terrier: Originating from the 19th-century textile mills of Yorkshire, England, the Yorkie was bred for its small size, agility, and luxurious coat. Known for being feisty, intelligent, and affectionate, the Yorkie is a popular companion breed.
- Chihuahua: Hailing from Mexico, the Chihuahua is one of the smallest dog breeds globally. Known for its bold personality, loyalty, and alertness, the Chihuahua exhibits a wide range of temperamental traits.

The hybridization of these two breeds is aimed at creating a compact, energetic dog that combines the best traits of both.

Physical Characteristics of the Yorkie-Chihuahua Cross

Size and Weight

- Small stature: Typically, the hybrid weighs between 4 to 8 pounds.
- Height: Ranges from 6 to 9 inches at the shoulder, making it ideal for apartment living or as a lap dog.

Coat and Color

- Coat Types: The hybrid may inherit the silky, fine coat of the Yorkie or the shorter, smoother coat of the Chihuahua. Some may have a combination of both.
- Color Variations: Common colors include black, tan, cream, chocolate, and combinations thereof. Coat patterns can vary widely.

Physical Traits

- Head and Face: The head may be rounded or slightly elongated, with large, expressive eyes. Ears can be erect or semi-erect.
- Body Structure: Compact and muscular with a slightly rounded skull and a tail that may curl over the back or be carried low.

The physical diversity within this hybrid is significant, which means that individual dogs can look quite different from one another.

Temperament and Personality Traits

Core Characteristics

The Yorkie-Chihuahua hybrid combines the alertness and boldness of the Chihuahua with the affectionate and intelligent nature of the Yorkie. This results in a dog that is:

- Lively and energetic: Needs regular play and mental stimulation.
- Loyal and affectionate: Bonds closely with its owners.
- Alert and protective: Makes an excellent watchdog despite its small size.
- Independent but social: Can be stubborn but enjoys companionship.

Behavioral Traits

- Vocality: Known for being quite vocal, this hybrid may bark at perceived threats or unfamiliar visitors.
- Socialization Needs: Early socialization is critical to prevent shyness or aggressive tendencies.
- Compatibility with Families: Generally good with children and other pets if raised properly, but small size necessitates gentle handling.

Potential Challenges

- Temperament issues: Can be yappy or stubborn if not trained consistently.
- Fearfulness: May develop anxiety or nervousness if left alone for long periods.
- Barkiness: High alertness can translate into excessive barking.

Understanding these traits helps owners prepare for the behavioral needs and potential challenges associated with this hybrid.

Health Considerations and Common Medical Issues

General Health Outlook

The hybrid vigor often associated with crossbreeds can sometimes lead to better overall health, but it does not guarantee immunity from breed-specific issues. Regular veterinary care is essential.

Common Health Problems

- Dental issues: Small breeds are prone to dental disease; regular brushing and dental checkups are vital.
- Patellar luxation: A common issue in small dogs where the kneecap slips out of place.
- Hypoglycemia: Low blood sugar, especially in puppies.
- Tracheal collapse: A condition where the windpipe becomes weakened, leading to coughing and breathing difficulties.
- Eye problems: Such as cataracts or dry eye, particularly if inherited from the Chihuahua.

Preventive Care

- Regular vet checkups
- Proper diet and weight management
- Routine dental care
- Safe environment to prevent injuries

It's advisable for prospective owners to seek reputable breeders who screen for health issues and conduct genetic testing.

Grooming and Maintenance Requirements

Coat Care

Depending on the inherited coat type:

- Longer, silky coats: Require frequent brushing (at least 3-4 times weekly) to prevent matting.
- Shorter coats: Easier to maintain, needing only occasional brushing.
- Bathing: Every 4-6 weeks or as needed.

Other Grooming Needs

- **Dental hygiene:** Daily brushing or several times a week.
- **Nail trimming:** Every 2-3 weeks.
- **Ear cleaning:** Regular checks to prevent infections.
- **Eye care:** Wipe away discharge if present.

Maintaining a grooming routine not only keeps the dog looking good but also promotes overall health and comfort.

Training and Socialization

Training Tips

- **Use positive reinforcement techniques, including treats and praise.**
- **Start training early to establish good manners.**
- **Be consistent with commands and routines.**
- **Address barking tendencies with gentle correction.**

Socialization Strategies

- **Introduce the dog to various people, animals, and environments early.**

- Enroll in puppy classes if possible.
- Provide supervised interactions with children and other pets.

Proper training and socialization are vital to prevent behavioral issues and ensure the dog is well-adjusted.

Suitability as a Pet and Living Environment

Ideal Living Situations

- Apartment dwellers: Due to their small size.
- Families with children: With proper supervision owing to their delicate build.
- Singles or seniors: As a lapdog and loyal companion.

Lifestyle Compatibility

- Active owners who can provide daily walks and playtime.
- Owners willing to dedicate time to grooming and training.
- Those seeking a protective yet affectionate pet.

Potential Limitations

- Sensitive to extreme weather conditions; needs protection from cold and heat.
- Not suitable for rough handling, especially by very young children.
- May develop separation anxiety if left alone for long periods.

Assessing one's lifestyle against the hybrid's needs ensures a harmonious owner-pet relationship.

Conclusion: An Endearing and Dynamic Companion

The Yorkie crossed with Chihuahua represents a unique blend of personality, appearance, and charm. While individual dogs can vary widely in traits, this hybrid generally offers a lively, affectionate, and alert companion perfect for those willing to invest in proper training, grooming, and healthcare. Their small size makes them adaptable to various living environments, but their energetic and vocal nature requires attentive socialization and mental stimulation.

Potential owners should approach this hybrid with realistic expectations, understanding that their temperament and health needs can differ depending on inherited traits. When matched with a responsible breeder and given proper care, a Yorkie-Chihuahua hybrid can become a beloved family member and a

loyal friend for many years to come.

In summary, this hybrid breed exemplifies the appeal of designer dogs—combining the best qualities of two beloved small breeds into a distinctive, charming companion suited for modern life.

Yorkie Crossed With Chihuahua

yorkie crossed with chihuahua: Chorkie Sheila Hammer, 2012 Describes Chorkies, their characteristics and behavior, and includes basic information on feeding, grooming, training, and health care--Provided by publisher.

yorkie crossed with chihuahua: *Barking Up the Right Tree* Dr. Ian Dunbar, 2023-12-05 When Dr. Ian Dunbar introduced his SIRIUS® Puppy Training in 1982, dog training mostly comprised punishing adult dogs for bad habits and lack of compliance. Dunbar focused on verbally cuing and creatively luring to achieve desirable behavior and using “life rewards” — sniffing, walking, play with dogs, and interactive games — to reinforce speedy compliance and good habits from the outset. His “dog’s point of view” approach revolutionized the field, and today there are few trainers who have not been strongly influenced by it. While positive reinforcement is now widely adopted, this new book details how other reward-training techniques have strayed from Dunbar’s original, quick and easy, highly effective lure-reward approach for teaching dogs ESL, in which we can verbally cue specific responses, offer heartfelt praise for success, and give guidance when dogs err. With Dunbar’s method, we can teach dogs when and where to eliminate, what to chew, when and for how long to bark, and when and how to appropriately let off steam. *Barking Up the Right Tree* offers proof that aversive punishment seldom works to eliminate undesirable behavior or to get the dog back on track. Dunbar presents numerous nonaversive yet highly effective solutions for misbehavior and noncompliance — simply by using the words you teach, and without even raising your voice. The culmination of fifty-plus years at the vanguard of dog behavioral science, *Barking Up the Right Tree* is an indispensable guide for anyone who wants harmonious, two-way communication with a calm, confident, well-behaved, happy canine companion.

yorkie crossed with chihuahua: *Living with a Yorkshire Terrier* Richard Haynes, 2003 These small, longhaired dogs make loyal companions, but their luxurious coats require constant grooming. Written especially for dog lovers who have just acquired a pedigreed pup or are about to purchase one, the titles in this series describe the traits, needs, and general characteristics of the title breed. Is the dog adaptable to apartment living or does it need roaming space and daily exercise? Is it good with children? Is it prone to special health problems? These and many other questions are answered in beautifully-produced hardcover volumes, filled with color photos and attractive sidebars. Now Comes with Bonus DVD at No Added Cost! The brand-new hour-long dog training instruction program is specially designed to help dog owners who have little or no experience in obedience training.

yorkie crossed with chihuahua: *The Everything Book of Dogs and Puppies* DK, 2018-06-12 A magical book about dogs and puppies for young readers to treasure. A perfect book for any child

interested in dogs and puppies, this is an all-around introduction to the world of dog breeds and puppy behavior. Children will learn all about their favorite dog breeds, such as the golden retriever and Chihuahua, and how similar dogs are to their wild wolf cousins. Colorful images, fun facts, and bite-size chunks of information make this a must for kids with a passion for dogs.

yorkie crossed with chihuahua: *A Dog-Lover's Miscellany* Mike Darton, 2014-09-01 Schott's Original Miscellany was a publishing phenomenon. It sired a host of sequels and parodies. But no matter how patiently and for how many years they begged, the potential canine readership was continually left to pine. Until now. *A Dog-Lover's Miscellany* is how the original would have appeared had its creator been an obsessive dog owner. Or, indeed, a very literate dog. It parodies the randomness of entry and stylishness of design of the original, but is created entirely for dogs and their doting owners and admirers. The result is an irresistible pot-pourri of canine facts, embracing the essential, the trivial, the intriguing, and the extraordinary. The perfect kennel-top or coffee-table book to paw through at random, herein you will discover such treats as dog epigraphs; the origins of dog names; an international guide to the word "dog"; the oldest dog; weights and breeds; Crufts winners; Aesop's fabled dogs; most popular breeds; dog bite statistics; Lassie; and dogs on the Titanic. It is, in short, the perfect companion for your perfect companion.

yorkie crossed with chihuahua: *Where the Lost Dogs Go* Susannah Charleson, 2019 From a New York Times best-selling author, an important and heartfelt exploration into the world of lost dogs and the power of reunion One in six dogs go missing at some point in their lives, leaving bereft owners to search high and low, hang missing posters, check shelters, and hope for good news. But amid these grim statistics, countless happy endings are forged. Tails wag again. Best friends are reunited. In *Where the Lost Dogs Go*, Susannah Charleson, author of *Scent of the Missing* and a trusted chronicler of the human/animal bond, dives headlong into the world of missing dogs. The mission to reunite lost pets with their families starts with Susannah's own shelter rescue, Ace, a plucky Maltese mix with a mysterious past who narrowly survived months wandering lost. While Susannah formally studies animal behavior, lost-pet search tactics, social media strategies, and the psychology of loss, Ace also steps up for training. Cheerful and resourceful, Ace has revealed a nose for the scent of lost pets, and together they help neighbors and strangers in their searching. In *Where the Lost Dogs Go*, readers take to the streets beside Susannah to bring home a host of missing pets. Along the way, Susannah finds a part of herself also lost. And when unexpected heartbreak shatters her own sense of direction, it is Ace--the shelter dog that started it all--who leads Susannah home. Inquisitive, instructive, heartrending, and hopeful, *Where the Lost Dogs Go* pays tribute to the missing dogs--and to the found--and to the restless space in between.

yorkie crossed with chihuahua: *Max's Story* W. Bruce Cameron, 2018-07-03 Meet Max—a very special dog with a very important purpose— featured in *A Dog's Journey*, soon to be a major motion picture! yorkie crossed with chihuahua: *Tempted by a Texan: A small-town, second chance, forced proximity western romance* Mindy Neff, 2018-05-01 Her Knight In Shining Armor Came Armed With A Colt .45 Becca Sue Ellsworth is the youngest of the Texas Sweethearts and her biological clock is ticking loudly—especially since her three best friends are now married with children. Her own chances of happily-ever-after are looking pretty bleak, but things get even darker when someone breaks into her antiques bookstore. That serious brush with danger sparks an old flame when Attorney Colby Flynn comes to Becca's rescue. He's the man who broke her heart seven years ago but left her with the unconditional promise to help make her most important dream come true. Now, Becca Sue wonders if his promise is one she can still claim. They'd made a baby pact... She's a woman who wants marriage and babies; he's a man who fears being tied down. But when Becca is hurt, Colby is determined to move in and take care of her. Playing house together makes him wonder why they'd ever parted in the first place—she's totally adorable except for the fact that she creates chaos wherever she goes and he thrives on order! But he doesn't plan to stay... Having the sexy lawyer around the house while she recuperates is hard on Becca's self-control, especially since he'll be leaving for a big-city career opportunity in three weeks. Becca has always wanted his baby but now she wants this man even more. Can she convince Colby to turn their baby pact in to a binding contract? Tempted by a Texan Texas Sweethearts series--Book Four As young girls, they vowed to be best friends forever—a promise they kept through happiness and heartbreak! Now these four Texas Sweethearts are all turning thirty. In spite of busy lives, full-time careers, and an assortment of beloved animals and meddling townsfolk, true love is destined to surprise each one of them in the magical little world of their own hometown. "A great second-chance-at-love story. This small-town romance is a fine way to pass the afternoon!" —Romantic Times Review

yorkie crossed with chihuahua: *Cross Border Waters* G. J. Gottfried, C. B. Edminster, Madelyn C. Dillon, 1999-08 Brought together scientists & resource managers from government, universities, & private organizations in the U.S. & Mexico. Participants exchanged information on existing or potential cooperative projects, agency functions & programs, & issues concerning natural & cultural resource management in the border states. Sessions: ecotourism, recreation & partnership, wildlife biology & management, wetlands & watersheds, flora & vegetation, environmental education, cultural resources; water resources, fisheries, & protection & conservation. Contains 126 papers & abstracts, usually in English & Spanish.

yorkie crossed with chihuahua: Mixed Breed Poodles Marie Ryen, 2014-03-16 Mixed Breed Poodles are hybrid dogs, often called designer dogs, that are a cross between a poodle and another dog. Poodle mix breeds come in over 60 types including peekapoos, cockapoos and labradoodles. Their sizes range in the poodle sizes and include small, miniature and standard (large). These hybrid dogs are popular as pet owners like the non-shedding poodle coat and intelligence of the poodle. The author lists 10 poodle mix dogs in the book and gives information on temperaments, characteristics and traits, and health issues for each designer dog. The poodle mixed breeds listed in the book with pictures are labradoodles, cockapoos, peekapoos, yorkie poos, lhasa poos, shih-poops, goldendoodles, maltipoos, poochons and schnoodles. You'll also find a listing of 65 poodle mix breed dogs and their designer names. If you're thinking about getting any of the 10 designer dogs listed in the book, Mixed Breed Poodles is a must read to make sure the dog will be a good fit for everyone involved.

yorkie crossed with chihuahua: *My Name Is Gucci* Sun Jung, 2024-11-01 After living in a Singapore dog shelter for five years, Gucci – a vaguely Dalmatian-like crossbred – is losing hope of ever being rescued. One day to his surprise he is adopted by her, a writer, and moves to inner city Sydney. On arrival, however, an anti-dog war breaks out in their apartment block; Gucci's owner

receives a letter threatening the possibility of 'euthanasia'. The incident triggers nightmares in her and brings back distressing childhood memories. *My Name Is Gucci* is a charming novel about the relationships between pets and their owners and about how the past shapes the present. This bold ex-shelter dog narrated fable beautifully unravels Gucci's and his adopter /guardian's secrets, which have been intertwined for decades through their recurring reincarnations. Sun Jung understands the deep connections that exist between animals and humans. You won't need to be a dog lover to be entranced by this story; it is brimming with warmth, wit and wisdom. 'A comic and moving Homeric odyssey about Gucci the dog, who must deal with, and outwit, the most problematic species of all - humans.' - Louis Nowra, author of *Sydney: A Biography* 'A magical novel that will capture your heart.' - Andrea Carter, author of *A Body Falls*

yorkie crossed with chihuahua: *Shorties* Louis S. Rupnick, 2024-07-02 In this reflective, light-hearted memoir, author Louis S. Rupnick chronicles his life's journey, beginning with his childhood on Long Island and ending with the discovery of his life's purpose, teaching. Long before his teaching career, however, a recently graduated, eighteen-year-old Lou takes off on a cross-country, Jack Kerouac-style road trip, with his trusty canine pal, DOG, and his '56 Chevy, affectionately named Raunchy. As young Lou puts on more miles, he gathers more memories, wacky stories, and life lessons than he would ever imagine. Now almost sixty years later, Lou takes stock of his most significant experiences, from the humorous to the poignant to the downright extraordinary. About the Author Louis S. Rupnick was born and raised in New Hyde Park on Long Island, New York. Rupnick was an auto mechanic and Child Protective Services investigator and case worker for many years before entering academia. He served on a minesweeper in the USN from 1964 to 1968.

He served as Professor of Psychology and Sociology at Suffolk Community College in Riverhead, New York. Now retired, Rupnick resides in Amelia Courthouse, Virginia.

yorkie crossed with chihuahua: Cross Border Waters , 1998 Presents a series of scholarly papers on environmental issues facing the Mexican American Border Region, presented at the 1998 U.S./Mexico Border States Conference on Recreation, Parks, and Wildlife in Tucson.

yorkie crossed with chihuahua: Everything But a Husband Karen Templeton, 2011-04-18 At thirty-one, widow Galen Granata was a veteran of such an unhappy marriage that she had never dared to long for what every woman dreamed of. Like a man to love...and children. So she'd built a wall around herself that no one had even tried to penetrate. Until Del Farentino. And then Galen found herself face-to-face with the enormously attractive widower—and his deaf little girl. Wendy might not be able to talk in the conventional way, but she—and her sexy single father—were speaking to Galen in a way that no one else ever had. Could she find the courage to accept everything they offered?

yorkie crossed with chihuahua: The Possibility Dogs Susannah Charleson, 2013-06-04 "A moving page-turner of a memoir from an accomplished trainer who shifts from the work of search and rescue to that of psychiatric service dogs."—The Boston Globe After a grisly search-and-rescue operation led to troubling consequences for author Susannah Charleson, she found that her relationship with Puzzle, her search dog, made a surprising contribution to her own healing. Inspired by that experience, Charleson learned to identify abandoned dogs with service potential, plucking them from shelters and training them to work with disabled human partners, to whom the dogs bring assistance, comfort, and hope. Similar to her New York Times bestselling first book, *Scent of the Missing*, Charleson's *The Possibility Dogs* goes beyond the science that explains working canines to tell the stories of the dogs themselves. Like Merlin, a black Lab puppy who had been thrown away in a garbage bag and now stabilizes his partner's panic attacks. And service dog Jake Piper, a formerly starving pit bull mix who went from abandoned to irreplaceable. This heartwarming combination of memoir and research is sure to both inform and inspire. "For everyone who is interested in the human animal bond, this book is essential reading. Learn how service dogs can provide emotional support for people who are in great need."—Temple Grandin, author of *Animals Make us Human* and *Animals in Translation* "You don't have to be an animal lover to be moved by this beautifully written and impassioned account of the author's work rescuing dogs from shelters and training them to be service animals . . . This is the rare book that can change minds about the reality of animals' emotional lives."—Publishers Weekly (starred review)

Maltipoos are the best little dogs and this is the best Maltipoo guide I've found- pick one up today! - Donna Withers, Minneapolis, MN. Maltipoo specific information and a very entertaining read. - Cathy Dimmocks, Baltimore, MD. This Maltipoo resource is full of INSIDER Maltipoo tips that you may not find anywhere else. - Sharon Disnat, Seattle, WA. -What Makes Maltipoos So Great? They will get along with just about anyone, whether an adult, child or another animal. They are playful. This dog is not the kind to lazily hang around the house when there is playtime to be had! -Because Maltipoos are eager to please, this also makes them very easy to train. Maltipoos are smarter than they look. They have also been found to repeat a specific behavior if they find a positive response to it. Aside from this, a Maltipoo will always be curious. Expect your Maltipoo to go sniffing at a new dog, a new cat, or a new person they have been introduced to. -Don't let its small size fool you, a Maltipoo is an energetic animal that requires constant stimulation. This little dog is a bundle of energy, and that energy needs to be burned off. It will enjoy playtime and walking time very much. Maltipoos love attention and will respond to love with loyalty! -In this acclaimed Maltipoo guide, you will find a collection of invaluable advice about this wonderful breed: from spotting a healthy Maltipoo puppy and reputable Maltipoo breeder, to how to prepare your home for your Maltipoo, how to make sure it grows up

healthy into adulthood and into a great companion for you for the many years you'll spend together. -All your Maltipoo questions will be answered such as does the Maltipoo get along well with other pets? What about with children? Is excessive barking an issue? Where's the best place to find the healthiest Maltipoo with the best personality? How do I keep my Maltipoo healthy?' Should I breed my Maltipoo? And, much, much more! -All of the advice you need to understand the Maltipoo and to care for it properly is waiting inside. So, what are you waiting for? Click the Add to Cart Button Now on the top right of this page- to keep reading to discover what makes the Maltipoo so great! Maltipoo Bible and Maltipoos is such a great Maltipoo guide! It's really helped me a lot to understand my Maltipoos better thanks! - Stacy Adams, Raleigh, NC.
