

across the universe julie taymor

Across the universe Julie Taymor is a captivating intersection of visionary filmmaking and theatrical artistry, showcasing how one artist's unique perspective can redefine the boundaries of storytelling. Julie Taymor, renowned for her innovative approach to theater and film, directed the 2007 musical romantic drama film *Across the Universe*. This film is notable not only for its ambitious use of the Beatles' iconic music but also for its distinctive visual style and narrative depth. As an artist known for her groundbreaking theatrical productions like *The Lion King* on Broadway, Taymor's transition into filmmaking with *Across the Universe* exemplifies her creative versatility and dedication to pushing artistic boundaries.

In this article, we will explore the film's background, themes, stylistic elements, and its significance within Julie Taymor's broader career. We will analyze how her theatrical sensibilities influence the film's visual design, storytelling approach, and overall impact, making it a memorable piece in both cinematic and theatrical landscapes.

Background and Development of *Across the Universe*

Concept and Inspiration

Across the Universe came into being as a bold experiment—melding the classic music of The Beatles with a contemporary cinematic narrative. The film was conceived as a musical that would serve as a tribute to the legendary band, but also as a reflection on the tumultuous era of the 1960s. Julie Taymor, known for her theatrical innovation, envisioned a film that could translate her stage expertise into a visual and emotional spectacle.

The project was inspired by the desire to create a “pop opera,” blending the cultural upheaval of the 1960s with the timeless appeal of The Beatles' music. The director aimed to tell a story of love, war, and social change through a kaleidoscope of images and musical sequences that would resonate with audiences across generations.

Production Process and Challenges

Developing *Across the Universe* was a complex process, involving meticulous planning to integrate the musical performances seamlessly within the narrative. Taymor's theatrical background meant that she approached the film with a focus on visual storytelling and stagecraft, which presented unique challenges in a cinematic context.

Some of the key challenges included:

- Translating theatrical spectacle into film language
- Creating visually striking sequences that complement the musical numbers

- Managing a diverse cast and complex choreography
- Balancing the nostalgic elements of the Beatles' music with contemporary storytelling

Despite these challenges, Taymor's vision resulted in a film that is both a visual feast and a heartfelt narrative.

Thematic Elements of *Across the Universe*

Love and Humanity

At its core, *Across the Universe* explores themes of love—romantic, familial, and universal. The film portrays love as a transformative force capable of overcoming societal barriers and personal struggles. The characters' relationships are intertwined with the music, emphasizing the emotional power of The Beatles' lyrics and melodies.

War and Social Justice

Set against the backdrop of the Vietnam War, the film vividly depicts the social upheaval of the 1960s. It examines the chaos, protests, and disillusionment of the era, encouraging viewers to reflect on issues of peace, justice, and activism. The visual design often emphasizes the contrast between innocence and violence, highlighting the tumult of the period.

Counterculture and Rebellion

The film captures the spirit of rebellion that characterized the 1960s counterculture. Characters challenge authority, question societal norms, and seek personal freedom. Taymor's use of vibrant imagery and psychedelic visuals underscores this sense of defiance and experimentation.

Stylistic Elements and Visual Design

Visual Style and Aesthetic

Julie Taymor's theatrical background heavily influences the visual style of *Across the Universe*. The film employs:

- Colorful, stylized imagery reminiscent of psychedelic art
- Surreal visual sequences that blur the line between reality and fantasy
- Innovative use of animation and visual effects to create dreamlike sequences

- Inventive choreography that integrates movement with visual storytelling

This approach creates a distinctive aesthetic that makes the film stand out among musical films, emphasizing mood and emotion over realism.

Use of Musical Sequences

The film features numerous musical sequences where characters perform Beatles songs in various settings—sometimes on stage, in dream worlds, or as metaphors. These sequences are characterized by:

- Dynamic choreography
- Creative staging that resembles theatrical productions
- Visual metaphors that enhance the thematic content of the songs

For example, the iconic “I Want to Hold Your Hand” sequence uses vibrant colors and fast-paced editing to evoke excitement and youthful energy.

Integration of Live Action and Imagery

Taymor seamlessly blends live-action scenes with animated and visual effects, creating a layered visual experience. This technique allows her to:

- Represent inner thoughts and emotions visually
- Enhance symbolic storytelling
- Maintain a theatrical sense of spectacle within a cinematic framework

Characters and Narrative Structure

Main Characters and Their Archetypes

The film features a diverse cast portraying characters that embody various aspects of the 1960s counterculture:

- Jude (Jim Sturgess): A young man from Liverpool seeking meaning and belonging
- Lucy (Evan Rachel Wood): An optimistic idealist caught between love and social upheaval
- Max (Joe Anderson): Lucy’s brother, involved in anti-war activism
- Sadie (Dana Fuchs): A fiery, rebellious singer

These characters represent different facets of the era’s social and emotional landscape, allowing the film to explore multiple perspectives.

Narrative Arc and Themes

The narrative follows Jude’s journey from England to the United States, intersecting with Lucy’s story and the broader societal upheavals. The storyline weaves through themes of:

- Search for identity and purpose
- The power of music to unite and heal
- The struggles of love amidst chaos
- The pursuit of social justice

The film's structure, built around musical sequences, creates a poetic and episodic flow that emphasizes mood and message over linear storytelling.

Critical Reception and Cultural Impact

Reception and Awards

Across the Universe received mixed reviews upon release, praised for its bold visuals and inventive style but critiqued for its sometimes uneven storytelling. Despite this, it gained a cult following and was appreciated for its artistic ambition.

The film earned several awards and nominations, including:

- An Annie Award for Outstanding Achievement in an Animated Feature
- Recognition for its costume design and visual effects

Influence and Legacy

As a project helmed by Julie Taymor, Across the Universe stands as a testament to her ability to blend theatrical spectacle with cinematic storytelling. The film has influenced other filmmakers and artists interested in integrating visual artistry with musical narratives.

It also contributed to a renewed interest in the Beatles' music, inspiring reinterpretations and tributes in various media. The film's unique style continues to inspire creative projects that seek to merge music, visual art, and storytelling innovatively.

Julie Taymor's Broader Artistic Vision

Julie Taymor's career spans theater, film, and opera, characterized by her inventive use of puppetry, visual spectacle, and mythic storytelling. Her work often explores themes of transformation, cultural identity, and the power of storytelling.

Across the Universe exemplifies her artistic philosophy by:

- Elevating a popular music catalog into a visual and emotional experience
- Using theatrical techniques like stylized choreography and visual metaphors
- Embracing a multidisciplinary approach that combines music, dance, theater, and film

Her work continues to challenge conventions and inspire artists across disciplines.

Conclusion

Across the Universe directed by Julie Taymor is more than just a musical film; it is a bold artistic statement that fuses the timeless music of The Beatles with innovative visual storytelling. Through her theatrical sensibilities, Taymor transforms the cinematic experience into a vibrant tapestry of emotion, social commentary, and artistic experimentation. The film's enduring appeal lies in its ability to evoke the spirit of the 1960s while offering a fresh, visually stunning perspective that resonates with audiences today. As a testament to her creative genius, Across the Universe remains a significant work in both her career and the broader landscape of musical cinema, inspiring future generations of artists to think beyond conventional boundaries.

Frequently Asked Questions

What is 'Across the Universe' directed by Julie Taymor about?

'Across the Universe' is a musical film directed by Julie Taymor that weaves the songs of The Beatles into a story set against the backdrop of the 1960s counterculture and Vietnam War protests.

How did Julie Taymor incorporate The Beatles' music into 'Across the Universe'?

Julie Taymor creatively integrated The Beatles' songs into the narrative by using them to express characters' emotions and advance the plot, blending visual spectacle with iconic tracks like 'Hey Jude,' 'All You Need Is Love,' and 'Let It Be.'

What are some unique visual elements Julie Taymor used in 'Across the Universe'?

Taymor employed her signature theatrical and surreal visual style, including inventive puppetry, vibrant color schemes, and elaborate costume design to create a visually immersive experience that complements the musical's themes.

How was Julie Taymor's direction received in 'Across the Universe'?

Taymor's direction was praised for its inventive visuals and creative integration of music, although some critics felt the narrative was somewhat scattered. Overall, her artistic vision was widely appreciated for its originality.

What inspired Julie Taymor to adapt The Beatles' music into a film like 'Across the Universe'?

Taymor was inspired by the cultural impact of The Beatles and their music's ability to reflect social change, aiming to capture the spirit of the 1960s and create a visually expressive, emotionally resonant film.

Is 'Across the Universe' considered a musical or a film with musical elements?

'Across the Universe' is considered a musical film, as it features numerous musical performances of Beatles songs integrated into the storyline, characteristic of Julie Taymor's theatrical and musical filmmaking style.

What challenges did Julie Taymor face while directing 'Across the Universe'?

Taymor faced challenges such as balancing her artistic vision with narrative coherence, managing complex visual effects, and ensuring the musical performances seamlessly integrated into the story.

Where can I watch 'Across the Universe' directed by Julie Taymor?

You can find 'Across the Universe' on various streaming platforms such as Amazon Prime, iTunes, or rental services like Google Play and YouTube Movies. Availability may vary based on your region.

Across the Universe Julie Taymor: An In-Depth Exploration of Visionary Cinema and Stagecraft

In the landscape of contemporary theatre and film, few artists have demonstrated the innovative spirit and artistic versatility of Julie Taymor. Known for her groundbreaking work that seamlessly blends visual spectacle, storytelling, and cultural influences, Taymor has carved a distinctive niche in the arts with her unique interpretations and pioneering techniques. Among her notable works, *Across the Universe* stands out as a compelling synthesis of her theatrical genius and cinematic vision, encapsulating her creative ethos and pushing the boundaries of musical storytelling.

This article delves into the multifaceted world of *Across the Universe* Julie Taymor, examining her artistic approach, thematic explorations, production challenges, and cultural significance. Through a comprehensive review, we aim to shed light on why this project remains a vital piece of her oeuvre and a landmark in modern musical cinema.

Julie Taymor: A Brief Biography and Artistic Philosophy

Before exploring *Across the Universe*, it's essential to understand the visionary behind it. Julie Taymor's career spans multiple disciplines—stage, film, opera—and her work is characterized by a bold visual style, inventive staging, and a deep engagement with mythological and cultural narratives.

Early Life and Career Foundations

Born in 1952 in New York City, Taymor's early exposure to diverse cultural traditions and her formal training at the University of Hawaii and NYU's Tisch School of the Arts laid a solid foundation for her eclectic approach. Her early work in puppetry and mask design, notably with the renowned theater troupe Mabou Mines, fostered her fascination with visual storytelling.

Thematic Focus and Artistic Approach

Taymor's signature style integrates:

- Use of elaborate masks and puppetry
- Multicultural influences and mythological symbolism
- Visually arresting staging and innovative use of technology
- Emphasis on physicality and movement

Her theatrical productions, including *The Lion King* (which revolutionized musical theatre), *Titus Andronicus*, and *M. Butterfly*, exemplify her mastery in creating immersive worlds that challenge conventional narrative forms.

Overview of *Across the Universe*: Concept and Origins

Across the Universe is a 2007 musical film directed by Julie Taymor, inspired by the music of The Beatles. The project's genesis traces back to her long-standing admiration for the band's cultural impact and her desire to craft a visual and narrative tapestry that captures the spirit of the 1960s.

Conceptual Foundations

The film's premise revolves around a young artist, Jude, and a series of interconnected characters whose lives are intertwined against the backdrop of a tumultuous era marked by social upheaval, love, loss, and political activism. The narrative weaves through iconic Beatles songs, reimagined and sometimes rearranged, to explore themes of peace, rebellion, and personal transformation.

Taymor's Vision

Taymor envisioned *Across the Universe* as more than a mere jukebox musical; it's an immersive experience blending her distinctive visual language with a layered storytelling approach. Her goal was to create a kaleidoscopic journey through the 1960s, employing her signature theatrical techniques—puppetry, stylized movement, and visual symbolism—to evoke the era's emotional and social currents.

Visual and Stylistic Innovations in *Across the Universe*

A Fusion of Cinema and Theatre

Taymor's background in stagecraft profoundly influences the film's aesthetic. She employs theatrical devices such as:

- Large-scale puppetry integrated into live-action scenes
- Stylized set pieces reminiscent of stage design
- Use of color, lighting, and camera angles to mimic theatre lighting

This hybrid approach creates a heightened sense of spectacle, blurring the lines between reality and performance.

Puppetry and Masks

One of Taymor's signature techniques—extensive puppetry—features prominently in *Across the Universe*. Notable elements include:

- The character of Max, who is often portrayed with exaggerated physicality using puppetry
- Musical sequences where characters manipulate masks or puppets to express internal emotions
- The use of stylized masks to symbolize cultural identities and societal archetypes

Innovative Use of Visual Effects

While rooted in theatrical traditions, Taymor embraces modern technology:

- Digital compositing to blend live-action with animated sequences
- Creative camera work to emphasize surreal, dreamlike moments
- Use of projection and visual overlays to evoke psychedelic aesthetics

These techniques serve to heighten the emotional resonance and thematic depth of the narrative.

Thematic Depth and Cultural Resonance

Exploration of 1960s Ideals

At its core, *Across the Universe* is a reflection on the ideals and contradictions of the 1960s. Themes include:

- The quest for peace amidst war (Vietnam conflict)
- The spirit of rebellion and counterculture
- Civil rights and social justice movements
- The search for love and personal authenticity

Taymor's storytelling emphasizes these themes through character arcs and symbolic imagery, aligning the personal with the political.

Unity Through Music

The Beatles' songs are used not only as musical interludes but as narrative devices that deepen character development and thematic exploration. For example:

- All You Need Is Love underscores messages of universal compassion
- Revolution highlights the tumult of social upheaval
- Hey Jude offers comfort amidst chaos

The reinterpretation of these classics allows for a fresh perspective while honoring their original spirit.

Cultural and Political Commentary

Taymor's *Across the Universe* also functions as a commentary on ongoing social issues, such as:

- The anti-war movement
- Civil rights activism
- The importance of individual voice and resistance

Her portrayal underscores the enduring relevance of these themes across generations.

Production Challenges and Critical Reception

Casting and Performance Dynamics

Casting was a complex process, aiming to find actors capable of embodying the film's theatrical and musical demands. Notable cast members include Evan Rachel Wood, Jim Sturgess, and Dana Fuchs. Their performances received mixed reviews, with praise often directed at their vocal abilities and physical expressiveness.

Technical and Artistic Challenges

Taymor's ambitious vision presented several hurdles:

- Balancing theatrical stylization with cinematic realism
- Managing extensive puppetry and visual effects within a cohesive narrative
- Ensuring the authenticity of emotional performances amidst stylization

Despite these challenges, the production achieved a distinctive aesthetic that set it apart from conventional musicals.

Critical and Audience Reception

Across the Universe garnered a polarized response:

- Critics lauded its bold visual style and innovative approach
- Some praised its cultural commentary and musical reinterpretations
- Others found the narrative disjointed or overly stylized, detracting from character development

Despite mixed reviews, the film has gained a cult following and is recognized for its artistic daring.

Legacy and Influence of Across the Universe in Taymor's Oeuvre

A Milestone in Visual Storytelling

Across the Universe exemplifies Taymor's distinctive approach—merging theatricality with cinematic storytelling. It pushes the boundaries of musical film, inspiring future creators to explore hybrid forms and multimedia integration.

Impact on Musical Film and Theatre

The film's bold visual language and thematic depth have influenced subsequent productions seeking to elevate the musical genre beyond traditional formats. Its use of symbolism, stylization, and cultural references demonstrates the potential for theatrical innovation within cinema.

Reflections on Artistic Identity

For Julie Taymor, the project embodies her core artistic principles: a commitment to visual innovation, cultural dialogue, and emotional authenticity. It solidifies her reputation as a pioneer willing to challenge norms and embrace complexity.

Conclusion: The Significance of Across the Universe in Artistic Discourse

Across the Universe Julie Taymor stands as a testament to the power of artistic fusion—where theatre, film, music, and visual arts converge. It exemplifies Taymor's visionary approach, blending her theatrical roots with cinematic storytelling to create a vibrant, thought-provoking tribute to an iconic era.

While not without its flaws, the film's bold aesthetic choices and thematic richness continue to inspire artists and audiences alike. It remains a significant chapter in the ongoing dialogue about the boundaries of musical storytelling and the potential of interdisciplinary art forms.

In the broader context of Julie Taymor's career, Across the Universe is a milestone—an ambitious, unapologetically stylized exploration of cultural memory and social ideals. Its enduring legacy underscores the importance of innovation, cultural reflection, and artistic daring in shaping the future of theatre and cinema.

In sum, Across the Universe Julie Taymor is more than a film; it is a creative statement that encapsulates the essence of a visionary artist committed to transforming storytelling through visual spectacle and thematic depth. It invites viewers to reflect on the universal themes of love, rebellion, and hope—reminding us that art, in all its forms, is a powerful force for connection and change.

across the universe julie taymor: A Critical Companion to Julie Taymor Adam Barkman, Matthew Hodge, Antonio Sanna, 2023-12-12 A Critical Companion to Julie Taymor is the most updated and holistic volume on the director currently published. Situating Taymor's work within the intersections of story and spectacle, contributors to this collection examine issues of creativity, gender, sexuality, and adaptation by focusing on themes from Taymor's oeuvre including martyrdom, musicality, fidelity, postmodern representations, feminism and queerness, identity, desire, trauma, revenge, hybridity, and obscenity. The result reveals Julie Taymor to be a globally-influenced American director who exhibits and exemplifies the authentic artistry of ingenious storytelling and deserves scholarly attention. This work will be of particular interest to scholars of film, philosophy, popular culture, gender, feminisms, and queer identities.

across the universe julie taymor: The Beatles Encyclopedia Kenneth Womack, 2014-06-30 A fascinating look at the history of the Beatles, from their formative years through the present day, as detailed in hundreds of entries chock-full of information never before shared with the public. The Beatles have sold at least 2.3 billion albums; achieved 6 Diamond, 24 Multi-Platinum, 39 Platinum, and 45 Gold albums in the United States alone; and continue to experience impressive commercial success—now more than at any other time. What is it about this iconic group which continues to draw attention from each successive generation, even more than 40 years after their disbandment? The Beatles Encyclopedia: Everything Fab Four provides casual fans and aficionados alike with a

comprehensive study of the historical, cultural, and musical influence of the Beatles, providing hundreds of insightful entries that address the people, places, events, and other details that have contributed to the band's status as a global phenomena.

across the universe julie taymor: *The World of Musicals* Mark A. Robinson, 2014-04-17 This wide-ranging, two-volume encyclopedia of musicals old and new will captivate young fans—and prove invaluable to those contemplating staging a musical production. Written with high school students in mind, *The World of Musicals: An Encyclopedia of Stage, Screen, and Song* encompasses not only Broadway and film musicals, but also made-for-television musicals, a genre that has been largely ignored. The two volumes cover significant musicals in easily accessible entries that offer both useful information and fun facts. Each entry lists the work's writers, composers, directors, choreographers, and cast, and includes a song list, a synopsis, and descriptions of the original production and important revivals or remakes. Biographical entries share the stories of some of the brightest and most celebrated talents in the business. The encyclopedia will undoubtedly ignite and feed student interest in musical theatre. At the same time, it will prove a wonderful resource for teachers or community theatre directors charged with selecting and producing shows. In fact, anyone interested in theatre, film, television, or music will be fascinated by the work's tantalizing bits of historical and theatre trivia.

across the universe julie taymor: *Screening the Sixties* Oliver Gruner, 2016-09-17 This book provides a detailed and engaging account of how Hollywood cinema has represented and 'remembered' the Sixties. From late 1970s hippie musicals such as *Hair* and *The Rose* through to recent civil rights portrayals *The Help* and Lee Daniels' *The Butler*, Oliver Gruner explores the ways in which films have engaged with broad debates on America's recent past. Drawing on extensive archival research, he traces production history and script development, showing how a group of politically engaged filmmakers sought to offer resonant contributions to public memory. Situating Hollywood within a wider series of debates taking place in the US public sphere, *Screening the Sixties* offers a rigorous and innovative study of cinema's engagement with this most contested of epochs.

across the universe julie taymor: *The Beatles from A to Zed* Peter Asher, 2019-10-29 "At last, I finally understand the alphabet! I also love this book: secret Beatles knowledge from one of the closest insiders." —Steve Martin Peter Asher met the Beatles in the spring of 1963, the start of a lifelong association with the band and its members. He had a front-row seat as they elevated pop music into an art form, and he was present at the creation of some of the most iconic music of our times. Asher is also a talented musician in his own right, with a great ear for what was new and fresh. He was asked by Paul McCartney to help start Apple Records; the first artist Asher discovered and signed up was a young American singer-songwriter named James Taylor. Before long he would be not only managing and producing Taylor but also working with Linda Ronstadt, Neil Diamond, Robin Williams, Joni Mitchell, and Cher, among others. *The Beatles from A to Zed* grows out of his popular radio program "From Me to You" on SiriusXM's The Beatles Channel, where he shares memories and insights about the Fab Four and their music. Here he weaves his reflections into a whimsical alphabetical journey that focuses not only on songs whose titles start with each letter, but also on recurrent themes in the Beatles' music, the instruments they played, the innovations they pioneered, the artists who influenced them, the key people in their lives, and the cultural events of the time. Few can match Peter Asher for his fresh and personal perspective on the Beatles. And no one is a more congenial and entertaining guide to their music.

across the universe julie taymor: Metamorphoses of the Absolute Otto Neumaier, Daina Teters, 2019-01-10 This collection of essays is devoted to the diversity of the conceptual and terminological definitions of the notion of the “absolute”. Absolute comprises both the concepts of the Western world related to God and the verbal constructions flowing from these ideas in the spheres of law, philosophy, linguistics, politics, medicine, literature, and arts. Over time, absolute and its neologisms have undergone various modifications, assuming the associated characteristics of syntactic ambiguity and inflation. Absolute can imply an increase in the degree of a quality attached to some object or phenomenon and can be used as either an adverbial modifier or a proper noun. In its appearances as a procedural term, absolute mostly conveys a negative connotation when evaluating some action. The question posed in this book is not what absolute is, but what possibilities exist with regard to perceiving and conceptualizing it in human terms, both historically and in the present.

across the universe julie taymor: The Vietnam War in Popular Culture Ron Milam, 2016-11-07 Covering many aspects of the Vietnam War that have not been addressed before, this book supplies new perspectives from academics as well as Vietnam veterans that explore how this key conflict of the 20th century has influenced everyday life and popular culture during the war as well as for the past 50 years. How did the experience of the Vietnam War change the United States, not just in the 1950s through the 1970s, but through to today? What role do popular music and movies play in how we think of the Vietnam War? How similar are the recent wars in Iraq and Afghanistan—and now Syria—to the Vietnam War in terms of duration, cost, success and failure rates, and veteran issues? This two-volume set addresses these questions and many more, examining how the Vietnam War has been represented in media, music, and film, and how American popular culture changed because of the war. Accessibly written and appropriate for students and general readers, this work documents how the war that occurred on the other side of the globe in the jungles of Vietnam impacted everyday life in the United States and influenced various entertainment modes.

It not only covers the impact of the counterculture revolution, popular music about Vietnam recorded while the war was being fought (and after), and films made immediately following the end of the war in the 1970s, but also draws connections to more modern events and popular culture expressions, such as films made in the aftermath of September 11, 2001. Attention is paid to the impact of social movements like the environmental movement and the civil rights movement and their relationships to the Vietnam War. The set will also highlight how the experiences and events of the Vietnam War are still impacting current generations through television shows such as *Mad Men*.

across the universe julie taymor: The Scientist in Popular Culture Rebecca Janicker, 2022-04-14 In this collection, contributors analyze the depiction of scientists in a wide range of films and television programs that span across genres, including horror, science fiction, crime drama, comedy, and children's media. Scientists in popular culture, they argue, often embody the hopes and fears associated with real-life science, which continue to be prevalent in both fictional and non-fiction media. By becoming the "human face" of scientific insight and innovation, the scientist in popular culture plays a key role in encouraging public engagement with scientific ideas. Scholars of media studies, popular culture, and health communication will find this book particularly useful.

across the universe julie taymor: The ^AOxford Handbook of the British Musical Robert Gordon, Olaf Jubin, 2016-11-21 The first comprehensive academic survey of British musical theatre from its origins, *The Oxford Handbook of the British Musical* offers both a historical account of musical theatre from 1728 and a range of in-depth critical analyses of key works and productions that illustrate its aesthetic values and sociocultural meanings.

across the universe julie taymor: Listen to Movie Musicals! James E. Perone, 2020-01-13 *Listen to Movie Musicals!* provides an overview of musical theater on film for fans of the genre, with a focus on 50 must-hear musicals featured in movies. *Listen to Movie Musicals!* includes an overview of musical theatre and movie musicals in the United States. The 50 movies chosen for critical analysis include many of the best-known film musicals of the past and present; however, the list also includes several important movie musicals that were popular successes that are not necessarily on the best-of lists in other books. This volume also includes a greater focus on the actual music of movie musicals than do most other books, making it a stand-out title on the topic for high school and college readers. Like the other books in this series, this volume includes a background chapter followed by a chapter that contains 50 important essays on must-hear movie musicals of approximately 1,500 words each. Chapters on the impact of movie musicals on popular culture and the legacy of movie musicals further explain the impact of both the movies and their songs.

across the universe julie taymor: Silence and Listening as Rhetorical Arts Cheryl Glenn, Krista Ratcliffe, 2011-01-05 In *Silence and Listening as Rhetorical Arts*, editors Cheryl Glenn and Krista Ratcliffe bring together seventeen essays by new and established scholars that demonstrate the value and importance of silence and listening to the study and practice of rhetoric. Building on the editors' groundbreaking research, which respects the power of the spoken word while challenging the marginalized status of silence and listening, this volumemakes a strong case for placing these overlooked concepts, and their intersections, at the forefront of rhetorical arts within rhetoric and composition studies. Divided into three parts—History, Theory and Criticism, and Praxes—this book reimagines traditional histories and theories of rhetoric and incorporates contemporary interests, such as race, gender, and cross-cultural concerns, into scholarly conversations about rhetorical history, theory, criticism, and praxes. For the editors and the other contributors to this volume, silence is not simply the absence of sound and listening is not a passive act. When used strategically and with purpose—together and separately—silence and listening are powerful rhetorical devices integral to effective communication. The essays cover a wide range of subjects, including women rhetors from ancient Greece and medieval and Renaissance Europe; African philosophy and African American rhetoric; contemporary antiwar protests in the United States; activist conflict resolution in Israel and Palestine; and feminist and second-language pedagogies. Taken together, the essays in this volume advance the argument that silence and listening are as important to rhetoric and composition studies as the more traditionally emphasized

arts of reading, writing, and speaking and are particularly effective for theorizing, historicizing, analyzing, and teaching. An extremely valuable resource for instructors and students in rhetoric, composition, and communication studies, *Silence and Listening as Rhetorical Arts* will also have applications beyond academia, helping individuals, cultural groups, and nations more productively discern and implement appropriate actions when all parties agree to engage in rhetorical situations that include not only respectful speaking, reading, and writing but also productive silence and rhetorical listening.
