It's a blend of a positive outlook that flows through every wave of despair, educating yourself that even if you tumble, it's key to know how to get back up. It's been a long and thrilling journey fulfilling her accomplishments and defeats, rising and flaming like a phoenix transforming her Power into Wisdom.

big panda and tiny dragon: Smoth... A Nimbus Cloud of Unknowing Badal Verma, 2022-04-25 Smoth... A Nimbus Cloud of Unknowing is a collection of interrelated short stories. They are focused on the stories of women, who make our lives beautiful and so often leave us in the end to change the entire paradigm of those very lives which they had once decorated. The narrative is an insightful interplay of thoughts and complex emotions between the protagonist and three imaginary young women who are the subtle characters of his Atarangee Antarman, namely - Awargi, the happiness of his inner universe; Ehad, the time; and Sajda, the prayer, who help him manage his complex emotions for a beautiful woman who loves him. The spectrum of interplay is vast and includes a journey to his past and future. It is divine injustice and reiteration of the frailty of life that this fascinating work of fiction ends in a real-life tragic love story that leaves a lump in the throat. And, this was never part of the original script. Tragic as it is, it lends substance to the insightful dialogues that take place throughout the book. An intense read in parts, the book urges one to reflect on the thoughts and emotions that are lying dormant somewhere in the subconsciousness of every human being. In the end, it leaves a lingering impact on the reader's mind. -Major General Anil Sengar

big panda and tiny dragon: A Hero's Journey Chris Dooley, 2022-09-06 A Hero's Journey Beyond Little Norway and Olympia Sports Camp is a compiled history of the Olympia Sports Camp in Huntsville, Ontario, through the lens of its founder and inspiration, Dave Grace, the hero of the book's title. The hero's journey of the title is Dave Grace's adaptation of the writings and teaching of philosopher Joseph Campbell. The basic tenet of the Dave Grace's hero's journey is that heroes all go through a 12-step journey—from their own comfort zone to the unknown and all its challenges—to a new normal where the hero bestows knowledge learned on others in order to help them on their journey. Dave Grace's foundational belief is that we are all heroes on our own path and who we become on our journey is more important than the accomplishments we achieve. A Hero's Journey chronicles the people and places that make up the history of the camp, while also serving as an

inspirational guidebook for readers to each become the hero of their own journey. This book also examines the history of the land on which the camp has been built, from its Indigenous origins to the European settlement of the 1800s, and to the use of the land by the Norwegian Air Force during World War II. The book takes readers on a journey through the various stages related to the development of the camp, first established in 1974. The book is built on a collection of stories related to mentorship, sports psychology, and community building, as well as interviews of past campers, coaches, and others with a longtime association with Olympia. With this book, author Chris Dooley honours Dave Grace and the many others who have been integral to the history of the camp and its land.

big panda and tiny dragon: Pilgrimage in the Twenty-First Century Ian S. McIntosh, Dane Munro, Alison T. Smith, Susan Dunn-Hensley, 2024-07-09 Pilgrimage in the Twenty-First Century: A Kaleidoscopic Inquiry showcases the rich diversity of religious and secular pilgrimage on the world stage. Scholars from the Global North and South working in diverse fields in the humanities and social sciences share their research on the nature of pilgrimage—otherwise known as travel for transformation—providing insight into why it is one of the fastest growing segments of the worldwide tourism industry. Topics under scrutiny include the ancient history of pilgrimage, pilgrimage in literature, the development of new trails and the refurbishment of others, pilgrimage as an avenue for justice and peacebuilding, as an example of intangible cultural heritage, and as a unique driver of domestic economies. Each chapter in this survey—covering more than fifteen countries—makes a significant contribution to our understanding of this age-old and multi-faceted phenomenon that is central to our understanding of what it means to be human.
