The Publication Order of Andy McDermott's Books

Following the chronological order of publication provides a natural pathway through McDermott's evolving storytelling style and character development. Below is a comprehensive list of his books in order, along with brief descriptions to help guide your reading journey.

Nina Wilde Series: The Core of McDermott's Adventure Universe

The Nina Wilde series is the foundation of Andy McDermott's literary legacy. Featuring the

protagonist Nina Wilde, an archaeologist driven by a desire to uncover the world's greatest secrets, this series combines archaeological thrillers with high-stakes action.

1. The Hunt for Atlantis (2010)

This debut novel introduces Nina Wilde, a renowned archaeologist who becomes embroiled in a quest to find the legendary city of Atlantis. When her father, also an archaeologist, disappears during a secret expedition, Nina is compelled to follow his trail. The novel blends myth, history, and modern espionage, setting the tone for the series' signature style.

2. The Hunt for the Lost City (2011)

In the second installment, Nina teams up with her partner Eddie Chase to locate the lost city of Ubar, also known as the "Atlantis of the Sands." Their journey takes them into the deserts of the Middle East, confronting dangerous rivals and unraveling ancient mysteries.

3. The Hunt for the Tower of London (2011)

This novel diverges slightly from the typical Atlantis hunt, focusing on the legendary Tower of London. Nina and Eddie chase clues leading to a discovery that could shake the foundations of British history.

4. The Hunt for the Egyptian Treasure (2012)

Nina's adventure takes her to Egypt, where she seeks a hidden treasure linked to Pharaohs. The novel explores Egyptian mythology and includes elaborate puzzles and traps.

5. The Hunt for the Lost Pyramid (2012)

This installment involves uncovering a mysterious pyramid hidden beneath the desert, revealing secrets of ancient Egyptian civilization and their advanced knowledge.

6. The Hunt for the Doomsday Vault (2013)

Nina and Eddie race against time to prevent a catastrophe involving a secret vault containing world-ending technology. This novel introduces more global stakes and technological intrigue.

Standalone and Spinoff Works

While the Nina Wilde series forms the core, McDermott has authored standalone novels and stories that expand his universe.

7. The Lost World (2014)

A standalone adventure where Nina explores a remote part of South America, uncovering a lost civilization and confronting dangerous creatures and rival explorers.

8. The Tomb of the Gods (2015)

Another standalone adventure, this novel takes readers into the jungles of Central America to unearth a mysterious tomb linked to ancient deities.

The Eddie Chase Series: Complementing the Nina Wilde Saga

In addition to the Nina Wilde series, McDermott has created the Eddie Chase series, focusing on a former SAS operative turned adventurer. These books are characterized by their military precision, gritty realism, and intense action sequences.

9. The Lost City of the Monkey God (2016)

Eddie Chase leads an expedition into the Honduran jungle to find a legendary city cursed and concealed by nature and history. The novel explores survival, ancient legends, and modern geopolitics.

10. The Ice Queen (2017)

This story takes place in the Arctic, where Eddie Chase investigates the disappearance of a scientific team and uncovers a hidden ancient civilization preserved in ice.

Recent and Upcoming Works

As of the latest updates, Andy McDermott continues to develop new stories, blending his signature adventure style with contemporary themes. His recent works have expanded into exploring more diverse settings and mythologies, keeping his readership engaged.

- The Lost Gold of the Incas (2018)

- The Secret of the Sphinx (2020)

- Untitled Project (Upcoming 2024)

Fans can expect more explorations into ancient secrets, global adventures, and complex characters in the coming years.

How to Approach Reading Andy McDermott's Books in Order

While reading in publication order is recommended for those who wish to experience character development and plot progression as intended, new readers might also choose to start with the most acclaimed or accessible titles. The Nina Wilde series offers a cohesive narrative arc, making it an ideal starting point for newcomers.

Tips for readers:

- Begin with *The Hunt for Atlantis* to familiarize yourself with Nina Wilde's character and

McDermott's style.

- Follow up with subsequent books in the Nina Wilde series for a continuous storyline.
- Explore the Eddie Chase series for a different perspective and a more action-oriented tone.
- Check out standalone novels for variety and to explore different mythologies and settings.

The Legacy and Impact of Andy McDermott's Works

Andy McDermott's books have garnered a dedicated following, particularly among fans of adventure fiction, archaeology, and history. His ability to blend factual research with imaginative storytelling situates him alongside authors like Indiana Jones creator George Lucas and Clive Cussler.

His novels have been praised for their pacing, well-researched background, and memorable characters. As the adventure genre continues to evolve, McDermott's works serve as a bridge between traditional pulp adventure and modern storytelling, appealing to both thrill-seekers and history buffs.

Conclusion: Navigating the World of Andy McDermott's Books

Understanding the order of Andy McDermott's books enriches the reading experience, allowing fans to follow character arcs and thematic developments seamlessly. Whether you're embarking on the archaeological adventures of Nina Wilde or plunging into the gritty expeditions with Eddie Chase, the chronological list provides a roadmap through McDermott's dynamic universe.

PRIZE. Nina Wilde and Eddie Chase possess extraordinary pieces of an ancient puzzle that leads them from Singapore to the jungles of South America. Inside a storm of political and drug warfare, Nina is getting close to one of history's greatest secrets: the mythical golden city of El Dorado. As one discovery unveils another, Nina realizes that a legendary Incan leader made a deal with his Spanish captors—and hid forever the real El Dorado. Now, Nina and Eddie face a maze of death traps and betrayals, including one that reaches into Eddie's past in Afghanistan, even into his own family in England. Behind a waterfall in Peru is an unfound wonder of the world. And to get there, Nina and Eddie may have to sacrifice everything: their friends, their love for one another, even their lives.

books by andy mcdermott in order: Kingdom of Darkness Andy McDermott, 2015-04-28 For fans of James Rollins and Matthew Reilly comes a gripping, globe-spanning adventure in Andy McDermott's thrilling series featuring American archaeologist Nina Wilde and ex-SAS bodyguard Eddie Chase. History's most sought after treasure is now mankind's worst fear. In Los Angeles, a desperate man seeks out renowned archaeologist Nina Wilde and her husband, ex-SAS soldier Eddie Chase—only to be gunned down in front of them. The assassin is soon identified as a ninety-year-old Nazi war criminal—with the body of a healthy forty-year-old. Following the victim's final warnings, Nina and Eddie travel to Cairo to inspect the newly discovered tomb of Alexander the Great. But the real find is hidden in one of its treasures—a mechanical guide leading to one of antiquity's most tantalizing myths: a spring of water said to give eternal life to those who drink it. Nina, Eddie, and a team of Mossad agents realize that the myth is real, and that a group of former SS men who have tasted this water are now hunting for its source. But before they can act, Nina is kidnapped and spirited away to a secret Nazi enclave in Argentina, igniting a fierce, fateful, globe-spanning struggle in which her life hangs in the balance. All the while a terrifying possibility emerges—that the world's darkest evil could live on forever. Praise for the novels of Andy McDermott "Raises the bar to please adventure junkies who prefer to mainline their action."—Publishers Weekly (starred review), on *The Hunt for Atlantis* "A fun, action-filled James Bond/Indiana Jones-esque story."—Geek Speak Magazine, on *Return to Atlantis* "Adventure stories don't get much more epic than this."—Daily Mirror (U.K.) Praise for *Kingdom of Darkness* "When it comes to archaeological adventure thrillers, I'm not sure that there's anyone writing in the genre today who is stronger, smarter, or more consistent than Andy McDermott. His Nina Wilde and Eddie Chase series is like a mixture of Indiana Jones, James Bond, Dirk Pitt, and Jack Bauer. . . . *Kingdom of Darkness* is smart, clever, and exciting stuff. . . . If you're looking for a solid archaeological adventure that is as committed to the history as to the thrills, then this is definitely worth a read."—Beauty in Ruins "Nonstop, relentless extreme action . . . [McDermott's] thrillers have become increasingly accomplished, confident and rounded. The characters of Nina and Eddie are so well developed they appear almost to have a life of their own and their story has become arguably the most important aspect of the books. The plots are always exciting, pacy and gobsmacking [and] the runaway train action is matched by heart, with many laugh-out-loud lines as well as other scenes of devastating sadness or cruelty. What a fantastic series!"—For Winter Nights "As ever, Andy McDermott mixes high-action car chases, gun battles and mysterious quests, then shakes them well to provide an explosive cocktail. A breakneck running battle on a speeding train is an absolute classic, reminiscent of Bond films at their best."—Crime Review "An excellent thriller, exhausting, laugh-out-loud funny and gobsmackingly heartbreaking. If you like high octane thrillers then you cannot miss this book."—Parmenion Books

books by andy mcdermott in order: The Shadow Protocol Andy McDermott, 2014-01-28 Move over Jason Bourne. Here from Andy McDermott, the New York Times bestselling author who “raises the bar to please adventure junkies who prefer to mainline their action” (Publishers Weekly, starred review), is the high-octane start to a new series starring American agent Adam Gray. Filled with intrigue, adventure, and non-stop action, The Shadow Protocol is perfect for fans of Robert Ludlum and James Rollins. NO ONE CAN KNOW HIM. NO ONE SHOULD TRUST HIM. AND AMERICA WON'T SURVIVE WITHOUT HIM. Adam Gray is a cipher, a disciplined loner conditioned not to betray a single emotion. Part of an elite team spearheaded by a brilliant neuroscientist, Gray is a covert agent armed with PERSONA, a device that allows him to copy the brain patterns of the terrorists and operatives he meets in the field. For twenty-four hours he can recall their memories. He can know every detail of their plans. He can be America's worst enemy—before he's back to being Adam Gray again. Now Gray and his team are racing to stop a plot to release a radioactive isotope that could kill millions. And in a nerve-racking clandestine meeting, Gray senses that his cover is cracked and that the mission—not to mention his life—may be in grave danger. But as they fight this violent conspiracy around the globe, another threat has emerged. This one has the perfect cover, the most unlikely double agent, and the most terrifying power of all. For a beautiful young scientist has discovered an unforeseen weakness in PERSONA: Adam Gray's own past. Praise for the novels of Andy McDermott “[McDermott] raises the bar . . . nonstop high-octane action.”—Publishers Weekly “Easily competes with the works of Dan Brown and James Rollins.”—Bookgasm “True Indiana Jones stuff with terrific pace.”—The Bookseller “Adventure stories don't get much more epic than this.”—Daily Mirror (U.K.) “A writer of rare, almost cinematic talent. Where others' action scenes limp along unconvincingly, his explode off the page in Technicolor.”—Daily Express

books by andy mcdermott in order: *The Tomb of Hercules* Andy McDermott, 2009-10-27 AN ANCIENT WARRIOR. AN INCREDIBLE TREASURE. A LETHAL ENEMY. It's the opportunity of a lifetime—the chance to prove that a tomb containing the remains of the legendary hero Hercules actually exists. If American archaeologist Nina Wilde can locate it, it will be the most important historical find ever unearthed. But as Nina and her ex-SAS bodyguard, Eddie Chase, begin their search, it's clear that others want to find the tomb—and the unimaginable riches within—and will do anything to get there first. Who will find the tomb of Hercules first, and what fantastic treasure does it hold? From New York to Shanghai, from Switzerland to the diamond mines of Botswana, Nina and Eddie must stay one step ahead of their enemies in a race to solve a mystery as ancient as civilization itself. But when a beautiful woman from Eddie's past joins the hunt, all the rules change—and in this life-and-death game, their next move may be the most dangerous one of all.

books by andy mcdermott in order: *The Sacred Vault* Andy McDermott, 2011-03-22 A DARING HEIST. A PRICELESS ARTIFACT. A SECRET LOCKED SAFELY AWAY—UNTIL NOW. When Michelangelo's David is stolen from its museum in Florence, it's only the latest in a series of audacious raids on the world's greatest treasures. But American archaeologist Nina Wilde and her husband, ex-mercenary Eddie Chase, discover the raiders' ultimate target when the Talonor Codex—a cryptic travel journal that Nina found in Atlantis—is snatched from a well-guarded exhibition right in front of their eyes. The codex holds clues to the location of the Vault of Shiva and its mythical contents: the chronicles of the ancient Hindu god of destruction himself. From a deadly shootout in San Francisco to a hidden valley in the snowbound Himalayas, Nina and Eddie must run a labyrinthine gauntlet of ruthless killers, corrupted faiths, and twisted ambitions to reach the sacred vault ahead of a cunning billionaire with a plot to remake the world—after he brings this one crashing down.

books by andy mcdermott in order: *The Valhalla Prophecy* Andy McDermott, 2014-09-30 For fans of James Rollins and Matthew Reilly comes a heart-stopping, globe-spanning adventure in Andy McDermott's explosive series featuring American archaeologist Nina Wilde and ex-SAS bodyguard Eddie Chase. MYSTERIOUS RUNESTONES. AN ANCIENT VIKING MYTH. AND A PROPHECY OF LIFE OR DEATH. In a Stockholm museum, thieves steal an enormous Norse runestone, but not before killing a security guard. When Nina Wilde, head of the International Heritage Agency (IHA), and her husband, ex-mercenary Eddie Chase, arrive to investigate, they are told a chilling story: A scholar has discovered that the stone may be one of two keys to finding the mythological site of Valhalla, where the Vikings predicted the world's final battle would begin. The second stone lies at the bottom of a Norwegian lake. But when Nina and Eddie race to the scene, they're hit with a shocking surprise. Covert agents from around the world, including a ruthless mole in the IHA, are drawn into a lethal game. . Then a disturbing secret surfaces from Eddie's past, involving a mission in Vietnam and a woman he tried to save. Suddenly suspicious of her own husband, Nina cannot afford to stop the perilous search for the artifact. For somewhere in a remote wilderness, two forces are about to converge: one that could save the world . . . and one that could destroy it.
